## BE A LOCAL LEADER

Would you like to be a part of a group of local young people that assists in planning and running local events and advocacy campaigns?

Are you looking to increase your skills and leadership capabilities? Do you want to meet new people and have a great time?

Each year, young people aged 14 to 21 from Glen Eira come together to be a part of the Youth Leadership Team (YLT). Together, the YLT drives local music and art events; and contributes to the larger Glen Eira community by developing unique advocacy campaigns that highlight important issues. YLT members are encouraged to develop their own leadership skills by providing new opportunities for their peers and assist Glen Eira Youth Services to ensure that the issues important to young people are heard.

Past events developed by the YLT include the *Youth Art Expo*, *Sounds of Glen Eira* and *Can with a Bigger Plan*.

You don't need any previous experience to be a part of the YLT, just the willingness to give it a go.

For further information or to join, contact Youth Services on 9524 3676 or visit our [website](#).

## MUSIC STUDIO BOOKINGS

The music studio at the Youth Information Centre in Bentleigh is available during the summer holidays for any young people who have completed the *Plugged In* music program.

Bookings for the studio can be made between 1pm and 5.45pm Monday to Friday, depending on availability.

If you are interested in booking the studio or participating in a *Plugged In* program in 2016, contact Youth Services on 9524 3676.

## CHILL IT

### A social and recreational program for young people aged 10 to 14.

*Chill It* gives young people the opportunity to create new friendships in a fun, supported environment. Participants are encouraged to socialise with their peers and take part in various games and activities such as dodgeball; soccer; cooking nachos; biscuit decorating; Uno challenges; and ball games.

Throughout the program, participants have been able to try new activities, work with others and challenge themselves with positive personal outcomes.
