FILL THIS HOUSE WITH GRACE

Joseph M. Martin

Picture a traditional stone-walled church — beautiful and powerful. Now picture it bursting with enthusiastic worshipers. There is a time-honored confidence to the musical statement Joe Martin

has given to the singers, and the words march well to the tune. A cello adds a warm strength to the anthem. The musical picture becomes complete when the opening phrase ends with the prayer, "fill this house with grace."

TUNE MY HEART

arr. Glenn A. Pickett

Stop and take notice of this novel arrangement of "Come Thou Fount of Every Blessing." It isn't like any you have heard before. Glenn Pickett's accompaniment grabs your attention first, but the vocal lines follow suit quickly. His playful reharmonization

should satisfy but then he launches into a quasi-counterpoint that is simply heavenly. The rhythmic return brings us home with joy in our hearts.

RESOURCES FOR WORSHIP TEAMS

PHOTOGRAPHY IN WORSHIP

THE ART AND SCIENCE
OF ICONIC IMAGERY

Mike Overlin

Worship Musician Series

The ability to take a photograph – to stop a moment in time – is a very powerful act in and of itself. When this skill is used in the creation of imagery in support of worship, or even as an act of worship, it can be truly breathtaking. Cameras and

technology have made incredible advances through the years, but the basic elements of photography haven't changed for over a century. Great cameras do not make great photographers any more than great guitars make great guitarists. You have to learn how to "play"!

This book will teach you the basics of photography through simple explanations and practical examples, and more important, how to "see" the image in advance, with special emphasis on creating imagery for use in worship.

THE WORSHIP BAND BOOK

TRAINING AND EMPOWERING
YOUR WORSHIP BAND

Tom Lane

Worship Musician Presents

Whether you're in a band yourself or part of a ministry involved with teams, this book can help you on your journey. Spiritual, relational, professional, and practical issues relevant for individuals and groups in worship ministry of any kind are addressed head on. Historically, bands have helped lead revolutions, crusades, campaigns, churches, rallies, and entire nations. The role bands play in worship, though important, is not the pinnacle of the calling or mandate according to Jesus. While it's okay to have a good rock band and want to go places, many creatively gifted Christians miss the mark entirely and are derailed by their own quests for something other than God. Likewise, worship teams sometimes miss the mark by placing too much emphasis on performance and not enough on relationships. This book will help lay the foundation for a healthier pursuit of creative dreams and a closer walk with God.
