Letter from the President

As current president of the South Jersey Camaro Club, I would like to first and foremost thank each one of you for the support that you bring to this club each day. I want to also thank all the officers in the club who keep this club moving and help out during each event we host. As for all our members we are more than just a club, we are a family like no other and have grown stronger throughout the past few years. We have built many relationships and found many friendships through the likings of our Camaro's. Each person that is part of this club holds a special place within us and I could not be happier with the group of people that we have right now. We as a club have done many special events like the Philadelphia auto show to a cruise to Lancaster. We also have raised money through our car events for certain charities in order to help others who need it the most. This car club has shared many memories and created moments that will last a life time. Our club has done some amazing and fun things this year but the most fun we can ever have is sharing the same love for our Camaro's with our friends and families. As president I hope we can build on this foundation that we started and begin to move even further as our club continues to expand.

Merry Christmas, Happy Holiday's and Happy New Year to all

Linda

Our Shows

Highlights of 2019

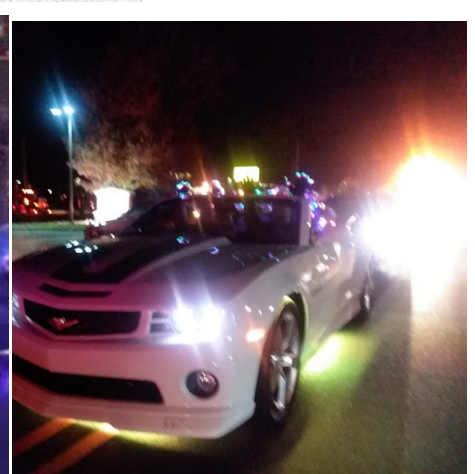

Starting in 2019 from Thomas Gant

January 19, 2019 - Annual Holiday Party, Glendora VFW

February 5, 2019 - First Club meeting of the Year, moved to Tuesday this month because of conflict with the Atlantic City Car Show. Member will be bringing in their cars for setup on the 6th.

February 6 - February 10 Atlantic City Auction and Car Show

(We have 15 members attending the Atlantic City Car Show this year)

Received message from BlinkerFluid Production (Modern Muscle) that all of our clubs entries have been accepted. More information will be sent out in January. Cars that has been excepted into the show will receive 2 weekend passes. Any other discount tickets can be purchased on the GPK site

LOOKING FORWARD TO ANOTHER WONDERFUL YEAR!!!!
