An Autonomous College | Under Savitribai Phule Pune University  
Reaccredited 'A+' with 3.51 CGPA For Third Cycle By NAAC | College with Potential for Excellence

Academic Year 2020-21

Dear Students of std 11,

Accept my Greetings for the New Year!

Congratulations to all, for coming out in flying colours in std 10 examination!

We are happy to inform you that your online lectures will commence from 11<sup>th</sup> January 2021. Students who got Microsoft Teams Login Id and password are required to attend lectures through Teams, and the students whose names have not yet been included in the Microsoft Teams will get **link** to attend the lectures. However, the fact remains that your vibrant and enthusiastic physical presence is always heartening and invigorating!

I am confident that very soon offline lectures will commence! But initially we will begin with online lectures.

In order to run the online teaching- learning process smoothly, we have installed the application Microsoft Teams. Your names as per your divisions and subjects have been entered into the respective teachers' team. To activate your Microsoft Teams account, you are required to check your Login Id and password, posted below in the pdf form on college website, along with the time table.

**No student should fiddle with anybody else's password. It will be treated as breach of discipline.**

All students are required to cooperate and enjoy their online sessions.

**Note : Students of Round 1, Round2, Round3, Special Round 1 and 2 whose names have not yet been included in the Microsoft Teams will be done so as soon as the admission process gets completed and will be displayed on the website. Students are required to check the website for the same.**

For any technical assistance in Microsoft Teams contact numbers are as follows:

Mrs. Prajakta Deshpande – 9420860992

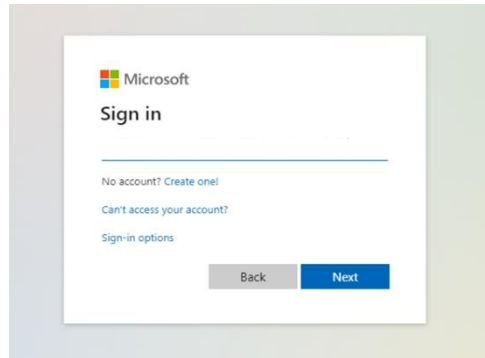

Ms. Amruta Dange - 9767437475

## Steps to activate account on Microsoft Teams -

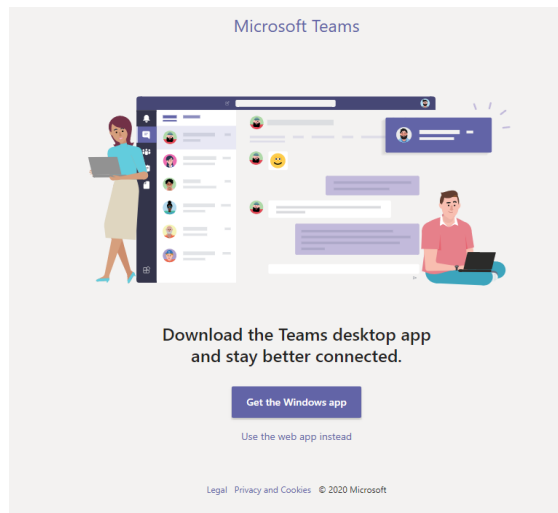

1) In any browser open the website teams.microsoft.com

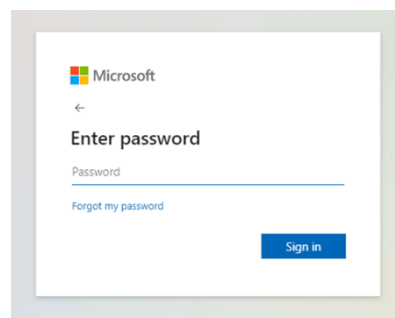

2) In login window type your login ID given in PDF.

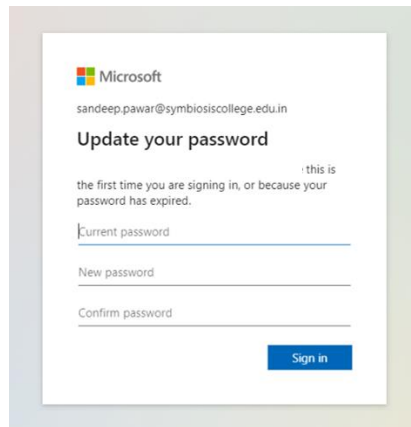

3) If Possible, download windows app by clicking on Get the Windows app. Else click on use the web app indeed.

4) Enter password given in PDF.

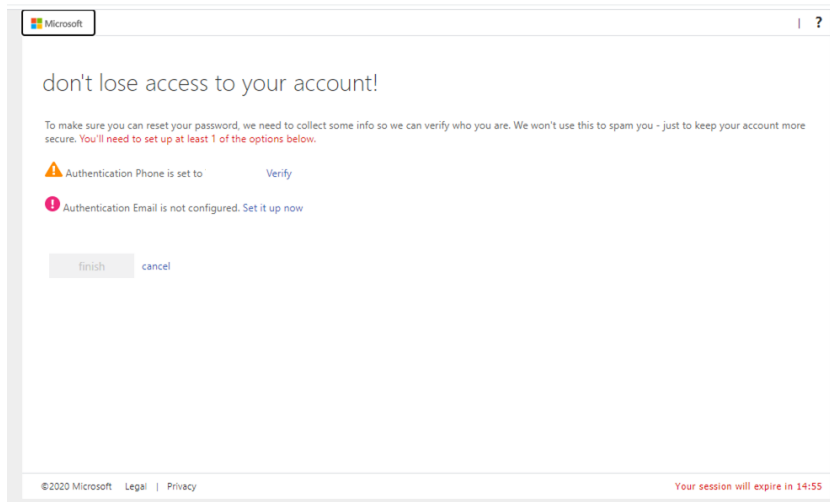

5) Update your password. In current password enter password given in PDF.

The screenshot shows a Microsoft account management page. At the top left is the Microsoft logo. Below it, the email address 'sandeep.pawar@symbiosiscollege.edu.in' is displayed. The main heading is 'Update your password'. A sub-heading reads: 'this is the first time you are signing in, or because your password has expired.' There are three input fields: 'Current password', 'New password', and 'Confirm password'. A blue 'Sign in' button is located at the bottom right of the form area.

6) Verify your phone number.

The screenshot shows a Microsoft account security page. At the top left is the Microsoft logo. The main heading is 'don't lose access to your account!'. Below this, a message states: 'To make sure you can reset your password, we need to collect some info so we can verify who you are. We won't use this to spam you - just to keep your account more secure. You'll need to set up at least 1 of the options below.' There are two security options listed: 'Authentication Phone is set to' with a 'Verify' link, and 'Authentication Email is not configured. Set it up now'. At the bottom of the main content area are two buttons: 'finish' and 'cancel'. The footer contains '©2020 Microsoft Legal | Privacy' on the left and 'Your session will expire in 14:55' on the right.

Your login id and password are as follows:
