She has postgraduate degrees in Nursing and English and has obtained her doctorate in Psychology. She is a known authority on English grammar and has contributed to several books and periodicals, including some renowned international journals. Rakesh Lohumi, a former Bureau Chief of the esteemed English daily The Tribune, is currently member of the Governing Body of Maharaja Agrasen University, Himachal Pradesh. His vast journalistic experience helped him learn the nuances of English grammar, usage and the common errors people commit. He has won several awards of excellence and has contributed a long range of articles in the leading newspaper.

English for Nurses provides a perfect solution to the needs of nursing undergraduates. Based on the INC syllabus, it is an indispensable resource for B.Sc. Nursing students. Students of M.Sc. Nursing and those going for NCLEX, TOEFL and IELTS will also find it tremendously useful. The book has been written keeping in mind the requirements of the modern Indian nurses to converse well in English. As they serve in different national and international locations, English is their only window to the outside world. This book provides comprehensive study material and practice exercises on English language the way it is used in day-to-day conversations in the hospital environment.
