

CFAES

OHIO STATE AT NEW STUDENT ORIENTATION AND ENROLLMENT HANDBOOK

**THE OHIO STATE
UNIVERSITY**

COLLEGE OF FOOD, AGRICULTURAL,
AND ENVIRONMENTAL SCIENCES

2020-21

Congratulations on becoming a BUCKEYE!

Welcome to Ohio State ATI at the Wooster campus of The Ohio State University College of Food, Agricultural, and Environmental Sciences (CFAES)!

In this booklet, you will find important information about how to prepare for your orientation day at ATI. For example, you have some important steps to complete before your arrival at orientation (see Page 3). Most importantly, you must take your math placement test **ten** days before your orientation date. You might also need to complete an English placement test, which also needs to be taken **ten** days before your orientation date. See Page 2 for your placement test requirements.

We want to help you understand what is going on during orientation so that you can make the most of your day. At orientation, you will receive your BuckID card, meet with a faculty advisor, and enroll in classes. You will also meet some returning students as well as students who are enrolling with you.

If you need to change your orientation date or other information, please call us at 330-287-1305.

We encourage you to share this handbook with your parents, guardians, or others who are supporting you as you begin your college journey.

We are eager to answer your questions and look forward to seeing you for a fun and informative day.

Go Bucks!

Kristina Boone, Director

Getting Started

This handbook is your guide to orientation, so we recommend that you bring this with you to orientation. Follow each step to complete your enrollment and prepare yourself for the event.

Orientation is designed to get new Buckeyes off to a strong start. At orientation, you will:

- learn what is expected of you, both in and out of the classroom, as a student of The Ohio State University.
- attend group advising sessions to learn more about your area of study and to schedule classes for autumn semester.
- meet other incoming Ohio State students.
- complete university business, such as getting your BuckID and setting up your iPad, if you are eligible.

Orientation is mandatory. Students are expected—and family members are strongly encouraged—to participate in all orientation activities.

YOUR

ENROLLMENT

INFORMATION

Name:

Ohio State ID#:

Ohio State Username (name.#):

(This will also be part of your student email address.)

Ohio State Password:

(Please note that you will be required to change your password every 180 days. We recommend that you check to see whether your password is active prior to attending orientation.)

Orientation Date:

Required Placement Test(s):

(These must be completed ten days prior to your scheduled orientation date.)

Registered Number of Guests (limited to 2):

Major:

(If you would like to change your major, please contact Jill Gallion at gallion.9@osu.edu or 330-287-1303.)

Faculty Advisor:

Orientation Checklist

Prior to orientation, you will need to:

- complete your housing contract.** All 2020 high school graduates are required to live on campus unless qualified for an exemption.
- complete your math placement test—and your English placement test,** if required (see Page 2)—at least **ten** business days prior to your scheduled orientation.
- complete your medical history and immunization record before beginning classes.** Visit Student Health Services at shs.osu.edu for further information.
- research potential placement, CLEP, AP, and IB tests to determine whether you need to take any of them before enrollment.** Have your scores sent to The Ohio State University Testing Center: 585 Student Academic Services Building, 281 W. Lane Ave., Columbus, OH 43210.
- request that your final, official academic transcripts from high school and any college-level work be mailed, as soon as possible after graduation,** to the Office of Undergraduate Admissions: P.O. Box 182646, Columbus, OH 43218-2646. Your financial aid will be held until your final transcripts are received. Your enrollment for the spring semester will also be held until final transcripts are received.
- request that your College Credit Plus transcripts from the college/university from which you received credit be mailed** to the Office of Undergraduate Admissions: P.O. Box 182646, Columbus, OH 43218-2646. These transcripts must be mailed directly from the college/university from which you received credit; classes listed on your high school transcripts will not be accepted.
- complete the College Student Inventory and ATI New Student Form** on your To-Do List (see Page 8).

Orientation Checklist

On the day of orientation, you will want to bring:

- your Ohio State username (name.#) and password.** Please store this information in your phone (or write it in the indicated space on Page 2), as you'll need it to enroll.
- any required financial aid verification items and/or external scholarship checks** (if applicable).
- a sweatshirt or light jacket;** some of our meeting rooms may fluctuate in temperature.
- an orientation folder** in which you can carry:
 - *a picture ID (drivers license, state ID, passport) is required for your BuckID and, if eligible, for an iPad.*
 - *an official or unofficial copy of your transcripts or a list of courses taken.*
 - *transcripts of any college-level coursework, completed or in progress, including College Credit Plus taken at your high school, online, or at another university.*
 - *questions you have written down for your faculty advisor and/or other campus office associates.*
 - *ideas you have written down about majors and/or careers.*

Orientation Schedule

Orientation will be held at the Wooster Campus Conference Center (formerly known as Shisler Conference Center):
1680 Madison Ave., Wooster, OH 44691.

Student Schedule

8–9 a.m.
Check-in and Refreshments

9–9:30 a.m.
Welcome and Opening Session

9:30–11:30 a.m.
Required Morning
Information Sessions

11:30 a.m.–12:15 p.m.
Lunch

12:15–12:45 p.m.
Campus Awareness Session

12:45–2 p.m.
iPad Distribution/BuckID

2–4 p.m.
Advising

Parent Schedule

8–9 a.m.
Check-in and Refreshments

9–9:30 a.m.
Welcome and Opening Session

9:30–11:30 a.m.
Required Morning
Information Sessions

11:30 a.m.–12:15 p.m.
Lunch

12:15–12:45 p.m.
Campus Awareness Session

1–1:45 p.m.
Director's Panel

2–2:45 p.m.
Parent and Family Orientation Session

2:30–4 p.m. Campus Resources

Located in the Wilson Lobby of the Wooster Campus Conference Center. Campus professionals will be available to answer questions about resources available to students.

Required Morning Information Sessions

Families may go to various sessions in order to gather as much information as possible. Here are the six sessions offered in the morning. Please select four to attend.

➤ **University Housing Residence**

Life: Led by Mick Steiner and Caitlin Blake, housing senior staff, this session introduces students and parents to the services, programs, and facilities of ATI's Residence Life program. The session includes a review of policies, tips about what to buy and what to leave at home, and so much more!

➤ **Student Programming and**

Life Session: The Office of Student Programming and Life's mission is to promote intentional involvement, facilitate leadership development, and encourage student growth. We encourage you to take advantage of your Ohio State ATI experience through student organizations, enriching leadership programs, and engaging campus programming.

➤ **Financial Aid and Scholarships:**

During this session, learn to navigate your financial aid award in Buckeye Link. Review a breakdown of estimated costs, financial aid assistance, budget worksheets, and alternative financing options. Federal work-study and scholarships are also discussed. Any verification forms that need to be completed are also reviewed. Families may turn in external scholarship checks and verification forms at this time or during the Campus Resources session in the afternoon.

➤ **Buckeye to Buckeye:** Hear from Orientation Ambassadors during this session. These student leaders share what the student experience looks like at Ohio State ATI. They also discuss important resources and answer your questions about being a new Buckeye.

➤ **Doing Business Buckeye Style:**

Learn how to use Buckeye Link to take care of the business of being a Buckeye! This session offers information about how to access your statement of account in order to review your tuition and fees, your payment options, the student health insurance requirement, and information on the student information release.

➤ **Inspiring Academic Success:**

Questions about class, homework problems, iPad apps, Carmen, scheduling, or transitioning to Columbus? Academic Affairs wants you to succeed, and we intend to do all we can to make that happen!

Required Afternoon Information Session

➤ **Campus Awareness:** The sergeant of The Ohio State University Wooster Campus Police discusses the staffing and services of the campus police department. In addition, he addresses campus safety, transportation, health services, and making good choices.

Required Afternoon Information Sessions for Parents

➤ **Director's Panel:** Parents can meet and address questions to Ohio State ATI's administration. Plans for the academic year are also discussed.

➤ **Parent and Family Orientation Session:** College is a time of transition for both students and parents. Residential and commuter students will face many challenges such as managing new freedoms and responsibilities, leaving home, and potential stress due to a large academic workload. Group discussions at this session allow for experienced parents to share their stories while providing new college parents the opportunity to ask questions.

Placement Tests

If you are unsure about which placement test(s) you need, please refer to Page 2 of this handbook or contact Ella Lorentz at 330-287-1305.

Math and English placement tests must be completed **at least ten business days prior to your scheduled orientation**. If your placement test(s) aren't completed within this timeframe, you will be asked to reschedule your orientation date.

About Placement Testing

Placement testing in English and math helps determine the appropriate first course for you to take at Ohio State. Your ACT or SAT scores, Advanced Placement credit, and any college-level coursework including College Credit Plus (CCP) courses will determine your placement testing requirements.

While you may bring a copy of your ACT or SAT scores, AP test results, and transcripts of college-level coursework with you to orientation, you must arrange to have the official scores and official transcripts sent to the following address:

The Ohio State University
Office of Undergraduate Admissions
P.O. Box 182646
Columbus, OH 43218-2646

The math and English placement exams are only available online. The math placement exam is limited to 75 minutes. The English exam is not timed and does not have to be completed in a single sitting. If you qualify for accommodations and in-person assistance to complete either of the exams, please contact Student Success Services at 330-287-1258 to schedule an appointment.

Advanced Placement (AP) Tests

If you took AP tests and you come to orientation before the AP scores are available, you will schedule courses based on your placement results. Once AP results become available, we can adjust your schedule accordingly.

If you have not had your official AP scores sent to Ohio State's Testing Center, please bring a copy of your scores to orientation and contact the Advanced Placement Program at 888-225-5427 to have an official copy sent to The Ohio State University Testing Center: 585 Student Academic Services Building, 281 W. Lane Ave., Columbus, OH 43210.

ORIENTATION DATE	CCP AND TRANSFER TRANSCRIPTS DUE	PLACEMENT TESTS DUE
Wednesday, June 10	Wednesday, May 20	Wednesday, May 27
Thursday, June 11	Thursday, May 21	Thursday, May 28
Friday, June 12	Friday, May 22	Friday, May 29
Thursday, July 9	Thursday, June 18	Thursday, June 25
Friday, July 10	Friday, June 19	Friday, June 26
Friday, Aug. 7	Friday, July 17	Friday, July 24

Math Placement Test

All entering students are required to take the math placement test unless one of the following is true:

- ▶ You are a student who has received an AP Calculus test score prior to your orientation session, and you received a 3, 4, or 5 on the AB or BC exam. Official results must be sent to Ohio State.
- ▶ You are a student who has received IB scores prior to your orientation session, and you received a 4 or higher on the exam. Official results must be sent to Ohio State.
- ▶ You are a transfer student who has received transfer credit for a specific Ohio State math course (for example, the class shows as Math 1148 on your transfer credit report).

To take the test, follow the instructions below:

1. Go to <https://buckeyelink3.osu.edu/secure/math>. Log in using your Ohio State username (name.#) and password.
2. Thoroughly read the math placement test instructions, specifically noting the following:
 - You may use scratch paper, pencil, and a scientific or graphing calculator. Calculators with computer symbolic algebra or a QWERTY keyboard are not permitted.
 - The test has a time limit of 75 minutes. The time remaining will be updated after you answer each question. Please note that time continues to run even if you close the browser window, log off of your computer, or if you experience computer problems.
 - The test is entirely multiple choice, with only one correct answer per question.

At orientation, your faculty advisor will use this placement information to help you register for the appropriate math course. If your test results are a “U” (undetermined), you will need to re-test in person. To re-test, contact Adem Cakmak, math area coordinator at cakmak.3@osu.edu or 330-287-1244.

English Placement Test

Incoming students are required to take the English placement test if they have an ACT English score of 18 or below, or an SAT score of 480 or below. Students 21 and older are not required to take the English placement test; however, they are encouraged to take the test to determine the most appropriate class for their skill level.

If you are required to take the English placement test, it is indicated as ENG:Y on Page 2 of this handbook.

We highly recommend that you complete the test on a desktop or laptop. Please do not use your phone.

To take the test, follow the instructions below:

1. Log in with your Ohio State username (name.#) and password at carmen.osu.edu.
2. Select “ATI English Placement Exam 2020” from “My Courses.” If you do not see the course listed, be sure that “Other” is checked in the “Filter” box.
3. Complete the test as instructed.

If you have questions regarding placement or experience technical issues while testing, please contact Peggy Lindsey, English area coordinator, at lindsey.330@osu.edu or 330-287-1255.

Disability Services

In college, you may qualify for additional services, called accommodations (such as extended timing for tests, priority scheduling, etc.), but it is your responsibility to contact Disability Services. If you had an IEP/504 plan or have a learning disability, ADD/ADHD, a mental health condition, a mobility impairment, a medical or other condition, you may be eligible to receive accommodations. Contact Ruth Montz in Disability Services at 330-287-1247 or montz.11@osu.edu. You will be asked to provide documentation of your disability. Registering with Disability Services is not a one-day process, so you should contact Ruth Montz at least a few weeks before your orientation.

College Courses

If you want to receive transfer credit for college classes you’ve taken, including CCP, request that your final, official transcripts be mailed directly to Ohio State from the college where you completed your coursework. Courses listed on your high school transcripts will not be accepted and may cause a delay in evaluating your credit. Transcripts can be mailed to the Office of Undergraduate Admissions: P.O. Box 182646, Columbus, OH 43218-2646.

Financing Your Education

Your college education will be one of the most important investments you will ever make. It is important to consider all types of financial aid: scholarships, institutional grants, federal grants and loans, private loans, work-study, and Parent PLUS loans. Other financial assistance may be from family income or your savings.

It is important to keep track of your finances and to budget accordingly. First, determine what money you have coming in, which is essentially, your income. Second, figure out your expenses (direct and indirect costs), and third, determine your plan to save and pay for your expenses based on your financial aid award.

Check your current Ohio State ATI financial aid status at buckeyelink.osu.edu. Once you log in, click on “View Financial Aid,” then “2021 Aid Year.” Here, you can view the following tabs.

- ▶ **“To-Do List”**: This includes any required verification items. If these items are not currently overdue, please bring them with you to orientation. If they are overdue, please submit them via the options on the bottom of your verification forms for timely processing. Direct Loan Entrance Counseling and Sub/Unsub Loan Master Promissory Note (MPN) will be listed here and *must* be completed *only* if you accept your federal student loans.
- ▶ **“Student Financial Aid (SFA) Status”**: View when we received your Free Application for Federal Student Aid (FAFSA), and view your estimated cost of attendance. The link to Ohio State’s Satisfactory Academic Progress policy provides details on the eligibility requirements to maintain future financial aid.
- ▶ **“Award Summary”**: View your financial aid award offer (may include scholarships, grants, and loans). Accept/decline loan offers. Print your Award Summary, if desired. Parent PLUS loan eligibility may be available; apply at studentaid.ed.gov.

Estimated Costs

Review the charts below to determine your estimated costs based on whether you are a freshman or a transfer student, an Ohio resident, or a non-Ohio resident, and whether you will live on or off campus. In these charts, “off campus” implies that you are a second-year student or a transfer student who plans to live off campus, not with a parent or guardian. Ohio State ATI has a one-year, on-campus living requirement for all incoming freshmen unless you currently reside within 25 miles. You must complete a housing exemption form if you meet the commuter requirement as a freshman.

2020–21 ACADEMIC YEAR

Incoming Freshman or Transfer, Ohio Resident (living on or off campus)

Category	Estimated Cost
Tuition and Fees	\$7,912
Room and Board/Living	\$9,424
Books and Supplies	\$1,082
Miscellaneous/Personal	\$4,688
Total Estimated Cost	\$23,106

Incoming Freshman or Transfer, Ohio Resident (living with parent or guardian)

Category	Estimated Cost
Tuition and Fees	\$7,912
Room and Board/Living	\$3,652
Books and Supplies	\$1,082
Miscellaneous/Personal	\$6,920
Total Estimated Cost	\$19,566

Incoming Freshman or Transfer, Non-Ohio Resident (living on or off campus)

Category	Estimated Cost
Tuition and Fees	\$28,888
Room and Board/Living	\$9,424
Books and Supplies	\$1,082
Miscellaneous/Personal	\$5,522
Total Estimated Cost	\$44,916

HELPFUL HINTS

All financial aid disburses equally between both autumn and spring semesters. The only exception is if an external scholarship denotes only one-semester disbursement or if an external scholarship or other aid is accepted/applied later in the academic year.

Financial aid will appear as “pending” on your Statement of Account until approximately 10 days before the start of the term, at which time it will be applied to the total charges and appear as an itemized payment.

Complete the Student Information Release to grant a parent/guardian access to contact Ohio State with any academic, financial aid, or statement of account questions and to grant federal Title IV permissions for financial aid to be applied to all charges. Log in to **bucketlink.osu.edu** to complete these items.

If offered federal work-study money, make sure to accept it on your Award Summary. Then, start applying this summer for a campus job for the upcoming school year.

- Federal Work-Study job board: **sfa.osu.edu/jobs/job-board**.
- Didn't qualify for federal work-study? Apply for other campus employment opportunities: **ati.osu.edu/currentstudents/moneymatters/student-employment**.

For private loan options, explore Ohio State's FASTChoice tool: **choice.fastproducts.org/FastChoice/home/309000/1**. Private loans average three to four weeks to complete, so plan accordingly.

If your family's financial situation has changed drastically since you completed your FAFSA, you may be eligible to file an appeal. For more information, contact Julia Morris, coordinator of student financial aid, at 330-287-1214 or **morris.878@osu.edu**. You may also call Buckeye Link at 614-292-0300.

Did you receive one or more external scholarship checks? Way to go! Bring any checks with you to orientation or mail them directly to:

Ohio State ATI
Attn: Katie LeMasters, Academic Affairs
1328 Dover Road
Wooster, OH 44691

(Make sure your Ohio State ID# or Ohio State username (name.#) is included in the memo of the checks.)

Please refer to **ati.osu.edu/money-matters** or **sfa.osu.edu** for any additional financial aid information that you may need. You may also contact Julia Morris, coordinator of student financial aid, at 330-287-1214 or **morris.878@osu.edu**.

After Orientation

Once you've completed orientation, you'll have a few more things to consider before beginning your college career.

Preparing for Move-In

While your move-in date isn't until Aug. 22, preparation begins now. As soon as your roommates are assigned (mid-July), contact them so you can begin planning who will bring which items. The Office of Student Life University Housing website (housing.osu.edu) provides detailed information regarding room size, furnishings, and acceptable appliances. View University Housing's checklist at housing.osu.edu/living-on-campus/regional-campuses/ati-wooster-campus.

Vaccination Requirements

You must complete Ohio State's vaccination requirement(s) prior to the start of the semester in which the To-Do List (see Page 8) item is assigned. Failure to complete the applicable requirements may result in a hold placed on your student account, prohibiting your scheduling of classes and your access to grades/transcripts. Find information and documents on vaccination requirements at shs.osu.edu/parents/vaccination-requirement.

Tuition Option Payment Plan

Ohio State's Tuition Option Payment Plan allows students and their families to divide the cost of tuition, housing, and fees into four installments for autumn/spring semesters and three installments for summer term.

Important Dates

Tuesday, Aug. 18, 2020: tuition and fees due

Saturday, Aug. 22, 2020: move-in day

Tuesday, Aug. 25, 2020: first day of classes

Saturday–Monday, Aug. 22–24, 2020: Welcome Days
The first few days on campus will provide several opportunities to learn, engage, laugh, and create lasting memories as you begin or continue your college career. Watch your email for a complete schedule!

Saturday, Sept. 26, 2020: Family Day Picnic and Homecoming Kickoff

Invite your parents and/or family to visit campus on this day. Join us for a picnic lunch and participate in a variety of campus and community activities. A schedule of activities and a registration link will be sent in August.

Majors and Specializations

CFAES Wooster Campus Associate of Applied Science (AAS) Degree Programs

If you are interested in getting started in your career right away, choose a CFAES Wooster campus Associate of Applied Science (AAS) degree program. These programs prepare students for middle management careers by combining general education courses with hands-on courses.

Directions to Ohio State ATI

From the north:

Follow I-71 south, or SR 585 south, or SR 3 south to SR 83 south toward Wooster. Follow SR 83 until the freeway ends. At the stop sign at the end of the ramp, turn left. The campus will be just past the Ohio State Highway Patrol post on your right, on SR 83. Turn right onto Garrison Circle East.

From I-77 south, follow I-77 south to US 30 west to Wooster. Exit at Madison Ave. Turn left at the traffic light at the end of the exit ramp. Go up the hill, past the Ohio Agricultural Research and Development Center, through the traffic light at SR 83, and the campus will be upcoming on your left. Turn left onto Garrison Circle East.

From the south:

Follow I-71 north or SR 3 north to US 30 east to Wooster. Exit at Madison Ave. Turn left at the traffic light at the end of the exit ramp. Go up the hill, past the Ohio Agricultural Research and Development Center, through the traffic light at SR 83, and the campus will be upcoming on your left. Turn left onto Garrison Circle East.

From I-77 north, follow I-77 north to US 250 west toward Wooster. Near Wooster, do not turn right at the US 250/SR 83 bypass, but continue straight ahead on Dover Road, past the Ohio State Highway Patrol post. The campus will be upcoming on your right. Turn right onto Garrison Circle East.

From the east:

Follow US 30 west to Wooster. Exit at Madison Ave. Turn left at the traffic light at the end of the exit ramp. Go up the hill, past the Ohio Agricultural Research and Development Center, through the traffic light at SR 83, and the campus will be upcoming on your left. Turn left onto Garrison Circle East.

From the west:

Follow US 30 east to Wooster. Exit at Madison Ave. Turn left at the traffic light at the end of the exit ramp. Go up the hill, past the Ohio Agricultural Research and Development Center, through the traffic light at SR 83, and the campus will be upcoming on your left. Turn left onto Garrison Circle East.
