

Naval Aviation Enterprise

28 June 2011

Mr. Russ Scott

Topics

- NAE EXCOM Offsite
- Enterprise Principles & Governance
- Strategic Planning
- What the NAE Means to You
- Your Role in the NAE

NAE EXCOM Offsite

NAE EXCOM Offsite: New Mission

“Advance and *sustain* Naval Aviation warfighting capabilities at an *affordable* cost...*today and in the future.*”

NAE EXCOM Offsite: New Focus

- Imperative to challenge past practices and assumptions
- Ensure proper use of executive bandwidth
 - Topics fully staffed / prep work complete
 - Appropriate periodicity
 - “Inform to decide”
- Blurring the lines between Chain of Command & Enterprise

NAE EXCOM Offsite: Stakeholder Engagement

- Stakeholder commit to:
 - Effective preparation and analysis.
 - Addressing briefer's issues.

- Stakeholders hold themselves responsible for actions and results.
 - Acceptance of an action by a commander implies his staff's commitment to complete the action.

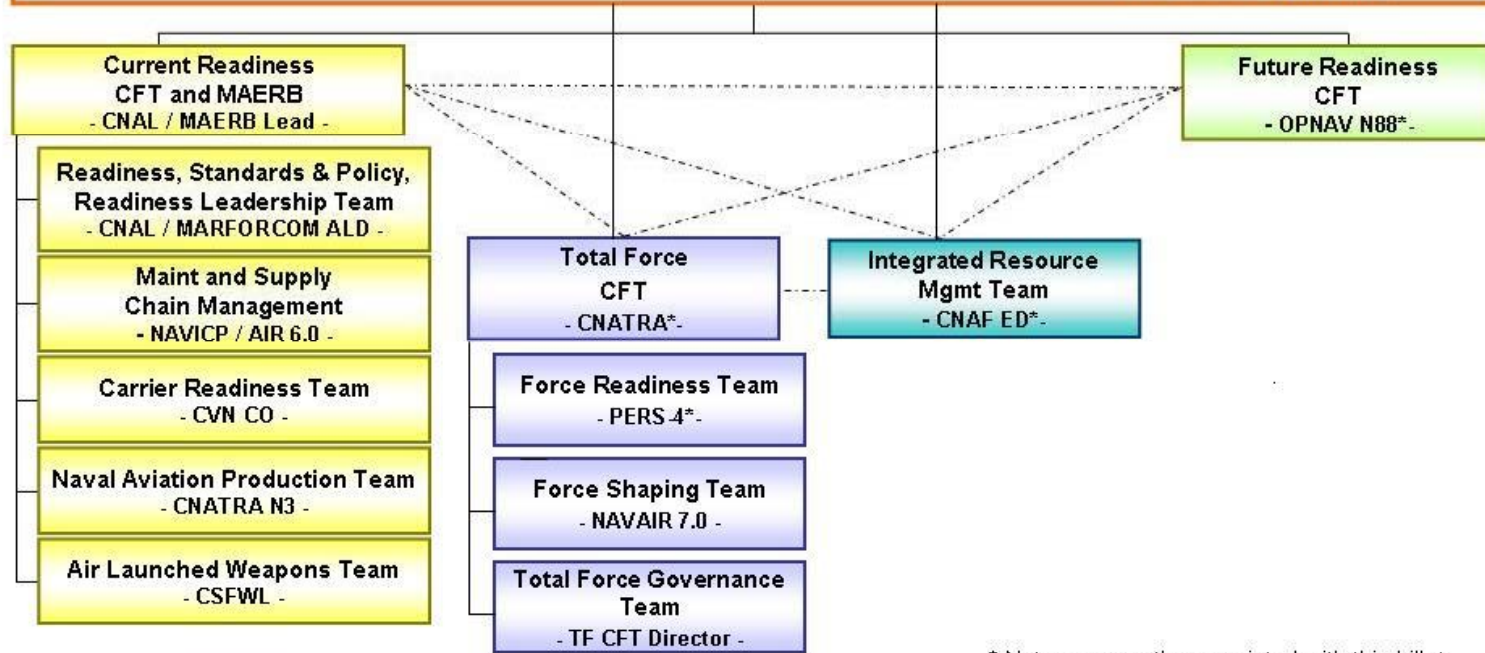

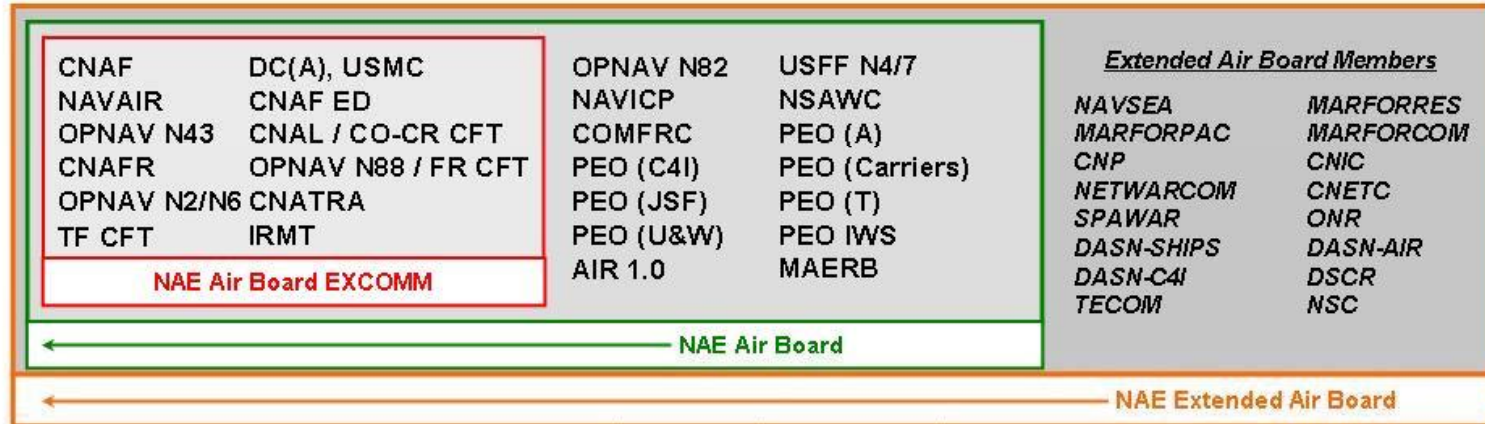

- TMS Team Briefs
 - TMS Lead jointly brief with provider stakeholders
 - Provider stakeholders required to discuss TMS Team identified action issues and actions.

NAE Governance & Principles

NAE Membership

* Not permanently associated with this billet

NAE Governance

Principles:

- Consistently apply cross-functional process thinking
- Establish and maintain process discipline
- Utilize a set of consistent, integrated and hierarchical metrics
- Ensure full and consistent transparency of data, information and activities
- Establish and maintain accountability for actions and results
- Apply an integrated governance structure
- Total ownership costs perspective
- Single Fleet driven metric

Tenets:

- Cross-functional process improvement
- Dedication to effectiveness and efficiency
- Active participation in scheduled events and tasks as a priority
- Transparency in process and data
- An (imperative) to challenge past practices and assumptions
- A commitment to the greater good of Naval Aviation

NAE Governance

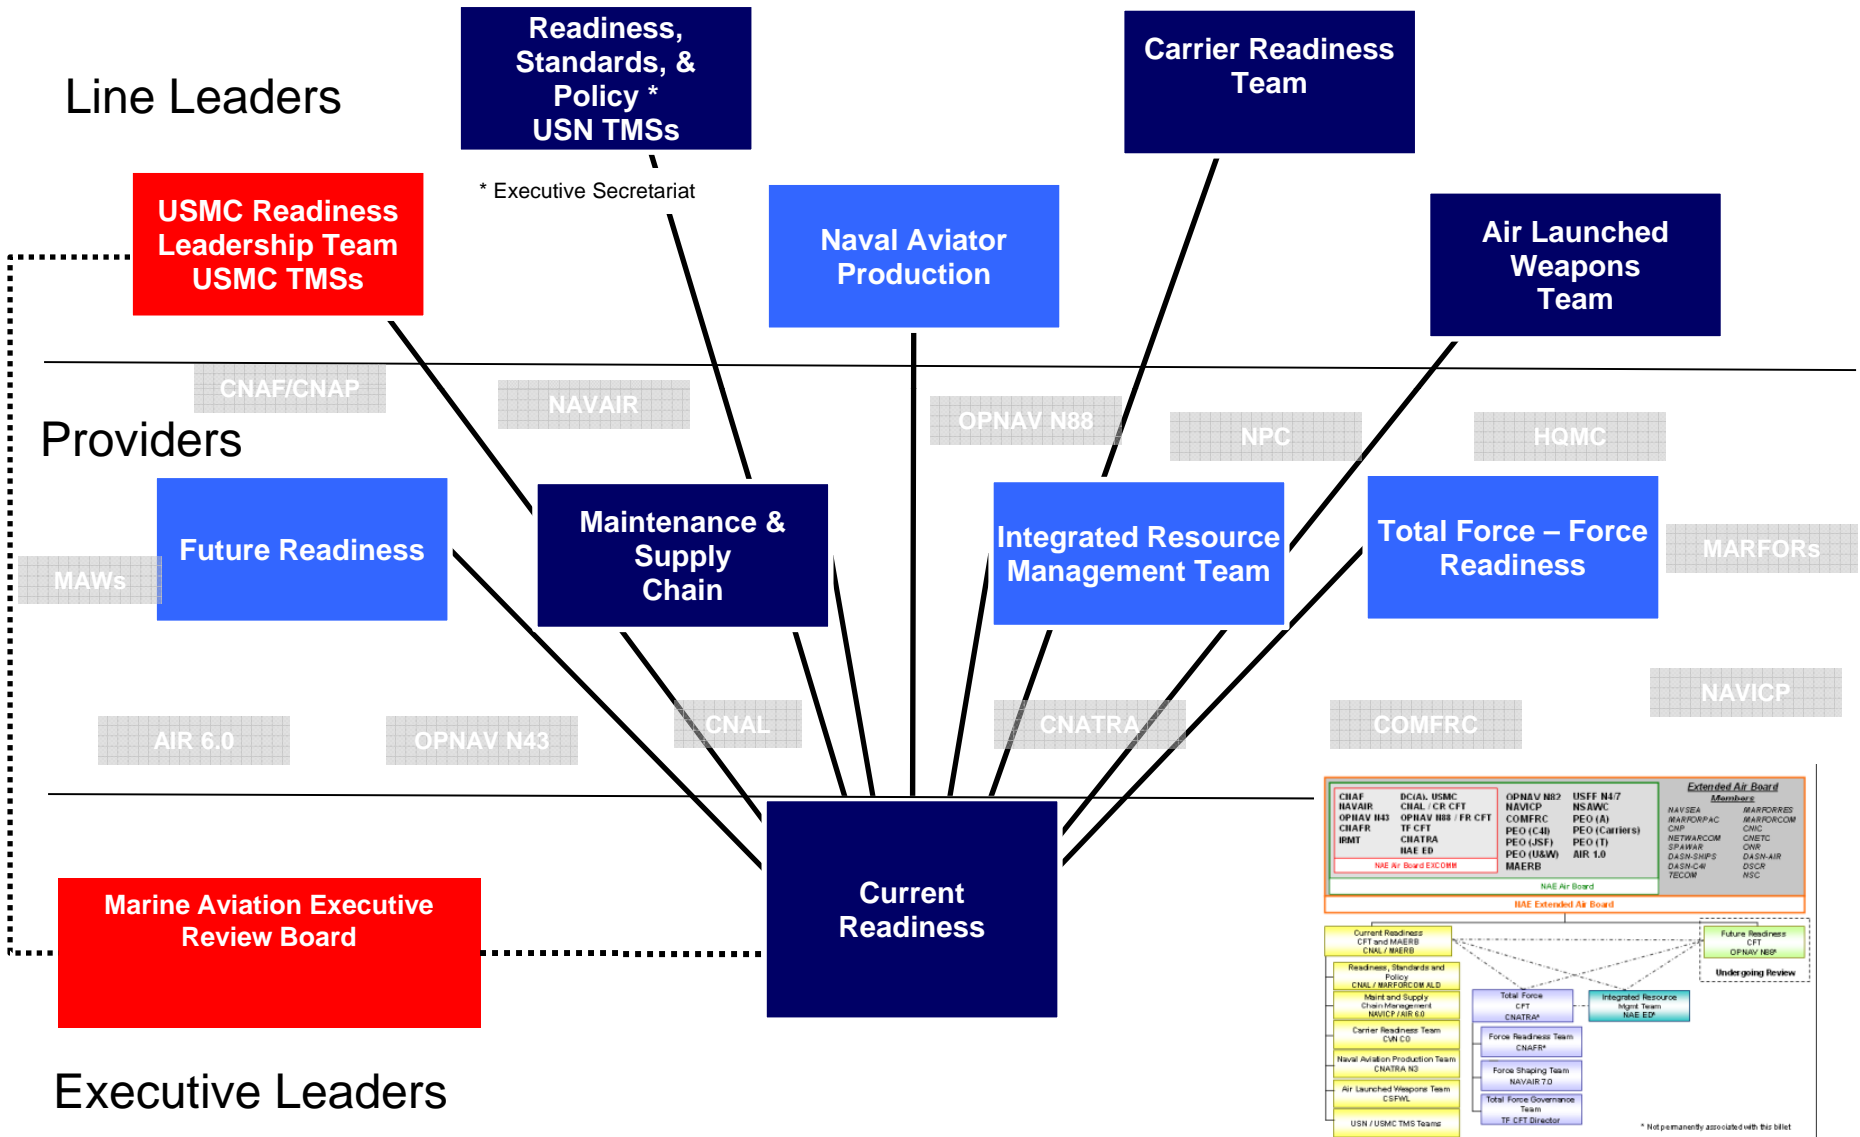

NAE ≠ Naval Aviation
NAE ≠ Chain of Command

NAE & Chain of Command
support Naval Aviation

Partnering for a better, smarter, faster combat-ready force...now and in the future

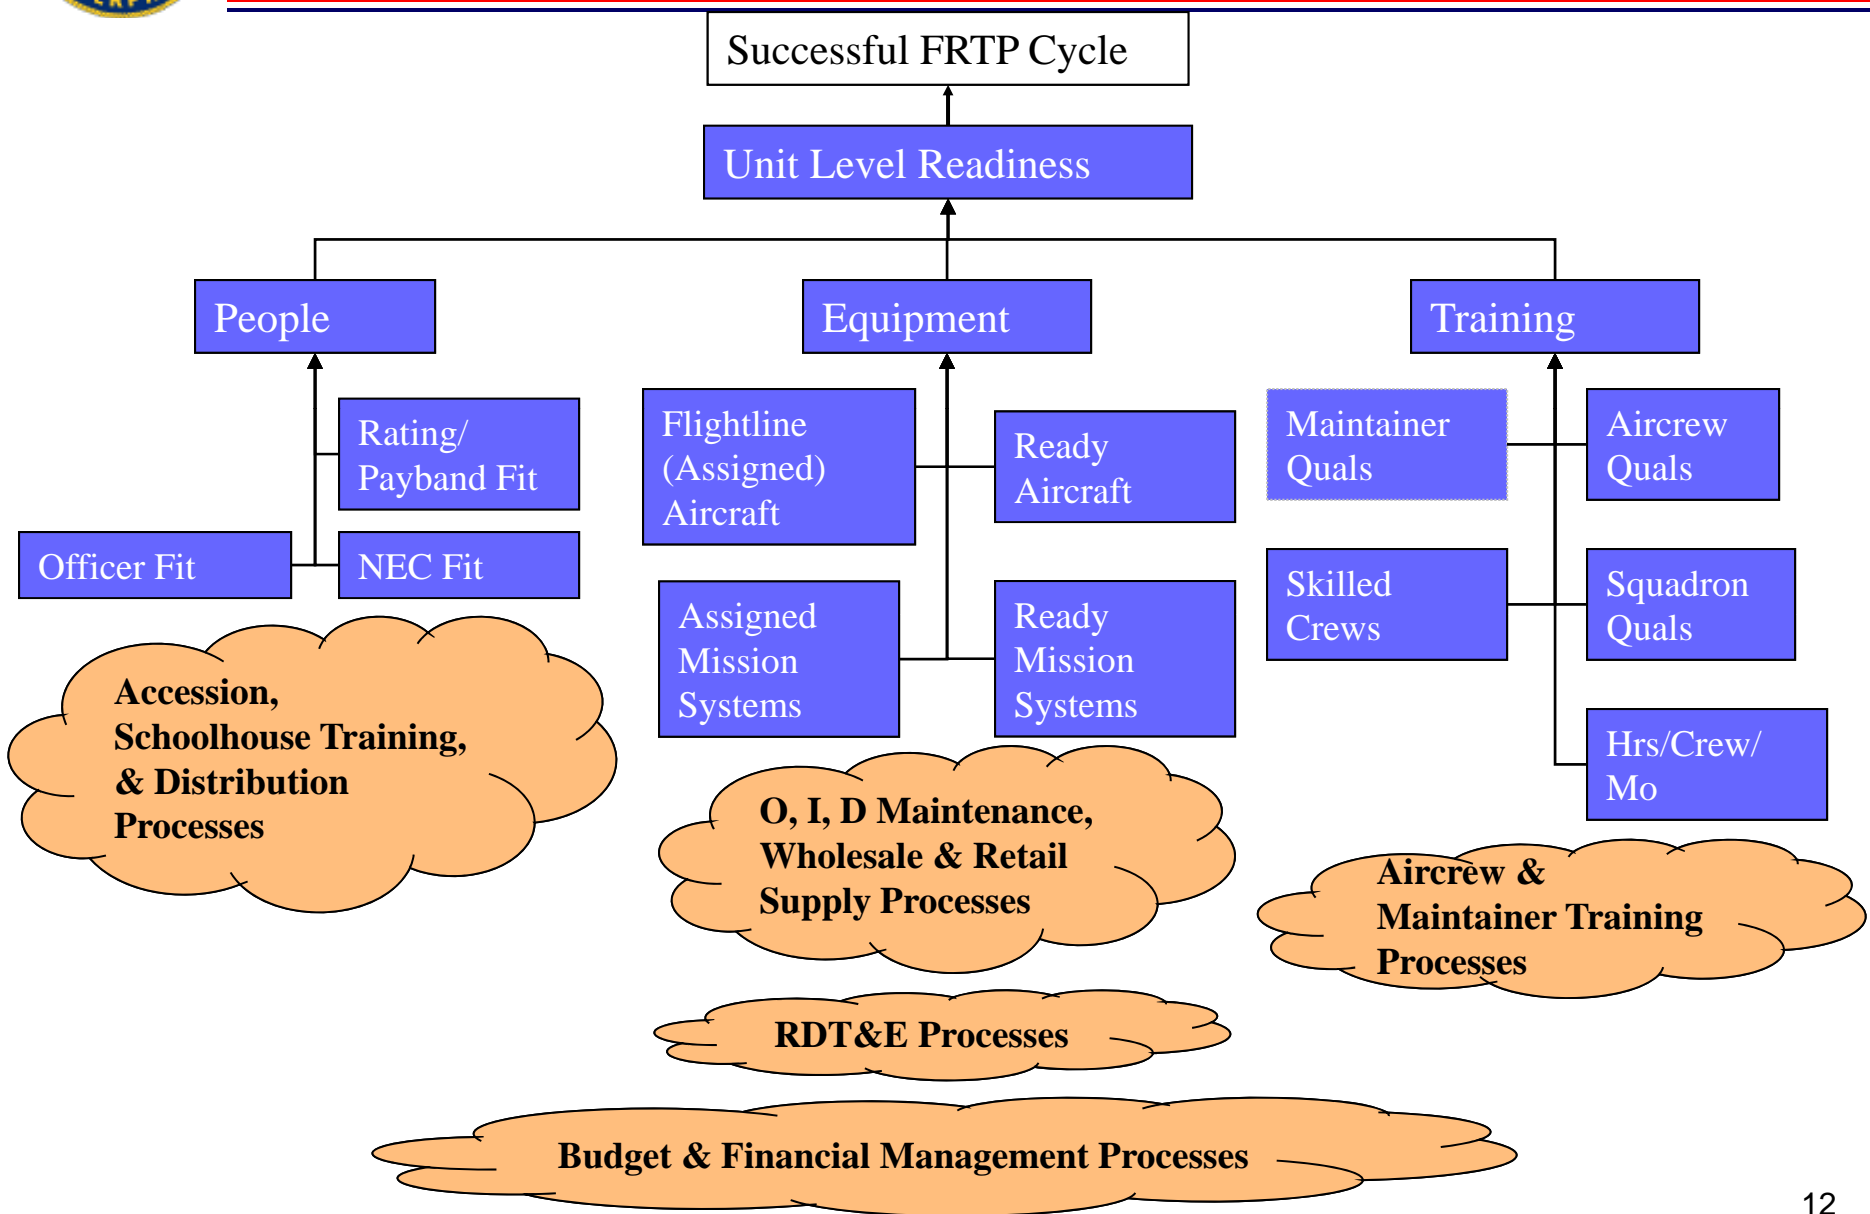

Support to the Waterfront/Flightline

Unity of Effort

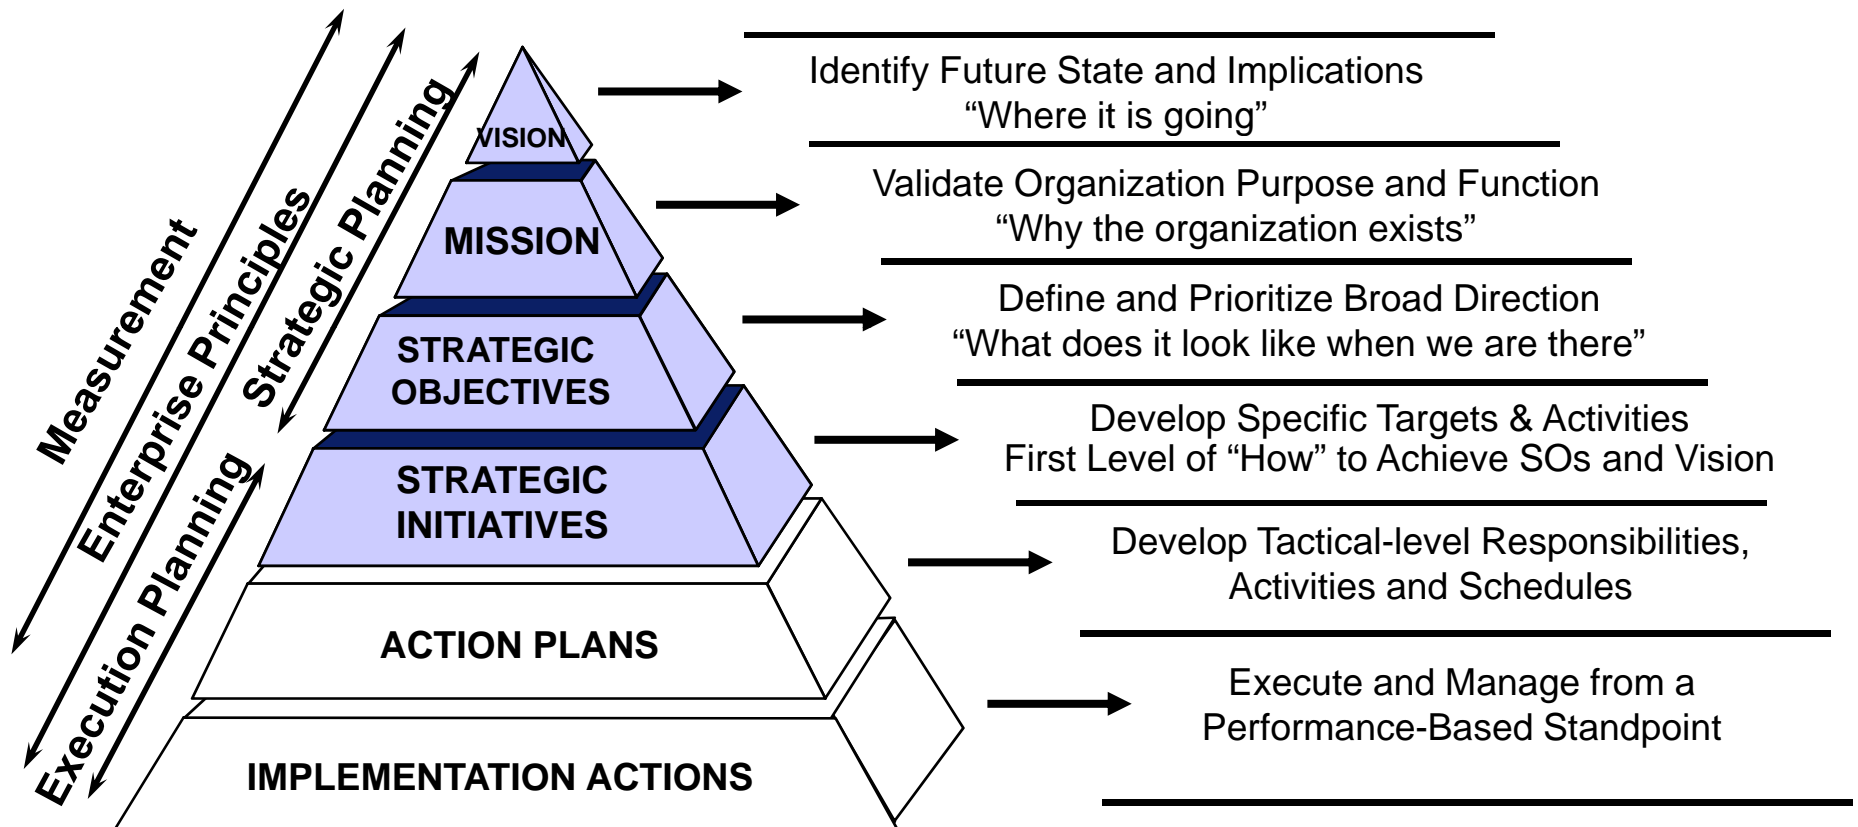

Strategic Planning

Strategic Planning Model

Strategic planning is an iterative process that identifies where an organization wants to be in the future (**vision**), where it must focus effort (**mission**), and how it intends to get there (**strategic objectives and strategic initiatives**) – it **drives change**

Strategic Objectives

- Enterprise Culture and Communication
Champions: CNAF, DC(A), NAVAIR
 - Achieve a culture that emphasizes and rewards collaboration, ownership, transparency and continuous improvement among Enterprise stakeholders and partners in support of Naval Aviation readiness.

- Current Readiness
Champions: CR CFT Co-Leads (CNAL/Deputy MFC)
 - Deliver combat ready forces to meet current and future operational requirements at the optimal O&S cost.

Strategic Objectives

- People

Champion: TF CFT Lead (CNATRA)

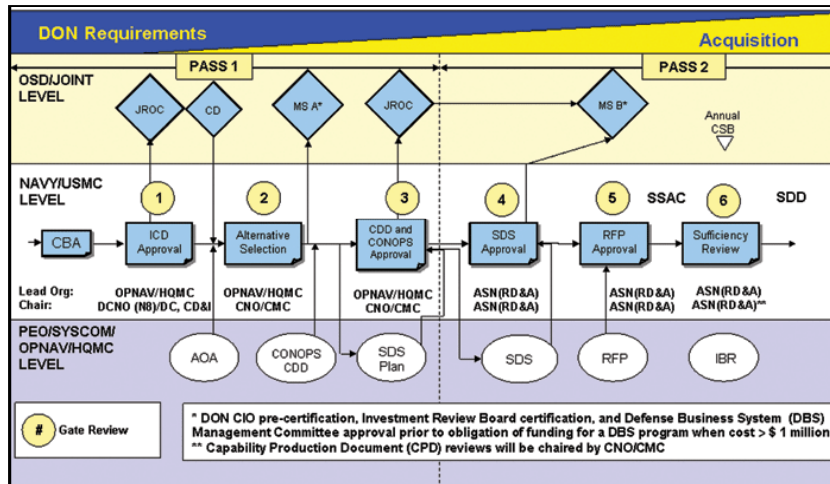

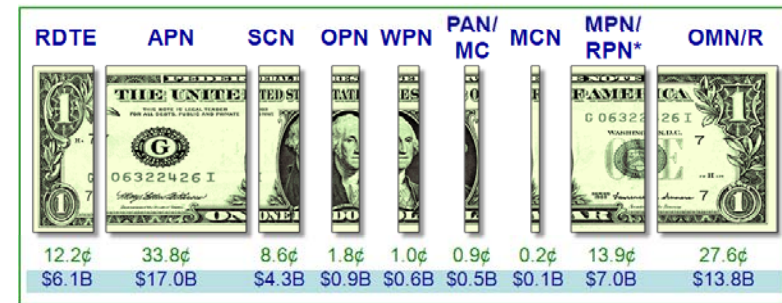

- Enhance the delivery, enrichment, and shaping of a proficient, diverse, and cost effective Total Force to perform all of the functions required for Naval Aviation to fight and win in combat.

Strategic Objectives

- Future Readiness**
 Champion: FR CFT Lead (OPNAV N88)
 - Engage stakeholders to effectively produce required levels of future readiness while optimizing costs.

- Integrated Resource Management**
 Champion: IRMT Lead (CNAF N02)
 - Strategic cost management and external integration.

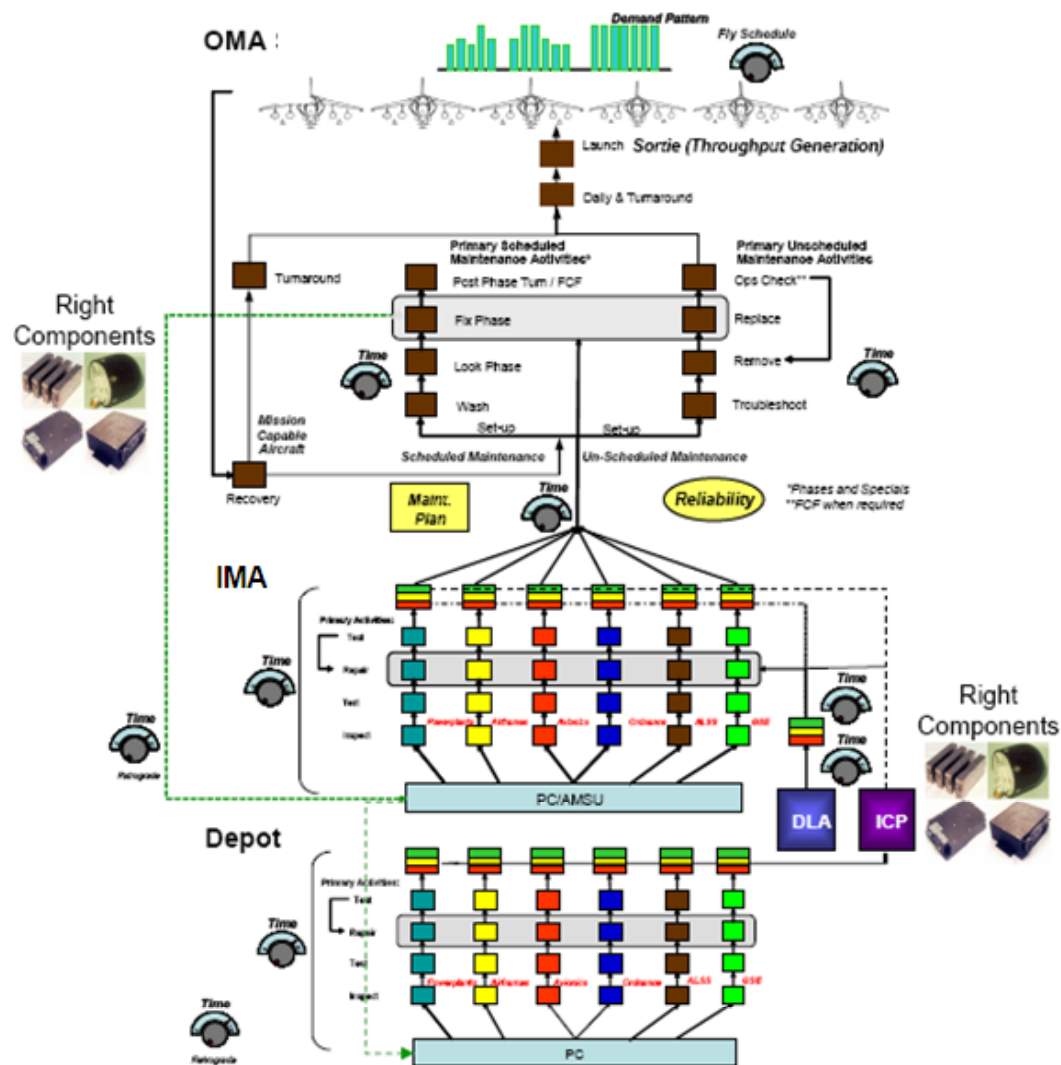

Naval Aviation Enterprise

What it Means to You?

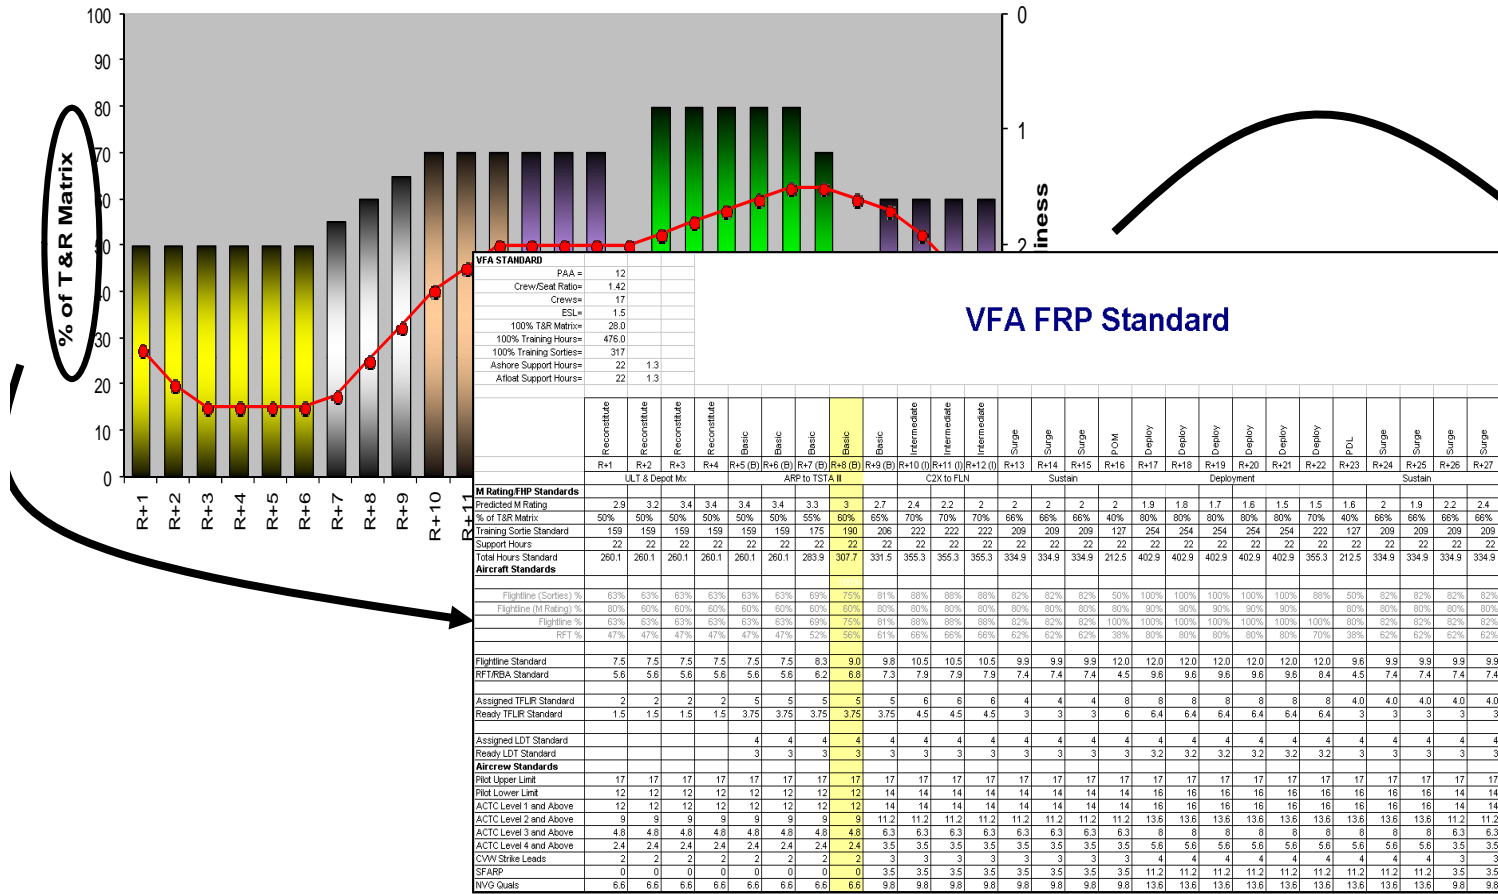

How the NAE Impacts You

- CNAFINST 3510.11B TMS FRTP Standards
- TBD Carrier FRTP Standards
- Key Performance Indicators
- Supporting Metrics/Analytic Tools
- Aircraft RFT Concept
- CVN RFT-Equipment
- MET Based MESM
- EVM
- Alignment to DRRS-N
- Mission Essentiality Driven Allowancing Product
- TMS Team Construct
- Link to Logistics War Room
- Local Maintenance & Personnel “Triads”
- Platform Support
- AIRSpeed/CPI
- End to End
- Corrosion Focus
- Culture of Collaboration
- Forum for escalating issues
- Maintenance T&R
- Qualified Proficient Technician
- Maintenance Personnel Readiness/Maintainer Core Competency

F RTP Standards & Cost

Aircraft Ready For Tasking Sets

- “The right aircraft in the right configuration in the right place at the right time to support expected readiness”
- “Living, breathing definition of FMC” (FRP phase dependent)
- RFT is NOT an ‘Aircraft’, it’s a concept
 - Monthly combination of “Up” Aircraft (Ready Basic Aircraft - RBA) and Mission Systems
- 4 parts: Ready Basic Aircraft, Mission Systems, Standard, Ready for Tasking Sets algorithm

RFT Concept

Directly measures contribution of aviators/aircrew

Specific to aviator/aircrew training

Add logistics NTAs to explicitly measure logistics readiness

Directly measures contribution of appropriate personnel in maintenance departments

Directly measures contribution of support equipment/IMRL

Specific to maintainer training

FILL-FIT

- **Fill: Manning Measurement.** The percentage of COB vs. BA (Overall or by Rating).
- **Rating Fit: Skill + Seniority Measurement**
 - The percentage of Current On Board (COB) vs. BA that are in the right

Use these definitions to communicate with Navy Total Force

Rule: Excess Supervisors and Journeyman can rollup to fit vacancies but Apprentice and Journeyman can not “rollup”.

- **NEC Fit: Seniority + Schoolhouse Training**
 - The percentage of Current On Board (COB) vs. BA that are in the right Pay band with the right NEC DNECed into an NEC billet.

Your Role in the NAE

Your Role in the NAE

- **Flag / General:**
 - Lead Naval Aviation / NAE
 - Develop NAE strategy
 - Represent NAE equities in organizational meetings
 - Participate in NAE strategic communications efforts
 - Elevate barriers / issues
- **Major Command:**
 - Lead command(s)
 - Warfighting / Fleet focus
 - Materially participate in NAE activity drumbeat
 - Resource allocation / CPI
 - Process discipline (metrics)
 - Barrier identification / removal
 - Advocate for the NAE
- **O-5 Command:**
 - Lead command
 - Warfighters / warfighter support
 - Share key messages and themes at squadron-level
 - Responsible stewards of allocated resources
 - Barrier identification / removal
- **Dept Head and Junior Officer:**
 - Lead Marines and Sailors
 - Tactician / Manager
 - “Fly the Profile”
- **A Marine / Sailor**
 - Deckplate leadership
 - AIRSpeed practitioner (as function of rate/MOS and job)
 - Identification of barriers and best practices

Everyone engages in the NAE...in varying degrees...and everyone benefits.
