## Hello Everyone!

Welcome back to all of our “Northern Travelers”!

As always, Kings Point completed several projects this summer. One of which was to put the finishing touches on the Monaco Pool. For those of you who did not realize, we opened the pool last season under a “conditional permit”. The conditional permit allowed our residents to utilize the facility, with the caveat that we would close the facility after “season” and complete the remaining work, which is exactly what the recreation corporation did. I am happy to say the work is completed and I believe ALL residents are happy with the final product!

As a reminder, “Downtown at the Bistro” resumes in November at the Monaco Pool as well! If you were not able to attend last year, we highly suggest you stop by for appetizers, dancing and maybe a drink or two this year! Reservations are a must, as this is the hottest ticket in Kings Point!

For our returning Saxony residents, the Saxony remote is no longer functional at the Saxony entrance. If you purchased an original remote from the recreation area, please return your remote to the ID Office and you will be issued an RFID Sticker for no charge. For those residents wishing to purchase an RFID Sticker, the cost is \$10.00. The RFID Stickers are specific to Saxony Gate ONLY, and will only be sold to Saxony residents.

Regarding Golf...both courses are open and fully operational. While on the courses, take note of some of the newly replaced trees after our brush with Hurricane Irma last year. Kings Point civic contribution continues, as our Cystic Fibrosis Charity Golf Tournament is scheduled to take place on Saturday, November 10, 2018. Come on out and watch the teams tee off... Shot Gun Tee Off starts at 9AM.

Many of you will notice the completion of the “Road Overlay/Seal Coat Project” which took place in late August/September of this year. At this point, all of the roads that were determined to be “in need of repair” at Kings Point have been either resurfaced or seal coated. We would like to thank all of our annual residents for their support during our road repaving/seal coating effort.

In closing, on behalf of Vesta Property Services, I would like to thank each and every resident for allowing us to be your recreation area management company. It is our pleasure to assist you each and every day!

Wishing everyone a Happy Holiday Season!

Lisa Manzione  
Vice President/Vesta Property Services, Inc.  
East Coast Division President  
Director/Kings Point Recreation Area

## I.D. News

by Debbie Guerrero

Welcome back to all of our snowbirds!!! For our Saxony residents we are no longer using the remote control for gate access, we now have a sticker that will go on your windshield to open the gate. This sticker will also open the gates at Monaco and Flanders. As long as we have a receipt in our file that you purchased your remote here we will just trade the remote for the sticker at no charge, if we do not have a receipt on file the charge will be \$10.00. For residents there is no expiration date on the sticker, it will work just like the barcode. For lessee's it will expire when your lease expires. Should you renew your lease the sticker will also be renewed. The remotes will no longer work after November 1, 2018 so please come in and get your sticker. These will only be issued to Saxony residents so bring your Kings Point ID with you.

We are still working on revalidation of all resident ID's. If you have not come in to get your new ID time is running out to still get it at no charge. As of December 1, 2018 there will be a \$60.00 charge for it. We have been working on this for a year so everyone should have their new one.

We are always ready to answer any questions you have regarding our policies and procedures. Please feel free to stop by our office or call us at 561-499-3335, ext. 117 or 112.

### ID Office Hours:

Monday - Friday  
9:00 AM - 4:00 PM

Saturday and Sunday  
10:00 A.M. - 3:00 P.M.

Closed for lunch from  
12:00 - 12:30 PM

**Free ID revalidation will  
end on Friday, November 30, 2018  
There will be a \$60.00 charge per ID  
after this date**
