Acting Principal Report

A very positive Term 2 at Manning Valley Anglican College. There is so much to be grateful for in our community. I wish to congratulate the staff for their continual commitment to our outstanding academic, pastoral, service, sporting and cultural programs. We have much to be thankful for.

The school reports will be available for students to take home this afternoon. Please take the time to read these with your child and discuss with them the teacher comments, celebrate their achievements big and small and also help them set some learning goals for Semester 2. You will have an opportunity to discuss your child's progress further at the K-12 Parent Teacher Interviews on Monday 6 August. First Day of Term 3 is Monday 23 July.

School photographs arrived today and will also be sent home with students.

FOUNDATION DAY: 2018 marks fifteen years of quality Anglican Education being provided by Manning Valley Anglican College. At the conclusion of Term 2 each year MVAC commemorates our Foundation and in 2018 that day is today. This is a fantastic opportunity for the school community to recognise what we stand for and acknowledge those who have gone before us. In the lead up to Foundation day, I asked several students what they think Foundation Day means. Many commented that it's our "birthday" and you must have fun on your birthday. Others commented that it's a bit like Australia Day, where we do everything that is us as a society. Taking that into account I think the activities of the day are extremely relevant.

It is appropriate that we commenced the day with a Eucharist and we thank Rev Peter Tinney, Parish of Taree and Rev Brian Ford, Parish of Wingham for administering the service. Then it was down to having fun, with a variety of activities for all ages.

Thank you to the staff, in particular Mr Lawless, who ensured the activities came together perfectly. It certainly was a fitting way to end the term.

2019 ENROLMENTS: We are currently interviewing new students for 2019. If you know of anyone who is intend-

YEAR 11 FOOD TECHNOLOGY

Year 11 Food Technology students had to select and cook a recipe which demonstrated a functional property of food. Many chose to demonstrate 'aeration' through whipping egg whites for a meringue or whipping cream for scones. Other recipes included soufflé, pizza and chocolate brownies. Great work year 11!
