

Faculty Vitae
Amy M. Yager, DNP, APRN, FNP-C

Creighton University School of Nursing

- Department: Nursing
- Rank: Assistant Professor

NURSING SPECIALTY: Advanced Practice Registered Nurse-Family Nurse Practitioner; Women's Health Researcher for 5 research studies at Creighton University Medical Center, Pediatric Infectious Disease Clinic; Postpartum/Newborn Nursery/ Med-Surg./Oncology

- **Education:**

<u>Institution</u>	<u>Field of Study</u>	<u>Degree/Date</u>
Creighton University	DNP	DNP/Dec. 2011
UNMC-Nebraska	Family NP	MSN/May 1998
UNMC-Nebraska	Nursing	BSN/May 1988

- **Professional Experience:**

<u>Employer</u>	<u>Title</u>	<u>Dates</u>
Creighton University Omaha, NE	DNP, APRN, FNP/Co-Investigator Pediatric Infectious Diseases	Sept. 2004- Present
Creighton University Omaha, NE	Assistant Professor School of Nursing	Sept. 2001-Present
Omaha Respite Nurse Services Omaha, NE	Registered Nurse Respite Nurse	Sept. 2000- Dec. 2006
Univ. of NE Medical Center Omaha, NE	Graduate Nurse Research Assistant	Jan. 1999-Sept. 2001
Methodist Hospital Omaha, NE.	Staff RN Med-Surg./Oncology	Aug. 1999-Dec. 2003
Bergan Mercy Hospital Omaha, NE	Staff RN Postpartum/Nursery/NICU	May 1998-May-2000

III. Service

Community Service

- Porto Urgent Care Clinic—Nursing Faculty (APRN), Fridays 0830-1300
- Served dinner at Sienna Francis House-November 2013,2014, 2015, 2016
- Served dinner at Stephan Center as a St. Columbkille Parish Nurse-December 2013, 2014, 2015, & 2016
- Operation Others Delivery Day Volunteer, delivered meals to 5 families-December 2013, 2015 & 2016
- APRN (covering for M. Todd) Summer 2013 at Porto Urgent Care Clinic
- Project Homeless Connect—APRN Faculty- Student Supervisor-Volunteer March 2013 & March 2014
- Magis Clinic-Provided APRN services to the homeless at Sienna Francis House –60 hours 2011
- Coordinating the Community Health NUR 497 Groups’ efforts to arrange for the Sports Physicals at Sacred Heart Summer 2011 & 2012
- Performing Sports Physicals to underserved children at Sacred Heart Clinic (July 2011, 2012, 2013)
- In-service Teachers at St. Stanislaus on Asthma & Playground emergencies (August 2010)
- Parish Nurse St. Columbkille (2005 to current)

School of Nursing Committees

- Spirituality Committee 2016-present
- Undergraduate Curriculum Revision Team Member—ANC & Traditional 2016- present
- ExamSoft Task Force 2016
- Undergraduate Admissions & Progression (December 2013-2014)
- Technology Committee (2012-2014)
- Bylaws Committee (2008-2014)
- SON Social Committee Chair (2005-2008)

- Nursing Director for the Institute for Latin American Concern (ILAC) (2005-2008)
- Nursing Senate Faculty Advisor (2003-2010)
- Task Force Member SON New Learning Lab (2003-2004)

Service within Profession

- Nominated myself for the Faculty Counselor leadership position in Sigma Theta Tau-Iota Tau Chapter (Spring 2017)
- Advised 15 Traditional students (Fall 2016, Spring/Summer 2017)
- APRN at Pediatric Infectious Disease for multiple vaccine studies (2004-present).
- Volunteered in the University Admitted Student Calling Initiative—called 25 admitted students to confirm their intent to attend Creighton University in the Fall of 2012 & Fall 2013
- Volunteer at Project Homeless as an APRN—March 22, 2013
- Advised 22 Traditional students (fall 2012 & spring 2013, spring 2014)
- Blessing of the Hands Ceremony for Nursing Students (Fall 2008, 2009, 2010, 2011, 2013, 2016)
- Faculty Representative for Creighton School of Nursing *Call to Nursing* (November 2008, 2009, 2010, 2013, 2014, 2016)

School of Nursing Task Force

- Member of small group of faculty who will pilot use of Examity Summer 2017
- Member of ExamSoft Task Force (2016-present)
- Member of small group of faculty who piloted Undergrad. Use of ExamSoft Summer 2016
- Member (Leader for ANC student training) on PageBurst Task Force (Fall 2013 & 2014)
- Member of the iPad Task Force-Spring (2012-2014)
- Member of the Task Force that developed Graduate course evaluation criteria for CCNE Site visit (2011)
- Childhood Obesity Task Force (2008-Current)

University Committees

- Currently on the University ballot for 2 University Committees
- University Committee Member-- Diversity Coordinating Committee (Dec. 2011-2014)
- University Committee Member--Omaha Advisory Board Encuentro Dominicano Study Abroad Program (Jan. 2009-2015)

IV. Scholarly Activities

Research Activity

- Sub-I on Resiliency Study/Project for Spring 2017 ANC cohort
- Podium presentation at the Midwest NNP Conference (Fall 2016)
- Co-investigator on grant submitted but not accepted for funding-- Balanced Bodies (Fall 2016)
- Member: Pediatric Obesity Research Team
- Member: OB Collaborative Learning Research Team

Grant Submission

- J. Miller, Principal Investigator, Harms, A., Hill, E., Selig, C., Selde, M., & **Yager, S. (2017)**. Managing Life Challenges Through Resiliency Teachings Funded for by the Office of Academic Excellence and Assessment, Creighton University, January 2017-December 2017.
- Balanced Body Band School Program v. 2 Children's Hospital and Medical Center Grant Application, 5-25-2016. Schwartz, M. Minnich, M., Summer, S. & **Yager, A.** Grant not accepted for funding)
- Todd, M. (PI) Abbott, A.(Co-PI), Laughlin, A.(Co-PI), Ryan-Haddad, A.(Co-PI), **Yager, A.(Co-PI)**, Wickman, C. (Co-PI) Quit 4 Good, Haddix Research Grant. Funded \$15,000, February, 2014

Presentations

- 11th Annual Midwest Regional NICU Conference in Omaha, NE. August 25th, 2016. **Yager, A.** "Update on STI's for NICU Nurses
- #7th Annual MNRS Research Conference in Chicago, IL (March 2013). Laughlin, A., Schwartz, M., Walters, R., Synowiecki, B., Potthoff, M., **Yager, A.**, & Connelly, S. Partnering with schools: A healthy living project. Presenters: Ann Laughlin & Misty Schwartz

Papers/Articles

- Yager, A. M., & O'Keefe, C. O. (2012). Adolescent use of social networking to gain information regarding sexual health. *The Journal of Nurse Practitioners*, April, 2012 ed.

- Laughlin, A., Schwartz, M., Walters, R., Synowiecki, B., Potthoff, M., Yager, A., & Connelly, S. Partnering with schools: A healthy living project. *Journal of School Health*.
- Laughlin, A., Schwartz, M., Walters, R., Synowiecki, B., Potthoff, M., Yager, A., & Connelly S., A. Partnering with schools: A healthy living project. *Journal of School Nursing*.

Submitted but not accepted:

- Laughlin, A., Schwartz, M., Walters, R., Synowiecki, B., Potthoff, M., Yager, A., & Connelly, S. Partnering with schools: A healthy living project. *Public Health Nursing*.

- **Professional Activities/Memberships**

- Member of the Nebraska Nurse Practitioners
- Member American Academy of Nurse Practitioners
- Member Sigma Theta Tau Member-Iota Tau Chapter

- **Honors & Awards**

- Certified Family Nurse Practitioner – American Academy of Nurse Practitioners--2009-present
- Recipient: Gamma Phi Beta Sorority “SHINE” Award for Faculty Excellence -- 2010
- Recipient: Kappa Kappa Gamma Award for Impact on a Member’s Academic Growth – 2009
- Recipient: Pipeline for Innovations Grant -- 2008
- Nominee: Creighton University “Teaching for Tomorrow Award” -- 2005

- **Continuing Education**

3/17	Fitzgerald Live Review for Family Nurse Practitioners
8/16	Fitzgerald On-line Review for Family Nurse Practitioners
7/15	Multiple Medical Topic (15) reviews with Quizzes UNMC Online CUEs
11/14	Multiple Medical Topic (10) reviews with Quizzes UNMC Online CUEs
3/15	CITI Research Training Renewal (Completed-Certificate received)
2/13	Nebraska Nurse Practitioners Annual Conference
2/12	Nebraska Nurse Practitioners Annual Conference

12/11	Completed DNP Program, Creighton University Graduate School of Nursing
7/03	Nebraska Nurse Practitioners Annual Pharmacology Conference
9/11	National Hepatitis Summit
2/10	Nebraska Nurse Practitioners Annual Conference
1/09	Spine & Brain Symposium for Primary Care Providers
8/07	Nebraska Nurse Practitioners Annual Pharmacology Conference
2/09	Nebraska Nurse Practitioners Annual Conference
2/08	Nebraska Nurse Practitioners Annual Conference
2/07	Nebraska Nurse Practitioners Annual Conference
2/07	Attended the Global Health Consortium in the D.R.
2/06	Nebraska Nurse Practitioners Annual Conference
5/05	Sigma Theta Tau Annual Research Day
5/05	AACN Hot Topics Conference
2/05	Nebraska Nurse Practitioners Annual Pharmacology Conference
2/04	Nebraska Nurse Practitioners Annual Conference

Practice (HPV Research)

Follow-up of clients utilizing Nurse Practitioner role in ongoing research studies for HPV (Human Papillomavirus) vaccine. Site is Creighton University Pediatric Infectious Disease Research Department. Follow-up study visits with each client includes: physical examination; well- women exams with PAP Smears and collection of vaginal; anal and cervical swabbing; and each client receives a clinical breast exam; each client also receives monitoring for potential vaccine adverse events and general health oversight including referrals to dermatology for skin lesions; referral to counseling for a variety of personal issues. Each client is counseled on the various birth control methods and prescription of birth control methods also is a responsibility of the APRN caring for these research client; and anticipatory guidance at each study visit about: 1) use of double-barrier method with each act of intercourse to prevent STIs; 2) monthly self-breast exam is taught and each patient does a return demonstration; 3) the importance of monthly skin exams; 4) diet & exercise is discussed; 4) Ca++ intake, & use of sunscreen is also discussed.

I am a Co-investigator for the following research studies:

1) December 22, 2003 – Present: Co-Investigator: “A safety and immunogenicity study of quadrivalent HPV (Types 6, 11, 16, 18) L1 Virus-Like Particle (VLP) Vaccine in preadolescents and adolescents. (Protocol 018-00) Merck & Co., Inc. (Principal Investigator: Archana Chatterjee, M.D.)

2) May 2013 – Present- A Phase 3, randomized, Active-controlled, observer-blinded trial, to assess the lot consistency, safety, tolerability, and immunogenicity of a Meningococcal Serogroup B bivalent rLP2086 vaccine in healthy subjects aged >10 to <19 years (Protocol B1971009{6108A1-3001}) Sponsor: Pfizer. Principal Investigator: Meera Varman, MD)

3) February, 2014-present- A Phase III Clinical Trial to Study the Tolerability and Immunogenicity of a 2-dose regimen of V503, a Multivalent Human Papillomavirus (HPV) L1 Virus-Like Particle (VLP) Vaccine, administered in Preadolescents and Adolescents (9 to 14 year olds) with a Comparison to Young Women (16 to 26 year olds) (V503-010) Sponsor: Merck (Principal Investigator: Meera Varman, M.D.)

4) August 2014-present A Phase III, Stratified, Randomized, Observer Blind, Controlled, Multicenter Clinical Study to Evaluate the Safety, Immunogenicity and Efficacy of an Adjuvanted Quadrivalent Subunit Influenza Virus Vaccine Compared to Non-Adjuvanted Comparator Influenza Vaccine in Children ≥ 6 to < 72 Months of Age. V118_05 (Principal Investigator: Meera Varman, M.D.)

5) January 2016 – present: A phase IIIb, open-label, multi-center immunization study to evaluate the safety of GlaxoSmithKline (GSK) Biologicals’ HPV-16/18 L1 VLP AS04 vaccine administered intramuscularly according to a 0, 1, 6-month schedule in healthy female subjects who received the placebo control in the GSK HPV-015 study. (Principal Investigator: Meera Varman, M.D.)

6) June 2004 – Feb 2008: Co-Investigator: A Phase III, double-blind, randomized, controlled, multi-center study to evaluate the efficacy of GlaxoSmithKline Biologicals’ HPV-16/18 VLP/AS04 vaccine compared to hepatitis A vaccine as control in prevention of persistent HPV-16 or HPV-18 cervical infection and cervical neoplasia, administered intramuscularly according to a 0, 1, 6 month schedule in females 15-25 years of age (Protocol HPV-008)

7) April 2004 – May 2014: Co-Investigator: A phase III, double-blind, randomized, controlled study to evaluate the safety, immunogenicity and efficacy of GlaxoSmithKline Biologicals’ HPV-16/18 VLP/AS04 vaccine administered intramuscularly according to a three dose schedule (0, 1, 6 month) in healthy adult female subjects aged 26 to 55 years (Protocol 104820-015) (Principal Investigator: Archana Chatterjee, M.D.)

8) January 2007 – August 2012: Co-Investigator: A phase IIIb, observer-blind, randomized, multicenter study with two parallel groups to compare the immunogenicity of GlaxoSmithKline Biologicals' HPV-16/18 L1/AS04 vaccine versus Merck's Gardasil® vaccine when administered intramuscularly according to a 3-dose schedule in healthy adult females 18-45 years of age (Protocol 108933 HPV 010) (Principal Investigator: Archana Chatterjee, M.D.)

9) October 2007-Present: Co-Investigator: Protocol # V503-001 Title: "A Randomized, International, Double-Blinded (With In-House Blinding), Controlled with Gardasil®, Dose-Ranging, Tolerability, Immunogenicity, and Efficacy Study of a Multivalent Human Papillomavirus (HPV) Virus-Like Particle (VLP) Vaccine Administered to 16-26 Year Old Women. SPONSOR: Merck & Co.; (Principal Investigator: Archana Chatterjee M.D., Ph.D. # 07-14612

10) August 2009- Present: A Phase III Clinical Trial to Study the Immunogenicity, Tolerability, and Manufacturing Consistency of V503 (A Multivalent Human Papillomavirus [HPV] L1 Virus-Like Particle [VLP] Vaccine) in Preadolescents and Adolescents (9 to 15 year olds) with a Comparison to Young Women) 16 to 26 year olds) (Protocol: V503-002) Sponsor: Merck & Co., Inc. (Principal Investigator: Archana Chatterjee, M.D.)

11) December 2009-May 2011: A Phase III Open-Label Clinical Trial to Study the Immunogenicity and Tolerability of V503 (A Multivalent Human Papillomavirus [HPV] L1 Virus-Like Particle [VLP] Vaccine) Given Concomitantly with Menactra and Adacel in Preadolescents and Adolescents (11 to 15 year Olds) (Protocol: V503-005) Sponsor: Merck & Co., Inc. (Principal Investigator: Archana Chatterjee, MD, PhD

12)December 2009 – October 2012 A phase III, double-blind, randomized, controlled, multi-center study to evaluate The efficacy of GlaxoSmithKline Biologicals' HPV-16/18VLP/AS04 vaccine Compared to hepatitis A vaccine as control in prevention of persistent HPV-16 or HPV-18 cervical infection and cervical neoplasia, administered intramuscularly According to a 0,1,6 month schedule in healthy females 15-25 years of age. Sponsor: GSK Principal Investigator: Archana Chatterjee, MD, PhD

13)December 2010-April 2013 A phase 3b, randomized, open-label, multi-center study to evaluate the safety and immunogenicity of 2 or 3 doses of MenACWY conjugate vaccine in healthy infants and the effects of a booster dose of MenACWY administered in the second year of life [Protocol: V59_36] Sponsor: Novartis Vaccines and Diagnostics. (Principal Investigator: Archana Chatterjee, MD, PhD)

14) December 2010-December 2012 An open label, prospective, pharmacokinetic/ pharmacodynamic and safety evaluation of intravenous oseltamivir (Tamiflu®) in the treatment of infants less than one year of age with influenza infection (NP25138C) [Protocol 541-10 FB] Sponsor: Hoffman-LaRoche. (Principal Investigator: Archana Chatterjee, MD, PhD)

- 15) December 2010-December 2012** An open label, prospective pharmacokinetic/ pharmacodynamic and safety evaluation of intravenous oseltamvir (Tamiflu®) in the treatment of children 1-12 years of age with influenza infection (NP24139C) [Protocol 542-10 FB] Sponsor: Hoffman-LaRoche. (Principal Investigator: Archana Chatterjee, MD, PhD)
- 16) November 2011 – September 2014** A Phase 2 randomized, controlled, observer-blinded trial, to assess the safety, tolerability, and immunogenicity of MCV4, Tdap vaccine and rLP2086 vaccine when administered concomitantly in healthy subjects aged 10-13 years.(B1971015) (Principal Inv.: Archana Chatterjee, MD, PhD)
- 17) December 2011-October 2014** A phase IIIA, randomized, observer-blind, controlled, multinational study to evaluate the immunogenicity and safety of GSK Biologicals' MMR vaccine (209762) at an end of shelf-life potency compared to Merck & Co., Inc.'s MMR vaccine, when both are co-administered with Varivax, Havrix and Prevnar 13 (subset of children), and given on two-dose schedule to healthy children in their second year of life.115649 MMR-161.(Principal Investigator Meera Varman, M.D.)
- 18) April 2012 – March 2014** A Phase III Double-Blind, Randomized, Multicenter, Controlled Study to Evaluate the Safety, Tolerability and Immunogenicity of Measles, Mumps, Rubella, Varicella (MMRV) Vaccine Made With an alternative Manufacturing Process (AMP) (Merck V221-027) Sponsor: GSK (Principal Investigator: Meera Varman, M.D.)
- 19) April 2012 –January 2013** Safety and Efficacy Evaluation of Topical AL-60371 Otic Suspension, 0.3% in the Treatment of Acute Otitis Externa (C-10-018) Sponsor: Alcon (Principal Investigator: Archana Chatterjee, M.D., PhD)
- 20) June 2012 – October 2014** V260-035, Double Blind, Phase III Study to Evaluate the Safety, Tolerability and Immunogenicity of a New Formulation of Rotateq™ in Healthy Infants Aged 6-12 Weeks. Sponsor: Merck (Principal Investigator: Meera Varman, M.D.)
- 21) January 2013- September 2014** 116570 [DTPA 0.2 (Boostrix)-012 Exzt:001] An open, phase III, non-randomized, multi-center Study to assess the immunogenicity and safety of a booster dose of GlaxoSmithKline (GSK) Biologicals' combined reduced antigen content diphtheria-tetanus toxoids and acellular Pertussis vaccine (Boostrix™) when administered in young adults, 10 years after previous Booster vaccination in study 776423/001 [DTPA 0.3 (Boostrix)-001] (Principal Investigator: Meera Varman, M.D.)
- 22) December 2013 - March 2014:** A Phase I/II, Randomized, Observer-Blind, Multicenter Study to Evaluate Immunogenicity and Safety of Four Influenza Vaccines in Healthy Pediatric Subjects 6 to < 48 Months of Age., Novartis V58P16 (Principal Investigator: Meera Varman, M.D.)

Teaching Activity

Undergraduate:

Spring 2017:

1. NUR 288 Health Assessment Across the Lifespan—Didactic 4-two hour Lectures; proctored one Exam
2. NUR 289 Health Assessment Across the Lifespan-- Practicum supervised 17 students every Lab and graded 5 folders everyday
3. NUR 224 Health Assessment Across the Lifespan--Didactic-4 Two hour lectures (online); proctored 3 of the 4 Exams
4. NUR 226 Health Assessment Across the Lifespan--Practicum-Supervised 20 students for 3 hours/wk in two separate sections (40 total students supervised); graded 16 student folders weekly
5. NUR 290 Care Management for Health Promotion & Outcomes Improvement—2-one hour lectures and 2-two-hour lectures. Responsible for choosing exam questions and proctoring 2/5 exams (Graded 4 Academic Papers)
6. NUR 291 Care Management for Health Promotion & Outcomes Improvement—Supervised and graded/evaluated 17 students over the course of the semester in multiple Pediatric School Health settings.

Fall 2016:

1. NUR 288 Health Assessment Across the Lifespan—Didactic 4-2two hour Lectures. Proctored both Exams.
2. NUR 289 Health Assessment Across the Lifespan--Practicum supervised 24 students every Lab and graded 12 folders every day.
3. NUR 228—Lifespan Development--**Co-Course Leader for 101 students.** Classroom responsibility 50 students both Mondays and Fridays from 1530-1650 weekly (19/24 sessions).

Responsible for 4 hours of Lecture, one 50 question exam, and reviewing stats for each of the 4 Exams for this course. Graded 25 students for 2 Discussion boards. Proctored all 4 Exams. Supervised/taught in 12/16 in-class sessions with peers in the course.

4. NUR 290 Care Management for Health Promotion and Outcomes Improvement—2-one hour lectures and 1-two-hour lecture. Responsible for choosing exam questions and proctoring 2/5 exams (**Graded 5 Academic Papers**)

Fall 2016 (continued)

5. NUR 291 Care Management for Health Promotion & Outcomes Improvement Practicum—Supervised and graded/evaluated 24 students over the course of the semester in multiple Pediatric School Health settings.

Summer 2016:

1. NUR 224 Trad. Health Assessment Across the Lifespan Didactic--**Course Leader**
(4 -two hour Lectures and supervised/organized 3 exams and 10 quizzes)
2. NUR 226 Trad. Health Assessment Across the Lifespan--Practicum—**Course Leader**
(Supervised/taught and graded all paperwork for 4 students, 4 hours a week for the Summer semester)
3. Re-Created NUR 228 Lifespan Course from a Lecture Course to a hybrid course with the help of Cindy Selig & Barb Synowiecki (Christina Murcek & Tami Cleaves were also very helpful in the recreation of this new course).
4. Completed the Online Teaching Course for aide with creating new Hybrid NUR 228 Course
5. NUR 497 Care Management and Outcomes Improvement for Complex Altered Health States Practicum—Supervised and graded 12 students for 6/6 weeks of the Rotation and 24 students for 2 weeks of the 6/week Rotation.
6. NUR 498 Senior Preceptorship—Supervised and graded 4 senior ANC students for this 6-week Rotation.

Spring 2016

1. NUR 224 Health Assessment Across the Lifespan- Didactic-4 Two hour lectures (online); proctored 3 of the 4 Exams
2. NUR 226 Health Assessment Across the Lifespan-Practicum-Supervised 20 students for 3 hours/wk in 3 separate sections (40 total students supervised); graded 20 student folders weekly
3. NUR 351 Care Management for Health Promotion and Maintenance Practicum—Simulation Faculty for 8 hours weekly though the 15 weeks of the semester.

Spring 2014

1. NUR 288 ANC Health Assessment Across the Lifespan—**Course Leader**-- Didactic 4-two hour Lectures; proctored one Exam
2. NUR 289 Health Assessment Across the Lifespan--**Course Leader**-Health Assessment Practicum supervised 17 students every Lab and graded 5 folders everyday
3. NUR 224 Health Assessment Across the Lifespan- Didactic-4 Two hour lectures (online); proctored 3 of the 4 Exams
4. NUR 226 Health Assessment Across the Lifespan-Practicum-Supervised 20 students for 3 hours/wk in two separate sections (40 total students supervised); graded 16 student folders weekly
5. NUR 290 Care Management for Health Promotion and Outcomes Improvement— 2-one hour lectures and 2-two-hour lectures. Responsible for choosing exam questions and proctoring 2/5 exams (Graded 6 Academic Papers)
6. NUR 291 Care Management for Health Promotion and Outcomes Improvement— Supervised and graded/evaluated 17 students over the course of the semester in multiple Pediatric School Health settings.

Fall 2013

- NUR 288 **Health Assessment**
- Lecture = 6 hours (on-line)
- NUR 289 **Health Assessment Lab**
- Lab Leader for ANC Health Assessment
 - Graded 10 student Notebooks, participated in Faculty-led Test-outs and in Faculty Led Head-To-Toe Test-Outs
- NUR 290: **Care Management and Outcomes I**
- Lecture = 6 hours
(3 NEW Lectures-Family Concepts, Rest and Sleep & Pediatric Comfort)
- NUR 291: **Practicum for Care Management**
- 4 Week Rotations in School Health (Assisted with Lab week as needed prior to clinical beginning)

Spring 2012

NUR 290

Care Management I

- Lecture = 4 hours
 - Postpartum Care 3 hrs
 - “Newborn Nutrition” 1 hr.

NUR 481

Traditional Senior Seminar

- Grading ten (10) Senior students of the following:
 1. Philosophy Papers
 2. E-Portfolios

NUR 482

Traditional Senior Preceptorship

I. Coursework

- Grading ten (10) Traditional Senior students:
 1. Weekly Preceptorship Logs
 2. Phase I, Phase II, Phase III, & Phase IV of EBP Project
 3. Graded Safety Discussion Boards

II. Practicum

1. Managing ten (10) Traditional Preceptorship students (liaison between Preceptor and Creighton Nursing students)

NUR 224/226

Health Assessment

II. Lecture = 6 hours—(on-line)

- Skin/Hair/Nails
- Musculoskeletal
- Abdomen

I. Practicum

1. **Managed and Led**—2 (two) Traditional Health Assessment Labs (1 with 32 students and the other with 29 students enrolled)

Fall 2012

NUR 351:

Care Management I

Lecture=2 hrs.

- “Postpartum Care” 2 hrs.

NUR 290:

Care Management I (Accelerated Nursing)

Lecture = 4 hours

- “Postpartum Care” 2hrs
- “Newborn Nutrition” 2hrs

NUR 288

Health Assessment Across the Lifespan

- Lecture = 6 hours (on-line)

Fall 2012 (continued)

- NUR 289 **Health Assessment Across the Lifespan- Practicum**
- Lab Leader for ANC Health Assessment
 - Graded 10 student Notebooks, participated in Faculty-led Test-outs and in Faculty Led Head-To-Toe Test-Outs
- NUR 290 **Care Management and Outcomes I**
- Lecture = 6 hours
(2 NEW Lectures-Family Concepts & Rest and Sleep)
- NUR 291 **Practicum for Care Management**
- 4 Week Rotations in School Health (Assisted with Lab week prior to the start of clinical rotations).

Summer 2012

- **Continue to participate in Pediatric Infectious Disease research studies and an APRN.**
- **Proctored the following Exams:**
 NUR 496—6/18/12 & 6/22/12
 NUR 390—6/22/12, 7/2/12 & 7/16/12
 NUR 224 –6/22/12, 6/23/12, 8/6/12
 NUR 228—6/12/12, 6/14/12, & 8/6/12
 NUR 386—7/13/12 & 7/23/12
 NUR 394—6/25/12
- **Conducted a comprehensive review of NUR 228 Lifespan Development and prepared a plan for needed revisions.**
 - Assessed NUR 228 materials for summer 2012 and fall 2011, including syllabi. Examinations in the test bank and other evaluations products and information.
 - Reviewed the posted Panoptoed classed and read related materials.
 - Compared NCLEX-RN test plan and CUSON-specific results in relations to NUR 228 concepts, topics and evaluation products. Determine if NUR 228 includes the appropriate concepts, and offer recommendations regarding the weight/emphasis placed on the concepts in terms of readings, class times, lectures, and evaluation products.
 - Assess the quality of the NUR 228 examination items, including a review of item-analysis results, the number of items allocated to the concepts, and how examinations compare with the NCLEX-RN test-plan and CUSON results.
 - **Make written recommendations for improvement of individual examination questions/items and evaluation products in general.**
 - Compare Course Mapping information included in 2012-2011 CCNE-Self Study for the Traditional curriculum and accelerated curriculum, and confirm the concepts, depth, scope and nature of inclusion in the various coursed. **Provide a written report that delineates the opportunities for improving the integration of NUR 228 concepts into other courses and clinical experiences.**

Summer 2012 (continued)

- **Offer specific recommendations for strengthening the integration and application of NUR 228 concepts into the ANC and Traditional School Health experiences.**

- **Beginning the Week of June 11th, participate as a Team Member (leader) in NUR 224 Health Assessment across the Lifespan. Lead laboratories, grade student assignments for NUR 226, and proctor examinations for NUR 224.**

- **Beginning July 1, participate as a Team member in NUR 228. Activities will include grading papers, proctoring 2 examinations.**
