### NO. 1 SONG

It only took 10 weeks for **Zac Brown Band** to make it to the top. "Homegrown" is the lead single from the soon-to-be released *Jekyll + Hyde* album and is the No. 1 song on the *MusicRow* CountryBreakout Chart this week.

Georgia boys **Zac Brown, Wyatt Durrette, and Niko Moon** wrote the title, which took the band to No. 1 for the first time since 2012.

The forthcoming 16-track project [will release](#) April 28 on Southern Ground/John Varvatos Records/Big Machine Label Group/Republic Records. It was announced in September of 2014 that Brown's Southern Ground Artists was entering a partnership with the three label groups for releases by the band and other acts signed to his label.

For this album, Brown called upon **Jay Joyce** to help produce the project after previously using **Keith Stegall** for his first three.

The lyric video for the song can be viewed by clicking [here](#).

In support of the new music, the band will launch its [North American tour](#) at Nashville's Bridgestone Arena on May 1.

**How long have you been at the station?**

10 years

**How many "hats" do you wear every day?**

Morning Show Co-Host, General Manager. So...Pretty much all of them.

**What is your philosophy on adding new music?**

If it's a song that sounds good and enhances the sound of the station allowing us to provide a good product for our listeners, we consider adding it.

WDNB's Paul Ciliberto (L) and Michelle Semerano (R)

**Why is it important to report to *MusicRow*?**

It gives us the opportunity to present new music and new artists to our listeners. We're constantly amazed by the talent that we have the pleasure of experiencing and we have made some great friends over the years.

**Tell us something great about your station and/or city.**

Liberty, N.Y. and is about an hour and a half from New York City. We strive to provide our listeners with a "Big Market" sound and "Small Market" accessibility. I'm very proud that I was the *MusicRow* 2013 Country Breakout Reporter of the Year. For years during CRS, our morning show co-host and Program Director Michelle Semerano and I have hosted "Thunder Country Night" on the *Billy Block Show* featuring many new independent artists.
