Pick of 2017 FALL-BORN BULLS

OFFERED BY: LINHART LIMOUSIN

Retaining One-Third Semen Interest. Payment terms: half down at time of sale and balance due upon selection (October).

Folks, here's your chance to be the judge! Study this rare opportunity brought to us by the progressive Linhart Limousin program, to pick from their entire 2017 fall-born bull crop. The 75+ bulls in development that are on offer have been mated with genetic predictability, growth performance, maternal efficiency, marbling and numerical strength in mind. Over the years, the Linhart fall program has grown to one of the largest in the entire business. Annually, their bull offering in totality has produced numerous breed-leading AI sires, including these pictured bulls: CJSJ Creed, CJSJ Data Bank, CJSJ Dauntless, CELL Envision and CELL 20/20. These and many more are in production for some of the breed's leading firms. The bulls found in this group represent the best of what Linhart Limousin has to offer. Don't miss your opportunity July 18 to invest in an elite herd sire from a reputation program.

Pick of the **2018 JANUARY-BORN OPEN HEIFERS**

OFFERED BY: MAGNESS LAND & CATTLE

This pick of approximately 50 elite January open heifers comes from the heart of the storied Magness Land & Cattle spring-calving herd, which is one of the largest in the business today. The list of breed-impacting females, donor dams and national champions the Magness Land & Cattle program has raised over the years is numerous. It's with confidence that a female worthy of the aforementioned monikers exists in this very group. Found specifically in the 2018 January-born open heifer group are several females from the robust Magness AI program and out of the heart of their embryo transfer program. The combination of this group's genetic diversity and high quality all but secures your chance of finding an elite show-heifer prospect or multiple donor females to sort through.

OFFERED BY: WULF CATTLE

Selling 50% Embryo Interest

It's not everyday you have the opportunity to invest in a youthful female who combines both proven genetics and a unique pedigree twist all in the same breath. Wulfs Ethelinde is exceptionally well designed, sound footed and carries the right amount of natural stoutness even the most discriminating cattlemen can appreciate.

She comes to you in a double homozygous package, and when you study her on paper, she ranks in the top 35% or better in these 12 economically relevant traits—gestation, calving-ease direct, birth weight, weaning weight, yearling weight, milk, total maternal, calving-ease maternal, scrotal, carcass weight, marbling and mainstream terminal index. Wulfs Ethelinde is a sure-fire donor in the making and one who would be an asset to your genetic arsenal for years to come.

OFFERED BY: STOWERS LAND & CATTLE

Stowers Land & Cattle is proud to highlight the Sale of Sales with only the finest! Selling three embryos from the breed-leading and popular female, Riverstone Charmed. Commonly referred to as the 'Ratliff heifer,' Charmed was champion at nearly every show she attended and was the first Limousin to win Supreme at the NAILE. We are proud to have purchased half embryo interest in Riverstone Charmed. She was honored with these titles as well, National Junior Heifer Show Grand Champion Female, Reserve Grand Champion Female at the All-American Futurity, Supreme Champion Female in both rings at the KSU AGR Kick Off Show, the Milan FFA Jackpot, and the NWMSU AGR Green & Gold Show and Reserve Supreme Champion at the Steers & Stripes Steer & Heifer Show. The embryos are sired by the ever-popular Angus sire, HA Cowboy Up 5405. Cowboy Up was the sensation of the 2016 spring bull sale season when two-thirds interest of him sold for \$350,000, and at the 2017 Bases Loaded Sale a 10% semen interest of him sold for \$120,000 to make him one of the most valuable living Angus sires, and a full sister heifer calf pregnancy to Cowboy Up sold for \$50,000 to top that division of that elite Angus sale. Produced by a Himman Angus Pathfinder Dam whose first four natural progeny have an average WR of 114 with three yearlings recording an average ratio of 114 and an average URE ratio of 106 and

RIVERSTONE CHARMED • Dam of Lot 4

HA COWBOY UP 5404 • Sire of Lot 4

offering an outcross pedigree for most of the Angus breed's most popular sire lines. One of the first Cowboy Up daughters commanded a bid of \$52,500 for half interest in the 2017 Big Event at Express where another daughter from his first calf crop sold half interest for \$40,000. Buy with confidence as this is one of the finest matings from one of the most recognized females in the entire breed.

OFFERED BY: J6 FARMS

Top-selling female in the breed so far this year. Zofia was the \$45,000 purchase by J6 Farms from the April Pinegar Limousin sale. Zofia is one of the finest purebred females to exist. She represents a pedigree and lineage that is proven and predictable. Her full sister, SBLX Znote, the \$40,000-valued female owned by P Bar S Ranch, Sand Springs, OK, and Stowers Limousin, Bridgeport, TX, was a past National Junior Heifer Show grand champion. Highlighting the Sale of Sales will be two sets of three embryos sired by AUTO Cruze 132X, the leading sire for Pinegar Limousin who is not on the open market. His genetics and influence are as popular in the business as ever right now. This mating is some of the finest Purebred genetics you can get your hands on and we are proud to be highlighting the Sale of Sales with Zofia's influence.

OFFERED BY: DIAMOND HILL CATTLE COMPANY/HALL CATTLE COMPANY

The influence of a strong cow family should never be under estimated. The Touch Me Gently 798T donor, daughter of past National Western Grand Champion Female Carrouseles Pina Colada, is certainly a classic example. Touch Me Gently is a full sister to MAGS Uahuka, the grand champion female at the 2009 AALF and 2010 NWSS, and the dam of widely used AI sire, MAGS Y-Axis.

Touch Me Gently has done her part in sustaining her lineage—most notably by producing LH Belle 015B, the Upshot daughter campaigned so successfully in 2015 and 2016 by Colt Cunningham. A full sister topped the 2016 Hall-CHR sale at \$15,000 and another 798T daughter traded for \$20,000 at the 2016 Pinegar Select Breeders Sale.

PBR'S Touch Me Gently 798T daughters are highly sought-after, but the sons are equally popular, DHIL Colt syndicated in the 2017 Hall-CHR bull sale, is doing a great job for those who invested. Six sons sold in the 2018 Hall-CHR bull sale to average \$8,200, including the top seller, CHR Eight Ball, going to David and Jennifer Phillips. Here's your opportunity to acquire embryos from Touch Me Gently by an exciting up-and-coming Angus sire,

WHITESTONE 18-MILLION • Sire of Lot 10

Whitestone 18-Million who is a standout prospect both on paper and on hoof. He is by the SBeef leader, Acclaim, and out of one of the best-producing cows at Whitestone. 18-Million is wide based, deep ribbed, sound footed and attractively designed. He also sports a great set of EPDs. Can't miss with this mating.

OFFERED BY: GRAVEN LAND & CATTLE / GLENDENNING J BAR J RANCH

Folks, here is a true sale highlight to invest in fresh genetics! The donor dam, MAGS Calico, is a sound-structured, bold-ribbed, attractive-patterned female who was admired by many at the 2017 Magness Land & Cattle Mile High Elite sale where she was one of the high selling lots. The featured sire in this mating, Wulfs Ozark, Lot 2 in the esteemed Wulf Cattle Opportunity Sale of 2018, was one of the top seller's and crowd favorites. Ozark was admired for his unique combination of muscle, body, fleshing ability and numerics. The bottom line is, this genetic offering promises to produce homozygous polled, fresh pedigreed, good numbered, phenotypically exceptional calves that project to excel at the highest level of production. Invest today. Half down at time of sale and balance due upon creation of embryos (November).

OFFERED BY: BREHM FARMS

These elite embryos are by one of the breed's hottest new PUREBRED AI sires, CELL Envision 7023E! If you're looking for a genetic opportunity that promises to produce double homozygous, functionally sound bulls and tremendous cow prospects then this mating is for you! As previously mentioned, this mating features service by Envision, a sire who was admired for his growth pattern, thickness and rare combination of ribeye and marbling, a sire that truly fits the mainstream industry. The donor female, AUTO Dalejah 211D, is simply one of the most phenotypically complete donor cows to walk the pastures of Brehm Farms. She's moderate in her frame, big bodied, boasts a perfectly constructed udder, and as a bonus, packs a punch genetically by tracing back to the legendary AUTO Rebeca 292S donor dam. Don't overlook this buying opportunity July 18.

OFFERED BY: BREHM FARMS

Your opportunity to invest in some truly top-shelf genetics! On the maternal side, AUTO Dalejah 211D, an own daughter of one of the breed's greats, AUTO Rebeca 292S, which has produced well north of \$500,000 in progeny for the acclaimed Pinegar Limousin program. On the paternal side, we have the syndicated and popular AI sire, Riverstone Crown Royal, one of the hottest purebred bulls in the business today. The bottom line is, if you're seeking unique pedigreed, homozygous black cattle that promise to have a combination of stoutness and structural integrity then invest in these eggs sale day.

OFFERED BY: LAWRENCE FAMILY LIMOUSIN

Purebred (88%) embryos from one of the breed's most proven donor cows. Xecutive Privilege has produced two National Sale top-selling females, three NWSS class winners and a division champion in 2016 and 2017. The 2017 NWSS Reserve Grand Champion Lim-Flex pen of bulls were her sons and two of the 2018 NWSS Grand Champion Lim-Flex Pen were her sons. Not a bad record for a female who produced 29 offspring with impressive performance. Her daughters average 73 lbs. at birth and 696 lbs. at weaning, and her sons 75-lb. birth, 760-lb. weaning and 1,349-lb. yearling. Mated to the Wulfs Xclusive bull, who is doing an outstanding job at Symens Bros. and across the breed, this is a can't-miss mating.

DJ XECUTIVE PRIVILEGE • Dam of Lot 21

WULFS XCLUSIVE 2458X • Sire of Lot 21

SELLING CHOICE ON RIGHT TO FLUSH

AUTO MERCY 646D • Lot 22A

PBRS DEAL ME IN 6189D • Lot 22B

Guaranteed six embryos, max of 12. Flush expenditures at buyer's expense. Payment terms: half down at time of sale and balance due upon flush (November).

High quality, stout featured, performance oriented and huge numbered are terms that appropriately summarize this pair of donor females that are set to anchor the progressive Lake Side program! We are offering you choice to first flush on either of these two standout females.

AUTO Mercy is one that's flawless at the ground—she's big footed, relaxed in her pasterns, long striding and one that hits you hard when she's set in motion. Aside from that, admire Mercy for her front end design, depth of body, square hip and natural muscle shape. Numerically, she is among the breed's very best, ranking in the top 25% or higher for 8 industry relevant traits—CE, BW, YW, MK, TM, CM, SC and MB.

PBRS Deal Me In is sired by one of the hottest bulls in the business, MAGS Ali, and from the elite and proven P Bar S Ranch donor, MAGS Universal Time. She is the dam of the highly syndicated sire PBRS Milestone. This gorgeous and well-made heifer ranks in the top 1% for SMTI and WW, top 2% for SC, top 3% for YW and top 4% for MB. All of that said, invest in this unique lot today and invest in your genetic future.
