Firefighters go 'incommunicado' during off-duty hours

Members of the Millburn local of the Firemen's Mutual Benevolent Association (FMBA) Tuesday night in effect declared themselves unavailable to respond to emergencies here during their off-duty hours.

The town firefighters delivered that message at this week's Township Committee meeting as they handed in their "Plectrons," portable paging devices which the men normally keep in their homes so they

may be notified by fire headquarters when an emergency occurs.

The action by the FMBA was a protest of the planned layoff of one firefighter, Mark Potter.

Firefighter Potter is scheduled to be dismissed from the fire department at the end of this month. The layoff is a result of the joint dispatching system which this municipality will be sharing with Summit beginning October 1.

Approximately 35 firefighters, virtually all of them in uniform, were at Tuesday evening's Township Committee meeting to deliver their protest message.

Firefighter Potter, the lowest ranking member of the department in terms of seniority, had been offered a position as a civilian dispatcher in Summit at the time the joint dispatching agreement was established between the two municipalities. The firefighter told the Committee Tues-

day night that he "chose not to accept" the post at the time of the offer because he wanted to have a career as a fireman, not as a dispatcher. He also noted that the salary paid for the dispatching post was \$17,900, \$2,000 under his current salary.

In his statement to the Committee, Firefighter Potter also said he had been notified recently that all civilian dispatching posts in Summit have now been filled. Both Firefighter Potter and a 22-year-

veteran of the department, Firefighter Earl Greiner lambasted the Committee for reductions in staff which have occurred during recent years.

In a prepared statement which he read at the meeting, Firefighter Greiner said that the latest layoff will mean the department's force has been reduced by 20 per cent in men in the past five years.

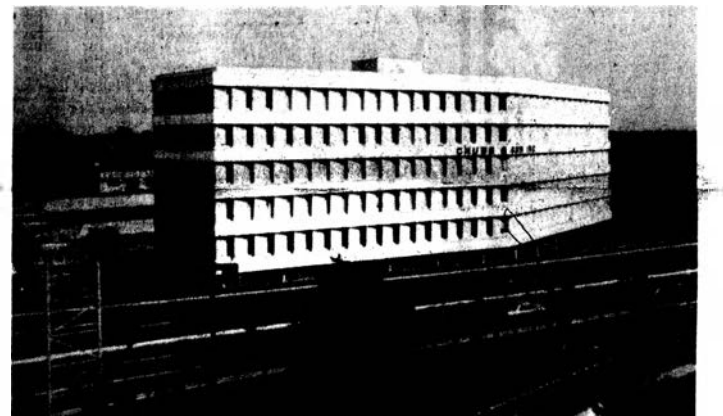

"The Township Committee has ignored a \$4,000,000 study and report with recommenda-

tions to add to the manpower of the fire department and in fact has reduced the department since that study was made," Firefighter Greiner said.

He continued:

"We, the members of the Millburn Fire Department, are outraged by this senseless and unjustifiable layoff of one more man, further reducing our already dangerously low level of manpower. We can

HOTEL AND OFFICE SITE—Prudential Insurance Co. is considering demolishing the office building which lies across Kennedy Parkway from the Mall at Short Hills.

Pru considering hotel, offices on Chubb site

A proposal for the construction of a 200-room hotel and conference center plus two office buildings may be put before the Planning Board on an informal basis next month.

The hotel and office buildings would be constructed by the Prudential Insurance Co on a 22.6 acre tract it owns across Kennedy Parkway from the Mall at Short Hills.

The property, until this month, was occupied by Chubb & Son Inc., an insurance underwriting firm. Chubb completed its move from the local site Labor Day weekend. It is understood Prudential plans to demolish the 6-story building formerly occupied by Chubb.

In addition to the acreage Prudential owns, the insurance firm has submitted a proposal to the Commonwealth Water Co which, if accepted, would see Prudential obtain 10 acres of contiguous land under terms of a 39-year long lease.

Earlier this summer, The Item has learn-

ed, Prudential sought to purchase the water company's land adjacent to the Chubb site. When Commonwealth rejected the purchase proposal, Prudential submitted its bid to lease the land for 99 years.

Although Prudential said it was still in the process of conducting feasibility studies on the office building phase of the proposal, a company spokesman told The Item that an informal discussion of the entire project was held this summer with Mayor Earl W. Cryer, Planning Board chairman Robert H. Heintz and Zoning Board of Adjustment president Jacob H. Oxman.

Discussed at that meeting, in addition to the hotel-conference center and office buildings, was the possibility of Prudential constructing residences—presumably condominiums—on or near the Chubb site.

That suggestion, according to the Prudential spokesman, was not raised by any Prudential representative, but by a town official. A source close to that discussion said the suggestion for housing was voiced by Mayor Cryer.

"The Prudential is not interested in housing based upon its past experience," the insurance company spokesman told The Item this week. The reference to "past experience" was an allusion to two proposals made by the insurance firm during the past 20 years to construct housing off Kennedy Parkway. The initial housing proposal was for the construction of 30-story high apartment buildings while the second was for a high-rise condominium project. Both proposals encountered significant opposition on the part of township residents and were dropped by the Prudential.

While it is not known how near to completion the Prudential's feasibility studies are, the company spokesman said it was hoped that the proposal could be informally discussed with the Planning Board by late October or November. The spokesman also said that the Pru's own board of directors would not be asked for approval of the project until the feasibility studies were completed.

Both Mayor Cryer and Dr. Oxman were out of town during the past week and not available for comment on the discussions which they held this summer with the Prudential. The third town official who took part in that meeting, Mr. Heintz, said he would have no comment on any proposal from the Prudential until the insurance firm came before the Planning Board.

The Prudential Insurance Co. has played a significant role in the post World War II

history of the township as the original developer of the County Club Area of the community as well as of the Mall at Short Hills. The shopping center today is owned by the Prudential and the Taubman Co.

Town pool late fee is sought

A \$50 late fee on top of the normal \$70 family membership fee would be charged those enrolling as members in the municipal swimming pool after June 1, under terms of a recommendation from the Board of Recreation Commissioners to the Township Committee.

The move is seen as an effort by recreation officials to spread the early summer workload of department officials. The bulk of applications for pool membership in recent years have come to the department either through the mail or hand carried to the recreation office, in the days immediately before the beginning of the pool season.

Receipt of the recreation board recommendation was announced at Tuesday's Township Committee meeting by Robert P. Denise. In his brief comments on the recommendation, Mr. Denise indicated that he was disturbed by the amount of the proposed late charge and instructed Township Clerk John W. Pritchard to have representatives of the recreation board attend a future Committee meeting so the matter could be discussed at length.

Mr. Denise also reported that the 20-year contractual agreement between the City of East Orange and the Township of Millburn which provides membership in the East Orange-owned golf course on Parsonage Hill Road to local residents will expire December 31.

"We have advised East Orange formally that we do not wish to continue the agreement," Mr. Denise said. "We have told them," he continued, "if they have alternate suggestions (for the future) we will consider those suggestions."

Under terms of the 1963 agreement, East Orange effectively receives a rebate on taxes which it pays on its Parsonage Hill Road property.

MEA OKs 2-year salary offer

Township teachers ratified a 2-year contract with the Board of Education Monday afternoon providing them with an 8 per cent raise in salary for the first year and an additional 7 1/2 per cent raise in the second.

The Board of Education is expected to approve the contract at its September 26 meeting.

Millburn Education Association president Rhoda Rosenfeld said Tuesday the teachers are satisfied with the salary increases granted but had hoped for provision of a partial tuition reimbursement plan for classes taken for college credit and also for a prescription and optical insurance plan. According to Miss Rosenfeld these benefits were rejected by the board.

The fact that these benefits were eliminated from the contract and also the long delay in resolving negotiations caused approximately one-third of the teachers to vote against ratification, Miss Rosenfeld explained. MEA members expected to have a contract signed with the board before school closed in June.

Another area of disagreement, Miss Rosenfeld said, arose over the board's desire to remove from the contract a clause which provides teachers with reimbursement for unused sick days upon their retirement. Miss Rosenfeld said the MEA was

successful in its efforts to keep this provision in the agreement.

According to the salary guide for the 1983-84 year beginning teachers with a bachelor's degree will receive \$16,150 and rise to \$27,000 in 20 steps (20 years). Those with a master's degree will begin at \$17,250 and rise to \$30,900 in 20 steps. Teachers with

a master's degree plus 30 credits will begin at \$18,450 and rise to \$34,700. Teachers with a doctorate (there are four in the school district) will begin at \$19,650 and rise to \$35,900.

These scales will increase in the second year of the contract to: bachelor's degree—

\$17,100 to \$29,400, master's degree—\$18,300 to \$32,900, master's degree plus 30 credits—\$19,500 to \$36,900, and doctorate—\$20,700 to \$38,000.

In addition to voting on the MEA contract next Monday evening the board will discuss recommendations put forth by its citizens' committee on disposition of schools to demolish Short Hills School and convert the area in a playground and lots for single-family homes.

Board members also vote on a bid from the Summit Child Care Center to rent three rooms in South Mountain School in addition to the rooms it leased previously. The center is offering \$5 per square foot for the first year and \$5.50 for a second year.

Also on the agenda is consideration of bids for lease of the South Mountain School gymnasium and multi-purpose room. P&E Inc., an aerobic dancing school, hopes to rent the multipurpose room for \$4.01 per square foot the first year and \$4.40 per square foot the second. Feigley's School of Gymnastics has asked to lease the gymnasium for \$4 per square foot for the first year and \$4.40 for the second.

The aerobic dancing school would use the facility every week day and the gymnastics school would conduct daily and evening sessions.

Police arrest two men following break-ins

Police arrested two men Tuesday morning at the intersection of Old Short Hills Road and Brookside Drive and charged them with burglary, theft and possession of stolen property in connection with two break-ins that occurred just minutes before.

Robert Veard of Plainfield and Roberto Martin of Scotch Plainfield were taken to municipal jail where they remained yesterday with bail set at \$5,000 each.

According to Captain Philip Carlton of officers began the chase about 10:30 a.m.

after a Western Drive resident told police she arrived home to find that two men had forced open a rear door.

The men fled in a blue car as authorities were alerted. Officers on patrol spotted the vehicle on Old Short Hills Road and the arrest was made. In the vehicle's trunk police found two pillow cases filled with jewelry and camera equipment.

Police believe the valuables came from a

Plan board extends station approval until year's end

Plans for the renovation and enlargement of the Millburn railroad station received a new, but limited lease on life as the result of Planning Board action last week.

The board, at its September 14 meeting, in effect retroactively extended the duration of previously granted site plan approval until December 31.

The original approval for the renovation and enlargement project had been granted more than three years ago and died in August at the same time a building permit for the project expired.

Under terms of last week's Planning Board action, no new building permit may be issued until the owners of the station demonstrate to the Planning Board that they have secured approval from the state and county Economic Development Agencies. EDA approval would guarantee that financing of the renovation and enlargement project could be undertaken through low interest loans.

EDA approval of the project is, reportedly, the only contingency attached to the sale of the property to a new partnership group

of which Robert Peters and Kenneth Rickles of a Union securities firm are principals. The station property for the past six years has been owned by Millburn Station Ltd. of which Marc Berson, a local attorney, is a principal.

The Planning Board's action requiring EDA approval before a building permit is issued was a step taken by the local body to insure the municipality is not subjected to an extended period with no guarantee that the project would go forward.

Presumably if the building permit condi-

tion had not been attached to the extension of site plan approval, a new building permit could have been obtained immediately based on the construction plans submitted to Town Hall last year. Once securing a building permit, a developer need not begin construction for a full year.

Although both Mr. Peters and Mr. Berson told the Planning Board at the September 14 session that EDA approval was the only condition attached to the property's sale, Mr. Peters said that the rental of space in the station property to a financial institution

was so important to the viability of the project that without such a lease he "might pack in" the project.

American National Bank & Trust Co., several years ago, had announced its plans to move to the renovated and enlarged station property, according to Mr. Berson and Mr. Peters, remained "very interested" in relocating its Millburn Avenue office to the railroad station site.

Mr. Peters last week also told the Planning Board that several other financial institutions were "very much interested" in

the possibility of locating a branch in the East Side building. Among the banks and savings and loan associations which he cited as possible tenants were Fidelity Union, Midstate and City Federal Savings.

During the more than two hours in which the Planning Board discussed the future of the railroad site and heard testimony from both Mr. Berson and Mr. Peters, there were several expressions of doubt as to the economic viability of the project.

Mr. Berson, himself, said the size of the

Church's playground plans draw residents' protests

Plans submitted by St. Rose of Lima Church and School for construction of two playground stations on property now set aside for church parking ran into a flurry of opposition from nearby homeowners at last week's meeting of the Planning Board.

Testimony on the application for site plan approval will continue at the board's October 5 session. According to church spokesmen at the board's September 14 session, it is planned to remove approximately 1,000 square feet of asphalt and fill that area

with wood chips. The playground stations would be erected atop the wood chip base. The removal of the asphalt would mean the church would lose parking facilities for seven cars.

Several Winding Way homeowners, whose properties abut the area of the St. Rose parking lot where the stations would be placed, expressed fears that the facility would bring increased noise to the neighborhood. They cited their experiences of 10 years ago when a basketball court was in place in the same area of the parking lot now sought for the playground stations.

According to the residents, teenagers used the court throughout the night and early morning hours, lighted the court with their automobile lights, were frequently loud and abusive and littered the area.

The objectors argued that other locations on the St. Rose property would be more suitable for the playground facility and provide young children using the stations with a greater degree of safety. Objection was also raised by residents as to the adequacy of the church's existing parking facilities.

Rec office may move to Gero Park

Relocation of the recreation department office to Gero Park from Town Hall is under study by the Board of Recreation Commissioners. The board last week appointed members Thomas Wilcock and George Bernstein to study the pros and cons of a move and to report back to the commission at its meeting October 5.

Commission chairman Mary Downs said Town Hall officials have stated they need additional space and suggested the recreation department move its office to one of its own facilities. She explored the possibility of moving its office to the Bauer Community Center in Taylor Park but parking facilities were inadequate at that location.

On another matter commission representatives met with the Board of Education this week to discuss recreation department use of the South Mountain School gymnasium

and all-purpose room Mrs. Downs would not comment on the outcome of that session but said the results would be made public at the regular Board of Education meeting this Monday.

Special ed topic of meeting

Carol Miskewitz of 16 Undercliff Road, chairman of the New Jersey Association for the Education of Young Children, has announced the Essex-Hudson chapter will meet next Thursday at 7:30 p.m. in the Orange Day Care 100, Orange.

Merona—the most exciting new sportswear idea in years

Four years ago Merona introduced an exciting new concept in sportswear for men and women that caused quite a sensation. It is spectacular activewear that was inspired by changing attitudes toward casual dressing. It is colorful, relaxed, and easy to wear. Updated traditional sweaters, knit shirts, and pull-on pants styled to be as comfortable as they are functional.

If imitation is the sincerest form of flattery, then Merona has enjoyed more than its share; but you'll find that only Merona creates its own special brand of active sportswear—and you'll find it at Roots.

building with its addition amounted to only 11,000 square feet and "as developers with that size buildings we can't make out."

Planning Board member Robert P. Denise noted that of the 11,000 square feet available in the renovated and enlarged station building, 700 would be reserved for use by railroad commuters and that the Township Committee, of which he is also a member, "recognizes that there may come a time when we may have to do something as we do at the Short Hills (railroad) station."

The municipality is the owner of the Short Hills Railroad station and Mr. Denise's comment was interpreted as an indication that the Committee is considering the possibility of accepting the responsibility of maintaining the commuter's facilities at the Millburn station. This action could be taken if the municipality entered into a condominium arrangement with Millburn Station Ltd or initiated a limited condemnation procedure.

The Planning Board, in its 6-to-3 vote extending the life of the site plan approval to December 31 also conditioned that extension on the "good faith efforts of the station owners to upgrade the maintenance of commuter facilities."

Each of those Planning Board members Louis Weinberg, Elizabeth Naughton and Frances Land who voted against the extension of site plan approval indicated they were filing suit due to possible changes which

have taken place in the Essex Street area since the original approval was granted in March of 1981.

"A heck of a lot has happened in the area (since the original approval was granted). I don't see how we can blindly approve (this extension)," Mr. Weinberg said. While that comment and similar ones made by Mr. Weinberg drew statements of agreement from Mrs. Naughton and Mrs. Land, board member John Keenan said that "to drag out the future of the station through an entirely new hearing process "would be a terrible mistake" and Willard Burns asked, "What are we supposed to do, cut off our nose to spite our face?"

Planning Board chairman Robert Heintz also responded to Mr. Weinberg, said the original approval had been granted while "we had our eyes wide open" and that he was not "uncomfortable" in voting for an extension of that approval. "It is a limited site facility and it must have

something (in it) to pay the rent."

Sheila Williamson described herself as being "very, very unhappy" and termed the "situation" the community has been in for the past three years as "disgraceful." But she indicated that there was little choice open to the Planning Board other than to extend the approval for a limited period of time.

Mrs. Land, said circumstances in which the Planning Board found itself was "like a shogun marriage — we're being forced to approve."

Following the extension of approval on the railroad station, Mr. Berson was scheduled to seek extension of the site plan approval he had received two years ago for his plans for the enlargement of the Millburn Commons — an office-retail store complex on Millburn Avenue. Noting that it was already midnight, Mr. Heintz rescheduled that hearing for the board's October 5 session.

Community gardeners win awards for harvest

Township Committee members Robert Denise and Cynthia Fuller presented prizes of chrysanthemum plants to gardeners at the Community Garden on Church Street Sunday afternoon at the annual Harvest Festival and awards ceremony which

awards ceremony which measured approximately 10 by 20 feet are available free of charge to any resident who places his or her name on a waiting list.

Mrs. Martin B. Witschi, chairman of the Community Garden, welcomed all the gardeners and their friends and mentioned three major improvements that have been made this season: a new lock has been installed on the gate, two new water hydrants have been put in and a bulletin board set up for gardeners to post helpful hints.

Mrs. Witschi said, "This garden brings township residents together from all backgrounds and walks of life. To me it is like a mini-United Nations. We have gardeners of American, Chinese, Italian, Czechoslovakian, Japanese, Russian and, adding myself to the list, Swiss backgrounds. We all have one thing in common — the love of gardening."

Before awarding the prizes, Mr. Denise commented on how much all the garden clubs in town have added to the quality of life for the residents of the township by their many projects including this garden.

Award winners included James Buckley, locksmith who installed the new lock; Arthur White, photographer of Millburn Movie Makers' filming; Celia Hahn, best succini; Mary Slavitt, best cantaloupe; Sara Ruth Dorn, most unusual crop — okra and soybeans; W.A. Burns, best brussels sprouts and the biggest tomato; Dan Bolt, biggest butternut squash; Ann Klein, best broccoli; Lesette Proud, a magnificent leek; and Robert King, greatest variety of produce.

Theater to audition children

Overlook Musical Theatre, which will present the Richard Rodgers-Oscar Hammerstein

Broadway hit "The King and I" as its 1983 production for the benefit of Overlook

Hospital, will hold auditions Sunday at 5:30 p.m. for children in the chorus and a few major adult male parts.

Marie Benno here 5 years

Marie Benno Hair and Skin Care, 302 Millburn Avenue, is celebrating the fifth anniversary of its opening. The owner, Marie Benno, has been in this country only 10 years and is now a United States citizen.

According to Miss Benno, she has lived all over the world and brought beauty secrets with her to share with her customers in the township.

Children to knit scarves, make Halloween masks

Children ages 7 to 12 are invited to learn to make papier mache Halloween masks at

Millburn Library. Classes will be held October 7, 14, 21 and 28 from 4:30 to 5:20 p.m. A cost of \$5 per child for this workshop will include supplies.

Rehearsals for adult cast members began Tuesday and those for children in the chorus will begin next month. Production dates are December 2, 3 and 4 at Millburn High School.

PROMOTION — Jeffrey Freimark has been named corporate secretary of Kings Super Markets Inc. in addition to serving as corporate controller for the firm.

Exhibit to benefit child center

The Jeffrey Dworkin Infant and Child Development Center of Saint Barnabas Medical Center, Livingston, and Sheila Nusbaum Gallery at 332 Millburn Avenue will present "The Art of Caring," an exhibition and offering of contemporary art, American crafts and fine art jewelry, Sunday from 4 to 7 p.m. at the gallery.

Sales will benefit the Jeffrey Dworkin Infant and Child Development Center which was created for children with developmental disabilities. Evaluation of medical and psychological problems is provided as well as a team of disability specialists to work with the children. Parent support services are also available.

The public is invited to the wine and hors d'oeuvres reception at the Sheila Nusbaum Gallery. The gallery is open Tuesday through Saturday 10 a.m. to 5 p.m., or by appointment by calling 467-1720.

Reservations for the benefit can be made by calling Dorothy Sweetwood at 226-2111 or Josephine Dino at 276-5685.

Children ages 8 to 12 may register for a knitting course at the library. Instructions will be given for beginners and to those already familiar with basic techniques. A scarf will be completed by each child at the end of the 8-week course. Classes will be held October 14, 21, 28, November 4, 11, 18, December 2 and 9 from 3:30 to 4:20 p.m. The cost of \$4 per child for the workshop will include supplies.

Arboretum schedules workshops

The Cora Harshorn Arboretum will begin its series of workshops for both adults and children next week.

Alice Woodcock will return to the arboretum Tuesday by popular demand to present a slide-lecture on migrating local birds plus a demonstration of bird banding and identification. The two-hour program will begin at 9 a.m. at Stone House. Donation for members is \$1 and non-members \$2.

Children in first grade and older interested in dinosaurs are invited to four 1-hour workshops on consecutive Thursdays, beginning September 29 at 3:15 p.m. Included will be crafts and a dinosaur naming contest with prizes. Advance registration is required since space is limited. Registrations are being accepted by mail on a first-come, first-served basis. Fee is \$8.

safety rules with children of all ages," said Pat Lauber, second grade teacher at Glenwood School and member of the First Aid Squad. Many children will be riding buses for the first time and safety regulations while on the bus as well as rules for walking to

and from the bus must be reinforced. Some children will be riding bicycles to school and many will be riding after school hours. Drivers must be aware of these bicyclists and parents should go over bicycle safety rules with their children.

PRIZE QUILT Admiring a schoolhouse quilt handcrafted by members of the St. Rose of Lima Home School Association are, from left, Pat Golding, Helen Nugent and Marika McGregor. The quilt will be raffled with other prizes at the association's "Schoolhouse Fair" October 1 at St. Rose of Lima School.

Bontempos mark 50th anniversary

Mr. and Mrs. Edmond Bontempo of South Terrace celebrated their golden wedding anniversary September 4 with a mass at St. Rose of Lima Church.

The service was celebrated by Monsignor Harold Murray, pastor, the Rev. James Lind and Monsignor Frederick Valentino of Red Bank. Father Lind had officiated at the couple's marriage 50 years ago at St. Rose of Lima Church.

Mr. Bontempo, a native of Summit, married the former Madeline DeClassis of Millburn September 4, 1933. The couple settled in Summit

and seven years later moved to Blaine Street where they resided until moving to South Terrace 13 years ago.

Before retiring two years ago, Mr. Bontempo worked as a mason. He enjoys playing golf at the Par 3 Golf Course here. Mrs. Bontempo has been employed by the Millburn Cinema for the last 54 years. She is a cashier there.

The couple hosted a reception following the mass at the Sulphur Springs Inn, Berkeley Heights, for 150 friends and relatives. Among the special guests was Lenora Pedicino DeClassis of Bricktown who had served as maid of honor 50 years ago.

Judaica is subject of program

The Millburn Short Hills division of National Council of Jewish Women has arranged a program featuring Jay Weinstein of Sateby's Auction Galleries. The meeting will take place Wednesday from 11:30 a.m. to 2:30 p.m. at Bauer Community Center.

Mr. Weinstein pursued his interest in antiques after teaching at several universities. He specializes in Victorian and 20th century silver and Judaica.

He will present a 20-minute slide show and talk on Judaica, answer questions from the audience and give his appraisal of 10 articles submitted by members of NCJW attending the program. Appraisals will be anonymous. Those interested in submitting an article for appraisal should telephone

Beatrice Geller, 375-8849, or Susan Goldstein, 667-5117. The cost of the program is \$4.50 for members and \$5 for non-members, by reservation only. Checks may be sent to Beverly Orel, 45 Undercliff Road.

Babysitting will be available at \$1 per child. More information may be obtained from Lois Goodkin, 376-2497, or Dot Libman, 761-0226.

The division is a service oriented group which meets on the first Tuesday of every month at 7:30 at the arboretum. The club sponsors programs to provide varied cultural experiences to members and sponsors projects to raise money for one worthwhile cause per year.

Interested women are invited to call membership chairman Michele Gillesen at 376-5339.

Parents to meet faculty at back-to-school night

St. Rose of Lima School will hold a back-to-school night tonight. Parents of pupils in grades kindergarten through five will meet at 7:30 in their respective classrooms and parents from grades six to eight will meet in their children's homerooms at 8 o'clock.

Teachers will outline this year's curriculum. Presentations will be given on computer science, language arts, mathematics, religion, science, social studies and Spanish.

Sponsored by the Home School Association, a drug and alcohol awareness film, "Epidemic," will be shown at 9 p.m. in the multi-purpose room. Homeroom mothers will collect association dues of \$5 per family and refreshments will be served.

Also on display this evening will be the handcrafted schoolhouse quilt which will be raffled October 1 at the 12th annual association dinner party, "Schoolhouse Fair." Raffle tickets at \$1 each will be available. Reservations are being accepted by Peggy Murray, 379-7833, and Peg Richardson, 467-0003.

More information on back-to-school night may be obtained by calling the school office, 379-3973.

LISTENERS — George Bail of Brooklawn Drive, chairman of the Deafness Research Foundation, stands with Mrs. Hobart C. Ramsey of Fairfield Terrace who is founder of the foundation that will present a gala benefit concert October 2 at Lincoln Center. Theme is "Listen for Those Who Can't."

Deafness research group to hold benefit concert

President Reagan's recent announcement that he is sponsoring a hearing aid has been a big boost to a major fund-raising effort of the Deafness Research Foundation, said George A. Bail of Brooklawn Drive, chairman of the medical research foundation.

The Pittsburgh Symphony Orchestra, under the direction of Andre Previn, will play a benefit concert October 3 at Lincoln Center, featuring as its major work Beethoven's "Seventh Symphony," written when the composer was virtually deaf.

"We hope to raise a substantial contribution towards medical research programs as a result of the benefit," Mr. Bail added, noting that since its founding 25 years ago the foundation has contributed \$8.5 million to such research projects.

Mrs. Bail serves as national co-chairman of the event. Other township residents on committees are Mrs. Hobart

C. Ramsey, who founded the group 25 years ago, Mr. and Mrs. James Ward, Mr. and Mrs. H. Carlin Day, Mr. and Mrs. Alan Pearson, Mr. and Mrs. Harry Hoyt Jr., Mr. and Mrs. Joseph A. Bickel and Mrs. Frank Healy, who serves as president of the foundation.

Tickets for the benefit concert are available at the Deafness Research Foundation, 15 East 34 Street, New York City, by telephone at (212) 694-8556 or at the Lincoln Center Avery Fisher Hall box offices.

Parents invited to junior high

Parents of seventh graders will gather at Millburn Junior High School today from 11:30 a.m. to 1:30 p.m. to meet with school principal Nicholas Navarino and hear about guidance services. The program also will include lunch in the cafeteria and a tour of the school.

Mrs. Guy Cipriano

Guy Cipriano wed to child therapist

Deirdre Mary Twomey, daughter of Mr. and Mrs. Neil F. Twomey of Wyckoff, became the bride Sunday of Guy Peter Cipriano, son of Mr. and Mrs. Peter A. Cipriano of Wyoming Avenue.

The Rev. John Pisarcik, chaplain at St. Francis Health Resort, Denville, officiated at the ceremony at St. Elizabeth's Church, Wyckoff. A reception followed at the Indian Trail Club, Franklin Lakes.

The bride wore her mother's wedding gown of blush pink Alencon lace over satin with a form fitting bodice, dotman sleeves and chapel length train. She also wore the lavender worn by her mother and maternal grandmother at their weddings and carried a bouquet of silk orchids and magnolias.

Christine Twomey of New York City was her sister's maid of honor. Bridesmaids included Molly Cornell of Franklin Lakes, Mrs. Robert Kline of Dumont, Mrs. Stephen Fortunato of Hoboken and Mrs. Gerald Harris of Saratoga, N.Y. They were attired in pink Jacquard silk dresses.

David Venozio of Philadelphia served as best man. Ushers were Barry Twomey of Wyckoff, brother of the bride, Mr. Fortunato, Allan Marshall of Bermuda and Frank Mastellone of Brooklyn.

The bride graduated from the Dought-Englewood School (N.Y.) University. She is a pediatric occupational therapist for the John F. Kennedy Medical Center, Edison.

The bridegroom is a graduate of Pingry School and Princeton University where he earned a bachelor's degree in civil engineering. Licensed as an engineer in Pennsylvania and New York, he is assistant vice president of Engineers Inc., Newark. He also is a member of the Princeton Club of New York and the Racquets Club of Short Hills.

After a wedding trip to San Francisco, the couple will reside on Main Street.

Club women schedule village trip, workshops

The American home life department of the Woman's Club of Millburn is planning a trip to the restored village of Waterloo October 12 as its first meeting. Members may call Mrs. Douglas Woodworth, chairman, for information and reservations, 376-5214.

Officers and department chairmen of the Millburn club will attend the annual fall workshop and leadership conference of the Seventh District New Jersey Federation of Women's Clubs at the Women's Club of Verona, Verona Methodist Church, Tuesday from 9:15 a.m. to 2:30 p.m.

The keynote speaker for the morning session will be Mrs. Jerry B. Loezoux, second vice president. State communications chairman, Mrs. Roger Davis, and social services chairman, Mrs. Horace Sippee, will also address the group. The afternoon workshops will be conducted by district chairmen and roundtable discussions will be featured.

Mrs. Thomas W. Williams III, president of the Millburn club, will sing with the state chorus at the Mid-Atlantic Conference of the General Federation of Women's Clubs in Hylatt, New Brunswick. The officers and chairmen plan to attend this conference.

Expanded Child Care Services for Millburn/Short Hills

The Summit Child Care Center is expanding services to Millburn/Short Hills families at our new center in South Mountain School. The Child Care Center is a non-profit community agency in its 30th year of providing quality care to families with young children. The South Mountain Center offers a wonderful setting for our full range of child care services.

The programs at South Mountain include:

Full Time Care: Full Day (7:30-5:30) care for children of working parents. The program serves children starting at 6 weeks and is designed to meet the special needs of children and parents working full time.

Part Time Care: A consistent program for children 6 months to five years for parents who need care on a part-time, but regular basis.

PEP: A nursery program offering an enriching educational experience. PEP children can also extend hours in either part-time or Drop-In care.

Drop-In Care: "As needed" care for children aged six months to five years. Once parents have enrolled, they can use the program when they need it without making an advance reservation.

For information about any of the Child Care Center programs, call our Central Office at **373-7017**.

Mary Dante bride of Douglas Donnelly

St. Rose of Lima Church was the setting August 28 for the wedding of Mary Elizabeth Dana, daughter of Mr. and Mrs. Patrick J. Dana of Duquesne Street, to Douglas A. Donnelly, son of Mr. and Mrs. William Donnelly of Hamilton Township.

Monsignor Harold Murray, pastor, and the Rev. Kadi Billman officiated at the nuptial mass. A reception followed at Galloping Hill Inn, Union.

Given in marriage by her father, the bride wore a cathedral length gown of Venise lace and schiffli embroidery. She carried a bouquet of white roses and ivy.

Kathleen Dante of Duquesne Street, sister of the bride, served as maid of honor. Bridesmaids included Veronica Dante, also sister of the bride, Karen Schneider of Princeton, Susan Horton of Point Pleasant Beach and Mary Ann Donnelly of Trenton. They wore lavender print chiffon gowns and carried bouquets of daisies.

David Donnelly of Hightstown served as his twin brother's best man. Ushers were Patrick Dante and John Dante, brothers of the bride, and Donald Roberts and Brian Donnelly, brother of the bridegroom, both of Trenton. Andrew Dante distributed the church programs.

The bride is a graduate of Millburn High School and Douglass College, where she received her degree in communications. She is employed as a technical trainer at Merrill Lynch in Philadelphia.

The bridegroom graduated from Steiner High School and Mercer County College. Formerly an industrial salesman for RUM Manufacturing, Corwella Heights, Pa., Mr. Donnelly is continuing his education at Trenton State College.

Following a honeymoon trip to Cape May and Atlantic City, the couple is residing in Hamilton Square.

Ward women host teaching convention

A convention and luncheon for 60 visiting teachers will take place Saturday at 12:30 p.m. at the Short Hills Ward of the Church of Jesus Christ of Latter-day Saints.

The event will be under the direction of ward Relief Society officers LaDene Hoglund, president, Joan Meese, first counselor, Becky Layton, second counselor, and Marjorie Richardson, secretary.

Speakers will include Arthur W. Ericson, bishop of Short Hills ward, Rosamary Fletcher and LaDene Hoglund, ward president.

Others assisting will be Patricia Lee, table decorations, Verma Ericson, and Marjorie Draper, luncheon.

James Thomsen, program format, and Delana Howes, programs and invitations. A list consisting of Katherine Flamingo, Tina John and Julie Smith, will sing accompanied

by Shauna Dickerson. The purpose of the teaching convention is to train ward women to reach out to assigned society members over a month—caring for them, taking time for them, helping them. The Relief Society, said Bishop Ericson, recognizes the serious problems which affect women and their families such as single parenting, unemployment, aging, loneliness and childlessness.

The visiting teaching structure provides a framework where women can help one another and develop within themselves strength to cope with the personal problems and life situations

Girls outstick Lakeland 3-0

MIDFIELD ACTION — Michelle Graves (extreme right) found herself surrounded by Kinnelon defenders in Monday's field hockey

opener. Other Millburn players (white shirts) Melissa McGlynn, Stacy Kaplan and Mary Beth Quig.

About the only thing that was going to prevent the Millers' field hockey team from gaining its first victory was rain. Since the downpour didn't come, Millburn easily trounced Lakeland, 3-0, at home last Friday afternoon. Millburn played superbly on both defense, as expected, and offense, which was a delightful surprise, en route to its first win of the year against a traditionally tough Skyline Division foe. Millburn outclassed Lakeland in every aspect of the game.

"We thought we would be strong on defense, though some positions played stronger than expected," said Coach Mary Lou Pra Sisto, whose defensive fortress contained Lakeland completely, not allowing the visitors past the 25-yard line and giving goalie Mary McGlynn a day off without a single save to show for the game.

But the offensive unit stole the show, impressing the coach with an aggressive, relentless attack, pressing repeatedly throughout the game. "We were rather aggressive up-front which is something we're not accustomed to doing," said Coach Pra Sisto.

Left winger Jane Ferguson led the scoring attack with two strikes, both coming in the second half. Michelle Graves broke the ice about seven minutes into the game with a nice assist from midfielder Melissa McGlynn.

Coach Pra Sisto was very pleased with the offensive leadership provided by Anne Prindiville, who plays the inner front. Prindiville, the coach said, was responsible for generating most of the team's offensive attack. In all, the offense attempted 15 shots on goal, succeeding on three.

The defense was paced by the strong work of Ene Thierly. The center midfielder was praised by the coach for heady play throughout the game. "She has the knack to be in the right place at the right time," said the coach.

UNMASKED — The answer to the Page 1 puzzler is Mary McGlynn, goalie for the Millburn High School field hockey team.

Millers-Verona tie in opener

ATTACKING — Millburn's Trish Mallyne leads a charge for the Verona goal in last week's soccer opener.

Millburn struck first. Verona struck second. But neither team wound up striking it rich in the first girls soccer game of the season last week.

The final score was 1-1 in double overtime at home.

"We just blew it in the last nine minutes," said varsity coach Martha Hamilton after the game. The Verona score came in the final quarter when the usually reliable Millburn goalie, Sandra Shepard, misjudged the ball on a kick by Verona's Barbie Spawber.

Neither team could sustain a scoring drive in the first or second overtime, as fatigue got the best of both teams, particularly Millburn. "We played fantastically well in the first three quarters," said coach Hamilton, "but we ran out of gas in the final quarter and couldn't do anything in the overtime to pull it out."

The Miller's lone score came way back in the first period when Jen Ackerman, the sophomore forward, picked up a loose ball in midfield and crossed it over to Michelle Barden, the other forward, who advanced it further and finally slapped the ball in from the two-yard line.

Just couldn't hold on to its slim lead as the girls tired and lost several key players to injuries.

Despite the tie, Coach Hamilton felt the team played well. "With improved conditioning, I think we will do better as the season progresses," Coach Hamilton said, adding that Verona was a tough young club that will be contenders for the conference crown.

Coach Hamilton singled out the early season form of Barden, the sophomore forward who scored Millburn's only goal, and the strong play of Ackerman, who assisted and Trisha Mallyne, the senior fullback.

Other starters were: Jeanie Pitt, Karen Housman, Beth Huson, and Mary Jane Stecher, all fullbacks, Tricia Lowe and Allison Kahn, halfbacks, and Liz Kennedy and Lisa Greene, along with Mallyne, Ackerman, Barden and Shepard.

The junior varsity squad, though dominated by Verona in their game on Friday afternoon, held on to salvage a 0-0 tie in its first game of the season.

"I am extremely pleased with all of them," said Coach Pra Sisto of her team. "They played outstanding ball with aggressiveness and poise." The coach substituted frequently during the game which never looked to be in doubt.

"It was a good test as far as teamwork is concerned. The girls proved to themselves that they can shoot," she added, saying that the team was a bit tight for its season opener. "The girls were pretty much satisfied with themselves because everything worked out well. They made some mistakes, but rebounded to correct them during the course of the game."

The starting line-up for last week's opener was: Ferguson, Prindiville, Mary Keating, center, Sheryl Weiler, right wing, Durkin, Thierly and Melissa McGlynn, all midfielders, Mary Beth Quig, Libby Welch and Mary Ratter, backfield, and Mary McGlynn at goalie.

Boys overcome midfield mishaps to win 4-2

The boys soccer squad opened its defense of its conference title Monday, defeating Kinnelon, 4-2.

The first victory of the year was a sweet one for Coach Victor "Cap" Arata, but tinged with a bit of regret.

"It was a little bit disappointing about losing the ball too often in midfield," he said after the game. The midfield turf, he added, is where most of the games are lost or won, "and more often than not if you're dominated there you eventually lose the contest." If Kinnelon had been a bit stronger, well, maybe, things would have turned completely sour.

But Kinnelon was not strong enough and Millburn gained the victory largely on a solid offensive show which very much pleased the turnout at home grounds.

Forward Scott Goldfarb gave Millburn a 1-0 lead in the 16:50 mark of the first half on a nice feed from halfback Tyler Isaacson. A minute and one-half hour later, Goldfarb struck again for a 2-0 advantage on an assist from goalie Steve Hein, of all people, as a result of a free kick. Hein's kick was picked up at midfield by the senior standout who

headed and bounced in for a goal. Hein had 11 saves while Kinnelon's Rolph pushed aside 15 Millburn kicks. Overall Millburn took 28 shots, Kinnelon 16.

The junior varsity squad was in a cliff hanger with Kinnelon JV's. There was no score until two minutes to go in the game when center striker Drew Shilling unloaded a kick for 1-0 Miller victory.

Police arrest 2

Continued from Page 1
Hillside Avenue residence entered and ransacked earlier the same morning.
Intruders attempted to enter two other township homes this past week but in each case were unsuccessful. Last Thursday a rear door was smashed at a Westview Road residence, and Saturday a window screen was torn in a Slope Drive home.
An employee of Professional Audio Consultants, 182 Essex Street, was charged Monday with "allowing marijuana to grow" after police found several live plants at the rear of the shop. A court date is pending.
Police are searching for a white male, 35 to 40 years of age, balding and with a flushed face who exposed himself to two 8-year-old girls September 13 as they were walking along Forest Drive South. Anyone who may have seen the man in the area last Tuesday afternoon is asked to call police headquarters.
Three persons were hospitalized following auto-

mobile accidents in the township this week.
On September 14 a 2-car collision at the intersection of South Orange Avenue and Ardroy Drive sent Joan Ames of West Orange to the hospital with neck injuries. She was transported to Saint Barnabas Medical Center by the First Aid Squad. The second driver, Jeanne Fares, also of West Orange, was not hurt.
Two Madison residents were taken to Overlook Hospital by the First Aid Squad early Sunday after their car left the roadway on Parsonage Hill Road and overturned. Joseph W. Gero suffered head injuries and Christina Spriggs, back injury.
Saturday night Stephen Casavall of Whippany escaped injury though his automobile knocked over a street light pole and a chain link fence after it left a ramp leading from Route 24.
Burglars succeeded in breaking into an auto parked on Fairfield Drive by smashing a window and removed a radar detector.

Magic wins opener in corner kick play

Four soccer matches were played Sunday at Millburn High School by Corner Kick Club teams. The Magic defeated Old Bridge 6-1 with goals by Jeff Kozalowski (2), J.T. Trematte, Matt Schwartz, Ricky Gerson and Ilan Klein. The Rowdies-White played a scintillating passing game to defeat the Chatham Dynamos 4-2 with goals by Ken Ehrenkrantz (2) and Paul Arouet. Tyler Clute and John Taylor gave outstanding performances. The Mauraugers lost a 2-1 heart-breaker on a penalty kick. Curt Lemkau scored while Craig Greenwald and Anthony Sarpf were strong in goal. The Meteors fell before a strong Cranford team 7-0, but Billy Korman and Steve Donofrio showed much promise.
Of the six away games Millburn won two. The younger girl team, the Marvels, kept the ball in the Summit and winning 4-0 on goals by Allison D'Esposito (2), Katherine O'Leary and Holly Lemkau. The spring season champions, The Triumph, got off to a slow start losing to Chester 3-1. Karen King scored. Winning in Randolph is an accomplishment and The Express did it, 2-1, on goals by Jamie Horne and Danny Marcus. Danny Krauser was outstanding in goal as the Miracles lost to Iselin 1-0. The Hotspur found the game about 10 minutes too long, and despite scores by Rich Dunn and Jeremy Kestler fell to Chatham 4-2. Nip DeVeer and Brian Shack sparked on defense.
The Rowdies-Red traveled to Somerset Hills to meet one of the premier Division 3 teams in the state. Although short-handed the Rowdies gave a satisfactory performance in a 7-3 defeat. The Arsenal players stopped the Rowdies passing game but

George Dunn muscled through for two goals. Judd Emin was a defensive force.
Mercer golf champ
Virginia Mercer of Chatham won the championship flight of the women's East Orange-Millburn Golf tournament played September 15. Mrs. Mercer also won the club championship at Mount Taber Country Club this month.
Elle Brief of South Orange lost on the 32nd hole of the second round, five down and four holes to play.

The winner of the Beaten Eight Flight was Joan Mack of Convent Station. The first flight was won by Shirley Braun of West Orange, and the second flight was won by Mary Lou McBride of the township.

How do you like your lamb? We give you a USDA Choice.

Maybe you want to treat the family to a good old-fashioned roast Leg of Lamb with mint jelly on the side.

Or maybe you want to treat your guests like royalty with an extra-special Crown Roast of Lamb with little paper frills atop each chop.

Perhaps you want to broil a Butterfly Leg of Lamb on the barbecue just the way you'd broil a steak. Or marinate it into Lamb Teriyaki. Or cover it with crushed peppercorns for Lamb Steak au Poivre. Or pick up some Boneless Lamb Cubes for Barbecued Ka-Bobs.

And don't forget about good-old broiled Lamb Chops, Lamb Stew or any other favorite lamb dish your family hasn't had in a while.

However you like it, we've got it. And it's all USDA Choice Fresh and nothing less. So you know it will bring you "oohs" and "aahs" because it's so tender and juicy. Which means it will also be enjoyed down to the last morsel.

That's the secret of buying "the bargain that's good to the last bite." And that's the kind of a bargain that makes shopping at Kings worth every penny—and then some.

But don't take our word for it.

Come check out the quality of our Lamb Specials this week. And while you're at it, see what lambs our butchers are when it comes to friendly service and helpful advice.

THE  ITEM
OF MILLBURN and SHORT HILLS

FASHION SECTION
SEPTEMBER 22, 1983

WELCOME TO THE FASHION SCENE — Celine DiGiacomo of Coniston Road, a volunteer with the Junior League of the Oranges and Short Hills, is entering The Item office where pictures of township women were taken for this fashion issue. Her outfit, a gray flannel suit with white broadcloth blouse, paisley silk scarf and navy leather gloves, is from MADAM, ADAM'S SHOP FOR WOMEN, 1271 Springfield Avenue, New Providence.

There's a Fendi in your future. See our autumn forecast of exquisite handbags, totes and accessories, in sumptuous leathers and signature fabrics with that Fendi finesse.

AN
OPENING DAY CELEBRATION
FOR

FÊTE DE FRANCE

Bloomingdale's, Short Hills

Thrill to a carnival of jugglers, mimes and brass bands as we kick off our salute to France with a live can-can performance by The New Jersey Ballet! See a glorious hot air balloon take off before your eyes and be greeted at our doorway by a French gendarme armed amiably with colorful balloons and French flags for you.

Inside our store, you'll find a host of interesting things to see and do—strolling musicians in French medieval garb, cultural exhibits, French craftspeople demonstrating air-blown confections, "santons" (small terra cotta figurines), wood block textile printing, and hand silver engraving. La Provence on 4 becomes a cafe for a day with delectable French entrées, live music of the French renaissance and a photo essay of Paris to help set the stage. We'll also have runway and informal modeling of the latest in French fashion, plus a demonstration of sumptuous cuisine by Catherine Alexandrou of Chez Catherine.

And if that's not enough, you can browse through our many shops of imported fashions and products reflecting the best in French craftsmanship, creativity and ingenuity. Join us in a festive salute to a truly remarkable nation!

SWEATERED — Bonwit Teller featured this Marimekko sweater dress with large checks and wide sash in last week's fall fashion show at the Mall at Short Hills.

Fashion story unmatched for fall

Leopards, tigers and zebras are leaping through fashion this fall. Accessories are really big in a season that is not marked by strong changes in styles or in very many innovative ideas. And in accessories the dominant theme is wild animal skin patterns. The accessories include hats of real or stenciled fur, belts, boots, handbags and scarves of animal-printed silk and chiffon. Even jewelry designers have entered the jungle and have made earrings and bracelets in enamels and inlaid semi-precious stones in zebra or leopard patterns.

In dresses — the chemise, an easy-to-wear shape that is an old friend, is back in full force. The unwaisted style appears in both daytime and evening clothes and in many fabrics. To go over it are barrel-shaped coats with broad shoulders and fullness at the top. The chemise is the most comfortable of styles with no constricting waist band or belt, but it can be very chic as well, even while it hides some minor figure flaws.

Suits are of unmatched pieces with beautiful blouses more often than they are matched jackets and skirts; but the traditional suit is on hand too. Heavy sweaters of interesting and colorful knits and textures often double as jackets with narrow skirts and produce a casual look that seems just right for everyday wear. The heavy, very long cardigan is shown everywhere as a substitute for a jacket, even in the city.

Evening clothes continue their love affair with glitter that was predominant last

year. Sequins and rhinestones of all colors cover tunic blouses to be worn with narrow skirts, short or long, of silk or velvet. All-beaded short or long evening gowns are stunning and memorable for those who can afford them.

Beaded and sequined embroidery trims sweaters to throw over a plain, narrow dress for a festive note. This fashion is particularly important for the suburban woman because not all private homes, where most entertaining is done, are

warm enough for bare and sheer evening fashions.

High heels dominate the shoe market, and reptiles, both real and fake, are out in full force. To go with them are patterned, colored and lacy stockings. Fancy stockings have been popular for several years but this year they are really prominent, and the colored leg is everywhere to be seen.

It is the year of the cloth coat — beautiful coats, vibrant shades, every imaginable neutral, full shapes, narrow shapes.

something for everyone.

The Japanese designers, Issay Miyake, Yoji Yamamoto and Kawabubo, who appeared with such impact on the fashion scene for summer, are moving ahead with designs for fall. They use the interesting and complex fabrics that characterized their summer designs and drape luxurious folds over the body in unexpected ways for striking and unusual effects. In winter fabrics the fashions often appear cumbersome and less wearable for the average woman than the very full flow of the summer styles in light-colored and light textured materials. But these Japanese designers are still the only ones producing anything that really looks new and distinctive.

Fall fashion, although not offering much to startle or shock or even to give pique to a wardrobe, will be pleasing for everyone. The variety of styles, the essential conservatism of the collections even those from Paris, will make for a happy group of shoppers who will be well dressed and comfortable in their new clothes.

IT'S PARTY TIME — A sequin sweater and silk skirt will add to any festive occasion during the coming holiday season. These are from Party Collectables at ABRAHAM & STRAUS in the Mall at Short Hills.

STRUTTING THEIR STUFF — Animal prints lead the season's fashion parade. These Perry Ellis sweaters may be found at BLOOMINGDALE'S in the Mall at Short Hills.

Mall shop features fine leather goods

A branch of Fendi, known world-wide for fine leather goods, has opened at the Mall at Short Hills. The chic shop offers the finest in handbags, wallets and other leather accessories.

The firm was established about 50 years ago by Adele Casagrande Fendi and her husband, Edoardo Fendi. Her daughter, Silvia, has turned her talents to the coordination of shows. Sister Franca Fendi also creates handbag and luggage designs. Federica runs the family shop in Rome and Alda, the atelier. Sister Carla concentrates on the business end of the enterprise.

Diet Center suggests correct carbohydrates

Carbohydrates, commonly referred to as sugars and starches, are nature's "energizers." Many people, however, fail to realize the importance of choosing the correct carbohydrates. Foods made of refined sugars provide instant energy at the expense of long-term energy, fiber and bulk.

Instead, choose and use the "right" carbohydrates by following these guidelines from the Diet Center, 480 Morris Avenue, Springfield.

Eat a variety of dark, green

vegetables. Lightly steam vegetables. Eat the skins of fruits and vegetables. Finish your meal with fruit for dessert.

Eat one large salad each day, containing three cups of five to seven varieties of vegetables. Shop the outside aisles of fresh produce at the grocery store. Diet Center recommends you choose only those carbohydrates found in "nature's wrapper."

BAGGING BUSINESS - This Stepan bag and briefcase will carry your essentials with style. They are available in mushroom in an exciting new fabrication at FLORA GROSSMAN HAND BAGS, Essex Green Plaza, West Orange.

THE BODY WRAP™
of Millburn, Inc.

387 Millburn Ave., Millburn, N.J.

Wrap method subtracts inches without harm

The Body Wrap has come to Millburn and technicians say it is a safe, healthful and relaxing way to trim up to six inches from your body in one treatment.

The salon, located at 387 Millburn Avenue, provides a method of taking off inches and tightening skin in only 70 minutes and the patron may determine where the inches will come off — hips, thighs or stomach.

The process works this way. Technicians wrap the patron's body with 8-inch wide elastic bandages soaked in a secret mineral solution. The Body Wrap is applied tightly to areas needing inch loss and lightly to areas where only skin tightening is desired. A "wrap suit" put on over the Body Wrap helps to keep the body cool.

Technicians assure customers that Body Wrap is not a dehydration process. Inches lost will not return unless the person gains weight to put on new inches. This promise is backed with a money-back guarantee.

Body Wrap now operates a nationwide chain of salons where, in 1982, more than 500,000 wraps were done and more than 100 miles of fat removed from American men and women.

For more information on Body Wrap those interested may call 467-9600.

WE'VE NEVER MET, BUT I KNOW YOU...

....you're just like I used to be.

Does this sound familiar? For years I had a weight problem. I was insecure and self-conscious. Shopping for clothes was depressing. I wanted to lose weight, but none of the diets I tried worked for long. Then a friend told me about Diet Center. I lost those extra pounds and learned the value of sound nutrition and how to control my weight for good. Now, I'm proud of myself. I love to shop for clothes, and I'll never be overweight again. If you're like I used to be, maybe it's time you tried Diet Center too.

Store specializes in fitness fashions

What's pink or blue or striped or gold, and looks like a page out of Vogue? It's today's active woman. And where, outside of New York City, can the active woman find today's look in physical fitness fashions? Where can the active woman put the right color in her dance, the right rest into her aerobics, the right "go for it" spirit into every move she makes?

Until Kenny's for Physical Fitness opened its doors in Millburn and Westfield, the answer was nowhere. Kenny's specializes in bringing physical fitness and active women together - and right in step with the virtual explosion of new and exciting "vogue on the go" looks, Kenny's in Millburn, located at 987 Millburn Avenue, has been completely renovated.

The Millburn store is designed with fashion in mind. "We have one of the most complete cross-sections of major designers' lines," said Kenny Baroff, founder and co-owner of Kenny's. "Of course, followed that the store should reflect our concern for quality and fashion."

But even more, Kenny's puts the accent on fun. As part of its grand opening celebration, the store is having a unique sale. With every purchase, customers select one of many inflated balloons which decorate the entire store. Inside these balloons Kenny's patrons discover prizes that range from handsome discounts on their purchases to gifts related to the store's theme.

"This sale," said Gary Jaffe, Kenny's partner, "is not only one way we plan to put the spirit of Kenny's for Physical Fitness into the act of shopping. Look good, feel good, and have fun doing it - that's what it's all about."

The celebration is going on all week with refreshments, discounts, prizes and an open invitation for fun. For further information, call Kenny's at 376-1000.
