Commodore's WELCOME

Townsville Yacht Club is a stable, friendly, outgoing club and a long standing important part of the Townsville Community and its history. It has a growing membership and offers support to all sailing, boating and on water activities in Townsville and North Queensland. We welcome all those who have an interest in these activities.

The Club's Board of Directors are enthusiastic and innovative. We have facilities that are modern, engaging and well run. We have an excellent marina, great staff, enjoyable social activities and active yacht racing, cruising and motor boat members.

We actively support all our membership and look always to the future by encouraging youth and educational on-water activities. The club has a great ambience that makes socialising, dining and entertaining for friends and family really enjoyable and affordable.

On behalf of our members and our Board, I invite you to consider membership of our Club and besides enjoying our great facilities, you will then also be able to take advantage of the benefits that membership entitles you to.

John Stokes
Commodore
Townsville Yacht Club

Welcome to the **TOWNSVILLE YACHT CLUB**

Townsville Yacht Club is one of North Queensland's best-loved yacht clubs, catering for a thriving membership with a diverse range of boating interests.

Located in Plume Street, just off the Palmer Street eating precinct, the club's location is both spectacular and convenient. It is a gem waiting to be discovered.

The club has its own 165-berth modern marina, with opportunities for short and long-term rentals and berth ownership. It offers many state-of-the-art amenities including CCTV security.

Members enjoy a full calendar of sailing events throughout the season, which features competition for the Commodore's Cup, the very popular Wednesday Twilight sailing and a Good Friday offshore race to Orpheus Island.

The highlight of the club calendar is Magnetic Island Race Week. Held in September, it attracts competitors from around Australia eager to enjoy keen competition in a number of classes and the equally appealing social scene after racing.

The clubhouse and popular decking area offer wonderful views out over the tranquil waters of Ross Creek. We are open for lunch and dinner seven days a week and drinks all day.

We offer a very reasonable membership with valuable benefits, and also welcome visitors to enjoy a meal, glass of wine, the boats bobbing on the water and the bright lights of Flinders Street East.

The clubhouse is an excellent choice as the venue for functions, offering a range of function areas, perfect for anything from a wedding reception or birthday party to a conference or board meeting.

The club's staff and members are friendly and welcoming and we look forward to seeing you soon.

Live life today and everyday ...

Celebrate Life

They say life isn't measured by the number of breaths we take, but the moments that takes our breath away.

Moments of sheer joy, precious moments of family life, moments of incredible sadness.

Moments that take you completely by surprise.

They're all moments, best shared ... *Together*

Pre-plan your funeral arrangements with us for peace of mind and enjoy your leisure time..

About THE CLUB

Townsville Yacht Club can trace its history right back to the 1950s, when the Townsville Motor Boat Club leased land in Plume Street from the Townsville Harbour Board.

That Club initially built a clubhouse (a shed might be a more accurate term!) on that land. Then in 1969, the present clubhouse was built.

In recent years, though, the club has grown and developed to cater for people with an interest in recreational boating activities of all kinds. Whether your preference is sail or power (or both) you will be made equally welcome.

We also enjoy a great relationship with the Townsville Game Fishing Club (TGFC),

who hold their monthly meetings at the Club and the majority of their weigh-ins. Each August the TGFC run their Bill Fish Challenge which the Club hosts. For more info, visit tgfc.org or search for "Townsville Game Fishing Club" on Facebook.

In 1984 the Townsville Cruising Yacht Club joined with the Townsville Motor Boat Club to form the Townsville Motor Boat and Yacht Club Limited (TMBYC).

Email: obchiro@bigpond.com

That same year, the new club took the ambitious step of leasing the seabed adjoining the Plume Street site from the Department of Harbours and Marine and began work on a 65-berth floating marina.

The club was able to secure a freehold title for the Plume Street site in 1998, thereby guaranteeing our long-term future.

The magnificent 165-berth pontoon marina that you see today was completed in July 2009 at a cost of \$8million. In June of that same year, TMBYC changed its trading name to Townsville Yacht Club (TYC).

The club has come a long way since those early days and we hope those early pioneers would be pleased by the present-day facilities. Our aim, always, is to maximise the benefits to our members by becoming the premium marina for recreational boating activities within the North Queensland region and an integral partner in the Palmer Street dining and entertainment precinct.

In September 2017 the club underwent renovations with the aim to keep the club fresh and modern. We wanted to bring the outside in and open up our indoor dining areas, so bifold doors were added making it a flexible function/dining space.

We have improved our main entry to include a modern reception/visitor sign-in area and a more convenient food ordering counter. The members and Board love the new feel to the club.

Marina SERVICES

Townsville Yacht Club has been serving the boating community in North Queensland for the best part of 70 years.

In 2009, the club completed a multi-million dollar redevelopment of its marina facilities, further strengthening its position as one of the leading yacht clubs in Northern Queensland and ensuring it continues to be the destination of choice for discerning boaties travelling up the East Coast.

Our marina has redefined the meaning of top-of-the-line amenities. The marina has 165 berths (including regatta berths) and is able to accommodate vessels up to 20 metres.

All the berths are available for short and long term rentals and prices are competitive.

Best news of all? There is a depreciating rate the longer you stay. And who wouldn't want to linger longer with the club situated within walking distance to Palmer Street restaurants and their alfresco dining as well as the Great Barrier Reef Wonderland, museums and the popular Strand!

The club is situated at possibly the safest bolt hole on the Eastern Coast, well up the Ross Creek and protected on all sides. The yacht club has a manned office in normal office hours, and monitor channels 16 and 77. There is a dedicated arrival berth with easy access.

The marina has top-of-the-line CCTV security for the fingers and there is a swipe key for ins and outs. Some berths have 3-phase and metered 240v electricity. The toilet block has 4 unisex ensuites and laundry facilities.

Booking ahead can be done over the phone by calling **(07) 4772 1192** or via the club website, **www.townsvilleyachtclub.com.au**.

The website also carries a list of current berthing rates.

Sailing PROGRAM

To many sailors, there is nothing to beat the buzz and the thrill of competition. If you fall into this category, then Townsville Yacht Club is the club for you as we are able to offer year-round competitive sailing in a variety of categories.

There are four quarterly series named the Tropical Series, Autumn Series, Winter Series and Spring Series. Each features a combination of Buoy Races, Fixed Mark Races, Offshore Races and Round Magnetic Island Races.

As well as vying to win individual races and series, the best and most consistent performers are aiming to land the big one: the Commodore's Cup, which goes to the

yacht with the lowest aggregate point score. In effect, this piece of silverware is awarded to the club's sailor of the year.

Townsville Yacht Club has always been proud to be an all-inclusive club offering equal opportunities for all and we champion female sailors. That is why the Lady Skippers Series, run on similar lines to and in tandem with the Commodore's Cup, is another important part of the club calendar.

In addition, in 2017 we hosted our inaugural GaLS Regatta - Girls and Ladies Sailing. Designed to promote and develop women's sailing in North Queensland, this event supports our region's female sailors as they develop and hone racing skills, challenge themselves and compete with likeminded women. The event has attracted crews from Cairns, Newcastle, Mooloolaba and Melbourne. The regatta aims to create friendships and camaraderie to ensure all competitors' sailing experiences at the Townsville Yacht Club are fun and rewarding.

The club also supports events held by other clubs, such as Port Douglas, Airie Beach and Hamilton Island Race Weeks. Members also take part in the Australian Women's Keelboat Regatta and we even have competitors in such prestigious events as the Sydney to Hobart Yacht Race.

It's not all about trying to emulate your Olympic heroes, however. Sailing for leisure, pleasure and relaxation can be equally rewarding and there is plenty of opportunity to enjoy this too.

Each Wednesday evening the Club holds a social Twilight Sail in the tranquil waters of Cleveland Bay. A short pursuit-style sail is followed by prize giving, socialising, and raffles at the TYC.

Anyone interested in becoming involved in sailing or who just want to try it out is welcome to come down to the Townsville Yacht Club on a Wednesday evening.

Visitors or guests who are not club members will need to fill out a registration form and hand it in at the Registration Desk by 5pm on the day.

These forms are available from the club or can be downloaded from the website.

Visitors will be assigned to one of the club members' boats as long as there are sufficient spaces available.

If you can't get on a boat that night, keep trying!

In addition to Twilight Sailing, owning a boat (or knowing someone who does!) gives the opportunity to take off and explore some of the delightful bays, beaches, inlets and islands either close to home or further afield.

Members go off on impromptu cruises together and a large flotilla takes part in the big cruises of the year, the Australia Day Cruise and the always-popular Herald weekend which signals the end of the racing season.

The destination for the Australia Day Cruise varies from year to year and can be dependent on the weather forecast, but the day will generally feature lunch on the beach, a few drinks and a not-so-serious game of cricket where sledging is positively encouraged!

Whether planning your first short trip or that initial long-distance journey, fellow members are there for advice, support and friendship. This group environment is hugely enjoyable and if travelling with fellow members offers the reassurance to the inexperienced boatie that someone will be able to help out should things not go as smoothly as planned.

TOWNSVILLE YACHT CLUB

“ There is also always a contingent of overseas sailors that arrive to join the fun ”

Magnetic Island RACE WEEK

Townsville Yacht Club has a number of prestigious sailing events in our calendar, the biggest being SeaLink Magnetic Island

First run in 1997 and having celebrated its 10th anniversary in 2016, the event follows on from the Airlie Beach and Hamilton Island Race Weeks and is the finale of the Queensland Season of Sailing.

The courses feature a combination of shorter round-the-buoys races on Cleveland Bay and passage races on the magnificent sailing waters around stunning Magnetic Island, enabling the winners to prove their superiority in all types of course configurations. For some divisions the race committee even has the option of setting more than one race on some of the regatta days.

The mid-morning race start times allow for a pleasantly gentle start to the day for the sailors who will be drawn to the island from around Australia and from Northern Queensland. There is also always a contingent of overseas sailors that arrive to join the fun.

Generally, competitive racing is scheduled for Friday, Saturday, Monday, Tuesday and Wednesday, with presentations taking place after the final race. Sunday is set aside for the popular Magnetic Island fun day which attracts competitors, locals and visitors to the island to enjoy a festival-type atmosphere on Maggie.

The classes for the 2018 event were: IRC Racing, Cruising with Spinnaker/ Performance Handicap, Non Spinnaker and Multihull Racing.

SeaLink Magnetic Island Race Week has continued to develop and grow. As organisers, the club is continually exploring ways to refine and improve it to reflect the ever-changing trends in our sport and ensure the sailing continues to meet the needs of competitors.

The aim has been to create an event that is all encompassing and appeals to as many classes of boat as possible - so there really is no excuse not to take part!

While the racing is serious, there is a great social feel to the event, with live music as well as good food and drink available on the deck at Peppers. Once the day's competition is finalised, competitors unwind at the popular "Yachties Hour", talk about the day's sailing and enjoy the special atmosphere.

Legend has it that Magnetic Island got its name because of the strange effect it had on the compass of Captain Cook's ship as he sailed up the East Coast back in 1770. But perhaps there's another explanation: it's also plausible he felt the unique pull exerted by "Maggie".

It really is as if there's a Magnetic attraction because you're drawn to this place and once you've discovered its charms, it is very difficult to leave. That's why so many of the competitors who race in Magnetic Island Race Week return to take part year after year.

Magnetic Island Race Week takes place annually in early September.

For more details, take a look at the event's dedicated website, www.magneticislandraceweek.com.au. Here you can read more about the event, catch up with all the latest news, view great photo galleries of past events, read the Notice of Race details and even enter online.

Become A MEMBER

Interested in joining one of the friendliest and most well-respected clubs in Australia? We would be happy to welcome you aboard!

Townsville Yacht Club is a dynamic club offering a wide range of off and on-water activities for our members.

Whether your interest lies with yacht racing, powerboating, fishing, cruising or simply making friends in a social atmosphere, then Townsville Yacht Club is the club for you.

Ordinary memberships open up many benefits and are available for the annual equivalent of a little more than three dollars a week. Ordinary membership is compulsory for all long-term marina users.

A family club, we offer substantial discounts to junior members and there is also a low cost Social Membership which gives access to the club's excellent facilities. TYC really is a great place to bring friends.

Any person who sails in more than three races during the sailing season must become a TYC Racing Membership which includes an Australian Sailing number. This membership incorporates affiliation with Yachting Queensland (YQ) and Australian Sailing (AS) and brings additional benefits such as insurance for racing.

Membership applications are available at the Townsville Yacht Club office or bar and can be entered on-line on the club's website. For further details about the membership categories and current subscription rates, please call the club on **(07) 4772 1192**. If you're in the area, please introduce yourself and we would be delighted to show you everything we have to offer. Joining Townsville Yacht Club could be one of the best decisions you make this, or any other, year.

Member BENEFITS

Some of the compelling sailing and social reasons to become a member at Townsville Yacht Club include:

- Spectacular location, with expansive marina and waterfront views
- Full use of the dining and bar facilities offered by the club
- Discounts on meals and beverages at the bar or bistro on presentation of your membership card (non transferable)
- Use of the club's car park when enjoying the club's facilities. (Ordinary Members only when boom gate is in use)
- Cash prizes in the weekly members' draw held on Friday nights (must be present to win)
- A networking opportunity that is second to none with like-minded people in a relaxed and social atmosphere
- A first-class social calendar that offers a huge variety of activities from BBQs to black tie events
- Reciprocal membership with most yacht clubs throughout Australia (excludes discounts)

We are a local business proudly supporting the Townsville Yacht Club and the local community.

Additionally, sailing members enjoy:

- Australian Sailing membership which provides sailing accident cover and discounts
- Members' Draw entry following races and at cruising/social events
- Use of modern, well-maintained facilities, including changing rooms
- TYC Social Racing membership includes Australian Sailing membership and costs \$200 annually**
- Secure location for boat storage with CCTV and swipe card security
- TYC membership starts at \$50 annually for a Social Member and \$160 for Ordinary Members**
- Participation in club racing events
- Discounts for cruising and social events
- ** = correct at time of going to press

Clubhouse and RESTAURANT

The spacious, modern clubhouse offers a comfortable home from home to members of Townsville Yacht Club and their guests.

But it is also a social hub for the local community, who are equally welcome to enjoy a delicious meal on our main deck overlooking the marina, or pop in and catch up with friends while enjoying a coffee or something stronger.

The club is fully licensed with a selection of draught and bottled beers, a choice of fine wines, spirits, delicious cocktails and an extensive range of soft drinks.

There is also a fabulous decking area outside, offering magnificent marina and waterfront views. It's a great spot to spend a warm summer evening after racing or being out on the water.

The menu features fresh produce sourced locally and with the emphasis on quality and value it's little wonder that so many members frequent their restaurant.

If you're looking for a relaxed setting by the water, great value and friendly service, then the Townsville Yacht Club is the place for you. We're open for lunch and dinner seven days a week, offering sumptuous meals for all to enjoy. A bar menu for all day dining is available on Fridays and at weekends.

Bookings are advised.
Call the club on (07) 4772 1192
to reserve your table.

Functions and SPECIAL OCCASIONS

Townsville Yacht Club is delighted to be able to offer top class dining, events and function facilities all year round to members and visitors.

Our magnificent venue is right in the heart of Townsville and offers a stunning setting for any occasion.

The club has developed an enviable reputation for its function hosting and makes an excellent choice for that wedding reception, cocktail party, business seminar, end-of-year celebration, birthday party, reunion or any other event you choose to enjoy. We make an excellent choice for that special dining experience.

Townsville Yacht Club has two function areas available for private use. Choose from the air-conditioned Mariner's Room

seating up to 80 people with bifold doors opening up and great views over the marina. Or the Deck with stunning views over the marina and a capacity of up to 120 depending on your desired configuration. We also have our Foredeck for more relaxed drinks and platters or a dinner for up to 40 people.

We understand that every function is a truly unique event and we are more than happy to tailor a package specifically for you. We supply catering with a variety of options available from platters to set menus or buffets to suit your budget.

Our dedicated team appreciate the preparation required to conduct a successful event and strive to exceed the expectations of our clients and their guests. With our friendly and professional staff readily available to help you in any way they can to make your special occasion an event you will always remember.

Right in the city with stunning indoor and outdoor facilities, our venue is convenient for any function.

If you have guests coming from afar, Townsville International Airport is a ten-minute taxi ride away and offers excellent links to most major Australian cities and accommodation located across the road and along Palmer Street.

Our indoor and outdoor function areas are complete with panoramic marina views to guarantee you and your guests a truly memorable experience.

If you would like to view our facilities and discuss your plans in more detail, please do not hesitate to contact us to arrange an appointment. Simply call our Function Coordinator on **(07) 4772 1192** or visit our website **www.townsvilleyachtclub.com.au**.
