"With Grace or a Race?"

This question is appearing more often in National Square Dance Publications. A wider interpretation would be: Is competition for the advanced dance levels and greater dancing skills replacing to some degree the gracefulness and sense of balance that has always been a part of the fun of square dancing? If we have asked this question of ourselves in the last few years, it is of some comfort to learn that it is also a concern elsewhere in the national Square Dance community.

Some of the questions asked are:

- 1- When dancers move to Plus I, Plus 2 and Advanced Levels, is it necessary to replace hand holds with touch gestures to gain speed? Thus the expression, are we dancing with grace or going to a race? Firm hand holds are very much a part of square dancing, to permit balance and counterbalance of dancers with each other in forward and back movement.
- 2- Why use an arm-waist circular walk-around in place of a do si do when it often puts you in a wrong position for the next Call?

Another area of concern is as follows:

After a few years of Square Dancing, many dancers are ready to move to the more challenging levels. There is therefore a need for Clubs that can provide these levels. But what about the other end of the spectrum, namely dancers who enjoy dancing at Extended Basic, Mainstream and Q.S.? If all clubs move the dance level to Plus I, Plus 2 and Advanced at the same time, what is to become of these dancers? Are there enough Extended Basics, Mainstream and QS Clubs available for those who want to dance at these levels? Also, there has to be a place where new Graduates can be comfortable. They are the nucleus of future Plus I, Plus 2 and Advanced dancers.

No matter which level we dance at, let us all make a concerted effort to get the feel of smooth dancing.

712 Willow Grove Road Westfield, New Jersey 07090 201201-233-8764

follow up - The 1st NNJSDA summer dance, called by Bob Kellogg in Iselin, was dedicated to following the delegates directive of previous years to continue our support of the Association for Retarded Citizens. Thanks to the efforts of many, including the "Colonial Pals" of SI, a check for over \$350. was presented. A letter of thanks from their president, Elizabeth Rondinella, says the money will be used to help with a group residence.

CIRCLE EIGHTS -- Tenafly, N.J. (QS)
 Mackay School, Jefferson Avenue

4th Fridays

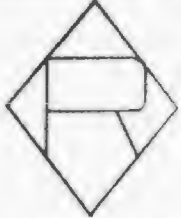

On a hot, humid Friday the 13th, many of our members participated in a one nighter in Tenafly. Hopefully some of those neophytes will sign up for lessons in our area. While we are not running a class ourselves, members plan to assist both at Tenafly Square and Tenakill Twirlers classes.

Since so many of our members attend the Big D Weekend in Deposit, NY, we open our season in October. So watch for our flyers. Our own fall weekend is almost sold out, but you can always sign up for springtime! If you are lookinh for a relaxing evening of Mainstream and Quarterly Selections, Circle Eights is the place with Ron Bessette on squares and either the Gordons or Tirrells on rounds. Remember we start at 8 with a refreshment break mid evening. reporter - Bertha/Lester Sneider 201-854-0848

1st Friday

Bruce Busch was terrific at our July dance. Doc & Peg Tirrell cued the rounds and taught the Round of the Month in their usual smooth and very effective style. The rest of the year will be divided between Carl Hanks & Jerry Schatzer, while 1980 will be given to Steve Kopman, Bruce Busch, & Carl Hanks to keep us on our toes. Starting in September (23) Jody Bromberg will be teaching a beginners class at her home in Cresskill.

The Cloverleaf Club can be depended upon to keep us dancing on the first Friday of every month throughout the year. Come and see for yourself.

THE THINGS WE DID LAST SUMMER...saving our precious fuel for the Thursday night trek to Lee Kopman's advanced workshops...practicing those calls we thought we knew...learning the new ones fresh from Lee's inventive mind...watching our guests' enthusiastic response to our master teacher...saying "welcome back" to Rita Gaeta and Glen Landis...thanking Vic & Helen Pietrucha and Frank & Eleanor Malfet for being Colonial's refreshment helpers at a NNJSDA summer dance.....

WE'LL REMEMBER ALL WINTER LONG...as the season begins in September, we heartily welcome both new and experienced advanced dancers to join us every Thursday for a season of 37 great dances! There's no shortage of energy with Lee Kopman's crackerjack calling, and Tom & Pat Cribbin will keep the round dancers rhythmically swirling. Overseeing the action will be Presidents Tom & Mary Gorham; VP's Don & Etta Davison; Treasurers Bob/ Coretta Redding; Sec. Don/Jo Braly; Delegates Hank/Amy Potts; and Advisors Tom/Muriel Corbett.

A SPECIAL REMEMBRANCE...for Bob Kellogg who was once Colonial's regular caller. During his long career he became endeared to many square and round dance groups for his professionalism and personal warmth. He was working at what he loved, the art of calling, up until the time of his death on August 4, for which his family and many friends must be proud and grateful. He will be missed. reporters-Don/Jo Braly 201-647-4110

Due to the outstanding success of the second year of this Workshop, NNJSDA & CCNJ are encouraged to expand and make this unique reteach available to more dropouts, principally those situated in our most northerly area. We are therefore opening a second section (Northern) at Pearl River, New York. The choice of this location is based on our finding that there are a lot of dropouts living within a short driving distance of Pearl River. The original hall at Iselin will be used again to accommodate our dropouts living near that location. We will call this the Eastern section. Flyers have been distributed to all member clubs. We wish to acknowledge the considerable assistance given by Vi/Clem Hayes and Gloria/Fred Graves. The CCNJ Liaison Representatives will again be Dick/Cookie Lighthipe who will schedule the callers.

We are grateful that the following dancers have volunteered their services (please get names of dropouts to them as soon as possible):

CAE is for dancers who have dropped out and feel the need for a refresh-
er course to return to the dance floor. It is also beneficial for grads
who want to develop more confidence in their dancing ability. Anyone who
has graduated from a S/D course is welcome - it is not a beginners class.
for non-dancers. An article in June AMERICAN SQUAREDANCE concerning CAE,
has brought us several inquiries on starting this program.

COUNTRY PROMENADERS -- Edison, N.J. (+2)
 2 & 4 Saturdays Clara Barton School, 1015 Amboy Avenue

Our club elected some new officers for the coming season in May with a goodly number of "old timers" agreeing to accept new positions on our Executive Board for the fall. We must be doing something right because the turnouts at our dances this past year have never been better, especially for our traditional "Kielbasa" special at the last dance in June!

Our annual club picnic was held (in the rain) in Merrill Park this year. To no one's surprise, we virtually had the park all to ourselves, and all who had signed up in advance did attend, bearing goodies. In the meantime, we have also participated in the township's Memorial Day parade, with Marty Clifford calling (half of one new graduate couple even came), and in the annual International Folk Festival at Middlesex County College with summer with Bob Benner doing the honors.

Most of our newest members (and some of our "older" members as well), have been workshopping like crazy this summer and as our most recent past class co-ordinator observed (with obvious pleasure), it looks like we'll have a high percentage of "keepers" come September.

Lastly, Jim Marshall will be calling our first dance of the season in September. See our ad on page 41 for our schedule of regular and guest callers.

 4th Friday Franklin Reformed Church, Hillside Crescent

The year wound up with our annual family picnic one Sunday in June and the summer shower held off just long enough for us to finish the cookout. When the rain came down, we danced in our pavillion - and had lots of observers trying to keep dry! It was pretty crowded, but maybe some of them will come to our September classes. This was the year for picnics. We danced in 3 demos in June/July at a country fair in Montclair, and at two I.T.T. Divisional picnics in Nutley on succeeding Saturdays. I.T.T. was a generous host as our members enjoyed not only the picnic food and activities, but also good dancing to the calling of Paul Brody and Dick Pasvolsky.

C.B.S. wishes all a happy fall when we'll be starting a new dancing season on a new night. Our club will be in a new hall (see our ad on p 51, where we hope to meet you soon. reporters-Margie/Wally Cox 201-667-8411

CROSS TRAIL SQUARES -- Caldwell, N.J. (+1)
2 & 4 Wednesdays Lincoln School, Crane Street

Ever been on a mystery bus ride? Cross Trailers filled a chartered bus one evening in May and 98 miles later found themselves in Stratford, CN at "Fun Lovin' Squares", who literally gave us the red carpet treatment. Maureen/Eric Pollock kept us busy on the bus with snacks and games. It was a delightful evening - and think of all the gas we saved!

We began our dancing season with an Open House featuring our regular caller, Dick Maddocks, who is on stage the second Wednesday of each month. Between tips we chatted with friends old and new, and enjoyed tales of the weekend campouts of our dancing campers, the "Square Wheelers". Lucky couple Dot/George Loewenstein danced in Holland and Germany in July. Once square dancing gets into your blood, fun awaits you far and near!

We've invited Jim Cargill from Sewell, NJ to call for us in September and Ken Down from Scotia, NY in October. See our ad on page 40. Come dance with us, where dancing is fun for everyone. You are always welcome!

With great sorrow we report the untimely passing, on August 4th, of our caller and teacher Bob Kellogg. His presence will be sadly missed by all he touched, but greater yet by those he will never teach. His devotion to Square & Round Dancing was only surpassed by his dedication to those learning these new skills. Perfection was his yardstick and he strove to impart this to all his pupils. Their pleasure and enjoyment was his reward. We extend heartfelt sympathies to Jean and look forward to her continuing in the activity she was so much a part of.

It has now been confirmed that Bill Chamberlin will be teaching our new dancer class, with the first session scheduled for September 25th at the Terrill Road Jr. High School in Scotch Plains and will be free to all. Our Open House will have been held by the time you read this and our plans for the continuation of our club activities been determined. Continue to watch these pages for further information as it becomes available. Or if you have any questions, please call our presidents Fred/Jane Posselt at 201-846-6094 or reporters Chet/Lee Bernstein. 201-925-5378

As a tie-in with National S/D Week, NNJSDA sponsors a Poster Contest. Entries are judged by the NNJSDA Executive Board in May. All entries are displayed at the National S/D Convention. The winner is reproduced & distributed FREE, as another service of your NNJSDA, to all clubs to use in their promotion of lessons. Pictured is 3 VP Dell'Angelo's announcing this years winner - Pat Danna of Staten Square Set. Congratulations!

GARDEN STATE SQUARE DANCE CAMPERS

This year's camping season has been great, with about 50 families attending every campout. Several families from the waiting list were able to camp with us this year. We were happy to have them join us. Fortunately, we have learned to cope with the gasoline restrictions.

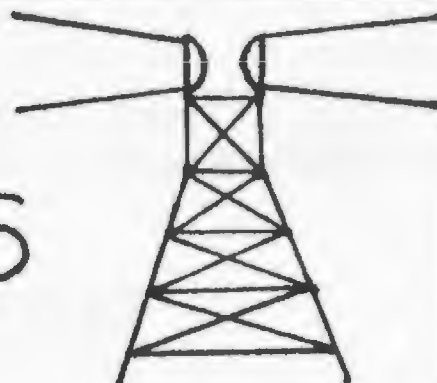

Notable events this season were a wine and cheese after party in May, a gourmet's delight smorgasbord dessert-party in June, a talent show in July, a campfire in August and a Bavarian Festival in September.

There is a saying, "Many enjoy the shade, but few rake the leaves." That's not true of our campers this season - everyone is pitching in. Our campouts are almost over for this year, with only October's yet to come. Hope you can join us on our weekends in 1980!

Now that summer is almost a memory we look to the coming months for some good Square Dancing. But with the passing summer we also will be missing our past presidents Fran & Ernie Gustafsen who have left for Florida and warmer climates. They will still be dancing so if you're in Florida you may bump into them. Good luck to both, on their retirement.

Back to local news. Come dance with us on the 1st & 3rd Saturdays. Glenn Cooke opened our season in September. See our ad on page 45. We dance Mainstream Plus 2, with rounds at 8 and squares at 8:30. Membership is open to those wishing to join our fun group. See you in a square.

"Left Allemande in Dairyland"

Milwaukee's Civic Center was well named as 22,170 (315 from NJ;287 from NY) from all 50 states & 10 countries attended the 28th National S/D Convention at MECCA. The ominous gas situation never materialized during our 2100 miles to & from Milwaukee. The trip was made even shorter & happier by the presence of enthusiastic friends like Dick/Dot Meyers. Over 1700 RV's were parked at the nearby State Fair Grounds.

The city was beautiful and the restaurants were delightful. The MECCA building that housed the convention was very adequate, even tho Doc & Peg ran out of space for the NNJSDA display & some friends had to confiscate an additional table. Among the first people to sign in at our exhibit in the Showcase of Ideas was past president George/Phyllis Cowan! Thank to all who brought material to be displayed & helped man the exhibit.

There was something for everyone - squares - rounds - contras - heritage dancing - youth; In spite of changeable weather we were able to dance outside. Smaller rooms were utilized for clinics.workshops/seminars/sewing (great ideas!)/publicity, etc. By carefully studying the program booklet we were able to balance dancing times with rest periods (at panels, exhibitions, fashion show). Our NNJ members were well represented calling, cueing and on panels.

Our personal delight was in the improved programs for the round dancers. They taught what we were able to learn; we enjoyed Fun Time Rounds. That is something we had not experienced at the last 2 conventions. Please invite us back Milwaukee. On to Memphis! OLIVE & FRANK ENOS

* As the lazy, hazy, crazy days of summer slip into our memories, we "welcome" a new season of Square Dancing. We look forward to seeing all of our members and friends at our September dance with Will Larsen calling. For our Fall schedule see our ad on page 44.

Hanover's summer workshops, conducted again this year by John Kaltenthaler, introduced the new graduates to +1 calls as well as building their confidence in the basics. Thanks to all Hanover dancers who helped at workshops and also those who gave a demonstration at the Boonton Fan Fair. Our classes will start with an Open House Sept. 17 at Salem Drive School. The new dancers will be led by Dick Maddocks, whose excellent teaching makes learning fun for all. As always, angels are needed to help, so come out & bring a friend.

"HOWDEEEEE!!!" a word all of us will dearly miss. Because of job transfer, our Presidents, Tom/Audrey Hodge will be heading for Baltimore. The Hodges have been very active in our club serving 2 years as Presidents & before this club reporters. We know everyone joins us in wishing them well and "ya'll come see us now, ya hear". At this writing, as the gas "crisis" sinks slowly on the horizon, Hanover dancers prepare to "swing" their way to Maine for a S/D week at Papoose Pond with Brian Kingsley. Will "Flipflop" get her allotted gallon jug of coffee upon rising??? More to some. Happy dancing. reporters-Rich/Carole Sanderson 201-979-7651

HI TAW TWIRLERS -- New Milford, N.J.

every Tuesday

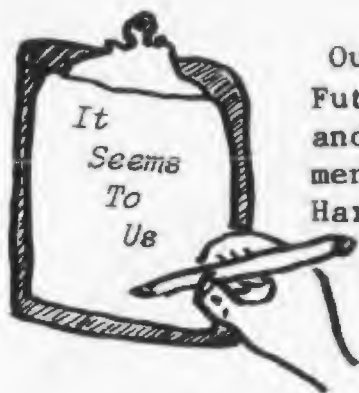

Middle School, Roslyn Avenue

In September the club started its second season in New Milford. Either this is a convenient spot, or else we must be doing something right as attendance was excellent all year, and we trust will continue so. There have been a few minor changes. ALL the dances will now be on Tuesdays - except Christmas and New Years Day. The lineup of callers will be as follows: 1st Tuesday, dynamic Will Larsen; 2nd- Mr. Square Dance caller of U.S. himself Dick Jones; 3rd- Executive Secy of Callerlab, John Kaltenthaler; and 4th, but never last- Bob Mitchell. Al Brozek will be guest caller in Sept. & in Dec. our Christmas gift will be a last dance with Jerry Schatzer before he moves away. Naturally Les & Ed Shearwood continue to guide the round dancers.

Hi Taws is co-sponsoring a beginners class to be taught by Ron Bessette with kickoff an open house September 20 at the New Milford Middle School. For information please refer interested couples to the Baumanns at 201-265-4529 & Venables 201-265-3735.

We welcome back Bill Suessmann after surgery, and Charley Lake who broke an arm cycling. And at the door to welcome all of you will be the officers & members of Hi Taws. Reporters-Dorothy/Paul Pullman 201-568-5138

WILLARD ORLICH, who died in May, was a unique individual. He never sang or hashed a note on record, yet he supervised dozens of recordings & was one of our foremost choreographers. He conducted workshops & a note service & published many S/D related books. The only NON caller to be honored by membership in CALLERLAB. All dancers have been influenced by his contributions. Even those of us who never knew Will will be touched by his passing as his cheerful voice is silent & his productive pen at rest.

Our NNJSDA presidents recently created a "Committee for Future Direction" which will concern itself with studies and recommendations for ways to best direct the S/D movement in NNJ country, and appointed past presidents Sol & Harriette Koved as Chairman. This column is presented by the Koveds to start the dancers thinking, and develop and encourage input into their committee.

"BACK TO BASICS" by Harriette & Sol Koved

Somehow we have lost track of the number of figures which compose the current "basic" group -- it seems to vary from year to year and from place to place. Nor does the composition remain the same because certain figures which were considered basic at the time that we took lessons are today recognized only by challenge dancers. Funny how things change.

The fact that more than a dozen years ago dancers enjoyed themselves with far fewer calls afforded the square dance movement the time to concentrate on things which were then considered to be fundamental. Since that time these characteristics have become submerged, if not totally disappeared.

Good humor - friendliness - inclusiveness - these were all traits which our teachers and leaders taught both by personal example and conscious indoctrination. The fact is, the people who are attracted to S/D-activity generally have these desirable traits. If they didn't have the temperament at the outset, they sure did learn through the outpouring of genuine, unselfish devotion by the angels who helped them through the prescribed lessons.

For some reason these basics of human behavior fail to stay with some dancers who reach the clubs and dance regularly. Too soon they forget the assist that they received. Too soon are they unwilling to support a club by being an officer. Too soon do they aspire to higher levels and abandon the clubs to which square dancing owes its very existence. 1 & 3 Tuesdays Brayton School - Tulip Street/Ashland Road

Welcome back for another season of fine dancing. The upcoming year promises to be a big one for we will be celebrating our 30th anniversary as a S/D club. Watch for our anniversary celebration dance as well as several special theme dances and two 5th Tuesday specials.

The Sibbalds will no longer be able to cue rounds for us due to Bud's job demands. Betty & Bud brought round dancing to Hill City and were the only cuers we have had. We're sorry they no longer have the time and will miss squaring up with them. We'd like to wish them the best of luck and hope they visit occasionally. Good news for round dancers! We are very fortunate in having Walt & Grace Pennie cue rounds in the coming year. They will have round dancing from 7:30 to 8 PM and between tips from 8 to 10:30. Manny Amor will be back calling squares. The club will be dancing at the level of the floor with the intent of working up to +2 level as the season progresses. New dancers are welcome to all dances. Experienced dancers, as well as graduates, can expect an interesting evening with Manny's exuberance & unexpected combinations.

We experimented with the All Position Concept (APD) last season with the result that it brought more complaints than praises. Those dancers who enjoy an extra challenge were delighted, however, in view of the lack of support the APD will be dropped. Hoping to see you on the dance floor. "What a beautiful thing friendship is - a world without end"

Browning. En route to the Aug. Garden State S/D Campers week-end in PA I developed engine problems losing much pulling power. Rolling into the camp my motor sounded about to explode. Before I had the motor turned off, Pete Boccaccio & Lee Venable volunteered to help. It began to pour as we opened the hood next am. Caller Ron Bessette offered to help & working in the rain with the help of these Samaritans temporary repairs were made. With the car still not running properly. Ron offered to pull my trailer home. Sunday we caravanned with the four rigs, keeping in touch by CB. My driveway never looked so good! That weekend I was in need & these great people were friends indeed. Ed Lang.

We're squaring up again! Glenn Cooke, Marty Cliford, Lee & Ray Kirchmeyer will be back with us. You'll like the guest callers we've arranged for too. (Workshops 8 to 8:30). At our Dinner Dance in June, Doris & Harry Lammerhirt, Past Presidents, were honored guests. They have been made Life Members of Isle Squares.

Thanks to our past officers, we had a season of good dancing, friendship and fun. You must have heard about the Ice Cream Dance we had! Ice cream with any trim you could think of. No names but - a few of us had ALL the trimmings, sprinkles, chocolate syrup, strawberries, nuts, whipped cream, etc - UMMMMMM. If the new season is anything like our last one (!'m betting it will be) you'll enjoy coming down. Classes for new dancers will begin Mid-September on Tuesday evening. Our new officers are: Pres. Enid/Homer Powell; VP's Mildred/Artie Gallo & Frances/Bert Pearsall; Treas. Donna/Bill Anderson; Sec. Fran Palladino; & Delegates Mary/Vinnie Vasta.

To all who helped make the Staten Island ROUND UP such a success - we were truly blessed in having an excellent, hard working committee - each of whom did more than their own share of work - before, during and after the dance. Our deepest thanks. You all made us seem like miracle workers.

personal observations- The NATIONAL S/D CONVENTION is really a reunion where you go to meet old friends & make new ones....when flying from New Orleans to Milwaukee, with a stop at Memphis (site of 29th NSDC) we noticed one s/d couple boarding & were amazed to discover in conversation they have the same job at the 29th as we did at the 26th NSDC-Press Breakfast Chr!(small world)...thrilling to see 185 couples at Fun Time Rounds to learn our "Let's Linger"...& in spite of the conflict with the Fashion Show, about 3 dozen attendees at Part II of the Publication & Publicity panels we did with Cathie Burdick & Ray Kauffman, moderator. After 4 years preparation, those involved with this years NSDC can begin to relax, content with the knowledge their monumental undertaking was very well done!

Stillwater School

Our season concluded with an annual covered dish supper. As expected we were all treated to the many delicious favorite dishes of our talented cooks - both male and female. We were barely able to dance; but we did & enjoyed the calling of our personable Dick Pasvolsky.

During the summer, workshops were held & Dick kept many of us on our toes with the latest calls. Many of our members, old & new, danced at demonstrations, specials & Association dances. Sussex County club members danced four evenings at the Sussex Farm & Horse Show, an annual affair outside Branchville. These dancing demos are rewarding - they expose our healthful fun recreation to many people. We have audience participation and those interested are often signed into some of the classes. In October we will give a demonstration in the restored Village of Millbrook.

Our 6th annual picnic was held at Lake Susquehanna in Blirstown. Again we enjoyed our companions, food, weather, games, swimming, music & dancing. Our dances will be held this year again at the Stillwater Elementary School with the exception of the first dance at Lake Iliff. Please follow signs out of Sparta or Newton. Dick Pasvolsky will call his usual fun dances between 8 and 10. He will also be teaching our class on Mondays at the Stillwater school starting in September. Jean & Jess Elrod will continue to do their fine job of cueing the rounds. Watch for our flyers telling of our Birthday Dance and of our Guest Callers. Come join in our fun. Nat King Cole couldn't have expressed it better, "The Lazy, hazy Days of Summer" - this was a typical season to match the dialogue. Hi Gang! Vacation is over - hope yours was enjoyable - back to daily routine and schedules. By now you should be well rested and recharged for our up coming S/D season. Reflections: MT summer dance in July with Dick Jones at his masterful best; in August Manny Amor another terpsichordean delight.

Woodbridge High School will again maintain our S/D classes for beginners Bob Benner as the head master. For further information call Milton and Irene Rubin 201-388-1969. Inaguration of new officers was undertaken at our last scheduled dance. Plus Two this season everyone! By popular demand. +2 work shop is being considered. As I am writing this it is hazy, hot & humid, but the weather and the gas crisis hasn't interfered with our square dancing. Families from Princeton Squares, Masqueraders, & B-Sharps braved the early summer gas lines to attend Papoose Pond in Maine for a week of square dancing. It was a terrific experience.

Our new dance season began in September with Bruce Busch calling; the dances begin at 8:30. Our first guest caller will be Joe Landl in Oct. We look forward to seeing all our friends and welcoming new ones to a fun season. And for those who are interested in lessons, our class will begin Sept. 27 at the Little Brook School, Princeton with Fred Fields.

Masqueraders, Princeton Squares' associate club, offers both the new & experienced dancer a relaxed way to dance while refining those basics. Masqueraders, a new club, with Fred Fields calling, will progressively add the +1 & +2 calls to its list of Mainstream and Quarterly Selections. Come & join this enjoyable way to dance.

We are pleased to hear that we are earning the reputation of being a warm friendly club because we believe this is what square dancing is all about. With this philosophy and good dancing in mind we are looking forward to welcoming new friends and members to our dances. See our ad p.11.

IN MEMORIAM - BOB KELLOGG

by Evelyn Chaiken

Too soon, too soon--
We needed him so.
We needed his warmth,
Too soon to go.

His life was full,
Full of giving
Giving of himself--
His joy of living.

Dancers from everywhere
Danced to his calls,
They danced in schools
They danced in halls.

Bob and Jean
Were ever there,
So friendly and helpful--
A beautiful pair.

Each of us special,
Each treated the same.
Charmed by their manner,
Hundreds came.

His lean good looks
The twinkling eye,
His dashing style--
Oh, why did he die?

It seems too final
But this is no end,
Bob's still calling
His special blend.

He's in the heavens
Do you hear those sounds?
It's Bob Kellogg calling
Squares and rounds.

Bob Kellogg was a unique individual who saw the beginning of many an organization. A multit talented & concerned dancer he worked behind the scenes to help form the NNJSDA, later serving as VP & President.

18 years ago, 2 clubs asked Bob to handle their R/D program. Little did anyone know this would develop into a whole new life style for Bob. He not only became an excellent R/D teacher but after attending Caller's School, Bob began teaching a S/D class which, in 1963 became Y Squares. Bob was one of the few to successfully bridge the gap covering most competently squares & rounds.

When the NNJRDLIC was born in '63, Bob & Jean were valuable & concerned members helping guide it thru those first stumbling years- serving as moderators in '71-'72. In '74, the year CCNJ was conceived, Bob's versatility & vast background was very much in evidence as CCNJ gradually weathered growing pains & developed into a viable organization. Bob served as president in '77-'78.

After retirement Bob was able to devote more time not only to his regular clubs, but also develop a program for Senior Citizens & others, as well as do some choreography -"Easter Parade" & "Spanish Serenade".

A member of CALLERLAB, Bob worked extensively to promote S/Ding "for its fun, for its recreation, for its friendship". This is the legacy Bob left. People like Bob Kellogg come along once in a person's lifetime. Truly Bob is one of those who touched the lives of many with happiness & friendship. Our entire area extends its sympathies to Jean & family.

To our many friends everywhere.....

"Your very kind expressions of sympathy brought me much comfort. (I am trying to answer most of my notes, but some people didn't include addresses, especially clubs.) I was deeply touched by so many beautiful messages. New dancers I didn't even know wrote to me. Bob's greatest legacy will be for you all to keep dancing and thus stay active and happy with a very special group of people. God bless you all." Jean Kellogg

A Caller's School Scholarship has been established in the memory of Bob Kellogg. Donations are being accepted by the committee:

Grand Square OFFICIAL PUBLICATION

The official NNJSDA publication is distributed FREE to all members thru their club Delegates. Income is derived from Booster

Drive every winter and from the advertising in the magazine.

	deadline	distribution date
FALL	August 8, 1979	September 16, 1979
HOLIDAY	October 10, 1979	November 11, 1979
WINTER	December 13, 1979	January 20, 1980
GRADUATES	February 10, 1980	March 15, 1980
SUMMER	April 14, 1980	May 12, 1980

In 1958 six couples showing concern over the need for a good promotional program, clearance conflicts, classes, summer dance opportunities instigated a plan of action. 11 clubs sent delegates to a meeting from which the NNJ-SDA was born. We are still following many of their original directives.

Then, as now, delegates had the responsibility of presenting their clubs viewpoints at meeting & of keeping their club informed of activities within the Ass'n. In 1959, as a further means of communication between the widely scattered clubs, GRAND SQUARE was created. Now 35 clubs strong, & still growing, NNJSDA is proud of its accomplishments & constantly works to improve & expand the S/D activity. Club dues are minimal with almost all of the income derived from its dance program. Monies are expended on printed/promotional materials for clubs & services (e.g. classes, Singles Club formation, Leadership Seminar-LUST, Drop Out Program-Catch All Eights, etc).

2 other organizations share our concern - The NNJ Liaison is an active member of the NNJRDLeders Council who meet quarterly to exchange information, plan specials & select ROMs. The Callers Council of NJ (Reardons are Liaison) meets monthly to improve knowledge & techniques of its members. We are working together on several programs.

2 & 4 Saturdays

Heights School, Seminole Avenue

Welcome to our Fall Dance Season. We are looking forward to our first dance with Lee Kopman calling the squares & Doc & Peg Tirrell on the rounds. We have super terrific callers lined up for this year. See our ad on page 6. Hoping all have enjoyed a pleasant summer, we look forward to dancing with our graduates who have completed their "post graduate" lessons with the Allison's.

The National Convention saw several of our members in Wisconsin. This convention was a most enjoyable and enriching experience. We're glad to see Les Manuel & Ed Rimpio back on the dance floor again. Ramapo held a club picnic following their Executive Board meeting in May at Campgaw Mountain Reservation. Good food and fellowship were enjoyed by the many who attended. We will hold our open house in September at the Ramapo Mountain Lakes Country Club on Hiawatha Blvd in Oakland. Classes will begin the following Sunday evening - for further information contact Bud/Ginny Allison, instructors at 201-261-9376.

Bruce Busch did the calling honors for our graduation in June and Doc & Peg made the evening special with rounds and mixers. We happily welcomed our own graduates and graduates from several other clubs to the wonderful world of Square Dancing. Again our presidents, Ann/John Natalo, will be glad to review old calls or help with new ones in the cafeteria before the dance. reporters - Joan/Bob Mulroony 201-337-4060

Don't eat dessert at home; we will have plenty for all, starting at 7:30 PM. Rounds at 8, squares at 8:30 caller Ralph Trout.... Our beginners class kicks off in September with an open house. Our teacher is Marty Clifford. Date/Place still open at time of typing, so call correspondents - name/phone below.

RUTGERS PROMENADERS -- New Brunswick, N.J. (QS)
 2 & 4 Thursdays Douglass Student Center

A warm welcome to all new graduates! We've had a pretty busy summer. The club was well represented at the National Convention in Milwaukee. Our July 4 parade was held in Monmouth Junction this year; we won a trophy for "best novelty". As you read this, we should have also held our annual picnic, barring rain.

This season, we will be changing our dancing location; our regular club dances will be at the DOUGLASS STUDENT CENTER. Our hi-lo will be September 11 with our first regular dance the following Thursday. Will Larsen will call for our September special. Hope to see you on our floor soon!

News of Past Graduates - Our deepest sympathy goes to Estelle Padawer on the loss of her husband Len, graduates of the class of '78 and to Martha Pozsar who lost her sister Dorothy Tveit in June. Our congrats to Carol/Tom Boyle on the birth of a son and to his grandparents, our past presidents Chris/George Murray. Clem & Vi Hayes represented us at the Graduation and Charter Night of Belles & Beaux and our former graduate Paul Brody did a great job calling.

Our last dance of the season in June saw a large turnout enjoying the calling of our own Jules Pozsar and in the absence of our regular R/D cuers Ed/Les Shearwood, we were fortunate to have Doc & Peg Tirrell fill in. This lovely couple who have done so much for square as well as round dancing were celebrating their 31st anniversary and it was a pleasure to share it with them. The highlight of the evening was watching Doc & Peg dance the Hawaiian Wedding Song and the amount of applause after showed how much we think of them. May they share many, many more. It was a double pleasurable evening as we also celebrated Vi Hayes birthday that evening.

There is always a sad note to the last dance of the season as many of our dancers do not return. The smaller clubs are finding it more & more difficult to survive. Years ago when a club held classes the graduates were welcomed in and they provided the new blood necessary to the running of the club. However, lately new graduates are in a hurry to go up to higher dancing and are not taking the time to grow in their home club and to give it the support it needs, with the result that more & more clubs are folding. Please graduates support your home club and keep it alive for future dancers. We at See Saws will be looking for all you new grads at our first dance in September with Jules at the mike. There will be a new format this year - there will be a guest caller on the first Saturday and Jules will be calling on the third Saturday. Please come out and support us, we need you. See you all in September - see our ad on page 24.

1 & 3 Sundays (2-4:30 pm) Community House, 247 Main Street

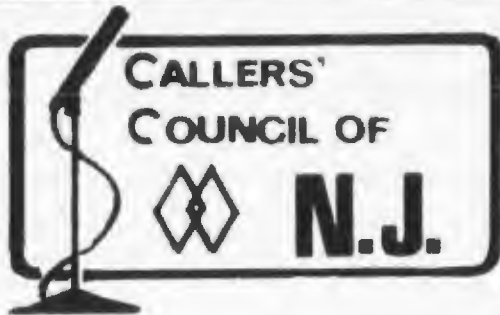

Every club is proud of their graduates, but may we be indulged an extra bit of enthusiasm for our FIRST class and say we are especially proud of them. We send them very special wishes for many happy days of dancing!

We have had good turn-outs during the summer. People have braved heat & humidity & gas lines to come and dance. We are very grateful for their support and friendship. In July, a contingent went up to the Berakah Community in Fairlawn to do a demonstration at a Barn Dance called by Paul Brody with Jeanne Brody teaching line dances. We had a good time and it was clear that our hosts did too. We look forward to seeing many of you this Fall.

This summer members working within the framework of the existing NNJSDA Constitution/By-Laws showed their consideration for the interests of others Covered Bridge, wishing to change to Fridays, would be in conflict. Circle 8's, Hanover Tenafly & Y Sq. granted permission for the switch. In a new advanced club, Montville Sq, wishing to advertize in GRAND SQUARE, found itself conflicting with Cross Trail. Considering the difference in levels permission was given. We wish to commend all the clubs involved for the way they amicably discussed & resolved what could have been a problem.

SOMERSET HILLS SQUARES -- Basking Ridge, N.J. (+2)
2 & 4 Tuesdays Cedar Hill School, Peachtree Road

It has been several months since we enjoyed the delicious offerings of epicurean delights at the pot luck supper in May. This event topped off a year of great dancing fun. Hats off to Ray/Irene Robertson for their leadership. With a lot of memories of last year fading, it's time to SMILE and have FUN once again beginning the second Tuesday in Sept. Our new presidents, Dave/Marti DeGraaf, will preside over an action packed fall line-up of Carl Hanks with Grace & Walt Pennie on the rounds. Both September dances continue at the M+2 level followed by a special in October with Al Horn of Penrose, Colo. Get those autograph books ready. Please see our ad on page 25 for other specials.

Our graduation class under the direction of Bob Tarrant gave a fine display of Bob's excellent teaching. Our open house in September was our opportunity to introduce someone new to the great fun we've all been having by square dancing. We are pleased to see so many of the STEPPING STONES dancers participating at our +2 dances. They are having a great time. Stepping Stones continues this fall - see their ad on page 47.

The SILVER SPUR awarded first in '56 to Dr. Lloyd "Pappy" Shaw has been awarded 11 times in the past 17 years. Recipients are those men & women who have devoted time & energy unselfishly to the promotion and protection of American square dancing. At the LEGACY banquet in May, it was presented to Cathie & Stan Burdick (co-editors of AMERICAN SQUAREDANCE, co-executive secretaries in early years of LEGACY, early Ex. Sec. of CALLERLAB) and to our own John Kaltenthaler (LEGACY charter member, guiding light in Overseas Dancers Ass'c, Executive Secretary CALLERLAB past four years). It is an honor they all richly deserve - our congratulations and best wishes.

It was "Great", oh yes, it was! The installation dinner of SSS. Thanks to the efforts of chairpersons Frank/Mary Santora and their committee, Gene Lucarini who MC'd the affair, a few chosen words by outgoing-incoming president Dave Beauchaine, the stellar calling of Manny Amor and rounds by Ron/Ree Rumble. And OH YES, all the club members, guests and friends who came to make it a success. It was great.

A well deserved round of applause to show our appreciation was given to all outgoing officers. Thank you for serving. But you have to say the same for all the new "guys" coming in. Because it gets tougher all the time. Congratulations to all new officers: Pres. Dave/Lil Beauchaine; VP Jack/Gladys Wall; Rec. Sec John/Ellen Gaeta; Treas. Lenny/Natali Weisberg; Cor. Sec. Joe/Rae Troiano. At our last dance of the season, Ray & Sandy LaVigne received the coveted Blue Jay award. We have known them but a short time and one can't help notice their zealous efforts in behalf of square dancing. Congratulations to you both. May we also offer "a job well done" to Don/Joan Abramson, club reporters for the past 3 years.

We hope by the time everyone reads this, Lenny Gaeta will be out of hospital, home and back dancing. You too, Harry/Rita Childs.

Keep dancing. reporters - Pat/Joanna 212-448-6315

SUSSEX SPINNERS -- Sparta, N.J. (+1)
 2 & 4 Fridays Alpine School, Andover Road

Now that the beginning of a new season is rapidly approaching we should give some thought to the good times we've had this past year and, keeping them in mind, continue to help the new graduates adjust to club level dancing, so they too may have some enjoyment which they are entitled to (lest we be selfish). It always seems that the bigger the attendance at a dance the more enjoyment we have. We get to meet more of our friends and make new acquaintances this way. The squares that goof seem to be the ones where the most laughter and smiles are (much to the caller's dismay). So with these thoughts in mind, lets all look for a fall of fun for everyone.

We've had many good callers and fun the past year....and this season promises to be more of the same. Our biggest improvement has been with our Round Dancers, The numbers have really increased and our guest attendance has been very good, thanks to the Elrods for their "dedicated Efforts". Hope to see "you all". reporters-Joe/Jackie Critchley 201-697-6819

If ever a new square dance season was welcome, this is the one! How nice to be recognized as real live people instead of a bunch of statistics. Swingin' Stars are happy to be part of the welcoming committee.

Richard Gray, who books our callers, has played a very large role in making our dances the pleasant occasions they are. When you realize this booking is usually done before the current season has even started, you can understand why we at Swingin' Stars feel he has done such a tremendous job. One just doesn't "hire" callers, you know. Important are background knowledge and the ability to sense changing trends in square dancing. Yes, there are trends in square dancing as in everything else. For years most clubs had used the same callers and when Richard changed the format at SS to a different caller for each dance, this was considered quite radical. Bear in mind square dancing was growing and dancers were being exposed to a wide variety of callers

After a quarter-century of providing new dancers from other clubs with a place to get experience, we graduated our first class in June. Started in mid-year, the students made tremendous progress, and we are proud of them. We are starting another class on Sept. 16 at the Methodist Church in Bergenfield with Stan Zaczkowski instructing. If you missed our first dance in Sept. the welcome mat will still be out at the same location every month through May, Stan called such good dances last season that we asked him to continue to be our club caller. We dance for the enjoyment of it and welcome all new graduates. C'mon over for a great evening.

YOU, the dancers, are the Association. While each member club sends a delegate to the NNJSDA Delegate Meetings empowered to vote on all matters, anyone may attend and has the right to speak when recognized by the chair. Officers are elected every spring to carry out the wishes of the clubs. To assist the Executive Board in carrying out their myriad and varied duties, the following committee assignments have been made. A portion of the September meeting is usually set aside for each chairman to meet with their committee and make plans for the coming season. A successful year is dependant upon ALL of us.

At Tenakill we had the pleasure of entertaining English visitors, Gwen Manning, well known caller and R/D teacher, and several others were guests of honor at the Tirrell Twirlers R/D club in July gracefully conducted by Lynne & Bob Gordon. The Britishers then journeyed on to the Overseas Dancers Reunion in the Poconos with the Kaltenthalers as hosts. And speaking of THEM, the big news is that jolly John Kaltenthaler is our new caller.

The Tirrells will, of course, still be doing the rounds, and speaking of THEM, they were active as usual at the National in Milwaukee, teaching rounds and generally promoting dancing. A number of Tenakill Twirlers & friends were also there including the Enoses & Meyers travelling together by camper. Did you see the picture in the RECORD taken at the Live Music in May, and the accompanying interview with our president Jerry Weiss? We think he did a good job of publicizing square dancing. Our HAPPY SQUARES was also active in putting on a S/D demonstration in Closter on Labor Day. Thanks to all of them, particularly the Rellingers and caller par excellence Peg Tirrell.

On Sept. 20 we join with Hi Taws in an open house at New Milford Middle School which will hopefully develop into a beginners class taught by Ron Bessette. Please bring any friends who might be interested in joining us in our favorite recreation...and on third Fridays join us on the dance floor at Bryan School. Y SQUARES -- Clark, N.J. (QS)
2 & 4 Fridays - year round Carl Kumpf School, Mildred Terrace

All members of Y Squares were saddened upon hearing of the death of "their" caller, Bob Kellogg, on August 4th. Bob succumbed to a long illness which fortunately for us dancers, did not keep him from calling and teaching quite regularly this past year. Bob was Y Squares' one and only regular caller since the club was organized in June of 1963. This was so soon after he completed his caller training, though he had been dancing & teaching rounds prior to that. Those of us who were introduced to square and/or round dancing by Bob, with the able assistance of his wife Jean, will never forget him.

Several members of Y Squares are planning a S/D callers Scholarship Fund in Bob's name. More information about this will be found elsewhere in this issue. Our club is very grateful to those callers who stepped in this past summer to substitute for Bob at various dances and workshops which he could not make. We knew the Kelloggs appreciated this also.

As to the new season coming up, we plan to hold our open house, classes and dances as scheduled, even though specific callers have not yet been lined up. So please continue to encourage your friends and neighbors to come out to join us. We're sure they'll like it.

A Couple of Clever Ideas
from the SQUARE PINCUSHION....

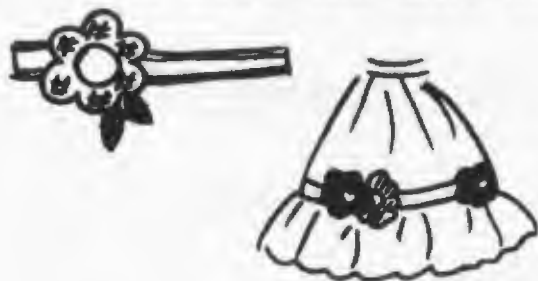

First, a most unusual and clever idea from Anne Sorenson from Country Promenaders. Ann's idea is to get the most mileage from each outfit as possible....so make a lovely skirt first; add several blouses to complete the ensemble to wear at different seasons or to a week-end where additional changes are needed. Perhaps a long-sleeved or mid-arm length blouse for colder times, a short-sleeved or cape-sleeved for mild days and a sleeveless or a bare-shouldered one for hot nights.

This way, your clothes know no season and less outfits will be needed. To further enhance your summer wear, a triangular shawl made of matching fabric can be attached to your strapless top by the aid of 2 loops added at the top edge. Slide the tail of each side of the shawl through the loops and presto! your shoulders are covered till your ready to bare them again. Thanks, Anne, for a lovely idea.

From a cute child's dress comes another thought. Trims cost more and more these days so a money-saving idea!

From the scraps of fabric from a dress, blouse or skirt or something to blend or coordinate, add a couple of appliqued flowers omitting the center. Leave an opening either side of flower for a ribbon belt to be added, this makes the ribbon your flower center. Several flowers could

be joined, plus petals, just decide where your ribbon is to enter and exit and make the necessary openings for it. A buttonhole opening is suitable as long as it is a wee bit wider than your ribbon. A row of ribbon the lower skirt ruffle with the addition of appliqued flowers without the centers and also on the waistline or neckline would coordinate it and it would be different and budget-minded, too.

Look around you at shops and in papers and magazines for adaptable things. Let your imagination work for you. One thought leads to another. Be proud of your creations.

SOFT-SOLED SHOES PLEASE

"It Seems To Me" - continued from page 15

The movement can be likened to a bank account - the extent of the deposits governs the amount of dividends that can be withdrawn. So, the health of the square dance movement is a direct reflection of the basic response of all dancers to nurture the new people who annually enter the activity - those who are now entering class, those who graduated last Spring and those who never seem to get the hang of it but do want to participate.

How do you answer the following questions?

Do you consciously seek out weaker dancers to insure that they improve their abilities? And feel included? Of an evening do you try to dance with as many different people as possible? Do you make visitors feel welcome? Do you dance at many clubs other than your own?

Each of the foregoing involves one or more basics of square dancing. To partially repay the tremendous dividend that you have received from square dancing -- smile and be friendly. Join us in the movement Back to Basics. 14 Samoset Road, Cranford, N.J. 07016 201-276-7213

The International Association
of Square Dance Callers

For the quarter beginning July 1, two calls
have been selected.

TRACK & TRADE written by Ed Fraidenburg in 1976 (also rewritten by Ron Schneider in '78 as Launch It) - Starting from columns: Lead two dancers Promenade around the outside as in TRACK II; trailing two dancers Extend to a Half Tag Formation and TRADE, ends in two faced lines.

MAKE ME A COLUMN by Dick Bayer - Starts from two faced lines: Centers facing in step forward and walk straight ahead to become lead dancer in column, Ends facing in follow along behind to become Number two dancer in column, Centers facing out turns towards the center and falls in behind end who was facing in and follows to become Number three dancer in the column while the ends facing out turn towards the centers and follow the adjacent center to become the number four dancer in the column. (ends in right or left hand column depending on starting two faced lines).

At its 6th International Convention last spring, CALLERLAB members took several significant actions - revision of Mainstream program and the Quarterly Selections List with a minor revision to Plus I list; clarified definitions for basics 39 thru 69; and passed a resolution on dance level clarification".....that members call movements within the advertised/ designated plateau & use calls from any plateau other than that which was designated, and/or any unlisted experimental, only after walking or workshopping that call, & be it resolved that conducting a designated level workshop shall mean, workshopping the calls listed for that plateau." They also discussed = styling and smooth dancing; bridging the gap from class to club; creative choreography with sessions on one night stands, contras, note series, women callers, callers' partner, formation definitions & teaching & traditional dancing. Next meeting-March 31-April 2, 1980.

His success is noted by his accomplishments & his reputation. We will all miss him - our prayers are with Jean & family.

This is a good time for you to seriously consider joining the world of round dancing. R/D classes are starting to form. There is both fun and challenge dancing to both old and new popular music, cued by some of the finest cuers in the country. We'd like to have you join us.

We wish to express our deep sense of loss at the death of TOM BRADT, our talented, enthusiastic & dedicated R/D leader on May 2. Over the all-too-few years that we have had the privilege of being unselfishly tutored by Tom and his wife, Lillian, there is no way to measure the pleasure they imparted to our lives. Certainly it was a labor of love which motivated them to travel a 4 hour round trip & devote an additional 4 hours to our group, which was drawn from 3 states. Unstinting with his help, Tom made us all better dancers & even more enthusiastic disciples of R/Ding. His memory will be kept fresh by outstanding choreography as Secret Love, Nola & Nice & Easy. We take some small consolation, as we are sure Lillian does, in knowing that Tom was active in his beloved R/Ding to the very end. We will remember Tom as always being ready to dance & cue when the music played.

BELLES and BEAUX -- Glen Rock, N.J. (MS)
 1 & 3 Wednesdays Community Church, Rock Road/Hamilton Avenue

Belles and Beaux is alive and well and dancing in Glen Rock. We've been averaging about 7-8 sets per dance which has been very encouraging. Lynne/Bob Gordon joined us at our July dance and taught is a few basic rounds. On July 4th many of us marched and danced in the Glen Rock Parade and we've been doing demonstrations in area towns to publicize square dancing for our fall class. This fall we have been lining up many of the top local callers to go along with our own club caller, Paul Brody. We've even got Ed Foote, a top national caller, to come in December. We hope you all will come join us for dancing fun and fellowship. See our ad on page 9 . reporter - Paul Brody 201-794-1759

1 & 3 Saturdays

Presbyterian Church, Main Street

In July we celebrated our Treasurer's (Chet Beams) birthday with the ice cream special. It was a great turnout, even if it was an early date for his birthday!. We were also raided by the D & H club from Port Jervis.

We all want to express our deepest sympathy to Bob Kellogg's wife Jean & family. Bob was scheduled to call at our club just prior to his death. We are all going to miss him.

We will be having workshops at Kuntry Kuz'ns this year. The dancers that came last year found it to be fun and very useful in building up confidence. Hope to see you all, especially the new dancers who have recently graduated who will find it very useful. Oh, these workshops are on Thursdays...call for time & place.

GOOD NEWS!!! By press time all clubs will have received copies of either Jersey's Gov. Byrne or NY's Gov. Carey's official proclamations declaring Sept. 17-23 as National Square Dance Week in their respective states. Gov. Carey promised to send out Press Releases - no word from NJ. Securing these is the responsibility of our 3 VP; pictured are last years 3 VP, Lida/Vic Stoffels, with official documents.

Efforts to have S/D declared by the US Congress are being concentrated on HJR 69. Write your Congressman NOW requesting his support in co-sponsoring HJR 69, Square Dancing as our American Folk Dance.

Several States already have S/D as their state dance. Efforts are being started for the same in NJ. If interested, contact Frank/Helen Cavanaugh or the Tirrells (both address in masthead p. 2). Happy dancing.

STAN'S PATRIOTIC SQUARES -- Bloomfield, N.J. (QS-APD)

2 & 4 Tuesdays Church of the Advent, Watchung Ave/Williams Street

Our thanks to Dick Pasvolsky & Stan Zaczkowski for a great Pocono Weekend. Dick came up with many pleasant surprises, and we came up with one for Stan - a pie in his face! Is there a badge for that? You were a real sport, Stan. Summer Memories include; "Under the Stars", The Memorial Day Parade with us on TV, our 4th annual picnic, our Strawberry Festival with a visit by a very large dancing strawberry! Bill/Ann Swartz souvenir strawberries made from walnuts were a hit. July 4th we marched in the rain, & danced too, and won a prize for our float. August was our fantastically successful train ride with Stan & Bob Mitchell. Also demos on the Bloomfield Town Green & the Clifton Town Picnic. And now we are back dancing at the Church of the Advent in Bloomfield. Hope to see you there. Sympathy is extended to all those of our club who recently lost loved ones.

We are continuing this monthly listing. Space & other problems precludes publishing a monthly calendar. Instead we will print this calendar of all member NNJSDA clubs regularly scheduled dance nights. By comparing the actual month to this page a dancer is able to figure who is dancing when. The "where" will be found in the heading of each club's report. On the bottom of this page, we will always publish all cancelled dances (that we know about) for the dance period covered by that issue of GRAND SQUARE. It is up to each club to keep us up to date. Note: Delegates will vote on West Milford's application for membership-1st & 3rd Fridays in September. (Doc/Peg Tirrell 201-568-5857)
