Principal's Report

Dear Parents/Caregivers

As mentioned previously, Student Leadership in 2022 will be offered to our current Year 5 students. This cohort will be leaving for High School in 2023 and we wish to provide opportunities for all to access positions of responsibility. In the coming weeks, I will be working through the leadership booklet with these classes and inviting students to consider their nominations. They will go on camp to Jacobs Well later this term; this is a great initiative that will assist them in their cohesiveness as a group.

Year 4-7 interschool sport participation began last Friday afternoon; we fielded teams in cricket, t ball and softball. Please encourage the students in these year levels to continue to show an effort in representing their school, displaying good sports behaviour and supporting team members.

Don't forget that the QSchools app allows you to access calendar, newsletter and other information from our school website. Visit the department's apps page for more information and all the features: <http://deta.qld.gov.au/about/app/> The QSchools app is available for free download through iTunes, Google Play and the Window's store.

As part of our commitment to a regional focus for literacy and numeracy, our students will once again participate in various forms of testing (PatReading; PatMaths; South Australian Spelling; PM Benchmarking and PROBE) this term. Our I4S literacy groups continue to have support three times each week and many of our students are showing wonderful

improvements in their reading. Well done to all involved.

Over the last couple of weeks we have welcomed a number of new students and their families to Glennie Heights. We hope their time with us is educational and productive – we look forward to your involvement.

In P&C news, Melbourne Cup tickets need to be returned as soon as possible. We draw the winners next Monday at 2pm; successful ticketholders will be called and their names displayed in our office and on our website.

Congratulations to everyone involved in our successful Swimming Carnival last week. It was an excellent opportunity to show the keys to success with some very positive results.

Our end of year celebration will be held in our hall and will again be impacted by COVID19 seating restrictions (when using inside venues). We can accommodate one significant adult from each family; thank you for your understanding.

Have a safe week.

Paul
