— SPIRITUAL POWER MAGNETIC HEALING —

Doreal

The Science of Health, the healing of one's self and of others is so plainly explained in this book that anybody can learn how to use the Spiritual Power for healing. The book is written in two parts; the first part gives the law of Magnetic Healing and how it is applied to the mental, nervous and physical anatomy of man. In the second part specific cases are given with their corresponding treatments.

With the principles given in this book the reader will be able to acquire the Spiritual Power to heal himself and others. He is shown how the Magnetic Healing Vibration is sent to the affected parts and how to correct the cause. When the cause is treated and removed the symptoms will disappear. When treating with this method which Dr. Doreal outlines, the healer is taught to heal by removing the cause of the sickness, - so that the same symptoms or others will not later appear.

Spiritual Power is a book which every healer should have. This method of Magnetic Healing is so simple that any student can learn to use it. From the information contained in this book, he can immediately heal himself and others without any previous training - \$1.00.

FOUR PLANES OF HEALING

By
Dorcis

A common mistake among most Spiritual Healers is that they use one method for the treatment of all ills. This limits them and is usually the reason for their failure in healing many cases which come to them for treatment.

There are four planes of man's being which should be considered in Spiritual Healing; the physical, mental, psychic and spiritual planes. A symptom may appear in the physical which has its cause in any one or more of these four planes. The treating of symptoms alone will not remove the cause. When the cause is not eliminated, even though the symptom has disappeared, the patient has not been really healed for the same symptoms or another may later appear if the cause is allowed to remain.

It is for this reason that when the healer has learned how to operate on the four planes, he is able to reach the cause and permanently heal his patients. One method cannot be successfully used for all ailments or conditions. With the knowledge of Four Planes of Healing the healer may expect to wisely treat the patient for any condition which may be brought to him.

Four Planes of Healing is a Text-book for Healers. It describes the Laws of Healing; giving the methods for employing them and cites a large number of examples which explain how they are to be used. Dr. Doreal gives the methods for diagnosing both the symptoms and their causes and fully explains the treatment for each.

This large book is not written for the healer alone but may be used for self treatment as well. The beginning student in the study of Spiritual Healing may read FOUR PLANES OF HEALING and begin immediately to practice its principles and heal the sick. All students who wish to learn how to heal either themselves or others should read this book. (Formerly \$10.00 - Now, Second Issue \$3.00.)

MASTERS VISIBLE AND INVISIBLE

By
Doreal

MASTERS, Visible and Invisible contains inestimable information about the Masters which every student of Truth should know. So many varied ideas have been given about the Masters that the

average student has little or no real understanding of them. This work eliminates the hypothetical concepts which so many have been lead into believing and explains the natural life and manifestations of the Masters.

This writing gives valuable information about the Masters of the Great White Lodge, the Children of Light, and the Angels or Logoi of the Seven Spiritual Planets which circle the central Spiritual Sun. Dr. Doreal shows the nine zones of Color and Light and how the Masters, such as Khoot Hoomi, Morya, Hilarion and others manifest in these zones, teaching and helping those bound in darkness. He explains why the Visible Masters may appear in either sex and why they have appeared more often as men than as women, and why the Invisible Masters are said to be neither male nor female.

And in addition to the above priceless information, Dr. Doreal gives the four aspects of the Soul as it is taught in the Kabbala and other teachings of the Ancients. These four aspects of the Soul, and how Michael and Samuel, the good and evil angels or forces in man, may be balanced to form the Spiritual Image of Divine Power are explained with diagrams and charts.

You will find it instructive to refer to this book from time to time while studying your lessons on Truth or when reading other books relative to the Masters and Spiritual Attainment- price \$1.00.

VITAMENS AND ELEMENTS

Doreal

We wish to call the attention of our students and friends to the very informative book by Dr. Doreal, on the Vitamins and Elements.

The knowledge of foods and their value can be of inestimable value to the Seeker of Light, for often the Student's development is impaired through improper feeding. Unless the proper food values are given in their proper combinations, the vitality and harmony of the body may be deficient to meet the demands of the consciousness for the attainment of balanced, spiritual unfoldment.

This is just the book for which the Dietitian has been looking for in his search for a compendium of food values. It gives the twenty-two chemical substances in man and the foods which contain them.

The corresponding physical conditions which appear when the body has a deficiency or an excess of the twelve master chemicals, are given with a list of foods which should be eaten in each instance.

VITAMINS AND ELEMENTS contain a complete classification of foods and their combinations. Every person who is interested in food and how to get well through eating should have this book, - price 50¢.

THE
EMERALD TABLETS
OF
THOTH-THE-ATLANTEAN

Some 38,000 years ago Thoth, an Atlantean Priest-King, the colonizer of Ancient Egypt (Land of Khem), builder of the Great Pyramid of Gizeh, (erroneously attributed to Cheops) auto-biographically wrote the legend-famous Emerald Tablets of the mighty "Magic-Science" and Wisdom of Atlantis.

These Tablets are posited in one of the yet unopened chambers of the Great Pyramid. They are formed of an Emerald Green Substance, created through alchemical transmutation. They are imperishable for the atomic and cellular structure is fixed and inoxidizable, and in this respect violate the material law of ionization. The Tablets are fastened together with hoops of golden colored alloy suspended from a rod of the same material.

Thoth was a native son of Ancient Atlantis. He was born in the city of Koor, on the Island of Undal. He was instructed in the Elder Mysteries by his father Thotme, who was the Keeper of the Great Temple and a Mouthpiece to Horlat, Master of Unal and Ruler of Atlantis. Thoth was chosen from the sons of men and was taught the Path to Amenti and

received the Key to Perpetual Life. Later, after the sinking of Atlantis, he and his followers immigrated to Ancient Egypt.

Upon arriving in Egypt, they found the land inhabited by a barbarous race whom they collected together and later raised to a high degree of civilization. For some 16,000 years Thoth ruled this Ancient race, from approximately 50,000 B.C. to 36,000 B.C. Thoth was immortal; that is, had conquered death, passing only when he willed, and even then, not through death. His vast wisdom made him ruler over the various Atlantean Colonies, including the ones in South and Central America.

When the time came for Thoth to leave Egypt, he erected the Great Pyramid over the entrance to the Great Halls of Amenti, placed in it his records and certain mechanical devices. He then appointed from among the highest of his people guards to protect his mighty secrets. In later times the descendants of these guards became the Pyramid Priests, while Thoth was deified as the God of Wisdom, the Recorder, by those in the age of darkness which followed his passing. In legend, the Halls of Amenti became the Under-world, the Halls of the Gods where the soul passed after death, for judgment. During later ages the ego of Thoth passed into the bodies of men in the manner described in the Tablets. As such he incarnated three times, and in his last he was known as Hermes, the

Thrice-born.

Some thirteen hundred years B.C., Egypt, the Ancient Khen, was in turmoil and there were many emigrations of priests to other parts of the world. In one of these emigrations the Emerald Tablets were taken by some Pyramid Priests to South America, and in the tenth century the Mayan Priests placed them beneath the altar of one of the great temples of the Sun God.

After the conquest of the Mayas by the Spaniards the cities were abandoned and the treasures of the temples forgotten. Dr. Dorcal who has a connection with the Great White Lodge, which also works through the Pyramid Priesthood, was instructed to recover and return to the Great Pyramid the Ancient Tablets. Before returning them he was given permission to translate and retain a copy of the Wisdom engraved on the Tablets.

This was done in 1925 and only now has permission been given for this book to be published.

It is expected that many will scoff, yet the true student will read between the lines and gain wisdom. If the light is in you, the light which is engraved in these Tablets will respond, and that which is strange and beyond the belief of the modern scientist will be revealed.

The Emerald Tablets are so written that the words respond to attuned thought

waves, releasing the associated mental vibration in the mind of the reader. And thus the magnanimous wisdom of the author is revealed.

The Emerald Tablets should be read, not once, but a hundred times for only thus can their true meaning be discovered. A casual reading will give glimpses of beauty, but more intensive study will open, to the Truth Seeker, avenues to the most intrinsic wisdom; wisdom of unutterable majesty and beauty.

The Brotherhood publications has produced a most attractive binding of Dr. Doreal's translation - printed on an Emerald-jade green paper with a hand colored cover design of the original Tablets. The demand for this book on the Atlantean Mysteries has been so great that already it is in its second issue of publication, - price \$2.00.

SYMBOLISM OF THE GREAT PYRAMID

By
Doreal

The Great Pyramid of Gizeh, sometimes alluded to as the Mystery in Stone, is not a mystery to the Great Occultists.

Its builders, how it was erected, when, and the purposes of its erection are definitely known. The Pyramid was never used as a tomb and the chambers opened to the public are but a few of the many yet unopened chambers. The world has yet to learn of the great significance of the Kabbalistic, Alchemical and Occult Symbolism contained in the Great Pyramid.

You will find this extraordinary book the most instructive exposition of this monumental wonder of the ages that has ever been written. It is a compendium of Occult facts, never before given to the public at large - many of the Ancient Pyramid Mysteries are revealed. This book establishes certain facts that will astound the most learned and scientific Egyptian Archeology students. After you have read this book you will want it in your library for further study and reference.

Scores of books have been written about the Great Pyramid, but the writer of this review has not seen one book upon the Pyramid that contains even a part of the information contained in Symbolism of the Great Pyramid. It contains charts of the known and unknown chambers - also the Symbolic Significance of the Sphinx and its connection with the Pyramid - \$1.00.

REINCARNATION

Logical

The mystery of life and death is solvable if the student will sincerely look at the irrefutable evidence in Nature and use his common reason. No mystery remains mysterious after its solution is known.

The theologians with their religious and orthodox teachings have compiled libraries of literature about physical and spiritual life. Its possible beginning and end which only has confinement and placed the student more than it has answered man's most important questions. No man should accept the answer if he can find that it is not within himself.

In this book Dr. Farrell compares the teachings of Reincarnation with the laws of Karma Justice. He gives instances after instance which we can study in Nature showing that Reincarnation is the only just, logical and reasonable answer to the mystery of life and death.

We give definite proof that there is a truth to Reincarnation. It shows the same truth that we see in the laws of Karma Justice.

The only way to get the truth is to study the laws of Karma Justice and see the truth of it. It is the only way to get the truth of it. It is the only way to get the truth of it. It is the only way to get the truth of it.

answers to Seaton's questions) - so vividly given, the reader feels that he is seated at Seaton's side and is instructed with him.

The Brotherhood of Illuminated Units of Consciousness, or the Great White Lodge, is the subject of the First discourse. Shamballa, the Secret City of the Masters, its location and description, and how the student may go there, were some of the things discussed in the Second Discourse.

The Discourses which follow are more than Discourses, because some of them are given while Seaton's Consciousness is free of the body. The main subjects discussed and places visited are as follows: THE SECRET CITIES, or "Seven Cities of St. John (or Cibola)", THE COSMIC WHITE LODGE, THE SECRET FLAME, THE INNER EARTH (The Inner Temple and the Blue Race), TIME AND SPACE, LAW OF LIFE, THE EMOTIONS, THE CHELA.

INSTRUCTIONS OF A MASTER TO HIS CHELA is an unforgettable book. It lifts the reader into such heights of consciousness that often the Spiritually evolved student can contact the Great Masters through the attunement which may be derived from its reading. The student wishing to enter into the Teachings of the Inner Mysteries MUST read this book for it shows the Path others have taken - the Path all Occult Students must take. You may obtain a copy of this wonderful book for only \$1.00.

COSMOGONY AND COSMOLOGY

By
Doreal

The Mystery of the Universe is contained in the Unwritten Kabbala; the Keys to the understanding of the formation of the earth, the beginning of man and of his evolution to the consummation are veiled in its symbolism. In the old Kabbalistic Mystery Schools these keys were taught to the select few. Because they were never written, the Occult Wisdom of the Kabbala, the Sepher Yetzirah, the Book of Concealed Wisdom, and the rest of the Ancient Teachings have been lost to the world at large. The findings of modern Science has not as yet even scratched the surface of the Great Knowledge which the Ancient Races knew about the Laws of Creation and of the manner in which the Supreme Hidden One manifested in the material.

The Mysteries which Doreal has given in this book are much too great and all-encompassing to iterate in this review. May it suffice by saying that COSMOGONY AND COSMOLOGY is more than a history of Universal events for he has shown the coming forth of the Laws of Creation while they were in the World of Formation even before the Cosmic Condensation became

manifest. Doreal explains in this book how Order and Disorder were born in the Void and how the Most Ancient Existent One, the Supernal Egg (I.Yod), etc., was brought forth. With the use of graphs and diagrams, he brings the forming of the Cosmic Egg, the manifestation of the Sephirothic Lights and the Creation of the Worlds, Man and Life, sufficiently simple for all to understand.

But possibly the most appealing phase of this Work is his illuminating explanation of Life and of the manner in which it is manifesting on earth. The Ancients divided the evolution of the Universe, which is one Cycle of Cosmic time, into Seven Earth Cycles, with each containing seven smaller divisions of time. The number of years of each epoch is given and something of the history of man during these periods are explained. The Atlantean or Fifth Earth Cycle is the one which is most elaborately discussed. A map of Atlantis is shown, giving the names of the islands.

The reader of this book will be able to learn how it was that man fell into negation and the reason for his struggle in the material to regain the full use of his soul. He will also gain an understanding of how the ancient Prophets were able to foretell the coming of events in the future, - price \$1.00.

S E P H E R Y E T Z I R A H

THE SEPHER YETZIRAH is a large, attractively bound book unveiling the Kabbalistic Teachings of the Ancients. It is a book on the "beginnings" of the First Cause of Divine Creation and is usually considered by the Occultists as an introduction to the main Kabbala.

He who understands the Kabbala has the Key to the Source of all religions for it is the "Ancient Wisdom" from which all Truth Teachings sprang. The SEPHER YETZIRAH explains how the Infinite Essence of Hoá came into being and manifested through the ten Sephirotic Lights of the Divine Tree of Life.

The Holy Elders of the Ancient Wisdom Teachers employed the Hebrew Alphabet of twenty-two letters, numbers of ten and the Sepharim to symbolize the Infinite Foundation of All Things; the Sephiroth and the Three Holy Mothers of Creation.

No words can express the magnificence of this Work, nor can one even adequately approach telling another of the Wisdom which it contains. Dr. Doreal gives the Text of the Sepher Yetzirah, verse by verse, and following each verse he gives explanatory notes of each.

No student of Occultism, Metaphysics, etc., can afford to be without this beautifully explained versions of the Kabbala which is illustrated with numerous charts and diagrams which aids greatly in the understanding of the text - price \$2.00.

THE AUTHENTIC

ST. GERMAIN

From undeniable documentary evidence Dr. Doreal has compiled the facts concerning St. Germain. St. Germain has recently been reputed as an Ascended Master. A great amount of interest in the authenticity of St. Germain's Occult Powers has recently developed. So much has been said and written about him during the last decade that thousands have accepted him as their Spiritual Master and Teacher without taking the time or trouble to verify his authenticity. Because the records of his life were not readily accessible to check, little has been actually known of his true life.

The records concerning St. Germain (taken from "Mitchel Papers" in the British Museum and other documents in the French Foreign Office and elsewhere) are quoted by Dr. Doreal. These records written by men who personally knew him, with letters, which he himself wrote, etc., establish facts concerning his life, habits and Spiritual qualities which are undeniable.

The truth about St. Germain is authentically given in this book. Those who have been led to believe that he is a Master or Adept and who wish to learn the facts about his Spiritual and Occult Powers cannot afford to miss reading this exposition of the "true life" of St. Germain - price 25¢.

OCCULT SYMBOLS (UNVEILED)

(With Charts)

Doreal

Many of the great secrets of the Ancients are hidden in the symbols we find engraved upon the ruins of their temples, upon their tombs, and in the caves of yet more ancient date. Even the secrets of the Ancient Wisdom Teachers which have been written, such as the Kabbala, the Dzyan and others, still remain hidden from the uninitiate because symbolism was employed in their writing. Many of these symbols are meaningless to the average student because he has not learned how to read them. They mean little more than the printed page would mean to an illiterate person, and yet, within the symbols which have come down to us, are keys and certain esoteric meanings of supreme importance to the Truth Student which may be easily read after a little training.

Dr. Doreal feeling the need for a clear exposition of the Occult Symbols which the student often meets in his study of Truth, has prepared a very informative book on Symbology. He gives the Occult Symbols in charts and diagrams and explains them in a simple and understandable manner. You will find practically every symbol you have ever seen, and many others which are seldom found

by the student, in this book.

One of the greatest failings of the average student is that he neglects the study of symbology. Since the Infinite cannot be drawn down into the finite realm for the student to understand, symbols must be employed to act as a ladder upon which the student may climb into the realization of the Divine Mysteries. Many conscientious students fail to attain the Spiritual understanding they seek because they fail to recognize the importance of symbolism in their study of Truth.

The first intellectual sign that a student is advancing in his Spiritual development becomes apparent when he gains the ability to read Occult Symbols. If Occultism seems difficult for you to understand, you should apply more study to Spiritual Symbology. We recommend this large compendium of symbols with their explanation and are confident you will often refer to them in your study of Truth - price 50¢.

ASTRO-CHEMICAL ANALYSIS

TWELVE CHEMICAL TYPES

Doreal

The Astro-Chemical Analysis of the Twelve Chemical Types of Man can now be secured in book form. We are publishing this book because of popular demand.

This very scientific book gives the Astro-Chemical Analysis of the twelve different chemical types according to their Astrological signs. Through chemical and spectroscopic analysis, twenty-two elements are distinguishable in the human body. One hundred persons born under each sign of the Zodiac were examined in the formulation of this analysis. The Astro-Chemical Analysis is combined with a knowledge of bio-chemistry and endocrinology and definite analysis of the type.

The human body is a very complex mechanism and the intricacies of its chemical action closely follow the ancient alchemical processes. The food we eat contains various elements which are extracted and recombined to form new substances which are necessary to the body's well being. Astro-Chemical Analysis shows us what elements are most needed for our own particular body chemistry.

The corresponding physical conditions which appear, when the body has acquired an excess of the proper constituent, which characteristics are given, then the necessary conditions, with the foods which contain them are given for attaining the proper equilibrium in the body.

Every person who is interested in excellent feeling and who wishes to do well by eating the food which is required for his individual type should have this volume read. He will be able to decide for himself the foods he should eat for attaining and maintaining perfect health and vigor.

SYMBOLISM OF THE GREAT SEAL OF THE UNITED STATES

THE PROPHECY WHICH IS REVEALED
IN THE SYMBOLS OF THE GREAT
SEAL AND THE GREAT AMERICAN
EAGLE.

By
Dr. Lancel
and
Dr. Hamond

This very inspiring and extraordinary explanation of the Great Seal of the United States embodies a most astounding prophecy. The early American founders knew considerably more about occultism and the Ancient Mystery Teachings of living law than is commonly recognized. They have embodied their vision for the rise of the American people into a perfected nation of the Brotherhood of Man, and have predicted its ascension into a Golden Age with the symbols which are inscribed on the Great American Seal. The vision which the founders of our country held for America and the future predictions, as written in the symbols of the Great Seal, are explained in this book.

Explanation of the Great Seal of the United States gives the history of the preparation of the Seal and the adoption. Each symbol on this Seal has a very Oc-

cult meaning. The meanings hidden within these symbols are clearly given. Even the casual reader will be able to understand the early prediction which has been made concerning the destiny of America.

America was destined from the beginning to play a very important, and Spiritual role in the future history of the world. Its founding and growth into becoming the "Promised Land" or Christ-Kingdom was prophesied by the Elder Brothers of Wisdom of Ancient Lore. The time is almost at hand when the great crisis, which has been predicted, will come; a time when the American people must prepare for ascending into the Greater Life of the Utopian Age.

If you have not learned of the role which America is to play in the coming events of the world, you have not learned of the most vital truths about your country - price 25¢.
