ANATOMY

ROSS AND WILSON ANATOMY AND PHYSIOLOGY IN HEALTH AND ILLNESS

12TH EDITION

Anne Waugh

9780702053252
£31.99 €40.99 \$62.95
PUBDATE 01/05/2014

evolve

One of the world's most popular textbooks of anatomy and physiology, *Ross and Wilson* introduces the structure and functions of the human body and the effects of disease or illness on normal body function.

"Ross and Wilson anatomy and physiology texts have been used by students and clinicians for more than 50 years. This new 12th edition is an excellent resource."

- Nursing Standard

"Gosh this book has helped [me] understand anatomy to a another level. It's well worded in simple English that anyone can understand. I apparently LOVE this book."

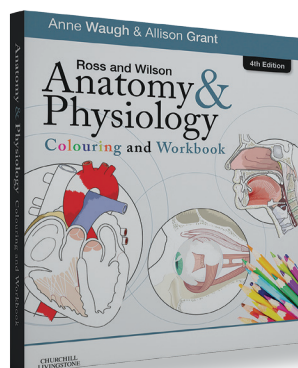

- Amazon Review

ROSS AND WILSON ANATOMY AND PHYSIOLOGY COLOURING AND WORKBOOK

4TH EDITION

Anne Waugh

9780702053276
£19.99 €24.99 \$43.95
PUBDATE 14/05/2014

Based on the best-selling textbook, *Ross and Wilson: Anatomy & Physiology in Health and Illness*, 12th edition, this Colouring and Workbook has been updated to reflect changes in the new edition, making it the perfect partner for *Ross and Wilson*, as well as with other anatomy and physiology textbooks or course notes.

Both texts are also available as a package : 9780702065965 £45.99 | € 56.99 | \$101.81

With **Evolve** resources for *Ross and Wilson*, you and your students will have access to highly visual, engaging content

Content for you

- Reinforce lectures by integrating high resolution diagrams and pictures from the **Image Collection*** into your learning management system, presentations and lecture handouts
- Utilise the **Instructor Tool** to create custom tests and quizzes for your students using a selection of over 500 self-assessment questions, arranged by chapter or question type

**Referenced images can be used subject to terms & conditions*

Content for your students

- **Interactive Case Studies** with over 170 additional questions and answers
- An **Image Collection** containing all 516 images from the book
- **150 Animations** covering principles explored in the book
- **Over 450 Questions and Answers**
- Approximately **1,800 terms** in the **Audio Glossary**
- **273 Weblinks**

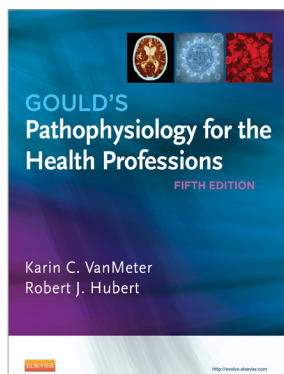

AND NEW TO THIS EDITION!

- Body Spectrum, an interactive colouring activity featuring **79 colouring and labelling exercises** with **1,500 labels**
- **Study mode** with content already labelled and **quiz mode** offering a multiple choice and fill in the blanks option
- **Zoom function** for each image and a **full glossary**
