BINGO

with Numbers, Shapes and the ABC's

Directions:

3

Cut out the 8 bingo game boards.

Cut out the calling cards and put them in an envelope or bag.

Each player will need a game board and game markers. Game markers can be any group of small items like coins, candies, dry beans, pieces from other games or paper clips.

Draw a card from the bag and call out the color, shape, letter or number. Help your preschooler mark his game board when a color or letter matches.

Play until a player gets three in a row. Or you can play "blackout" to see who can fill all the spots on their card first.

Have Fun!
