Who Performs the Service

Only an Authorized Briggs & Stratton dealer can perform warranty repairs. Use the **Parts & Repair Dealer Locator** (https://www.briggsandstratton.com/na/en_us/support/dealer-locator.html) to locate a dealer nearest you. To determine the warranty and length of coverage associated with your Briggs & Stratton engine or product, please refer to the **Operator's Manual** (https://www.briggsandstratton.com/na/en_us/support/manuals.html) provided with the engine or product during sale. Some engines may be covered by a warranty policy different than what is listed.
