Year in Review

Dear Friends of the Fraternity and Sorority Life Community at MTSU,

During the 2009-2010 academic year, the MTSU fraternity and sorority community experienced growth and development in some areas, and were challenged in others. The Greek Life Annual Report is intended to highlight the achievements of the Greek community over the past year, as well as identify opportunities for improvement. There are many significant accomplishments that made the 2009-2010 academic year a success. Some of the highlights are as follows:

- The formation of the Multicultural Greek Council. The Multicultural Greek Council was formed in September of 2009 and serves as the governing body for Lambda Theta Alpha and Lambda Theta Phi.
- The addition of three fraternities (Kappa Sigma, Lambda Theta Phi, and Iota Phi Theta), and the reactivation of one sorority (Zeta Tau Alpha).
- The reactivation of Order of Omega. Order of Omega is a Greek honor society that recognizes juniors and seniors who have exemplified high standards in the areas of scholarship, leadership, involvement within their respective organization and within the Greek, campus and local community. Members are selected from the top 3% of Greeks at MTSU.
- The reactivation of the Greek Life Task Force. The Greek Life Task Force is comprised of students, staff, faculty, advisors, and other constituents that are committed to the MTSU Greek community. This group worked to assess the strengths and weaknesses of the Greek community in an effort to create a strategic plan for the MTSU Greek community.
- Creation of the New Member Education Program. The New Member Education Program serves as an opportunity for new members to become familiar with the Greek community at MTSU. Additionally, members were presented with an anti-hazing workshop.
- Sexual Assault Trainings. The Office of Greek Affairs partnered with the June Anderson Women's Center to offer these trainings to the fraternity and sorority community.

While we had many successes this year, it is imperative that we acknowledge our challenges. Many of our issues were associated with a lack of commitment to fraternal values. Those challenges included alcohol violations, hazing, poor decision making, apathy, and low accountability amongst the Greek community. As you reflect upon this report, we ask that you begin to think critically about how we partner to create a Greek community that is true to its fraternal values as well as those of the University. As we enter our 41st year as a Greek community, we are embarking upon uncharted territory, and hope that you will join us as we strive to be one of the nation's premier fraternity and sorority communities.

We thank you for your supporting the fraternal movement and the Fraternity and Sorority community at MTSU, and hope that you will continue your involvement in the future.

Interfraternally,

Angela N. King
Director

Coordinator

Governing Council Updates

Interfraternity Council Update

The MTSU Interfraternity Council welcomed 248 new members into the community during the 2009 – 2010 academic year. This includes 39 members of the MTSU Colony of Kappa Sigma. The Interfraternity Council placed a focus on membership recruitment during the past year. The governing council sponsored “Phired Up” resulting in an increase in recruitment registration and new members pledged.

Multicultural Greek Council Update

The MTSU Multicultural Greek Council welcomed 11 new members, including 4 new members of Lambda Theta Phi Colony. The MGC was established in Fall 2009 with two member groups. This is MTSU's fourth and newest council in the Greek community. The inaugural MGC Week was extremely successful. A forum was held to discuss multicultural stereotypes and promote cultural awareness called “Exposing Stereotypes.” The week ended with a Barbeque picnic.

National Pan-Hellenic Council Update

The MTSU National Pan-Hellenic Council welcomed 79 new members. This includes the 4 new members of Iota Phi Theta, NPHC's newest colony. NPHC held a successful Step Show, a tradition on the MTSU campus. NPHC will begin a new tradition in 2010 – 2011; funds raised through the annual Step-Show will fund a scholarship for members of NPHC.

Panhellenic Council Update

The MTSU Panhellenic Council welcomed 256 new members. This includes 71 members of Zeta Tau Alpha, who reactivated this year and became the sixth NPC member organization at MTSU. The traditional Halloween Carnival and Easter Egg Hunt were a success with the campus and local community. This past spring, the Panhellenic Council hosted a NPC consulting team to assist in reorganization.

Fraternity and Sorority Highlights

Greek Week 2010

Greek Week 2010 was the culmination of a busy year for the Greek Community. It was a fun and eventful week! MTSU's Greek Week included:

- Greek Letter Day/Center for Student Involvement and Leadership Reception

Greek Task Force formed

On November 23, 2009, the first meeting of the Greek Task Force was held. The task force is composed of Greek students, advisors, National Greek organization officers, and University staff. Their charge is to "address the current condition of the Greek system: the role of the four governing councils; relationships between chapter, governing councils, the Greek Affairs office/staff, and the university; and recommendations for enhancements and changes to improve the system and insure the long term health of the Greek community." To date the committee, has reviewed the consultation report completed in 2003, and held a retreat facilitated by Tom Jelke, a prominent Fraternity/Sorority consultant. The committee has prioritized common community themes, written a vision and mission statement, and identified shared core values. The task force is in the process of creating a strategic plan that will guide our community into the future. Angela N. King, Director of Greek Affairs, serves as the chair, and Megan Carter, Chapter Advisor for Alpha Delta Pi, serves as the co-chair.
