### SIX LITTLE STORIES WITH LOTS OF MEANINGS

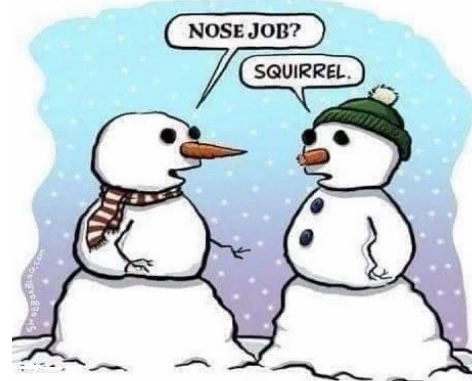

1. Once all villagers decided to pray for rain. On the day of prayer, all the people gathered, but only one boy came with an umbrella. That is faith.
2. When you throw babies in the air, they laugh because they know you will catch them. That is trust.
3. Every night we go to bed without any assurance of being alive the next morning, but still we set the alarms to wake up. That is hope.
4. We plan big things for tomorrow in spite of zero knowledge of the future. That is confidence.
5. We see the world suffering, but still, we get married and have children. That is love.
6. On an old man's shirt was written a sentence: "I am not 80 years old; I am sweet 16 with 64 years of experience. That is attitude.

Have a happy day and live your life like these six stories. Remember: good friends are the rare jewels of life, difficult to find and impossible to replace!!

Good Lord, It's full of tiny ovens and boxes of Cookies.

When your Jeep is just as upset as you are about the weather

A huge **THANK YOU** to the Northwest Hills family for your generous contributions to the Holy Cross Lutheran Church Food Pantry during the month of November! They **did** exceed their goal and met the Thrivent Financial challenge and received the promised \$500 cash! On November 21st, Rohn Collins, Pantry Director, stated: *"Because of your generosity, we are providing turkeys and Thanksgiving sides to 80 families! I was and still am in total shock over the amount that was collected (as of November 21st, NWH collected 822 items!). I was more amazed at the friendly response I received each time I went to pick up the baskets on Sunday. Such a generous bunch and all were excited about providing for others. I have all of you in my prayers and hope you know that we would not have been able to provide for this many families without your help."*

# FROM PASTOR ALEX WOLF

---

Grace and peace to you from God our Father and the Lord Jesus Christ.

We're once again entering into one of my favorite times of the year. Our senses are being overrun by all the decorations, twinkling lights, Christmas specials on television, overflowing stores and malls, cookies and candies...and I absolutely love it!

Probably one of the most common problems during the Christmas rush is no time for rest. We're always on the go from one event to the next, and our Christmas to-do list never seems to end. And then there's Jesus. I admit, sometimes I wrap myself in all the Christmas hoopla that I neglect to prepare myself for the real reason for the season. But how can we prepare ourselves to experience Jesus in the midst of all his holiday chaos? One way the church prepares for Jesus is when we gather around the Advent wreath and candles.

The season of Advent is the time of preparation for Christmas. The name of this season is taken from the Latin word *adventus*, which means "coming." The observation of Advent can be traced to the 300's A.D. and it gradually developed into a season that stretches across the month of December. During Advent we celebrate Christ's birth while awaiting his return in all his glory. In anticipation, we light candles to prepare for the coming of the Light of the world. The Advent wreath originated in Germany in 1839. A Lutheran minister working with a children's mission took 20 red candles and 4 white candles and placed them inside a wheel of a cart. The red candles were lit on weekdays and the white candles were lit on Sundays. Eventually, the wreath became 4 purple or blue candles wrapped in evergreens with a white candle in the middle. Every Sunday of Advent one more candle is lit until all four candles shine bright to announce the birthday of the Jesus. The middle white candle is then lit on Christmas Eve or Christmas Day to symbolize the arrival of the Lord.

The symbols of the Advent wreath have deep meaning. Most important is the symbolism of light. The progressive lighting of the candles symbolizes the coming light of Christ into the world. The round wreath symbolizes the eternity of God, who has no beginning or end. In the ancient world, purple dye was expensive and often the color of royalty. The blue/purple candles symbolize how Jesus is our true King. The pink colored candle comes from a medieval tradition in which the third Sunday of Advent was to be a joyful break in the middle of a quiet, reflective season. The evergreens that make up the wreath last throughout winter and symbolize God's gift of everlasting life.

This is just one way to prepare for the coming of Jesus. No matter how we choose to celebrate the season of Advent and Christmas, may we remember the majesty and love of Jesus, who entered our chaotic world to bring hope, peace, joy, life and light and will one day do so again. May each of you and your family have a wonderful and merry Christmas.

In Christ's love,

*Pastor Alex*

It'll be a nice, calm Sunday for the whole family!

The church's Memory Trees are the decorated trees in the Commons area. The decorations for these trees are ornaments given in memory of a loved one. New ornaments may be placed in the basket in the Commons area. Please be sure to complete **in detail** the information sheet about the ornament so it can be permanently recorded in a "Memory Tree" book. ## Sunday School (PK-5th Grade)

Sunday School is held for PK-5th grade children. Kids exit with Suzy after the Children's Moment. This month will be a lot of fun, holiday programs and family activities to enjoy!

## Northwest Hills Preschool

We have such a great group of students this year!! It's so joyful to hear them at work and play!!

Conferences were held late October and all parents attended. "Work at home" sheets were given out to parents to work with their child. The parents seemed to really like it and we will continue that on a monthly basis.

The Preschool had a Fall Parade on October 30th where the preschoolers trick-or-treated upstairs after the Bible study. They then paraded for their parents downstairs and had a family gathering where parents worked with their children to make mini pumpkin pies. Everyone had a great time.

We will be having a Christmas program with the preschoolers on December 18th during preschool. The last day of preschool before Winter break is December 20th. Preschool will resume on January 7th.

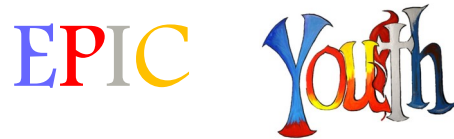

Some of the units we worked on last month involved making boats to see if they would float. We set up a pretend store where the kids could shop for Thanksgiving items. We talked about what we are thankful for.

The first Wednesday of each month the kids come up to the Sanctuary for a brief church service. It includes music and dancing, a short message given by Pastor Alex, and a prayer.

**Sunday School Offering:** The Sunday School classes take an offering each Sunday. The kids will decide what annual mission they want their offering to go to.

*Sunday Funday!!
