Adult Medical Care – Denver Campus

ALLERGY/ASTHMA/IMMUNOLOGY

Locally and nationally renowned specialists offering personalized testing and treatments for simple to complex issues.

Rafeul Alam, MD, PhD Flavia Hoyte, MD Rohit Katial, MD Anita Trikha, MD Tho Truong, MD Richard Weber, MD

ALPHA 1 ANTITRYPSIN DEFICIENCY PROGRAM

303.398.1858, fax 303.270.2178 Robert A. Sandhaus, MD, PhD, FCCP berendj@njhealth.org

AUTOIMMUNE LUNG CENTER

Our Center works within the framework of a premier respiratory medical center and is one of the best centers in the world to seek care for autoimmune lung diseases. The Center provides patients with a unique, crossspecialty approach to care. We bring our rheumatologists, pulmonologists and other related health care providers together to coordinate evaluation and management strategies.

Kevin Brown, MD Gregory Cosgrove, MD, FCCP Evans Fernandez-Perez, MD, MSc Aryeh Fischer, MD Stephen Frankel, MD Tristan Huie, MD Joshua Solomon, MD Jeffrey J. Swigris, DO, MS

CARDIOLOGY

We have leading heart experts who collaborate with our pulmonologists to offer comprehensive cardiac evaluations with advanced testing and latest generation imaging. In addition to general cardiology patients, including those with hypertension, dyslipidemia and coronary disease, we treat dyspnea, pulmonary hypertension, cardiac sarcoidosis and other lung-related cardiac problems. We also offer a world-class comprehensive program for cardiac disease prevention, nutrition and exercise training.

J. Kern Buckner, MD Brett Fenster, MD, FACC, FACP Andrew Freeman, MD, FACC, FACP Darlene Kim, MD Howard D. Weinberger, MD, FACC Adam Zucker, MD,

CLINICAL RESEARCH STUDIES 303.398.1911, Adult studies wcru@njhealth.org

COPD PROGRAM

Our multidisciplinary program improves quality of life and reduces hospitalizations through individual treatments and patient education.

Russell Bowler, MD, PhD James Crapo, MD William Janssen, MD Steven Lommatzsch, MD Barry J. Make, MD

CYSTIC FIBROSIS

As the site of the University of Colorado Health Sciences Center Adult Cystic Fibrosis Clinic and part of the National Therapeutic Development Network, we see more CF patients than anyone in the region.

David Nichols, MD Jerry Nick, MD Milene Saavedra, MD Jennifer L. Taylor-Cousar, MD

DIABETES/NEPHROLOGY

We offer a three-tiered program for Type II diabetes mellitus which includes physician and nutrition consults and an AADE accredited patient education program.

Elizabeth F. Kern, MD, MS

ENT/OTOLARYNGOLOGY

Matthew Clary, MD Anne Getz, MD Todd T. Kingdom, MD Vijay Ramakrishnan, MD

ENVIRONMENTAL AND OCCUPATIONAL HEALTH SCIENCES

Our team provides comprehensive diagnostic and therapeutic services for a broad range of occupational, environmental and granulomatous lung diseases. Dr. Rose leads the free screening program for current and retired miners and uranium workers. Call the Miners Clinic.

877.255.LUNG

E. Brigitte Gottschall, MD, MSPH Nabeel Y. Hamzeh, MD Lisa Maier, MD, FCCP Annyce S. Mayer, MD, MSPH Karin Pacheco, MD Cecile Rose, MD, MPH

GASTROENTEROLOGY/COLON CANCER SCREENING PROGRAM

We diagnose and treat all gastrointestinal issues, including all GI malignancies. Our screening colonoscopies visualize 100 percent of the colon with a 90 to 95 percent detection rate.

Peter Baker, MD Philip Hanna, MD Miranda Ku, MD, MPH Luette Morton, MD Thomas Reed, MD Neil Toribara, MD

HEMATOLOGY

In two of our newest satellite locations we specialize in the screening, diagnosis and treatment of blood disorders including: anemia, blood clotting disorders, erythrocytosis, idiopathic thrombocytopenic purpura (ITP), myelodysplastic syndromes (MDS) and thrombocytopenia.

Jennifer Eisenstein, MD Robert Kantor, MD William Lee, MD

HIV/VIROLOGY PROGRAM

Ken Lichtenstein, MD

INFECTIOUS DISEASE/HIV PROGRAM

Our team can diagnose and treat all infectious diseases from simple to drug resistant.

303.398.1279, Mycobacteriology Physician Consult Line fax 303.270.2119 tblab@njhealth.org

Christopher Czaja, MD, MPH Charles Daley, MD Gwen A. Huitt, MD, MS Shannon Kasperbauer, MD

INTERSTITIAL LUNG DISEASE (ILD) PROGRAM

Diagnosis and treatment for ILD, idiopathic pulmonary fibrosis, connective tissue or autoimmune disease-related pulmonary fibrosis, hypersensitivity pneumonitis, sarcoidosis and other lung diseases. We offer familial pulmonary fibrosis genetic counseling.

Kevin Brown, MD Gregory Cosgrove, MD, FCCP Evans Fernandez-Perez, MD, MSc Stephen Frankel, MD Tristan Huie, MD Amy Olson, MD, MSPH Joshua Solomon, MD Jeffrey J. Swigris, DO, MS Yulma Yunt, MD

INTERVENTIONAL PULMONOLOGY

You have access to the region's only fellowship-trained interventional pulmonologist, specializing in lung nodule detection and staging with navigational bronchoscopy and minimally invasive treatment of pleural disease.

Ali I. Musani, MD, FACP, FCCP

NEUROPSYCHOLOGICAL TESTING

We offer comprehensive evaluation of brain-behavior relationships via standardized cognitive assessment when patients display signs and symptoms of intellectual compromise, cognitive decline and/or neurobehavioral dysfunction.

Elizabeth Kozora, PhD Sarah Viamonte, PhD, MSPH

ONCOLOGY

Your patients will receive compassionate and individualized care, including diagnosis, staging and treatment for all adult cancers.

Laurie Carr, MD Jennifer Eisenstein, MD James Jett, MD Robert Kantor, MD William Lee, MD

Lung Cancer Program

Our program offers expedited diagnosis (48- to 72-hours), staging, surveillance and personalized treatment plans, low-dose lung cancer screening CT, onsite infusion and collaboration with community radiation and surgery providers. We offer the nation's first lung nodule registry developed and housed at National Jewish Health.

Laurie Carr, MD — medical oncologist Debra Dyer, MD — thoracic radiologist Philip Hanna, MD — gastroenterologist James Jett, MD — pulmonary oncologist Jeffrey A. Kern, MD — pulmonary oncologist Bronwyn Long, RN, DNP, MBA — palliative care and oncology clinical nurse specialist David Lynch, MD — thoracic radiologist Ali I. Musani, MD, FACP, FCCP — interventional pulmonologist Neil Toribara, MD — gastroenterologist

PULMONARY MEDICINE

We treat all pulmonary diseases and have a unique collaboration with onsite cardiologists, radiologists and other specialists.

David A. Beuther, MD Russell P. Bowler, MD, PhD James O'Brien, MD Kevin K. Brown, MD E. Michael Canham, MD, FACP, FCCP Gary R. Cott, MD James D. Crapo, MD Gregory P. Downey, MD James H. Ellis, Jr., MD James Finigan, MD Anthony N. Gerber, MD, PhD James T. Good, MD William Janssen, MD Susan Kotake, MD Robert Lapidus, MD Steven E. Lommatzsch, MD Barry J. Make, MD

Jason McCarl, MD Ali I. Musani, MD David Nichols, MD Jerry A. Nick, MD Amy L. Olson, MD, MSPH Jerry Pluss, DO, FCCP William Pluss, MD, FCCP Donald R. Rollins, MD Milene Saavedra, MD Amen Sergew, MD Daniel R. Smith, MD, FCCP Joshua J. Solomon, MD Jeffery J. Swigris, DO, MS Robert M. Tate, MD Jennifer Taylor-Cousar, MD Michael Wechsler, MD Zulma Yunt, MD Rachel Zemans, MD

PULMONARY PHYSIOLOGY SERVICES

Refer your patients to one of the world's largest pulmonary testing laboratories. Individual and unique testing is available.

303.398.1530, fax 303.270.2153

RADIOLOGY

Institute for Advanced Biomedical Imaging

U.S. and Denver top thoracic radiologists and advanced imaging technology: CT, PET/CT, MRI, Cardiac MRI, CT Guided Lung Biopsy, Lung Cancer Screening CT, B-Reader, Radiation Dose Reduction Program and Lung Nodule Registry. **303.270.2420**, fax 303.270.2501 radiology@njhealth.org

Jonathan Chung, MD — cardiothoracic imaging Christian Cox, MD — cardiothoracic imaging Debra Dyer, MD — cardiothoracic imaging Valerie Hale, MD — cardiothoracic imaging David Lynch, MD — cardiothoracic imaging Joyce Schroeder, MD — cardiothoracic imaging, body imaging

REHABILITATION SERVICES

Patients love the individualized attention they receive in our comprehensive program. We offer a full range of evaluations and treatments for all health conditions: PT, ST, OT, RT and massage therapy. Direct referrals are accepted. Our Olympic caliber fitness center is open to the public. Arthritis Foundation approved classes are offered in our 92° therapeutic pool.

303.398.1490, fax 303.270.2238

RHEUMATOLOGY

A physician referral is required. Our program offers expertise in the clinical assessment and management of a broad array of complex systemic autoimmune and auto-inflammatory diseases. We are not able to assess or manage patients with fibromyalgia, chronic fatigue, chronic pain or osteoarthritis.

Aryeh Fischer, MD Barbara Goldstein, MD, MMSc Kristen DeMoruelle, MD Mehrnaz Maleki, MD Richard Meehan, MD Tho Truong, MD JoAnn Zell, MD

SLEEP MEDICINE

The only comprehensive Sleep Medicine Center in the Rocky Mountain region.

- 3 testing locations Broomfield, Denver, Englewood/DTC
- 3 office locations Denver, Highlands Ranch, Westminster
- CPAP monthly support group
