NSW DEPARTMENT OF EDUCATION AND TRAINING

TERM 3 · WEEK 3 2018

In memory of Jack Norman

SUPERHERO DAY!

Marrickville West Primary School Beauchamp St, Marrickville NSW

Ph: 02 9558 1137 Fax: 02 9559 5961 Email: marrickviw-p.school@det.nsw.edu.au

We acknowledge the original owners of this land, the Cadigal People of the Eora Nation and their elders past and present.

From the Principals' desk...

Every week is 'Education Week' at MWPS! At Marrickville West, we celebrated Education Week by doing what we always do – learning, caring, laughing ... and planning how we're going to do an even better job next time!

We invite parents to join us when we celebrate a (belated) Education Week and Book Week together on Wednesday 22 August. Please come along to share the fun of the Book Character Parade (12:30), open classrooms (1:30) and special Assembly (2:45).

As public schools around NSW acknowledged Education Week and paused to consider their role in building the future, this is what the Minister and Secretary for Education had to say:

"The NSW Department of Education is continually striving for improvement and innovation so that the young people in our care learn in a world-class education system," said Rob Stokes, NSW Minister for Education.

NSW Education Department Secretary, Mark Scott, said ensuring today's students had the skills they would need to "not just survive, but thrive" in the future underpinned the department's evidence-based approach to learning.

"I am incredibly proud of the innovative teaching and learning that is being done

across our State's public schools to ensure that every student can perform to their full potential," Scott said.

"We don't know what the future will hold, but we do know that we are focused on equipping today's students with the skills and knowledge they will need to lead fulfilling lives in the future."

Our school celebrated Superhero + Daffodil Day last Friday. Money raised will be donated to The Cancer Council and Bear Cottage both of which supported our own little Superhero, Jack Norman who inspired the first MWPS Superhero Day 5 years ago. A special thank you to our SRC who organised the day and the Norman family who supported it with such courage, grace and musical talent.

We also remember Aunty Fay Carrol who passed peacefully last week. A hero to all who knew her well. Aunty Fay leaves a legacy of almost five decades working to build knowledge, pride and aspiration for Aboriginal Education and Student Wellbeing across hundreds of Sydney schools. We acknowledge her work and the sadness her passing has brought for many in our community.

Ruth Bradfield-Ling
Principal

Thank You!

Dorothy Petrides is an ex student of MWPS. This year marks the 50th anniversary of her leaving MWPS. She finished Year 6 in 1968. Once again, Dorothy has donated \$60 to go towards the purchase of library books.

Her mother, Elpida Petrides was an active parent and member of our P&C from 1960's through to the 1990's.

We are very grateful for this generous gift and the happy visit during Superhero Day!

Another great photo of Trivia Night!

CANTEEN UPDATE : Brain Food

The canteen will not be selling chips and other 'snack' foods before school.

If your child is likely to need more breakfast after leaving home, please pack something suitably healthy in their lunch box. Fruit, healthy grains or dairy are ideal foods to get them ready for a day of active learning.

Fruit, juice, milk and yogurt will remain available for sale before school. Our P&C are investigating other items suitable for breakfast snacks to add to the canteen in the near future.

Wow! Super Hero Cup cakes!

A New School Website is Born!

The MWPS website has rolled over to the new platform but like many 'babies' it has some growing to do before it reaches the standard of our previous version.

Please be patient. Photo Galleries, Class News, Events and School Information will all be updated in the coming weeks.

KEEP HEADS SAFE

Children are welcome to ride or scoot to school. For safety please ensure they follow the rules and wear a helmet.

If there are wheels under your feet, there should be a helmet on your head!

World Refugee Day

This generous and kind hearted team of young people independently planned, worked and ran a stall to raise money on World Refugee Day. They wanted to do something to support refugees and asylum seekers in Australia. They visited the Asylum Centre last week and donated the \$461 they raised from the bake sale.

Danielle from the Centre gave them and tour and a certificate for the School.

Never too young, (or too old) to make a difference. Thank you!

Nationally Consistent Collection of Data on School Students with Disability

Marrickville West Primary School is currently gathering information to support the National Consistent Collection of Data on School Students with a Disability.

In May 2013, all Education Ministers from the Commonwealth, State and Territory governments endorsed the implementation of a nationally consistent collection of data on school students with a disability in all Australian schools.

The nationally consistent approach to data collection will provide all Australian schools, education authorities and the community with a clear picture of the number of students in schools with a disability and the adjustments they are provided to enable them to participate in education on the same basis as other students.

The information that must be given to the department includes:

- the student's level of education (i.e. primary or secondary)
- the student's category of disability (i.e. physical, cognitive, sensory or social/emotional)
- the student's level of adjustment (i.e. the level of support provided within or in addition to the differentiated, classroom program)

The information provided allows us to measure the adjustments and additional support required by students at each school. The data will not identify individual students.

From The Office

Office Hours

A gentle reminder that our office hours are from 8:30am to 4:00pm.

As you may have experienced from time to time, the office can get quite busy. We therefore ask if all parents could please leave any queries that are not directly related to your child, for the non-busy times i.e. between 10am and 3pm. We would like to dedicate the 8.30 – 10.00am and 3.00 – 3.30pm time slots to students' matters/ queries, payments, late arrivals, early departures and medical issues.

Year 6 Polo Tops

A reminder that the class of 2018 polo tops have arrived and are ready to be picked up. The cost of the Year 6 polo is \$35. The polo will be issued to students when payment has been received at the office or online.

School Attendance

If your child is away from school because of illness, you can send through notification via the e-news app or obtain an Absence Note from the office.

Leave Forms

Family holidays and travel are no longer considered as Exemption from School. Travel outside of vacation period is now counted as an absence for statistical purposes. Travel is considered to be domestic or international travel for the purpose of a family holiday, family business, bereavement or other reasons, which should be specified on the application.

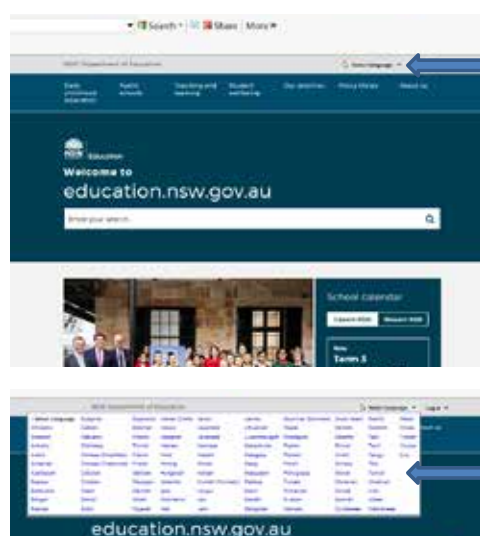

If families are planning to be away from school for holidays during school terms for any length of time, you will need to fill in an Application for Extended Leave-Travel Form. While we transition to the new website, these forms can be obtained from the front office.

Did you know that you can change the language that appears on the Department of Education's website?

Just click on the “Select Language” tab at the top of the page and then click the language you prefer. The text will change automatically.

early STAGE ONE page

Kindergarten had a BLAST at their first ever Athletic Carnival. We ran races, skipped, completed captain ball, had an egg and spoon race and even got to go in a bus with all of our friends!

We can't wait to do it all again next year (hopefully without the wind!).

Year 1

Year 1 visit to Marrickville Library

On Thursday 9th August, 1B, 1I and 1P went to Marrickville Library and met an author, Ros Moriarty. Ros Moriarty is an author of Indigenous children's picture books. She read her book 'Where is turtle?' to the students and then they had the chance to do a craft activity.

They created pictures just like the illustrations from the book. The students were so excited to visit the library.

STAGE

Year 2

During the first few weeks of term the children were learning about how to write a recipe. They had the privilege of cooking pizza and gnocchi, and wrote down the ingredients and processes/steps involved in preparing and cooking the food. For the rest of the term we will be focusing on descriptive writing and information reports.

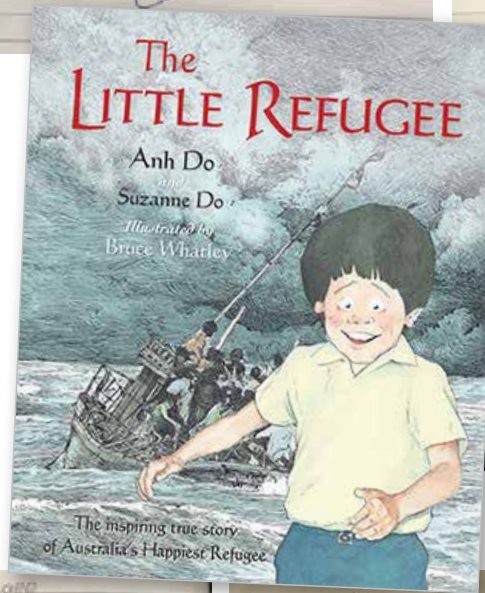

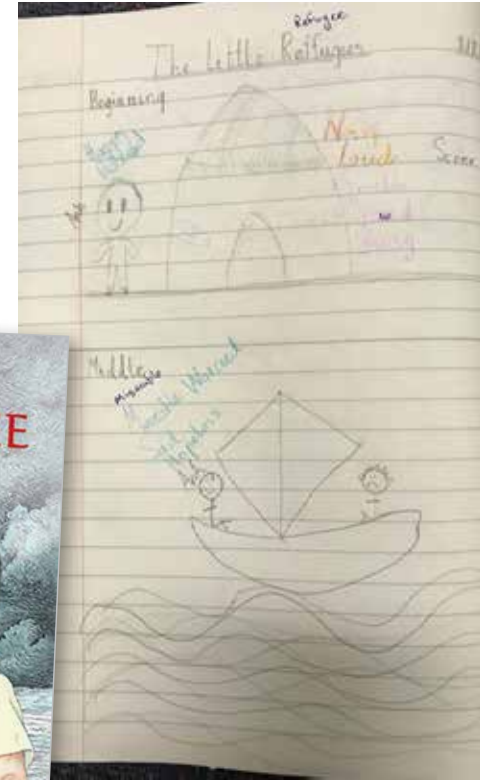

In week 2, we also learnt about halves, quarters and eighths and used this language throughout our cooking experience. Cooking with children provides practical experience with many essential skills such as reading, following directions, and measuring.

STAGE 2 page

Stage 2 have been analysing features of quality texts. We have recently been reading *The Little Refugee* by Anh Do and Suzanne Do, here is some of our work.

PRONOUNS 6/8/18

HONOUR ASSEMBLY PHOTOS...

STAGE 3 page

Harry Potter and the Goblet of Fire “4”

The Ministry of magic decided to bring back The Triwizard Tournament to the magic world. Two schools came to Hogwarts to compete.

You have to be over 17 to put your name in the magic hat to see if you get picked. The hat chooses one person from each school to compete. When the names were ready to be called out everyone sat down in the Great Hall to find out who they were. When the three names were called out another piece of parchment popped out of the hat. Everybody was shocked because there was only supposed to be three champions not four. The principal read the name and it was “Harry Potter”. There were three tasks to win, the winner gets \$10 000.

I have only read about the first two tasks, but I am excited to see what the next task is about and who wins. I really enjoy these books, it makes me wonder about what’s going to happen next.

By Joelle Yr 6

Victoria, Lola and Joseph sign writers in action.

Percy Jackson and the Last Olympian

This book is the last book in the Percy Jackson series. It is about how Percy and his friend and family, centaur battle against the mighty Titans and demons. This book is action packed and very interesting to read and understand. I highly recommend this book to all the young readers out there.

By Riwa j Yr 6

The Wizard of Oz

Dorothy and her dog Toto are swept away into a far away land called Oz by a tornado. Lost, Dorothy wants so badly to go back home to Kansas. On their way, they encounter three interesting friends who, they too, have wishes of their own. Wishes that only the grand Wizard of Oz can grant them. This story is much like a fairytale that is filled with fantasy, evil and adventure. The characters draw you in with their wishes, making you want their dreams to become a reality. I really loved this book by Beth Bracken and know you will enjoy it too.

By Lola Yr 6

A few weeks ago, Year 6 were fortunate enough to have Constable Casey come and talk about safety.

Constable Casey has been an officer for 4 years and is a youth Liaison Officer for the Inner West. She talked to year 6 about right from wrong and informed them that if you are over 10 years old, you could be criminally charged.

Year 6 were surprised by some of the facts that were told, for example even if you steal a packet of chips, you could still be charged!

Sally from 6EM stated, “I think it’s helpful that we know what not to do”.

It was interesting for most year 6 students and the teachers really enjoyed it as well.

NAIDOC DAY

KITCHEN GARDEN update

Year 5 have commenced the Kitchen Garden program – which runs every Tuesday between 12:15 and 2:15. The program will involve a range of activities including: preparing garden beds and planting seasonal produce; cooking and hosting skills; and a mathematical, artistic and environmental program linked with our Kitchen Garden program.

We would also welcome any excess produce that you may have from your own kitchen gardens for us to preserve for future menus until our own plants start to thrive. We aim to plant a versatile and practical array of plants this term which will hopefully yield a successful harvest in Term 4.

Your assistance and community spirit is greatly appreciated.

Who's Who

with Jaxter
(Jude & Baxter – Year6)

Mrs Scott

Did you know that Mrs Scott used to work at this school as an SLSO (student support officer) and we hope to have her back sometime soon.

She has been a part of Marrickville West Primary School for 21 years!!! When Mrs Scott was gone she missed MWPS every day that she was gone.

On her visit this week she noticed some differences like the fact that Ms Ling made the school bigger and how great the P&C (parents and community) is.

Mrs Scott said that what she missed the most about not being here is the students, the principal and the community.

Mrs Scott was surprised when she saw Baxter, Jude and Harriet and how much they have grown! We are so lucky to have Mrs Scott coming back to this school.

Pepper

Did you know that Pepper is in year 2 and in Mr Kelly's class. Her favorite toy is L.O.L dolls.

Pepper has two older brothers who are Iggy and Baxter. Iggy is 14 and Baxter is 11. Her favourite animal is a husky which is a kind of dog/wolf.

She can also speak a bit of Spanish which she learnt in LOTE class. She has lots of pets at home including 10 chickens and 3 cats.

She has too many chickens so she did not name them all, but she named the cats which are Legs, Socks and Bobby.

She also likes to read and her favorite book is Tashi and her favorite colour is blue. We are so lucky to have such a caring animal person at our school.

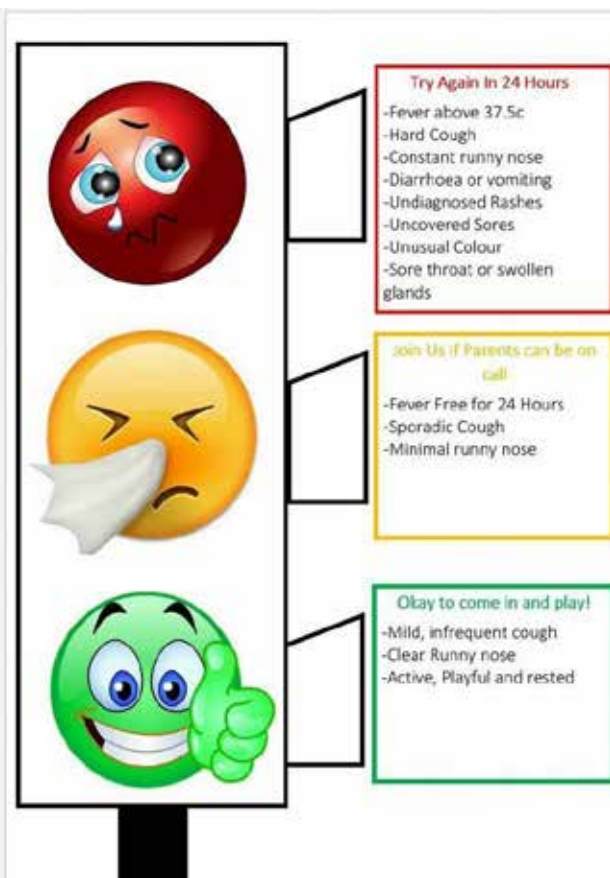

Ms Laura

Did you know that Ms Laura used to work at a restaurant that made pizzas before becoming a teacher. She started teaching dancing when she was 15 years old.

Her favourite thing about MWPS is EVERYTHING!!! Her hobbies are singing, dancing and playing the piano.

She has an older brother that is a physiotherapist and she has a kitten named Azzy. We are so lucky to have a pizza maker at school.

News from The Community Centre

Vivi and Lindy have been working hard promoting and organizing Paint Marrickville REaD which is a community based approach to early literacy. The movement is supported by Paint the Town REaD which now has over 60 projects over 5 states!

We went to Admiralty House to visit with our Patron Lady Cosgrove and guests about future funding of the program. Our local chapter is working with several agencies to get book boxes into waiting rooms and gathering spaces all over Marrickville. Real foundation for reading is coupled with attachment and begins from birth so we want to make sure everyone has the space, opportunity, and resources to read, talk, sing, and play with bubs from day 1.

In the Community Centre, Friday Playgroup took an excursion to Thomas Roseby Lodge. Our excursion every term has allowed some lovely relationships to blossom. Both the aged care residents and the children love the opportunity to meet and spend time talking, coloring, playing ball, singing and reading together.

Yarn Up

2018

Amariyah and Malu each presented a speech at Parliament House on Thursday 2nd August as part of the Yarn Up Public Speaking Program. Students from all over Sydney have been attending workshops over Term 2 to prepare, write and practise public speaking in the lead up to this special showcase.

Amariyah and Malu represented MWPS with great leadership and dedication.

Parents, teachers and the school community are very proud of their effort and success.

A special thanks must go to Mrs Walker for organising the opportunity for our students to attend and supporting and supervising them throughout the program.

P&C UPDATE

Father's Day Stall

The P&C's Father's Day Stall will be held for students to purchase gifts for their father or a significant man in their life just before Father's Day. The kids relished the Mother's Day Stall and this is another chance for them to choose and purchase a present on their own.

Donations welcome - Do you have any herb, chilli or succulent plants ready for sale? Donations of treats like fudges, pickles, relishes and chilli nuts are also appreciated. Please drop them into the School Office or bring them directly to the hall on Friday 31st Aug after morning assembly.

Help needed - We need about 14 people to help throughout the day Friday 31st August to help setup from 9:30-12noon, people to sell, wrap gifts and pack up 12 noon-3:30pm.

If you can help please let Carole Campbell (0452 589 994) know or put your name on the roster at <https://goo.gl/4tycPp>

Friday 7 Sept Movie Night : Fundraiser

Everyone is welcome to come enjoy our next Movie Night on Friday 7 September at 6pm. We are showing Revolting Rhymes Pt 1& 2 (2018 Oscar Nominee for Best Animation) based on Roald Dahl's stories, ...PLUS a collection of award-winning short animations from around the world. Raising money for Year 6 Camp, Dinner & Fun Day. \$5 entry

Canteen will be open for treats for all ages. Please contact Softly and/or Shelley if you can help on the night!

Art show

The student exhibition is on Thursday 13th September. We would like to invite parents, carers, and community to also display art on the evening. We do ask for a \$5 donation fee to exhibit. We will also be hosting space to create for parents in honour of our visual arts focus this year. Please watch the parent emails for confirmation of days and times.

Return and Earn

The end of week 5 (Sunday 26 Aug) is our final day to get as many eligible containers into the Addison Rd Return Vending Machine to raise money to buy vege pods for growing plants and to fund other sustainability projects. Each container is worth 10c so drop yours down at the machine; select Marrickville West P&C as the charity today!

Did you miss the P&C meeting? Here's the P&C PULSE 9/8

• LOCAL BUSINESS SUPPORT: Last night we had two team members from Raine & Horne Marrickville join the P&C to find out how they can help to support our school through funding and event participation, after the success of their involvement with the Trivia Night. Several ideas are being

brekkie. ALSO We have installed a large new standing freezer to replace the bulky chest freezers – if anyone is looking to buy one of

these second-hand, speak to a P&C member. Online ordering will be a reality in the near future – watch this space!

- RETURN & EARN SCHEME: Closes at Addison Rd Community Centre on August 26th. Please get your cans and small bottles over to the centre before that to earn cash for the school!

- FATHER’S DAY STALL: We still need more gifts to sell at the Dad’s Day stall, so if anyone can buy or make any of the following and contribute them by the last week of August that would be ace. Little bags of choccies, nuts or biscuits (bought or homemade); jars of pickles/relish/chutney etc; small photo frames; BBQ tools, surfboard wax, USB’s, mugs...

- PRINTER DONATION: Shout-out to Cara and Howie (parents of Kiyah and Alec) who donated a printer and a lot of ink to the school, we appreciate it!

- ART SHOW: the big Art Show is Thurs 13 Sept (more info coming soon) but prior to that, there will be 2 free sessions for parents or grandparents to come along to the school and create a piece of art with their child. Stay tuned for dates TBA.

Thank you to the parents who helped stain the new playground decking!

explored and we look forward to working with them to help make our school as well-resourced as it needs to be.

- BOOK ROOM: the school’s collection of ‘readers’ which the children take home daily has been replenished and reorganised, thanks to Mr Armstrong, Mr Hunt and Ms Morrison. \$9000 worth of new books have been purchased (funded by the school and P&C together) and the books are now all properly categorised according to reading level.

- TECH UPDATE: Marrickville West is moving to doing online Naplan tests, and have secured a loan of 30 laptops to allow for this. Training and practice runs of the technology will be occurring soon. In addition, we are aiming to supply sufficient devices so that all kids entering Year 4 have access from 2020. Teachers and P&C are working together to make this a reality!

- CANTEEN: Breakfast Policy. It’s a school rule that no non-breakfast food should be sold before lunchtime, which includes packets of chips. Please note that chips will not be sold before school to kids or parents. Yoghurt, fruit, cereal and crackers can be bought if your child missed

NEXT P&C MEETING: **Thurs 6 Sept 7–9pm**
