J.B.	Hicks	Patriot Services Corporation	2 Weston Road	Shawnee	Oklahoma	74804	(405) 694-1805	jbhicks@patriotservicescorp.net		We cut and harvest red cedar. NOT ALL Cedar is good for harvesting. However, when possible, we trim smaller, straight trees into fence posts and we mill larger trees into board lumber. We mulch everything that is not harvestable. We use the following items: *A Bobcat with Marshal Saw for cutting. *Chainsaws for trimming branches, etc. *A Gyro-Trac tracked carrier with mulching head for mulching debris. *A Timber King Mill for sawing lumber. Harvesting the useable Timber helps offset the costs to the Land Owner. Our methods also reduce the need to burn, stack or haul away. Please give me a call for a free estimate of your property. (Each property is different, so each should be individually assessed.) Thank you for considering us!	All

Toby	Clark	Clark Outdoors, LLC	38926 S. 34700 Rd.	Pawnee	Oklahoma	74058	(918) 762-2429	tblarkoutdoors78@icloud.com	Clarkoutdoorsllc.com	With the experience of 21+ years operating heavy equipment (INCIDENT FREE) Toby is the Man for the job! We specialize in Cedar Tree, Bodark, and invasive problematic tree removal and small dirt work. Using a skid steer with tracks, we strive to have minimal damage to top soil because we don't have wheels and tires tearing up the ground during pivoting. Toby runs a John Deere 329E Skid steer, equipped with a Turbo saw for ground level cutting, Blue Diamond Grapples, Blue Diamond heavy duty brush cutter, and stump spraying capabilities. Working with local cedar saw mills, we can haul off problematic cedars OR we can cut and let them lay or pile them for mulching or burning. We will conform to meet the client's needs in any way we are capable. Let Clark Outdoors, LLC take care of all your tree removal services! We strive for the preservation of this land we call home!
