## Information on Student Exchange Program

-Spring 2019 / Fall 2019 semester-

### ■ Features

Nagoya Zokei University of Art&Design (NZU) provides our students with the environment in which to look inside to find themselves and explore it further more and look outside widely world to see the future. We also provide them with the stage in which to develop and enrich their ability for each individual creation.

### ■ Courses

Nagoya Zokei University of Art&Design consists of one department including 12 courses covering all fields of art and design without sticking to the former frame of art university.

There are generally the categories of art and design, and art field is separated into the specialized fields such as Japanese painting, Oil painting and Sculpture. However, all these fields are put together into one department at our university. This system helps students to defy the boundaries and create new art freely.

Teaching staff is the front-line professional artists and designers providing technical and practical instruction for students' future career.
