Parent & Guardian Information about Virtual School Schedule

Dear Parents,

Thank you for visiting our school website to learn how we are working to meet the needs of your children during this school closure time. Our goal is to support ongoing learning opportunities at a level and format that works for you.

As you explore this resource, please click on the links provided as shortcuts to the information that you need. Our Virtual Schedule outlines when grade levels and teachers are holding virtual student contact times. Each link will take you to information specific to that grade level.

Teachers have been communicating directly with parents and guardians, but I hope you find this a useful school overview.
