**THINK OF US AS
PART OF YOUR
DESIGN TEAM**

(Except we'll work for free)

Put our **Concrete Design Center** to work. Maybe you have a big idea for your next project, but you need a little help getting it off the ground. Or you're looking to lower costs and maximize resources. Whatever you need, our Concrete Design Center can help you get off to a solid start. Because the only thing we love more than talking about concrete is helping you do something amazing with it.

**Go ahead and tell us
about your next project.**

Visit **BuildWithStrength.com**, call 1-888-864-7622, or email glewis@nrmca.org or mwymant@nrmca.org.

BUILD WITH STRENGTH

A COALITION OF THE NATIONAL READY MIXED CONCRETE ASSOCIATION

Backed by the National Ready Mixed Concrete Association, Build With Strength is a diverse coalition that educates the building and design communities on the benefits of concrete. [Join us at BuildWithStrength.com](http://BuildWithStrength.com).

Membership Information

**Oregon Concrete
& Aggregate
PRODUCERS ASSOCIATION**

Member Types and Applications

Being part of a trade industry association like OCAPA can really help a business succeed. We have these types of memberships available: Producers and Associate.

Our membership year runs July 1 through June 30th of the following year. A company may join at any time. Call us to confirm dues amount if joining mid-year.

PRODUCER MEMBERS

Companies that produce and/or sell aggregate, minerals, or ready mix concrete.

ASSOCIATE MEMBERS

OCAPA has 6 different Associate Member groups including:

Group 1: Cement Producers

Group 2: Fly Ash Companies

Group 3: Admixtures Companies

Group 4: Manufacturers, Equipment and Service Suppliers
Dealers of trucks and related equipment, cement and bulk transportation equipment & distributors, construction materials suppliers, portable crushing services, precast concrete products, concrete pumping services, miscellaneous product sales firms, engineering, architectural, geological, hydrological, legal, insurance, or consulting firms, and testing labs.

Group 5: Concrete Contractors
Commercial, industrial, residential; concrete finishing/cutting/polishing/paving or other.

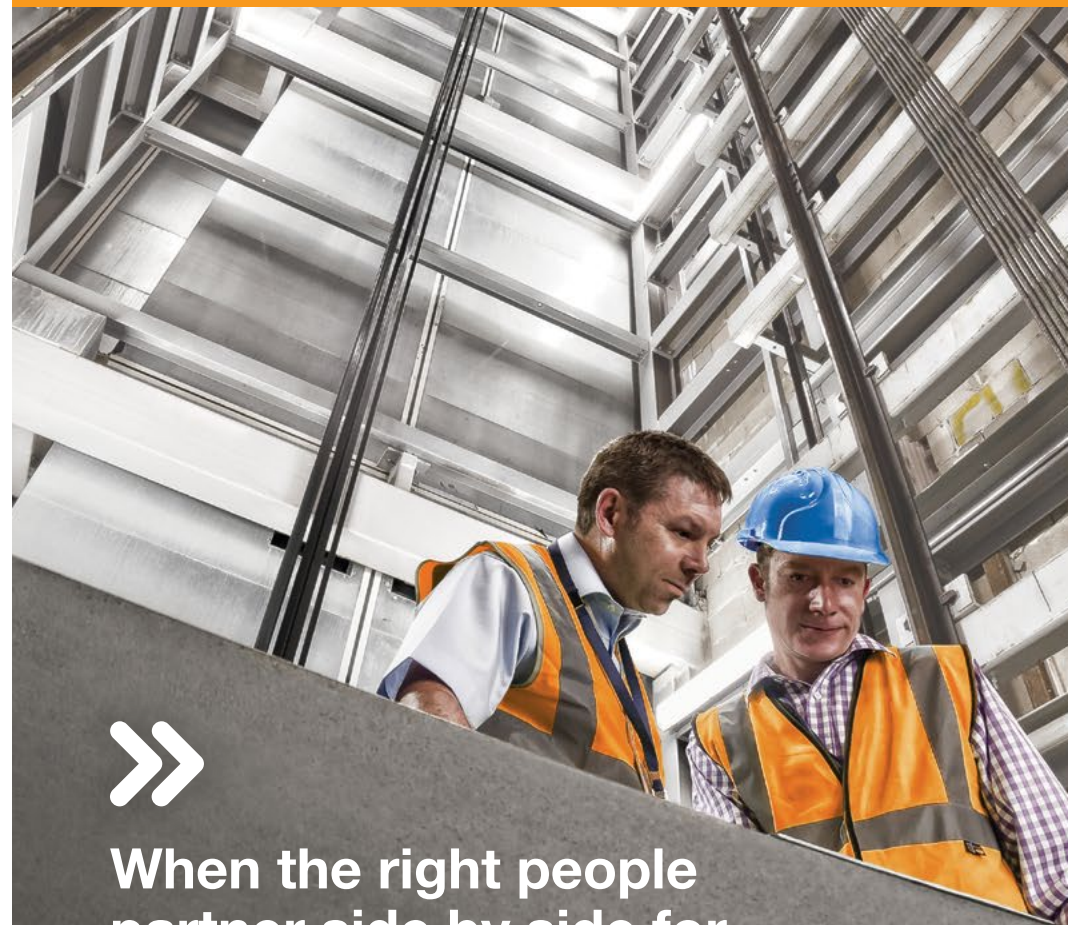

Group 6: Small Manufacturers, Service Suppliers and Support Products
Businesses with fewer than five employees in Oregon.

For questions about membership call the OCAPA office at 503-588-2430.

Application packets are available at ocapa.net/join-us-membership-applications

To provide a referral or inquire: ocapa.net/membership-inquiry

Current Association Membership is required for inclusion in the OCAPA Buyer's Guide.
