

Welcome Back

I would like to extend a warm welcome back to all our students and families and a special welcome to the new students joining us this term. It is shaping up to be a very busy and exciting term.

Enrolments for 2018

It's not too late to enrol children for 2018. Please spread the word amongst your friends, so we can get a clearer understanding of the student numbers for 2018.

School Uniform and Sunsmart

Karingal Primary School has an official school uniform which all students are expected to wear whilst at school. School Council has a compulsory uniform policy. It is maintained that not only does a school uniform make economic sense, but it can also assist in developing a feeling of belonging to our school. Can parents try to ensure children come to school in uniform? Lately students have been turning up in brightly coloured jackets and pants. If the school uniform is being washed please let the teacher know with a note. Please ensure that your child has a school logoed broad brimmed hat for term four and term one for 2018 as this is an important part of our cancer prevention Sunsmart Policy.

Footy Trail

Congratulations to all the students who supported the coin trail on Footy Day. We managed to raise \$387.05 towards The Monash Children's Hospital. The winning team for the longest coin trail and the most money donated was Richmond. Well done Richmond supporters. Go the Tigers!!

Working Bee

On Saturday 28th October, the school will be holding a working bee between 9am and 12pm. Maintaining a school is a big job and there is always something to be done. If you are able to help, even for an hour, it would be greatly appreciated. Many hands make light work! A notice with further details will be coming closer to the time.

Curriculum Day

All Karingal Primary Staff will be participating in a report writing day on Friday 17th November. This is a Student Free Day, so students are not required to attend school.

MONEY AND FORMS DUE
TOMORROW

FRIDAY 13TH OCTOBER

Don't forget that **Tuesday** is School Banking day and students should bring in their weekly deposit.

For every deposit made at school, no matter how big or small, students will receive a cool Dollarmite token. The first token will be received upon the first deposit at school. Once students have individually collected 10 tokens they can then be redeemed for a range of great, exclusive reward items in recognition of their continued savings behaviour.

Thank you for supporting the School Banking program at Karingal Primary School.

CHANGE AT OFFICE

The office does not carry change, please provide exact change when sending money to school.

You may have seen the name "**FlexiBuzz**" and noticed a change in logo when you visit your Tiqbiz app or desktop site. This is the result of the recent purchase of Tiqbiz by [InLoop Pty Ltd](#), an Australian tech company with leading brands including [Flexischools](#).

We will be continuing to use the app to communicate with you and FlexiBuzz will retain all of the features that were available with Tiqbiz.

Dance! Dance! Dance!

By Corey

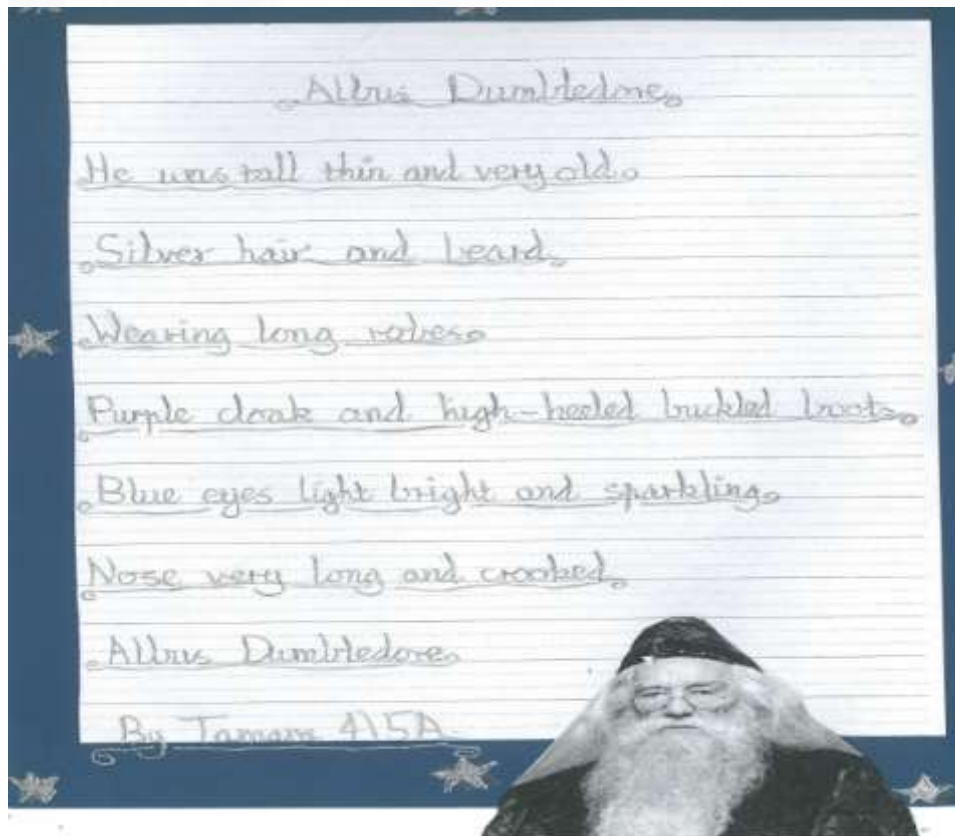

Big disco Party!!!! The sign was sparkly and colourful. Corey got there first because he was so excited! He saw Jocia, Ayser and Ivey. They felt joyful and ready to dance! It's about to begin!

There was yummy food and giant speakers. The music was really loud. Everybody was having so much fun!

'Can't stop the feeling' started playing. It was Ivey's favourite song! She was tap dancing with so much energy! She was dancing so fast that she fell over and got hurt. She couldn't move her legs. She was sad. Corey was sad too. He wanted her to feel better so he called 000. The ambulance came and took her to the hospital and gave her a cast for her broken leg. Corey stayed with her so she wouldn't be alone. They were both sad because they were missing the disco.

Then suddenly, Jocia and Ayser and all their friends came to the hospital with the speakers and the yummy food! They had their own disco party and everyone was happy again! Ivey had to stay in bed to rest her legs but she was still singing and clapping to 'Can't Stop the Feeling'.

It was the best disco in the world!

Greece

Greece

Greece is a small place where the western civilization started 2,500 years ago. Those days, Greece took over most of the Mediterranean and black sea. In some parts of Greece, ruins stand as monuments for Greece's glorious past. Some people in Greece earn their living by farming. Mountains cover most of Greece, and the land is very rocky. About two thirds of people live in urban areas.

The Olympic games are held every four years in Olympia for Zeus, king of the gods. Athletes competed in discus, javelin, and four horse chariot.

CHESS TOURNAMENT

On Thursday 14th September 2017, 14 of our students from Prep to Grade 6 took part in the 'Chess Kids Australia' tournament at Kingsley Park Primary School.

Every student played a total of 7 games throughout the day. All of our students improved their ranking from the previous tournament.

Kaihan from M1A was the youngest student there playing against students from grade 2 to grade 6!

As a team 4 of our students Rahul, River, Sam and Harrison's combined score resulted in our school securing 3rd position overall and winning the bronze medal! We just missed out on being invited to the State Championships by 1 position!

A great effort by everyone involved!
