PRESIDENT'S MESSAGE

As I look back over the last year at Virginia Union, I am filled with a great sense of pride. The University saw an increase in both total giving and in the number of persons giving. Giving was up among our alumni, churches, foundations, and friends. In this era of troubled economic times, we are truly blessed to have your continued support.

Virginia Union's star is shining brightly. Enrollment is up, net assets are increasing, and our endowment is strong. We continue to add new academic programs, and new highly qualified faculty. Sixty-four percent of freshmen in 2011 returned to the University for their sophomore year. That's up significantly from the 47% who returned after their freshman year in 2007.

An unparalleled excitement permeates the campus as we prepare for the historic groundbreaking for our first residence hall in more than 45 years. You are all invited December 6th at 10:00 a.m. to witness the beginning of our new Living and Learning Center. The Center is a \$15 million complex consisting of a conference and seminar facility and residential suite supporting 240 beds.

Our fundamentals are strong. The window of opportunity is open. Now is the time to build on our fundamentals. Now is the time to fulfill the promise of a limitless future. Now is the time to create, elevate, and motivate. Now is the time for Virginia Union.

Thank you for your support,
Claude G. Perkins, Ph.D.
President

NOW IS THE TIME FOR ACHIEVEMENT

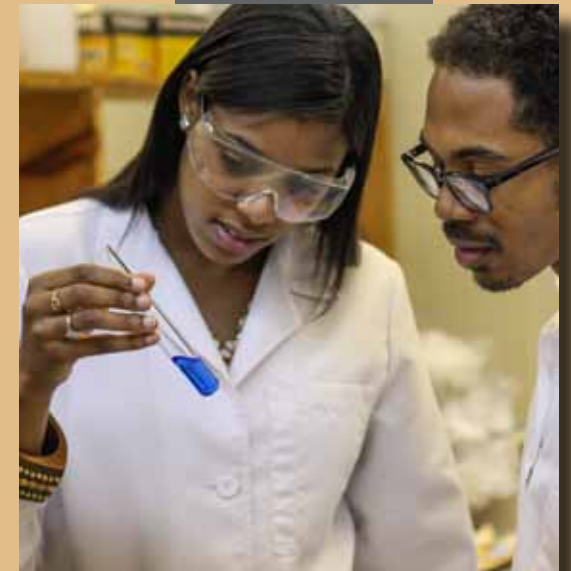

VIRGINIA UNION AWARDED \$1.75 MILLION SCIENCE GRANT

The National Science Foundation has awarded Virginia Union University's School of Math, Science, and Technology a \$1.75 million grant to increase recruitment, retention, and graduation rates in STEM programs. STEM programs include students majoring in science, technology, engineering, and mathematics.

During the five-year grant period, Virginia Union will establish a STEM summer institute for high school students, as well as implement high impact educational strategies. "Research has identified successful practices in terms of retention, including global learning, undergraduate research, learning communities, and writing intensive courses," said Dr. Hendricus van Antwerpen, Chair of the Department of Natural Sciences at Virginia Union.

Van Antwerpen says the University was awarded the grant because plans to hire a STEM Coaching Team were considered extremely innovative. "These coaches are not teaching; they are hired full time to coach our students," according to Van Antwerpen. The University will hire two STEM coaches, one for biology and chemistry, and the other for mathematics and computer information. The coaches will develop career-oriented assignments to help students select a career in the STEM disciplines. They will organize departmental seminars, help students search for internships, and prepare individualized success plans for the students.

Virginia Union's STEM coaches will also interact with high school students in an effort to increase interest in careers in science, technology, engineering, and mathematics.

NOW IS THE TIME FOR PARTNERSHIPS

DOMINION AWARDS VUU \$40,000 TO RESTORE GREENHOUSE

Dominion Educational Partnership has awarded \$40,000 to Virginia Union University's School of Math, Science, and Technology. The one-year grant will assist in the restoration of the Ellison Hall Greenhouse. When the renovations are completed the greenhouse will assist with laboratory activities that will illustrate critical principles in plant biology and environmental science. "We see giving as an obligation with partners like Virginia Union, to give back, and to help you succeed like we've succeeded," said Ken Barker, Dominion Vice President of Customer Solutions and Energy Conservation.

ANOTHER \$10,000 FROM THE "TRICKY TOM" HARRIS CHAPTER

"Our purpose is to help fund-raise and help Union", stated VUU Tricky Tom Harris Alumni Chapter President Dr. Leroy S. Vaughn '55. On August 31, 2012, the "Tricky Tom" Harris Alumni Chapter presented VUU President Dr. Claude G. Perkins with a check in the amount of \$10,410.35 raised from their annual signature event, The Outback Steakhouse Fundraiser. The fundraiser has been held for six years and has brought in nearly \$75,000. Outback Steakhouse has also been supportive in the fundraising efforts by providing the location for the event, food, and workers who volunteer their time.

VUU RECEIVES \$5,000 DONATION FROM HAMPTON ROADS ALUMNI CHAPTER

The Hampton Roads Alumni Chapter, formally known as the Norfolk Chapter, presented \$5,000 to Virginia Union University on August 31, 2012. This is the chapter's first gift since being rejuvenated in 2011. The chapter held a Prayer Breakfast on June 2, 2012 in Norfolk, VA with a goal to raise \$5,000 to give to the university. "We wanted to raise \$5,000 and we reached our goal", stated Rev. Jonathan Pemberton, President of the VUU Hampton Roads Alumni Chapter.

NOW IS THE TIME FOR BROADENING STUDENT HORIZONS

Virginia Union senior biology major **Derrick Jones, Jr.** spent the summer conducting research on the connection between prenatal stress and obesity. Specifically, he analyzed whether prenatal stress caused lipoprotein lipase, an enzyme in fat tissue, to increase thus contributing to obesity in sprague dawley rats.

Ashley Green, a sophomore biology major, spent six weeks in a summer medical and dental education program in Washington, D.C. The first two weeks she worked in the Obstetrics and Gynecology Department of Howard University Hospital where she witnessed a Cesarean section. She spent the last two weeks in the Radiology Department where she observed a biopsy and the results of CT scans and MRIs.

Faustina Ayamga (pictured on the right) took an eight-day tour of Italy and France with Virginia Union University's Center for International Studies. This was her first trip to Europe. "It doesn't matter where you go," said Faustina. "Just go somewhere." She added that the world is becoming a global village and it is crucial to experience a different country. "You must live the way other cultures live," Faustina said. "You can't just read about the international experience. You have to touch it, to feel it. It's different than what you see on CNN and the BBC."

NOW IS THE TIME FOR HONORING OUR OWN

On October 19, 2012 Virginia Union President Dr. Claude Perkins honored six faculty members who have either published or have forthcoming books. The event allowed faculty to discuss their manuscripts and give others insight into the world of publishing.

VUU Faculty authors included
(pictured left to right):

Rev. Dr. James H. Harris

'76, Professor and Chair of Preaching and Pastoral Theology and Homiletics in the School of Theology and Senior Minister at Second Baptist Church in Richmond, Virginia. His book is titled, *The Forbidden Word*.

Dr. Thomas Fensch, Chair

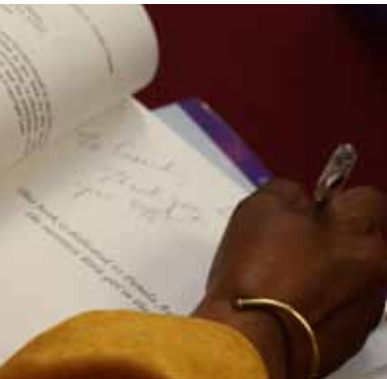

of the Mass Communications Department in the School of Humanities and Social Sciences. His book is titled, *Steinbeck's Bitter Fruit: from The Grapes of Wrath to Occupy Wall Street*. Dr. Fensch is the author of 31 books.

Dr. Yung Suk Kim, Assistant Professor of New Testament and Early Christianity in the School of Theology. His book is titled, *A Theological Introduction to Paul's Letters: Exploring a Threefold Theology of Paul*.

Dr. Adam L. Bond '01, Assistant Professor of Historical Studies in the School of Theology. His book is titled, *I've Been Called: Now What?*

Dr. Robert Wafawanaka, Assistant Professor of Biblical Studies and Old Testament in the School of Theology. His book is titled, *Am I Still My Brother's Keeper? Biblical Perspectives on Poverty*.

Dr. Patricia A. Gould-Champ '69, Assistant Professor of Practical Theology in the School of Theology and the Senior Pastor of Faith Community Baptist Church in Richmond, Virginia. Her book is titled, *Pamela Goes to Church*.

NOW IS THE TIME FOR COMMUNITY SERVICE

VUU SPONSORS COMMUNITY YOUTH BOWL

More than 600 students turned out to participate in the annual Lucille M. Brown Community Youth Bowl held September 29, 2012.

Students traveled

to campus with their chaperones and received the opportunity to meet Dr. Lucille M. Brown, VUU Board Member and former Superintendent of Richmond Public Schools. Students also met the VUU Football Team, Mr. Virginia Union University, and attended the VUU football game against Livingstone College. Elementary students participated in a poster competition, while middle and high school students competed in an essay writing contest. John Rolfe Middle School in Henrico County received the award for most students in attendance.

VIRGINIA UNION HOSTS SPECIAL OLYMPICS WALK-A-THON

Virginia Union University students, staff, athletes, fraternities, sororities and volunteers showed up in large numbers during the Special Olympics Virginia's 12th Annual Walk-a-thon held September 15, 2012. The one, two, and three-mile walk, held on the Virginia Union campus, assisted in raising money for the Special Olympics Virginia Urban Programs, which benefit over 5000 City of Richmond adults and children with intellectual disabilities. Last year, the Office of Student and Community Services worked with VUU students to contribute 14,615 volunteer hours with more than 50 nonprofits.

Virginia Union University is indebted to the many investors who have so graciously generated support during the fiscal year 2011-2012. It is with great pleasure that the University recognizes and thanks those who have made financial commitments during the year. While every effort has been made to ensure accuracy of our investor lists, errors, omissions in this report may have occurred. Our supporters are assured of our appreciation for their generosity, and we apologize for any inaccuracies in this publication. We would appreciate having any errors brought to our attention.
