INTRODUCTION

PRIVATE SCHOOL AID SERVICE (PSAS) is under contract with the school, school system, or organization from which you obtained this application for tuition assistance. Our purpose is to provide a reasonable assessment of the ability of each family to pay for the education of their children at private and independent elementary and secondary schools.

Your Student Aid Form, all attachments, and an analysis of your SAF are sent only to the school(s) or agencies contracting with PSAS. *No other agency will receive any information about this application or its attachments.*

PRIVATE SCHOOL AID SERVICE does not make any decisions about recipients and amounts of financial aid awarded. Recipients and amounts of aid are determined by the designated school or agency. **YOU WILL NOT RECEIVE RESULTS FROM PRIVATE SCHOOL AID SERVICE.**

INSTRUCTIONS

A & B Parent, Guardian or Other Adult

This form should be filled out by the parent, guardian or other adult responsible for the tuition of the child or children attending a private or independent school contracting with PSAS. If the parents/guardians are divorced or separated, only the parent responsible for the tuition and any other adult residing in the household should fill out the form. If tuition is shared, each responsible party must complete a Student Aid Form (SAF) if financial aid is needed.

Answer *all questions* for both parent(s), stepparent(s), or guardian(s) responsible for tuition for the dependent(s) listed in Section C. **Do not leave any questions blank.** If natural parents are divorced, separated or single, answer all questions in Section E. If natural parents are divorced/separated and remarried, list information for custodial parent and new spouse. If either parent answers "self-employed," and has not filed a tax return, complete Section K.

CALCULATIONS ARE BASED ON TOTAL HOUSEHOLD INCOME.

Student Information

List all dependent children residing in your household in order of oldest to youngest. Indicate the relation to Parent/Guardian A listed in Section A of the application (i.e. child, grandchild, foster child, stepchild, etc.). If your dependents will be enrolled in any tuition charging school or agency next fall (including daycare, preschool, elementary school, high school, college, or trade school), list the name of the school, city and state where the school is located. List the grade your child(ren) will enter next fall (**2013-2014**); the amount you feel you can pay toward tuition per year, and the amount of tuition charged per student per year.

If "No" is checked for a student listed in Section C, that student will not be considered for tuition assistance. For all additional dependents, use a separate sheet.

NOTE: The information regarding tuition charged per student assists PSAS in making the most equitable analysis of your ability to pay for private education. If you are unsure, please estimate.

Household Information

ITEM 1: Enter total number of individuals living in the household. Include any college students claimed on the tax return. Do not include children who have moved out of the home. Include all family members dependent on and residing with the parent listed in Section A.

ITEM 2: Check the appropriate box indicating custodial parents' marital status. If parents are single, divorced, remarried, or separated, complete Section E.

Single, Divorced, Remarried, or Separated Parents

If dependent(s) parents are divorced or separated, or do not reside in the same household, the custodial parent must provide the information requested in Section E about the non-custodial parent.

Divorced, Separated, or Single Parents applying for Guided Tuition from Detroit Country Day School are required to have the child's other parent submit a PSAS Student Aid Form, with appropriate documentation. If you are a single, separated, or divorced parent, your application will not be processed unless the requirement is met. This information is requested as both parents retain the obligation to contribute to the education of their children, regardless of the terms of any divorce decree, agreements stating otherwise, or willingness to pay. The only exception to this policy is the case where the child's other parent has had absolutely no involvement in the child's life. In this situation, a letter of verification from an independent party (lawyer, member of clergy, school official, or other third party serving in a professional capacity) stating the other parent has absolutely no involvement in the student's life whatsoever, must be sent with your application.

ITEM 4: List the total amount of child support actually received by custodial parents listed in Sections A & B. If total received differs from court ordered amount, list only the total received.

ITEM 6: Indicate who is responsible for tuition and what percentage for the dependents listed in Section C.

If you have received income from any of these sources and are estimating your income for **2012**, you must also fill out Section K of this application.

ITEM 5: Enter the total of all other taxable income from interest, dividend income (attach Schedule B if over \$400), taxable refunds, credits or offsets of state and local income taxes, alimony received, capital gain or loss (attach Schedule D). List all capital gain distributions not previously reported, total IRA distributions (if rolled-over, explain in Section L), pensions and annuities, unemployment compensation, taxable social security benefits, and any other taxable income. Attach copies of all Form 1099/1099R, and/or Form 1098 for Interest/Dividends, Pensions/Annuities or other misc. income. Attach copies of Social Security Income statements and Unemployment Compensation documentation for year-end 2012.

ITEM 6: Enter allowable adjustments to income, such as IRA payments, self-employment tax, self-employed health insurance deduction, Keogh retirement plan and self-employed SEP deductions, penalty on early savings withdrawals, and alimony paid.
