**SEE MORE AROUND YOU
A WHOLE NEW PERSPECTIVE.**

Parking and manoeuvring is a breeze when you've got an extra pair of eyes. The Nissan Intelligent Around-View Monitor uses four cameras to give you a virtual bird's-eye view of your QASHQAI with selectable split-scene close-ups of the front, rear and kerbside to give you an even better look. You'll be sure to fit into your chosen spot and every move you make will be simpler and more precise.

RIGHT ON THE NOSE.

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

COMPLETE THE PICTURE.

Located under the door mirrors, these cameras complete your virtual 360° bird's-eye view for every manoeuvre

SPARE YOUR WHEELS.

In Drive or Reverse, you can push the camera button to switch between the overhead view for a close-up side view. A great help for checking your distance from the kerb.

BACKGROUND SAVVY.

In Reverse, the display helps you see what's directly behind you, while the overhead view helps with smaller objects that might be hidden below your line of sight.

GET A HAND WHEN YOU WANT IT
RELAX, YOU'RE NOT ALONE.

Nissan Intelligent Mobility is taking your driving experience to the next level. It's bringing you and your QASHQAI closer through Intelligent Driving technologies that make you feel more confident and in control. It's turning driving into a more exhilarating experience and making the road a better place to be everyday.

INTELLIGENT PARK ASSIST WITH REAR CROSS-TRAFFIC ALERT

Let QASHQAI take over steering duties in tight parking spots - and let Rear Cross-Traffic Alert warn you of approaching traffic when you are reversing.

*Available from Tekna grade

ProPILOT, YOUR PARTNER FOR A SMARTER, MORE CONFIDENT DRIVE

Ready, set... enjoy. With Nissan ProPILOT*, you can free yourself from driving stress while QASHQAI takes care of the little things. Just check the road conditions, switch it on and make the most of your journey. It turns your daily trip down the motorway into one of the best parts of the day.

HELPS KEEP YOU CENTERED IN THE LANE

Monitors lane markings and helps steer the car to keep you centered in the lane.

KEEPS AND ADJUSTS SPEED

Adjusts your car speed to maintain safe distance according to the flow of traffic.

EASES DRIVING IN HEAVY TRAFFIC

Based on the traffic flow, it can bring your QASHQAI to a complete stop and then bring it back up to speed when traffic starts moving again.

* ProPILOT is available on a limited range of vehicles. ProPILOT is an Advanced Driver Assist technology but cannot prevent collisions. ProPILOT is Intended for "Eyes on/ Hands On" for Highways only (road separated by Barriers). It is the driver's responsibility to stay alert, drive safely and be able to take control of the vehicle at any time.

REQUEST A TEST DRIVE

GET A HAND WHEN YOU WANT IT
STEPS IN WHEN YOU NEED IT.

Nissan's Intelligent Driving technologies are always on the alert and ready to step in to keep you out of trouble.

INTELLIGENT LANE INTERVENTION.

This technology gives you a visual alert as well as assistance through subtle wheel braking to guide you back into the lane when drifting out without indicating.

INTELLIGENT EMERGENCY BRAKING WITH PEDESTRIAN RECOGNITION.

QASHQAI looks out for you - and those around you. If there are any objects in your way, this system will warn you. It will even help you to reduce speed if necessary.

INTELLIGENT AUTO HEADLIGHTS WITH ADAPTIVE FRONT LIGHTING SYSTEM.

QASHQAI's sleek headlamps intelligently light your way by automatically turning on when it gets dark or when you enter a tunnel or underground car park - and automatically turning off when you stop. The Adaptive Front Lighting System controls light distribution to improve your visibility at night. On a winding road, it will change the lighting pattern to compensate for the curve and at a crossroads, it will illuminate your chosen direction - left or right.

Print | Close

QASHQAI

TRAFFIC SIGN RECOGNITION. This system keeps you up to date with the latest speed limit by detecting road signs as you go.

BLIND SPOT WARNING. Boost your vision: the system will warn you if there are vehicles in the blind spots diagonally behind the car.

**SEE MORE AROUND YOU
IT SENSES MOVEMENT AND WARNS YOU.**

Nissan's Intelligent Driving technologies use advanced radar technology to constantly monitor activity going on around you, keeping tabs on the traffic and helping you handle any unexpected situations.

Print | Close

[REQUEST A TEST DRIVE](#)

DRIVE MORE LIKE A PRO
GAIN CONFIDENCE,
OWN THE ROAD.

So agile and responsive, so smooth to handle, so supple and yet secure: the QASHQAI is an engaging drive thanks to Nissan's innovative Chassis Control technology.

INTELLIGENT ENGINE BRAKE. This technology adds engine braking to the Xtronic automatic transmission, applying greater control when cornering or braking. By minimising the frequency and effort normally required to brake the vehicle, the system increases driver comfort and safety.

INTELLIGENT 4x4. Off road or on road, the QASHQAI's 4x4 technology maximises tyre traction. Using advanced sensors, the Intelligent 4x4 system monitors the traction at the wheels and by measuring wheel slip, instantly redistributes torque by up to 50% to the rear wheels.

INTELLIGENT RIDE CONTROL. Take the rough with the smooth. This system applies subtle braking to prevent disturbance when encountering bumps and ensures a comfortably smooth ride.

DRIVE WITHOUT COMPROMISE
OPTIMISE YOUR PERFORMANCE.

Feel more in control of your drive thanks to the technologically advanced performance of the Qashqai new powertrain line up. Fully engineered to respect the environment, it reduces running costs while delivering even more power and torque for a smoother response, faster acceleration and quick, clean overtaking.

1.3L NEW PETROL ENGINE. Available in 140 or 160 PS, our new engine is designed and engineered to boost driving pleasure while improving energy efficiency to meet rigorous new European norms.

For the engine performance data such as CO₂ emission and fuel consumption please refer to model technical data sheet available in the brochure and in the dealership.

AT NISSAN,
**WE FOCUS
ON QUALITY.**

MASTERED THROUGH EXPERIENCE.

At Nissan, we do everything with the customer in mind. Every action and decision we make, is made with the utmost care, precision and quality because ultimately, it's for you. From conception to car construction, from testing to transparency, from customer service to commitment. Quality is in every fine detail.

360° PROCESS

We build in quality from the outset, meticulously conceiving each car to make them more comfortable and more durable through innovative design, intelligent technology and thoughtful details inspired by you.

SAFETY

We work with our intelligent driving systems to constantly look out for you and help you avoid any mishaps for a bolder, more confident driving experience day after day. Our Around View Monitor uses 4 cameras to give you a virtual birds eye view of your car in its surroundings.

EXTREME RELIABILITY

We push our cars to the limit to guarantee their daily performance and reliability. We travel millions of kilometres in pre-production tests, open and close doors and bonnets thousands of times a day and even use real volcanic dust from Japan to test window resistance.

ULTIMATE PROOF | reevoo

Our commitment to quality is best demonstrated by you. Search for testimonials, reviews and ratings online or find out what people are saying about Nissan on Reevoo. It's the best place to compare vehicles and get real answers from real owners you can trust.

OUR PROMISE. YOUR EXPERIENCE

THERE'S NO TIME LIMIT ON HOW LONG YOU WILL BENEFIT FROM OUR PROMISES. IF YOU HAVE JOINED THE YOU+NISSAN PROGRAM, AND WANT TO BE SPOKEN TO IN A GENUINE, OPEN AND HONEST MANNER, WE WILL LOOK AFTER YOU. FOREVER. **THAT IS OUR PROMISE.**

FREE COURTESY CAR

We promise to keep you on the road whilst your car is being serviced. Book in advance and we'll ensure that a free courtesy car is available for you. We even have electric cars available at select service points, and a range of other transport solutions to suit your needs.

FREE VEHICLE HEALTH CHECK

We promise to give your car a free health check prior to any work being carried out, so you know exactly what needs to be done, and how much it will cost. All our prices are also fully accessible online and at our dealers.

SERVICE PRICE MATCH

We promise to deliver the highest care for your Nissan thanks to the expertise of Nissan trained teams and the use of Nissan genuine parts. We simply know best how to service your Nissan. And to guarantee best value-for-money, Nissan will price match like-for-like quotes within 10km of your local dealer.

LIFETIME NISSAN ASSISTANCE

We promise to keep you on the road 24/7. Should anything unexpected happen, we guarantee 24-hour Nissan assistance, whatever the age of your Nissan.

ANYWHERE, ANYTIME, ANYTHING. JUST CALL 0800 000 000 AND WE'LL BE RIGHT THERE.

SERVICE CONTRACTS

Nissan Service Contract is the best way to give your Nissan QASHQAI the maintenance it deserves! We take good care of your Nissan whilst keeping your aftercare at fix price over years. While bringing your car at our dealership, we will change your parts and fluids in accordance with Nissan official service schedule and perform check ups for peace of mind journeys. Total budget and plan control, Nissan will inform you of due visits and propose the most suitable service and timing for your services.

EXTENDED WARRANTY

Nissan Extended Warranty gives you the opportunity to extend the 3 Years/100,000 km warranty for a longer period or mileage. Select the contract that best suits your driving usage. In case of a repair, only Nissan genuine parts will be used and fitted by Nissan trained technicians. For your peace of mind, 24/7 European roadside assistance is included (if applicable).

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design cars, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

NISSAN QASHQAI OFFERS YOU:

3-YEAR WARRANTY OR 60,000 MILES

YEARLY OR 18,000 MILES INTERVAL FOR DIESEL ENGINES

YEARLY OR 18,000 MILES INTERVAL FOR PETROL ENGINES

1) In accordance with 1999/99/EC. Figures are intended for comparisons between vehicles and may not reflect real driving results. Optional equipment, maintenance, driving behaviour, road and weather conditions may affect the official results.
 2) Figures in accordance with EC Directive. Kerb weight condition is without driver and including coolant, oils, fuel, spare wheel and tools. Pay load will be reduced depending on the options and/or accessories installed.
 3) In accordance with 1999/100/EC. Figures are intended for comparisons between vehicles and may not reflect real driving results. (Optional equipment, maintenance, driving behaviour, road and weather conditions may affect the official results)
 Advertisements placed for WLTP tested petrol/diesel model from 1st January 2019
 WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration.

GPF & DPF FILTER

WHAT IS A GPF & DPF?

A **Gasoline Particulate Filter (GPF)** or **Diesel Particulate Filter (DPF)** forms part of the vehicle's exhaust in order to limit the amount of soot particles contained within the exhaust gas passing into the atmosphere.

When the amount of soot in the filter reaches a specific level, this needs to be reduced in order to maintain the filter's function.

This reduction is called '**REGENERATION**' and is carried out by the vehicle's electronic control system which raises the exhaust gas temperatures during normal driving. If a vehicle requires frequent regeneration due to driving style, these high temperatures cause the engine oil to degrade more quickly.

However, from 2011 onwards Nissan vehicles were fitted with an **OIL CHANGE SUPERVISOR (OCS)** as well as a GPF or DPF to help monitor the condition of the oil and ensure the quality never falls below a minimum level.

WHAT IF I ONLY DRIVE SHORT JOURNEYS?

If the vehicle is only driven for short journeys, or at low speed, then it may not be possible for regeneration to occur. In this situation, the below warning lights will be illuminated on your dashboard.

Please refer to your Owner's Manual for further information.

After seeing these warning lights you need to drive, as soon as possible, above 40mph until the light goes out. This can take up to 30 minutes depending on the amount of soot collected in the filter.

WHAT IF I IGNORE THEM?

If you continue to drive at low speeds the exhaust gas temperatures cannot rise, so regeneration cannot occur. In this instance, a combination of the below warning lights will be illuminated on you dashboard.

In this case, and in order to protect the engine and DPF Filter, the vehicle will require '**SERVICE REGENERATION**' which can only be carried out by a workshop equipped with Nissan diagnostic equipment. You will need to go to your nearest Nissan dealer in case the oil and filter needs to be replaced.

With a Nissan Service Plan you will benefit from genuine Nissan parts and Nissan Genuine Motor Oil, which have been engineered specifically for Nissan vehicles.

As '**SERVICE REGENERATION**' is not a manufacturing fault, so the cost will **NOT** be covered under warranty.

The following table applies to all new car registrations:

VED Band		0	1-50	51-75	76-90	91-100	101-110	111-130	131-150	151-170	171-190	191-225	226-255	over 255
Tax Year 2017 to 2018	CO ₂ Emissions Figure (g/km)*													
	First Year Rate	£0.00	£10.00	£25.00	£100.00	£120.00	£140.00	£160.00	£200.00	£500.00	£800.00	£1,200.00	£1,700.00	£2,000.00
Tax Year 2018 to 2019	CO ₂ Emissions Figure (g/km)*													
	First Year Rate	£0.00	£10.00	£25.00	£105.00	£125.00	£145.00	£165.00	£205.00	£515.00	£830.00	£1,240.00	£1,760.00	£2,070.00
	First Year Rate for Diesel Passenger Cars	£0.00	£25.00	£105.00	£125.00	£145.00	£165.00	£205.00	£515.00	£830.00	£1,240.00	£1,760.00	£2,070.00	£2,070.00

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £240 per annum.

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing.
VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer. Petrol and diesel engine cars - Three-year/60,000 miles. Petrol and diesel engine LCVs and Navara - Five-year/100,000 miles.

LEAF and e-NV200 – Nissan LEAF and e-NV200 offer a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. This is with the expression of e-NV200 which offers a 5-year / 60,000 mile warranty on mechanical components and corrosion*. The Nissan LEAF and e-NV200 lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF and e-NV200's capacity gauge for a period of 5 years / 60,000 miles. For LEAF and e-NV200 flex customers, the battery state of health guarantee applies for the duration of the battery lease.

*The Basic Vehicle Warranty for e-NV200, according to 3.1 of the Warranty Booklet and Maintenance Record, is extended to 5 years (from the warranty start date) / 60,000 miles (whichever comes first). Only vehicles registered on or after 1st November 2016 are eligible for the Extended Warranty. Body parts and paint excluded during year four and year five. Terms and exclusions apply, for further information please see Extended Warranty Terms and Conditions. Apart from the afore-mentioned, all warranty conditions included in the Warranty Booklet and Maintenance Record remain unchanged. Issuer of this Extended Warranty is Nissan International Insurance Ltd
