## We ♥ Corey Yoder!

Corey Yoder's quilt designs are traditional with a modern twist, often pairing blocks with appliqué, embroidery, and bright colors. She grew up around the quilters in her family, but but it wasn't until her marriage that her personal passion for fabric began. Until then, she hadn't even touched a sewing machine! She soon realized that she needed an outlet for her growing fabric stash, and turned to her quilting family roots. Corey was inspired by the birth of her daughters to open a children's clothing business, which then led to quilt design and pattern making.
