PUBLISHER: Inside Washington Publishers

PUBLICATIONS INCLUDED:

Health Exchange Alert

Inside Cyber Security

Inside Health Policy

Health Exchange Alert is a must-read for policy professionals, providing exclusive news in the same tradition as Inside CMS and FDA Week. Health Exchange Alert is a weekly newsletter that goes beyond the current coverage on InsideHealthPolicy.com to deliver exclusive news in the same tradition as Inside CMS and FDA Week. This title is published weekly, and updates on LexisNexis within one day of publication.

Inside Cyber Security is a subscription-based premium news service for policy professionals who need to know about evolving federal policies to protect cyberspace. Inside Cyber Security delivers daily news and analysis on an emerging regulatory policy area that will dramatically affect businesses large and small. This title is published weekly, and updates on LexisNexis within one day of publication.

Inside Health Policy is a daily online/newsletter service from Inside Washington Publishers, a company with nearly three decades of experience publishing inside news from Washington, DC. Inside Health Policy is constantly updated with news from the staff of our newsletters - FDA Week and Inside CMS - plus daily blogs and hand-picked documents, placed in a fully searchable document/news archive. It also offers special news sections on health reform, Congress, Medicare and Medicaid, drug policy, and food safety. This title is published daily, and updates on LexisNexis within one day of publication.

PUBLISHER: GreenUnivers.com

PUBLICATIONS INCLUDED:

GreenUnivers.com

GreenUnivers, founded in July 2008, is a medium of economic and financial information dedicated to environmental markets. Today it is a proprietary database of more than 7000 items updated daily on business and cleantech markets, in France and abroad. The title covers Green Business in France and abroad and covers daily economic and financial news and fundraising operations, IPOs, mergers and acquisitions, strategic initiatives of small businesses as well as large groups and innovations in this market information. The title is published daily and updates same day on LexisNexis.

PUBLISHER: Current Analysis

PUBLICATIONS INCLUDED: Current Analysis Market & Competitive Intelligence

Current Analysis provides Competitive Intelligence Solutions that enable companies to anticipate and counter competitive threats. This is achieved through the delivery of tactical, actionable intelligence to

help fast-paced companies compete in the highly volatile telecommunications, networking, and business software markets. Current Analysis is capable of supporting many roles across the organization. Sales teams, product managers, marketing professionals, and executives can have access to the business intelligence. This title updates daily and is available same day on LexisNexis.

PUBLISHER: Roll Call, Inc.
