NOLA CATHOLIC **Senior Resource Guide**

Senior Resource Guide

A MESSAGE FROM THE ARCHBISHOP

Dear sisters and brothers in Christ:

As we enter our later years, I believe God calls us to be more reflective and to a more contemplative life. I believe that we are called into quiet so that we can better appreciate the blessings of our lives, pray for others, and prepare ourselves to go home to the Lord.

As the Catholic Church, we are privileged to serve the people of God. It is a humble honor to be of service to you, our sisters and brothers, who have shared so much of yourselves throughout your lives with others as spouses, parents, grandparents, friends, co-workers and neighbors.

It is my hope that this NOLACatholic Senior Resource Guide will be of assistance to you and your families in finding the ministries that may help you live more comfortably and securely in your years of “retirement”.

I encourage each of you to remain as active in your parish as you can and to share your faith so that it may be passed on to the next generations. I ask you to pray for our local Church as we strive to fulfill our mission to bring the love of God to the world. Please pray for me, and know that you remain in my prayers.

Sincerely in Christ,

Most Rev. Gregory M. Aymond
Archbishop of New Orleans

“From the bottom of my heart I wish to extend my family’s thanks to you for your condolences, the generosity and kindness you have shown to us during this time of great need and bereavement. I especially appreciate the time you spent with me explaining the process. This greatly reduced the anxiety I had going through this untimely process as a result of my brother’s sudden passing.”

The affordability of a Catholic burial and final resting place, in beautiful St. Louis No. 3, for my brother who served as an altar boy at St. Louis Cathedral, where we attended grade school, was a blessing.”

“Wynhoven Health Care Center has taken care of several of our family members in the past. It was the care they received that prompted us to choose Wynhoven, when both our precious mom’s needed to be cared for in the last two years. Wynhoven Health Care Center staff took very good care of them and us in our vulnerable time. We were treated with dignity and respect as were our moms and beyond that treated as family. We feel a debt of gratitude to their staff, from hands on nursing through administration for helping our family in our time of need.”
