The background of the entire poster is a close-up photograph of two mounted bull heads. The head on the left is dark brown with a thick, shaggy mane. The head on the right is lighter, possibly grey or tan, with a prominent white horn and a blue collar around its neck. Both heads are mounted on a rough, textured wooden surface. The lighting is warm and natural, highlighting the texture of the fur and wood.

BUTTE BULL SALE 2020

Welcome to our 14th annual Lambert Ranch Butte Bull Sale.

To say 2020 has been a crazy year would be an understatement. Despite the never-ending challenges, we in the cattle industry are still out there raising high quality beef to feed our country. We are truly essential to our society. Once again, we have a great set of Hereford bulls both polled and horned. They are raised as calves on the rocky hillsides of Alturas then developed here in the hot valley. These bulls will thrive in any climate.

We are excited to announce we have three progressive local Angus breeders joining us this year. Gary and Patsy Ford of Sunbright Angus, Joel and Ruth Popkin of Tara Farms, and Dave and Paula Holden of Westwind Angus. These breeders have topped sales all over California for many years.

As you look through the catalog and have any questions, please feel free to contact one of us and if you need help with accommodations, let me know.

We are looking forward to seeing you October 17th. It will be a great day of friendship and bulls.
