August Achievement Bonus for New IBOs in August 2021**

EFFECTIVE AUGUST 1, 2021

THE ACN OPPORTUNITY HAS BEEN DESIGNED TO HELP YOU BUILD A SUCCESSFUL BUSINESS OF YOUR OWN

ACN Independent Business Owners (IBOs) can earn money in four ways:

1. Residual commissions paid monthly based on their personal customers' usage of ACN's services.
2. Residual commissions paid monthly based on their downline's customers' usage of ACN's services.
3. Bonuses paid weekly based on their personal customer acquisition.
4. Bonuses paid weekly based on their downline's personal customer acquisition.

Compensation is earned only when customers are acquired.

Refer to the ACN Compensation Plan for complete details. Earnings as an ACN IBO are based solely upon the successful sale of products to customers and their usage of those products. Individuals will incur expenses in operating their ACN business, such as the sign-up fee and renewal fee, as well as other possible operating expenses. As with any business, earnings and success at ACN are not guaranteed but depend primarily on the individual's persistence, effort, and results of acquiring customers personally and/or through their team. Individuals will not earn income and will lose money as an IBO if customers are not acquired.

MONTHLY RESIDUAL COMMISSIONS

Over time, the majority of your compensation will come from the residual income that is generated from your customers' monthly billings. Customer acquisition is the fuel for your business, creating long-term income and by teaching other people how to do the same thing, you will build residual income for yourself.

PERSONAL COMMISSIONS

As you acquire your own, personal customers, you qualify to earn residual commission between 3% and 20% of their monthly commissionable revenue generated. This percentage is based on your total number of Personal Customer Points:

1-39 Personal Customer Points = 3%
40-59 Personal Customer Points = 5%
60-99 Personal Customer Points = 10%
100 - 149 Personal Customer Points = 14%
150-199 Personal Customer Points = 17%
200+ Personal Customer Points = 20%

Refer to the Order Entry Timelines document available on ACNCompass.com for more details. Commissions are released on the first business day following the third Friday of each month. Commissions are paid the third month after the close of the month the customer is billed. Commissions on large commercial accounts and customers acquired by Affinity programs (such as not-for-profit organizations) may be paid according to a custom commission schedule that will be determined at the time the program/contract is completed.
