Notes from Principal Taylor

Dear Hawk Families,

First, thank you to all those who helped us make our recent “Night of the Arts” a huge success. Mrs. Sharman created magnificent hanging displays of students’ artwork throughout the school and arranged their creative ceramic creations in the cafeteria. Under the direction of Ms. Disney, the Hartley Music Makers performed impressive instrumentals in the music room. Hartley dads, Jesse Cruce and Cliff Harper played amazing acoustic guitar in the blue hall and media center. Hartley mom, Jennie Eggleston’s, harp music in the front foyer was beautiful and Tommy Bledsoe’s bluegrass band and square dancing were a hoot! Also thank you to the Murray Middle School jazz band and ballet dancers arranged by Mrs. Courtney Johnson. Sporks Food Truck and the South Pole Ice cream truck provided culinary delights for our dining pleasure, and a great time was had by all!

Please do not check your child out early from school, or call after 2:00 PM (1:00 PM Wednesday) to change the way your child goes home (EXCEPT IN THE CASE OF AN EMERGENCY).
Thank you very much for your cooperation.

IMPORTANT INFORMATION

The following dates have been selected for district-wide early kindergarten registration.

Monday, May 15th, 9-1pm

Reminder to Parents of Walkers

Parents, please remember that, because of our limited staff, we are not able to implement a check out process requiring picture IDs at the walker gate. The walker option should be limited to those children who are truly independent enough to walk home. If you drive and park to meet your child at walker gate in order to avoid the parent pick up line, and you happen to be delayed in traffic, there is no guarantee that your child will not be released without your being there. For this reason, we ask that drivers take their place in the parent pick up line so that their children will be safely supervised in the multi-purpose room until their arrival. If you want to avoid waiting in line, consider arriving after 3:10.

Hello, Soon-to-be Stingray Families!

We would like to invite you to our annual 5th Grade Open House. On May 9th the fun will begin at 6:00 pm in the auditorium with a brief overview of Gamble Rogers Middle School. Then families will rotate through four stations throughout the school. Families will learn about important middle school stuff, such as: What is WEB? What elective courses will I take next year? What does the locker room look like? Who is my guidance counselor? What is Stingray Success? What supplies will I need next year? What is AVID and what is the AVID binder? Come out and join us for this fun and information packed evening. We are excited about the upcoming year and hope that this event will help all of our new Stingrays feel excited too.

Thanks,

Greg Bergamasco, Principal

Important Information

Starting with the 2017-18 school year, all rising 6th and 9th graders will be required to verify/update their residency by providing:

1. Mortgage Statement/Property Deed or Lease/Rental Agreement with expiration date and student names listed,
2. Current utility bill,
3. One other bill or statement and
4. (if applicable) Homeowner's Acknowledgment and Residency Affidavit

This process will begin with Spring scheduling. High Schools will make this a part of their packet for 8th graders and Middle Schools will make this a requirement part of their packet for 5th graders. **The sending elementary and middle schools will input the information until the July 1 rollover.** Students will not be given schedules in August until their residency information is updated.

SOUTHEAST BRANCH LIBRARY

[Earth Day Film Series : March of the Penguins – Monday, April 24 at 1pm](#)

In honor of Earth Day, we're featuring films about our beautiful planet. In the Antarctic, every March since the beginning of time, the quest begins for a penguin to find the perfect mate and start a family. Narrated by Morgan Freeman. This film is rated G. Light refreshments provided by the Friends of the Library. This showing is open to all ages.

[LEGO Robotics – Friday, April 28 from 4pm to 5:30pm](#)

Learn how to construct a robot using LEGO Mindstorm EV3 kits. **Supplies are very limited**, so please call 904-827-6900 or e-mail aphillips@sjcfl.us to **reserve your spot**. For ages 8 and up. This class is offered through a grant from the Barbara A. Kay Foundation.

[Marineland Presents : Bottlenose Dolphin Conservation – Saturday, April 29 at 10:30am](#)

Though listed as a protected species under the Marine Mammal Protection Act, and as a “Species of Least Concern” on the International Union for the Conservation Nature Red List, bottlenose dolphins are facing serious threats in many parts of their habitat. Join representatives of Marineland Dolphin Adventure and the Conservation Field Station to learn more about the threats to wild bottlenose dolphins, and what you can do to help. Suitable for adults and older children.
