*they make me feel like family*

# GET INVOLVED!

## Find the involvement opportunities that fit your needs!

### STAY CONNECTED

Sign up for the NKU Parents Association (a free service for parents of current NKU students) to receive emails and e-newsletters full of important dates, deadlines, tips and articles specifically designed to keep our Norse parents in the loop!

Ask questions and connect with other NKU parents through our Facebook page at [facebook.nku.edu/nkuparents](https://facebook.nku.edu/nkuparents). Parents can also contact the Office of Admissions at (859) 572-7625.

### FAMILY FIRST AT NKU

Family First is a series of events designed to help you connect with campus and support your student. Be the first to know about events—join the Parents Association!

This publication was prepared by Northern Kentucky University and printed with state funds (KRS 57.375). NKU is an affirmative action/equal opportunity institution. MC200095

### NOMINATE YOURSELF TO THE PARENT ADVISORY BOARD

The Parent Advisory Board is a group of family volunteers that provides assistance and feedback to staff and administrators at NKU. The board meets four times a year to provide input for parent programming and to offer feedback on university services. Members of the board have an opportunity to learn more about resources to aid in their student's success.

### WHY JOIN? Current members say it's great because...

- It's a way to stay connected to your student!
- It provides you with so much information about all the services and resources NKU has to offer.
- It's a good transition from involvement with the PTA/PTO or with parents who support athletics, theater or other interest-based organizations in which your student participated during high school.
- It helps you connect with other parents.
- It's a great excuse to come to campus.

Nomination forms can be found at [nku.edu/parentboard](https://nku.edu/parentboard)

# DEAR PARENTS, FAMILIES AND FRIENDS OF NEW STUDENTS

Welcome to the Norse Family! The NKU Parent Advisory Board is excited that you and your student have become a part of our NKU Community. This is my third year participating on the board, and I am proud to be president of this tremendous group of parents. The parent advisory board is a great way to stay up-to-date with what is going on at NKU and keep abreast of opportunities for your student throughout the year. This is also a fantastic way to stay engaged and involved and likewise share this learning journey with other parents. We hope you will lead by example and join us in the NKU Parents Association, nominate yourself as a member of the parent advisory board and attend our Family First events throughout the year. Your active involvement in these groups and our activities will strengthen your connection to the university and your student's college experience.

Parent involvement and its impact on student success does not end with high school graduation. NKU recognizes the valuable roles parents continue to play in the lives of their children and offers a number of resources not only for students, but also for their families. We encourage both you and your student to become involved and embrace the NKU community as they continue their journey toward success and fulfillment.

It is important to every member of the NKU family that we meet all your student's needs, not just their academic goals. We urge you to encourage your student to take advantage of the many opportunities NKU offers, such as:

- Study abroad programs
- Student organizations
- Athletic events
- Theatre productions
- Cultural education
- And so much more!

Thank you for supporting your student! Their freshman year at NKU is just the opening page in the next chapter of their lives. It means the world to the NKU community that your student has joined us, and we hope that their NKU experiences exceed all their expectations. We look forward to meeting you at our activities throughout the year.

With Norse Pride,

**DAVID TURNER**

A group of four young adults are smiling and posing for a photo. On the left, a man wears a grey jacket and a red hood. Next to him is a blonde woman with a small tattoo on her cheek, wearing a black jacket with yellow accents. In the center is another blonde woman wearing a yellow hoodie with a large black 'K' on it. On the right is a Black woman with glasses and a large afro, wearing a black jacket and holding a silver tumbler cup with a red sleeve that says 'SHER'. The background is slightly blurred, showing other people and what appears to be an outdoor winter setting.

# OUR GOAL, OUR FOCUS: YOUR STUDENT'S SUCCESS

At NKU, we do all that we can to help students succeed. Sometimes students become overwhelmed with all they need to know. Students may not know what services are available to them or where to go to find those services. We see this most often as students make the transition from high school to college.

***The Student Success Center is one example of an intentional effort to make it easier for students to find those services and programs they need to be successful at NKU.***

Located in the University Center, the Student Success Center gives students an opportunity to simply walk in and ask their questions. They will find well-trained staff who are anxious to help.

On the second floor (entrance off of the plaza), **Nurse Advising** advises many of our incoming students who aren't quite sure what they want to study. They work closely with **Career Services**, encouraging students to explore career options that fit their strengths and interests. While a lot of our students are very tech savvy, sometimes they need occasional help. They can find that assistance at the **Nurse Tech Bar** where they can ask questions of our technology gurus.

The lower level of the Student Success Center also houses offices that are eager to help and support our students. **Learning PLUS** provides tutoring as well as a math and writing center. (The Writing Center is located on the third floor of Steely Library, while the math and tutoring centers are both located on the lower level of the University Center.) The office of **Testing Services** provides support for placement, NKU accommodated classroom exams, undergraduate admissions exams, as well as certification/

licensure. Within Testing Services is **Adult Learning Programs and Services (ALPS)**, which is an adult accelerated education program taught by seasoned faculty and assists with campus resources. **TRIO-Student Support Services** provides academic, career and financial coaching for first-generation college students. **University Connect and Persist (UCAP)** provides one-on-one guidance and support, and is home to a **Book Lending Library**. The **Veterans Resource Station** works to ensure a smooth transition for our student veterans. **First-Year Programs** provides students the opportunity to experience their first year of college in an environment that promotes active learning, collaboration and personal development.

The Student Success Center also houses the **Center for Global Engagement and International Affairs**. This office, located on the third floor, works with both international students who come to NKU as well as NKU students who have a desire to study abroad.

**Health, Counseling and Student Wellness**, located on the fourth floor of the Student Success Center, is dedicated to helping students achieve and maintain optimal levels of physical, mental and emotional functioning.

***Collectively, the staff and faculty at NKU are working together to support our students. The creation of the Student Success Center is just one of many examples.***

***For more information about the resources within the Student Success Center and the many other resources on campus, please see the "Quick Reference Guide" in this calendar.***

## TIPS FOR CREATING YOUR SUCCESS NETWORK

- ▶ Remember, **ANYONE** could be a vital part of your success network!
- ▶ Meet with your advisor early in the semester.
- ▶ Shake hands – keep it firm, quick and confident!
- ▶ Visit Career Services – it's a great place to start!
- ▶ Join a club/organization that aligns with your goals and interests.
- ▶ If you live on campus, meet with your RA and ask how you can connect and get involved!
- ▶ Dress to impress! You never know who you might run into.
- ▶ Check your **Facebook, Twitter, Tumblr, Pinterest**, etc. – what image are you conveying?
- ▶ Ask to sit with someone who is sitting alone.
- ▶ Take yourself on a campus tour. What offices do you need to visit?
- ▶ Take advantage of your professors' office hours!
