Placement Report 2018-2020

Director's message

NMIMS Hyderabad announces the successful completion of the Placement process for PGDM 2018-20 & Summer Internship Process for 2019-21 batch. The year of 2020 is certainly a challenging year due to COVID19 and completely a desolation for many. However, we took up the herculean task of completing the academic cycle through online delivery of classes. We would have completed more than 500+ sessions through the online to ensure that the curriculum was complete in all respects. Concurrently, we have ensured that the end term examinations are completed and students are evaluated in time, keeping with our rigorous standards and the expectations of corporate recruiters as well as accreditation agencies. In this effort, the faculty, students & staff's collaboration that has immensely helped us to tide-over the difficulties in managing various programmes at our NMIMS Hyderabad campus.

NMIMS Hyderabad has fortified its position among its loyal recruiters as well as new recruiters. The companies yet again exhibited immense faith in the pedagogy, faculty, alumni and students for building future leadership. NMIMS Hyderabad Students have received 170 Job Offers from 45+ Companies which offered a diverse set of portfolios across multiple domains to the students. Apart from the regular recruiters, who have reposed their trust and faith, year on year; the campus also witnessed 69% of recruiters are first time engaged with NMIMS Hyderabad through Placements & Summer Internships. Some of them are Amazon, Bajaj Allianz, Berkadia, Capgemini, CRISIL, Datawise, Deloitte, DHL, ICICI Bank, Invesco, Marico, Oracle, Salesforce, SS&C, WNS Global, to name a few. The highest domestic CTC was INR 16 LPA & International CTC was INR 32LPA.

Dean's Message

NMIMS Hyderabad's mission is to use customized and continuous learning in Management that is delivered in synchronous and asynchronous mode, with an aim to provide high quality trained human resources who are industry ready and socially sensitive. We strive to achieve excellence in the management education through academic programs, value added workshops and community engagement projects by offering a unique General Management program with emphasis on digital and analytical intelligence. We go beyond the regular academic activities with emphasis on practice, to promote action learning programs driven by case study methods, business simulation, workshops and projects. Going forward, we aim to be unique as an off campus university with our focus areas of Analytics, E-Business and Digital Marketing, Start-up & Innovation and Pharmaceutical Management.
