# 4R SUNFLOWER EXPERIENCE

In 4R we had the amazing Heidi bring in a Sunflower that was ready to be seeded! The kids were so excited to not only hear more about Sunflowers but also experiencing seeding one. We started with a quick show and tell and the moved outside to have a go at taking all the seeds out! The kids were very excited and loved how many seeds were coming out! We turned this amazing session into a numeracy, literacy, and history session! Did you know that the biggest sunflower ever recorded was 30 feet high? And that the face of a Sunflower can grow up to 30cm wide?

Such fantastic learning all from a show and tell! Thank you to Heidi and her family for such an amazing learning experience!

## WHAT'S BEEN HAPPENING

Last Wednesday Woodlands had a huge Birthday party to celebrate all the birthdays that we were unable to celebrate during lockdown last year. We enjoyed lots of party games including musical statues and sang the biggest Happy Birthday Song with TeamKids venues all over Victoria.

TeamKids have really been enjoying our clubs especially cooking club, where students have been baking a variety of food including banana muffins and greek salad. Students have also been getting creative in art attack, creating paper maché volcanoes.

It's that time again...book in now for our upcoming Holiday Program. We can't believe how fast this term has gone by and can't wait for all the fun to be had during school holidays! Each week we will have two incursions planned, including Geocaching and Dance Fit! Each week we also have one excursion. Week one we will be going to Ashcombe Maze and Gardens, Week two we will be heading to the movies to see Peter Rabbit! Book in using the FullyBooked platform to join the fun!
