PRAYER FOR THE FEAST OF POPE SAINT CALLISTUS I.

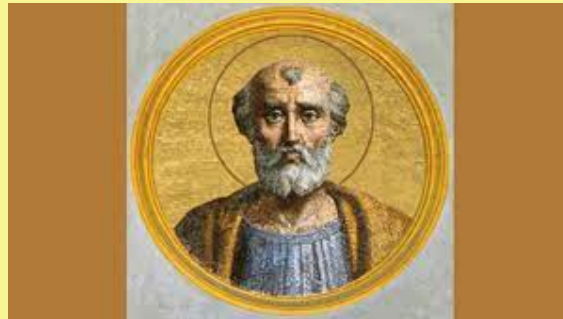

(Martyr)

**O Lord, may this mystical oblation benefit us:
may it both release us from our guilt
and confirm us in eternal salvation.**

**Through our Lord Jesus Christ,
Who liveth and reigneth with God the Father,
in the unity of the Holy Ghost, one God,
world without end.**

Amen.

Youth Ministry News

YOUTH MINISTRY COULD USE SOME HELP:

1.) **National Make a Difference Day Saturday, Oct. 23, 2021:**

Youth ministry will be participating in National Make a Difference Day!

We could use extra hands and feet to help those in the community with some chores around the house or yard. If you and/or your student could lend a hand that day, please let us know.

If you or someone you know could use some help cleaning up a yard or washing windows for the winter, please let us know or have them contact us to be put on the schedule.

For those who would like to help; we will be gathering at the home of Tom and Patty Bekkers between 7:45 and 8 am (so that we can get on the move by about 8 am), you will be grouped up with chaperones, and adults given a work list of people and addresses. We work until about 12:30 to 1 pm and then return to Tom and Patty's house for lunch before calling it a day.

2.) **Pizza and Pumpkin Decorating Contest:**

Tuesday, Oct. 19th at 6:30 PM at St. James Parish Hall. Everything will be provided for you please bring your imagination. Anyone 6th grade and up are able to join us.

Come join the fun and help raise money for a good cause that participants will help decide the night of the pumpkin decorating. Please let us know if you can join in so that we can make sure we have enough pizza for everyone (if you have a gluten sensitivity let us know and we will make sure there is gluten free crust pizza available).

3.) **Coats for kids:**

Youth ministry is helping out Salvation Army with coat drives at our parishes. There is a box at St. James, St. Joes and All Saints Parishes to collect the coats to be distributed to kids this year. The collection will end at the parishes the weekend of Oct. 17th. If your family has coats that can be donated and you would like to drop them off on Wednesday night during Faith Formation, I will have a box available for drop off. Please be generous.

PLEASE contact Jessica Phillips at 883-7357 or Patty Bekkers at 660-8064 for more information on any of these youth ministry activities.

Thank you and God Bless!

Kellner Back Acres Farm

On October 26, the students will go out for a day of fun and education! They will learn about harvesting, working on a farm and where some of their food comes from!

Some students are saying they do not want to go because they are going to have to "work". Please be assured that they are not going to be working as if this is a job. They are helping the farm with some chores and learning what it takes to grow and harvest the food they enjoy every day. We are going to put older and younger students together so the older students can help the younger ones. They will also receive a pumpkin and will be painting the pumpkin on Wednesday Oct. 27.

Watch for news from your child's teacher about Halloween celebrations.

Repeats:

No School on October 28, 2021

The majority of families wanted to cancel school on Thursday, October 28, 2021. There will be no school on that day.

We will attend Mass on Wednesday, October 27.

Safe Environment Requirements

All school and parish volunteers/chaperones who work with students are required to comply with the Safe Environment guidelines of the Diocese of Green Bay. This includes VRITUS training and a background check. If you are planning to chaperone a field trip or help in the classroom this year, we need you to follow the directions on the sheet found on the button. You will not be allowed to go on a field trip if you do not meet the requirements. Please contact me if you begin the background check so that I can contact the Diocesan office and verify you.

"The Diocese of Green Bay is committed to creating, providing and maintaining safe environments in all its parishes, schools, and other institutions so that all persons, especially children, youth and individuals at risk, will be protected as far as possible from all harm including physical and sexual abuse."

What is VIRTUS®?

VIRTUS® is the brand name that identifies best practices' programs designed to help prevent wrongdoing and promote "rightdoing" within religious organizations and to raise awareness regarding sexual abuse in our Church and society. The National Catholic Risk Retention Group Inc. created VIRTUS to empower organizations and people to better control risk and improve the lives of all those who interact with the Church through a continuous process of training and information."

[Click here for directions](#)

"In September 2016, the Diocese of Green Bay subscribed to VIRTUS® Lesson Plans to provide a consistent Safe Environment foundation for our children. It is the shared responsibility of parents, teachers, and catechists to give our children the awareness and tools they need to overcome anyone who intends to harm them. It is an expectation that all Catholic Schools and Faith Formation programs use the VIRTUS® Lesson plans."

Three times per year your child will have a Safe Environment lesson that is age appropriate for each grade level. Parents, as the primary educators of your children, you have the option to opt out of these lessons. Teachers can send home materials for you to use. If you choose to opt out, you must send back a signed sheet by October 11, 2021. Click on the button below for this sheet. If you need a paper copy please contact the school office.

Please contact your child's teacher if you would like the materials sent home.

COVID News

As of August 11, 2021, we are able to make decisions about masking based on our local community. Here are some of the procedures and updates.

Hygiene and Cleanliness

- Adequate personnel are needed to clean the building.
- All employees and students should wash or sanitize their hands as appropriate.
- Hand sanitizers and/or wipes should be readily available in all classrooms and common areas.
- Areas of the school where illnesses are commonly spread, should consider being cleaned between the beginning of the day and lunchtime, then again after the school day is completed.
- Consider cleaning high touch areas at least two times a day - railings/door knobs/etc.
- Classroom teachers should consider evaluating the way students are sent to the restroom to limit the number of people in the small space at once.
- Each school building should be deep cleaned once a week. Schools may consider using a fog chemical that is safe for schools to accomplish this deep clean.
- Students need to be instructed that they should do their best to always cough or sneeze into a tissue (discarded) or their elbow. At all times, this needs to be modeled well by school employees.
- Instruct students on proper hygiene of blowing nose or coughing. The student should discard the used tissue and wash or sanitize their hands. Adults working in the school must model this practice.
- Administrators should post appropriate sanitary methods for the students to have a visual reference on how to stop the spread of germs.

Based on updated data from the CDC and DPI, the following guidelines are recommended for schools:

A student or employee who is diagnosed with COVID-19 must follow procedures as outlined by their county health department. If there are no county health procedures in place, the following guidance should be followed:

- If a staff or student is not vaccinated and tested positive for COVID or was exposed to someone who tested positive for COVID, and the staff or student has NOT HAD COVID within the past 90 days, the staff or student should quarantine for a minimum of 10 days. The result may be shortened to 7 days if the staff or student receives a negative COVID test result.
- If a staff or student is not vaccinated and was exposed to someone who tested positive for COVID, and the staff or student HAS HAD COVID within the past 90 days, the staff or student do not need to quarantine.
- If a staff or student is vaccinated against COVID they do not have to quarantine, but should get a COVID test within 3-5 days of exposure.

Masks

- Face masks are required on public school buses.
- The use of masks are at the discretion of the school.
- DPI and the CDC recommend that all students, teachers, and staff, regardless of vaccination status, wear face masks at school.
- Schools may consider in areas where there is student density and close contact in excess of 15 minutes that masks covering the nose and mouth be worn by adults and students.
- The Office of Catholic Schools will require masks to be worn if a school has over 10% of the total student body with a positive COVID 19 test. Masks will continue to be required until the school achieves an infection rate of less than 5%.
- If the COVID rate in your county is at Moderately High or greater, visitors and guests should not be allowed in your school. This includes volunteers. When the county rate is at Moderate or lower, visitors, volunteers and guests may return.

Schools are not required to take temperatures or ask health related questions for students as they enter the school building. Schools should consider implementing screening of students if COVID levels at the county level are in the High category.

It is the responsibility of the parent (guardian) to make certain a child is healthy and able to attend school. Parents should send their child to school if they have answered NO to all of the following questions:

- Have you been in close contact with a confirmed case of COVID-19?
- Have you had a fever in the last 48 hours?
- Have you had a new loss of taste or smell?
- Have you had muscle pain or chills?
- Have you had a new headache?
- Have you had nausea, vomiting or diarrhea?

Knights of Columbus

Knights of Columbus meets the first Tuesday of the month in the church basement from 6-9 p.m.

Service and charity are at the heart of the Knights. Founded to meet the needs of immigrants, refugees and families suffering from the death of a breadwinner, the Knights began as a small service organization and has grown into a worldwide financial and charitable organization.

Our local KCs has helped the school with generous donations throughout the years. Please support their fundraisers and consider joining!
