## Editor's Letter

**There will be a TAA General Meeting this month at a new location in Norfolk, Sunday, October 12<sup>th</sup>, at the first floor "Party Room", at 2:00 p.m. of the Algonquin House in Norfolk, which was reserved for by our generous TAA member, Edie White !**

**Note:** (Guest Parking in the Algonquin lot is limited, and if no spaces are available, please park on the street to avoid being towed away if you park in a reserved and numbered parking resident's space !)

Our **"The Artist's Favorites Exhibition"** show's opening reception on **Friday Sept, 26<sup>th</sup>, at The Norfolk Collegiate School's Meredith Center Gallery** was well attended and an enjoyable night for all.

**-See photos of that Opening Reception on pages 5 & 6 below, and the opening of : "Norman Goodwin & Company", opening Friday, October 3<sup>rd</sup> on page 7 below!**

As the show's chair, I want to thank the supportive art staff department members at the **Norfolk Collegiate School : Cathy Wright**, who helped me all day Saturday at the drop-off's, and organized the set up

of the food tables and bar for our opening night, and also Norfolk Collegiate's assistant director of communications: **Sara Steil**, who promoted and designed the promo posters that greatly helped me with the publicity for this show.

And the **deadline for .jpg photo submittals, is Monday, October 20<sup>th</sup>, for the "TAA 2014 Juried Portfolio Exhibition"**.

The prospectus for this show is now uploaded to our TAA website, and is **being chaired by TAA's Michelle Barnes !** That entry date is coming very soon , so get ready for a very competitive show, that will be held at **The Art Institute of Virginia Beach Gallery !**

And our TAA President, **Barbara Hennig-Loomis has arranged for two more TAA open shows that will have their openings in 2015:**  
A TAA **"Miniatures" show at the Hermitage Museum & Gardens Gallery in Norfolk**, where our miniatures show originated over 25 years ago!  
And also a **May 2015 TAA open show to be held in the galleries of The Suffolk Cultural Center for the Arts !**

So there is a lot of painting and sculpting for our members to put together for the remainder

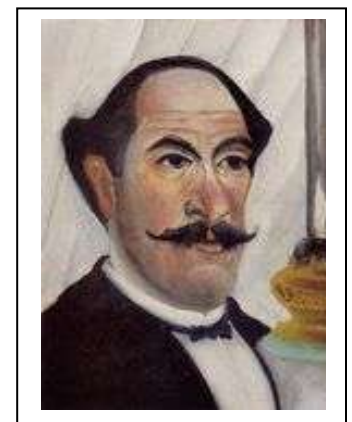

of this year, and the other shows in the works for 2015 as well !

*Sincerely, Ray*

*Below is another inspirational quote by an artist who was always finding his path in art, as he never visited a tropical angle, but visited abatoriums n France to get the ideas for his paintings of tropical scenes!*

*"When I go out into the countryside and see the sun and he green and everything towering, I say to myself "Yes indeed, all that belongs to me!" Henri Rousseau, 1844-1910*

**Note: There is an October 2014 General Meeting, at The Algonquin House in Norfolk See bottom right of this page !**

### You can help the Arts in Virginia—Here's how!!

Virginians now have the opportunity to contribute part of their state income tax refund to the Virginia Arts Foundation by checking a box on their return form. It's never been so simple to support the arts in Virginia.

Because the foundation may receive but not solicit private funds, money will have to come from the purchase of arts license plate and other special sources, such as this tax check off box.

The interest on all funds received will be distributed in grants by the Virginia Commission for the Arts. Please help support the arts in Virginia. Check off a contribution for the Virginia Arts Foundation on your state income return. It's one of the most important checks you can write – and now, it's one of the easiest.

**Won a prize? Got into a show? Been selected as a juror? Tell your editor about it, and you may be featured in a future issue of Artline!**

*Don't be bashful!*

### Note : New email address for submitting items for the TAA Artline :

**Please be sure to include "Artline" in the subject line of your message!** (...unless you want your message to get lost in the tons of email your editor receives every day.) If your message doesn't say "Artline" it might get rejected as trash!

**Each photo needs its own caption, in its own email.** Please send each photo, properly captioned, in a separate email. Use another email for each additional photo, along with its caption. That way your Editor won't get photos mixed up with the wrong caption. Please limit file size to about 1 megabyte per photo. (1 MB is sufficient for online viewing, and we're not printing posters here!)

**What's a proper caption?** Please write a full sentence, identifying the principal people or art pieces in the photo, with an explanation of what's going on (which event, award, etc.)

**Feature Articles:** If you have an idea for a feature article (say, to highlight your work or a favorite technique), make the suggestion to your editor, Ray Almond ( [raymondalmond@yahoo.com](mailto:raymondalmond@yahoo.com) ), who will be glad to work with you to produce your article.

**And include "Artline" in your subject line! Please!!**

**Deadline:** 15<sup>th</sup> of the preceding month.
