NISSAN

OFFICIAL LIGHT COMMERCIAL VEHICLE
OF THE UEFA CHAMPIONS LEAGUE

At Nissan, we're constantly innovating for your business - coming up with clever new ways to deliver class-leading space and enhanced efficiency, improved versatility and durability, increased cost savings and ease of use. We engineer excitement and innovation round the clock to make your daily routine smoother, your work more fun and keep you ahead of the game. Because nothing beats the feeling of a job done smarter.

PICK YOUR PLAYER

THE NISSAN NV200 IS BUILT FOR THE WAY YOU WORK. It takes on the job however big or small, makes light of packing and unpacking and comfortably handles the distance be it bumper-to-bumper through town or a 40-mile stretch several times a day. Offering up to 7 seats with luggage space to spare, this rolling office and workshop quickly adapts to your leisure time with friends and family too – and thanks to a 5 Year / 160,000 km warranty and minimal running costs, you can really make the most of it!

"We've got 3 NV200s now - so I suppose you could call it a fleet! Mine is a refrigerated version which is fantastic for summer events, and the others double up as family cars - they're great for ferrying the kids around!"

"I love my NV200 because it's a real van that feels just like a car to drive. I pack in all my paints, fabrics and ladders and zip around town. I love the rear view camera best, it makes it so easy to park without having to strain my neck."

"I started my own business 3 years ago and owe much of my success to my NV200. It's so spacious and incredibly comfortable which makes the job less tiring. I've just got a new one, and with the 5 Year Warranty now, it is even better than before!"

"It's the best investment I ever made. My last diesel van cost me 4x as much to keep on the road and the NV200 is a whole lot quieter too, which is pretty handy with all the night driving I do."

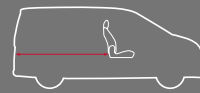

COMPACT BODY & OUTSTANDING CARGO CAPACITY

PREPARE TO BE SURPRISED. A lot more goes into NV200 than you'd think looking at its neat exterior - but that's what makes it so easy to get everything from A to B. It's called intelligent design.

THINK BIG. NV200 is ready to take all the business you can generate on board with the biggest cargo space in its category - and the widest and tallest too.

SMALL OUTSIDE BIG INSIDE

Neat & discreet. Despite NV200's class-leading 4.2M³ capacity, its compact dimensions (short length, trim girth, low height) make it easy to manoeuvre through traffic and negotiate parking spaces. A smart design - the best in town.

TAKE A HANDS-ON APPROACH

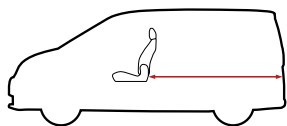

Driver focused. Inside NV200's spacious cabin, the solid quality of the materials, thoughtful, functional design details, numerous storage spaces and a raised, multiple adjustable driving seat create a comfortable mobile office.

OUTSTANDING CARGO CAPACITY

NV200 provides you with an outstanding cargo space, the biggest in its category. NV200 has been designed to maximize cargo space by optimizing internal dimensions. With 4.2M³ cargo volume and 795kg payload, NV200 is ready for any unexpected job.

COMPACT BODY WITH UNLIMITED POSSIBILITIES

Intelligent design means NV200 packs remarkable cargo space into its compact external dimensions. With an overall length of just 4.4M and an overall width of 1.69M, NV200 compactness will surprise you, making it easy to weave through in the most challenging urban environment. From baguettes to building materials, NV200 carries the maximum possible in its category.

CLEVER MULTIPURPOSE SPACE

NV200's huge cargo space has been shrewdly designed to maximize internal dimensions and facilitate your everyday work. With an interior length of 2.04M and 1.22M between the wheelarches, two Europallets can fit in easily. Loading and unloading is quicker and easier too with the cargo floor just 524MM from ground level, the best in its class. Standard floor hooks help keep your deliveries secure. You can configure NV200 to meet your needs, thanks to a large choice of partition walls, one or two sliding side doors and optional side and rear windows.

CITYWISE

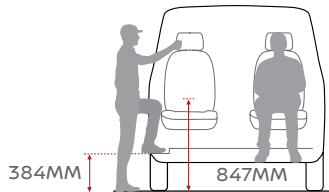

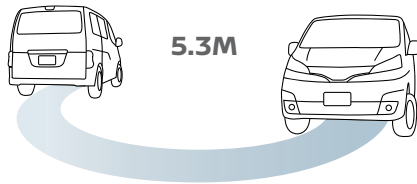

NV200 thrives in the city. Its unique dimensions make it easier to park and position in traffic than its competitors. Excellent visibility from the high seating position combined with superb agility help you manoeuvre NV200 easily through crowded streets.

SEE CLEARLY, SIT COMFORTABLY

NV200'S DRIVING POSITION IS HIGHER THAN ITS RIVALS TO HELP YOU SEE FURTHER AHEAD, WITH THE DASHBOARD INSTRUMENTS ANGLED TO FACE YOU, SO YOU CAN READ THEM WITH JUST A QUICK GLANCE.

NV200'S 5.3M TURNING RADIUS KERB TO KERB AND COMPACT 4.4M OVERALL LENGTH PUT YOU STREETS AHEAD WHEN YOU'RE PICKING YOUR WAY THROUGH THE CITY'S OBSTACLES AND CHALLENGES.

PLAN. Your course with a 5" touch-screen and display optimal routes, music and info-alerts and even your phone book and personal files.

SMART AND CONVENIENT

It's easier to work and relax in NV200's smart interior. There's a solid, quality feel to the materials. Plus many storage spaces, designed for the items you use every day. On Van the optional passenger seatback folds forward to create a useful flat workspace. See more, hear more, know more with NissanConnect, your fully-integrated navigation, communication and audio-entertainment system.

NV200 has 13 different storage spaces. The centre upper tray and glove box are ideal for paperwork. There are storage trays between the seats and in front of the passenger (when no passenger airbag is fitted). Holders for your drinks, bottles and cans on the dashboard, are easy to reach. The large door pockets can hold an A4 road map. NV200 has concealed storage too, such as the drawer under the driver's seat, a secret compartment in the glove box and a convenient central console.

POWER, ECONOMY, SAFETY

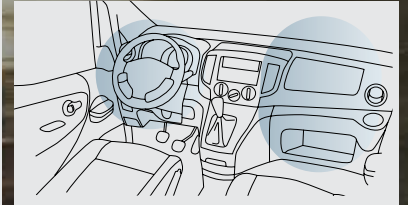

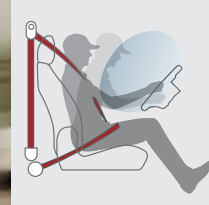

NV200 comes with a high efficient 1.5 dCi turbo diesel engine with 110HP offering excellent fuel economy, with an impressive range in everyday driving conditions, so you can also go longer between

fill-ups. Low CO₂ emissions mean diesel engines qualify for lower taxation, with less effect on the environment.

DIESEL	GEARBOX TYPE	OUTPUT	CO₂ EMISSIONS	FUEL CONSUMPTION
1.5 dCi	6-speed manual	110HP	from 130g	from 4.9L / 100 km

Tentative pending final homologation.
Engines are EUR6 compliant.

At Nissan, safety is a top priority. That's why the new NV200 is equipped with a wide variety of active safety systems including Electronic Stability Program (ESP), ABS with Electronic Brakeforce Distribution (EBD) and Brake Assist which increases your braking effort and optimises stability control. Like you, we want everyone to feel safe on board the NV200, so as well as the driver's airbag, front seat belt pretensioners are standard on all models.

Passenger & Side Airbags are available as options.

LOW COST OF OWNERSHIP

NV200 makes good business sense. Designed for low total cost of ownership from the outset, NV200's robust construction, durable, reliable materials and minimal everyday running costs make it a long-term asset - and it comes with a 5 Year / 160,000 km warranty to prove it.

GEAR CHANGE INDICATOR

When the engine reaches the ideal revs to change up, an indicator shows the ideal timing to change gear in the multifunctional display. This helps you drive more economically.

KEEPING YOU INFORMED

NV200 is equipped with a multifunctional display with onboard trip computer that provides all the information you need to help you drive economically. It shows you engine revs, average and real time fuel consumption, and your remaining range. With the rear view camera, the display switches to a full colour picture of what's behind you, the moment you select reverse gear.

HARD TO BREAK, SIMPLER TO REPAIR

NV200 is tough, to handle the demands of hard work and to keep you well protected. Outside its rigid central structure are effective energy absorbing zones that dissipate impact forces. Though strong, they're also easy to repair.

Your Nissan NV200 will want to keep on going as long as you do, but it still needs looking after. That's why it comes with a 1 Year / 30,000 km maintenance interval to keep it on form.

NISSAN LCV 5 YEAR MANUFACTURER WARRANTY

NISSAN now offers a standard 5 Year Pan-European Manufacturer Warranty on its whole LCV range*. This is much more than just a warranty as it includes:

- 5 Year or 160,000 Km bumper-to-bumper protection
- 5 Year Paintwork Warranty – covering the body paint
- 5 Year NISSAN Genuine Parts & Accessories Warranty
- 5 Year Roadside Assistance
- 12 Year Corrosion Warranty on NV200
- Fully transferable

And with service intervals at 1 Year or 30,000 Km for Diesel & Petrol engines, you'll not only have 5 years of peace of mind but also low running costs into the bargain.

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design vehicles, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

CUSTOMER SERVICES

SPECIALISED LCV NETWORK

NISSAN provides a specialised network of LCV dealerships to support your specific commercial vehicle requirements:

- Pan-European coverage
- Dedicated LCV Sales & After Sales staff
- Competitive financing solutions
- Tailor made conversion offers
- Competitive extended warranty offers to go even beyond NISSAN LCV 5 Year Warranty.
- Test drive your choice

AFTERSALES SERVICES

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs – working for you, on the road.

NISSAN SERVICE PLAN

Nissan Service Plan is the easiest way to give your Nissan NV200 the maintenance it deserves while you save money in the long run. Nissan Service Plan provides a convenient and easy solution, enabling you to spread the cost of your servicing needs by making low monthly payments rather than having to pay the full amount all at once. Nissan Service Plan also ensures that your Nissan NV200 is serviced in line with manufacturers recommendations/specifications giving you peace of mind motoring. A well maintained vehicle offers Nissan drivers safety, reliability and economy with a "FSH" (Full Service History) also protecting future residual re-sale values. Nissan Service Plan customers can also rest assured that your vehicle is maintained and serviced by qualified Nissan technicians using Genuine Nissan Parts.

5 YEAR ROADSIDE ASSISTANCE

- Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)
- 24/7, 365 days
- Emergency Call Centre
- Prompt roadside assistance

If this is not possible and your vehicle is still immobilised after a few hours, we will make sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised vehicle.
