

NORTH DAKOTA STATE UNIVERSITY

Guidelines for Promotion and Tenure Portfolio Preparation 2021-2022

NDSU Promotion and Tenure Portfolio Preparation Guidelines are based on NDSU [Policy 352](#) Promotion, Tenure, and Evaluation (PTE) and serve as the official guidelines for the preparation of the portfolio to be submitted by the candidate applying for promotion and/or tenure. All PTE processes and recommendations on faculty promotion and tenure are to be in accordance with Policy 352. These Guidelines are not intended to substitute for Policy 352 or the College/Department PTE documents. Candidates are strongly encouraged to become familiar with Policy 352 and College/Department PTE documents.

All candidate portfolios should be prepared following these guidelines which will be submitted to the Department Chair (*or Head or School Director*) for review at the departmental level using procedures developed by the department. Units should use the NDSU PTE Timeline as a guide for preparing Department/College timeline for promotion and tenure evaluation (see page 9 of his guide, also available at <https://www.ndsu.edu/facultyaffairs/pte/>).

THE PORTFOLIO

The Portfolio should stand on its own merits. It should provide a complete and accurate record of the candidate's accomplishments in teaching, research, extension, and service with the following exceptions: **in courses taught (G.1.), candidates with no prior service credit to list only courses taught at NDSU; and in university service (I.2), limit this to only committees at NDSU. Clearly define candidate's role in each endeavor, wherein the candidate is not the sole author, investigator, or inventor.** Candidates applying for promotion to the rank of full professor more than eight years after the previous promotion may choose to be evaluated based on work completed in the eight years immediately prior to applying rather than on their entire post-promotion record.

The portfolio should be submitted electronically (NDSU [Policy 352.6.1](#)). In addition to the electronic submission, candidates may be asked to submit their portfolio in one-inch three-ring binder with the Candidate's name on the spine. The capacity of a one-inch binder is 175-200 pages. Labeled index dividers to separate major sections of the portfolio may *be ordered from Print and Copy Services (also available from Office of the Provost/Faculty Affairs)*. After the completion of the department and college level reviews, the portfolio should be submitted to the Office of the Provost/Faculty Affairs.

The candidate should consult with the respective Department Chair to obtain unit guidelines as to the format (electronic or hard copy) and number of copies to be submitted within the College, as well as any other information or documentation the College might require. The candidate is encouraged to keep a copy of the entire portfolio as submitted for personal records. The copy submitted to the Office of the Provost/Faculty Affairs will become a part of the official university record and will be kept in the College Dean's Office for placement in the Candidate's personnel file.

The Portfolio is divided into three parts: (1) Part I consists of information for which the candidate is responsible for providing; (2) Part II consists of information for which the Department Chair and College Dean are responsible for providing; and (3) Part III consists of the candidate's current curriculum vitae. In addition, the candidate should have available, if requested, a copy of, or parts thereof, supplemental materials, e.g., reprints, offprints, syllabi, or any other materials that illustrate the candidate's achievements in teaching, advising, research, extension, outreach, and service, and referred to in the Portfolio (see table 1).

As materials are added to the portfolio at each level of the review process, copies will be provided to the candidate (and the Department Chair, College Dean, and Chair of Department/College PTE Committee Chairs). The candidate will have 14 calendar days to provide a written response to each level of review. After the deadline for submission of the portfolio to the College Dean's Office, the information that may be added to the portfolio is limited to any materials requested by the evaluators. Candidates may petition

the College Dean and College PTE committee to add additional materials after the deadline. Specific instructions for preparing each section of the portfolio are as follows.

Dear

Professor _____ is being considered for tenure and/or promotion to _____ in the Department of _____ in the College of _____ at North Dakota State University. We customarily write to a selected group of leaders in the faculty member's discipline asking for an independent assessment of the faculty member's record of (research, creative activity, assessment, or service).

Your appraisal of the significance of Professor _____'s scholarly contributions (to research or service) and the impact of this work on the discipline would be greatly appreciated. Your comments about his/her potential contribution in the future would also be valuable. Please add any additional comments that are relevant to Professor _____'s application for tenure/promotion. In your letter, please also indicate how you know Professor _____.

The coronavirus (COVID-19) pandemic in 2020 and 2021 created extraordinary circumstances that may have seriously impacted faculty productivity. We ask that in your appraisal, you take into account the extraordinary circumstances in your review of Professor _____'s contributions.

Please note that if Professor _____ was granted an extension of the probationary period for any reason, such an extension does not increase expectations for performance.

Please do not make a recommendation for or against tenure or promotion.

Under North Dakota law, Professor _____ has a right to review all of his/her promotion (tenure) portfolio. I wish to emphasize that it is important that your letter provide an objective and candid assessment of his/her work.

I am aware of the great demands on your time and, therefore, would be especially grateful if you were able to provide us with this evaluation by _____.

Your assistance is much appreciated.

Sincerely,
