Welcome

This year's focus on "the Call" is very timely.

Hearing, answering, discerning, and receiving a call can be as challenging as living up to that calling. Yet there are days when your calling will be the only thing keeping you in the saddle to serve the one, true God.

Your calling places you alongside many great people of faith in the Bible.

Our calling does not make us any different from one another. It is all about the One who calls us and our choice to remain faithful to Him.

We hope to see you in Richmond.

— Pino Neglia, 2021 ICOM President
Lecce Christian Mission, Lecce, Italy

2021 SPEAKERS

Main Sessions

Shodankeh Johnson
THURSDAY NIGHT

Shodankeh B.E.B. Johnson was born in 1965 in Freetown, Sierra Leone. His father was a Christian and his mother a Muslim. Early on, he felt drawn to become a pastor. After completing his academic training, he attended a church gathering where the speaker invited Christians to go for six months to the millions of Muslims living in Northern Sierra Leone. That call resonated with him, and he went forward. Influenced by his mother, he nurtured a lifelong love for Muslims that would eventually change the spiritual trajectory of his country.

In 2001, Shodankeh attended a Perspectives on the World Christian Movement in Murfreesboro, and heard David Watson, a highly successful pioneer of Disciple Making Movements. In 2005 Shodankeh's ministry hosted the first DMM training in Africa. Grounded in abundant prayer and a focus on Unreached and Unengaged people, Shodankeh has trained and coached thousands of Christian leaders around the world to launch sustainable and replicable Disciple Making Movements.

Pino Neglia
FRIDAY NIGHT

Pino Neglia was brought to Christ through the mission service of Charles and Jessie Lee Troyer in 1969, in Pino's home country of Italy. Pino was educated at the Florence Bible College in Italy, Florence University of Political Science, and Cincinnati Christian Seminary. Upon the death of Charles Troyer in 1988, Pino became the director of Lecce Christian Mission and the editor of the magazine, *Restoration Workshop (Officina di Restaurazione)*.

In 1991, Pino began working in Albania evangelizing and planting churches through his mission. By 1997, he had become the director of the Conference of Italian Churches of Christ to Torre dell'Orso, which serves both the instrumental and non-instrumental Churches of Christ. In partnership with Let's Start Talking, he started a program in 2014 to teach English using the Bible in both Lecce and Albania.

Dr. Orpheus Heyward
SATURDAY NIGHT

Dr. Orpheus Heyward has been at Renaissance Church of Christ (formerly West End Church of Christ) in Atlanta since 2003, first as assistant minister, and then as senior minister since 2006. Having received his Master of Arts in Theology, Master of Arts in Biblical Studies and later completing his Doctor of Ministry in Theological Exegesis, his biblical expertise and understanding of the Word is supreme.

Due to his acknowledged expertise in presenting the Word of God, Dr. Heyward is frequently requested to speak on national and regional lectureships, and conducts revivals all across the country. He is considered one of the most dynamic and scripturally sound gospel preachers among Churches of Christ today. He is able to articulate with profound simplicity the Word of God, and provide practical applications for everyday challenges.

God Moves Sessions

What is the

TWENTY-ONE IN

In 2015, Waypoint Church Partners came alongside ICOM to raise the funds to cover the cost, not only of the Convention Center, but also to plant seven churches! They so far exceeded their goal, that they were able to plant fourteen new churches. After meeting their goal (times two!), they decided to triple it and plant 21 churches in 2021!

Campaign?

Invest In More

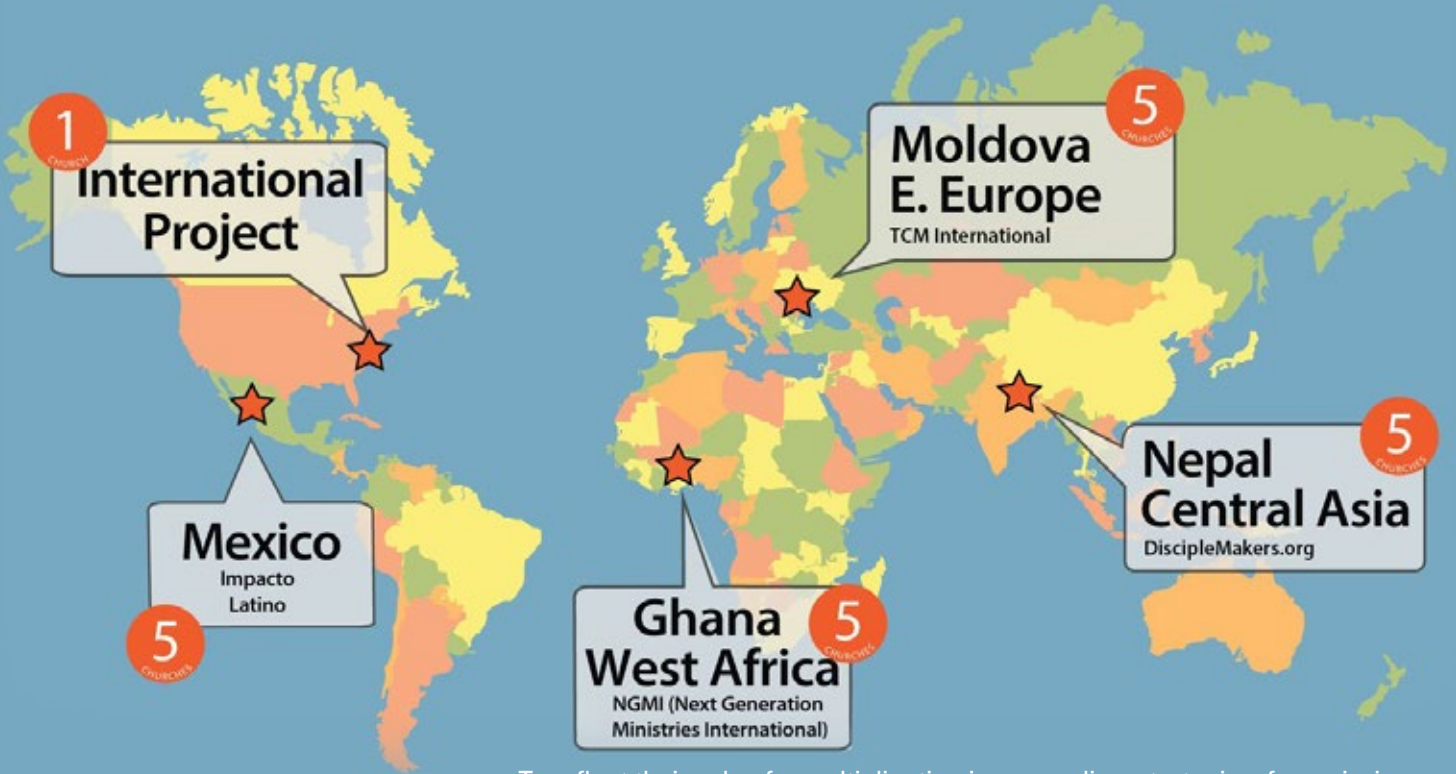

More ministry.
More churches.
More life change.

Invest in more than a rate of return when you invest with Christian Financial Resources. Invest in Christian churches and ministries that help transform lives.

FUNDING MINISTRY...CHANGING LIVES

Please note that this is neither an offer to sell nor a solicitation of an offer to buy Christian Financial Resources securities. Such an offer is made by an Offering Circular and only in those states where Christian Financial Resources securities may lawfully be offered or sold. Christian Financial Resources securities are subject to certain risk factors as described in the Offering Circular and are not F.D.I.C. or S.I.P.C. insured nor are they bank deposits.

How Will It Work? ▶

To reflect their value for multiplication in evangelism strategies, four missions organizations have been chosen, each on a different continent, to catalyze (at least) 5 new churches through each ministry. 21in'21 Campaign funds will be distributed evenly to each organization after ICOM concludes. The 21st plant will be a domestic project likely in the greater Washington DC area, ministering with an immigrant and/or refugee focus.

Caring for our senior brothers and sisters in Israel...If Ebenezer does not step up and fulfill this growing need for the elderly believers in Israel, then who will? Where will the last of the older, fragile, surviving Holocaust believers go? Who will care for the second-generation Holocaust survivors, who have been traumatized by all that their parents went through? What about the other non-Jewish Christians and Christian Arabs?

If not Ebenezer, who will care for them?
