Our staff hopes that the spring semester is going well. We are aware that the flu and other illnesses are going around and we hope that everyone is healthy soon. At the same time, it is very important that students work hard to keep up with course work and be at school every possible moment. Please communicate with teachers and our attendance office as your child is out so we can all work together for a successful Spring.

Have a great weekend.

Class of 2021 Montgomery County Next Generation Leadership Program

Applications for the Class of 2021 Montgomery County Next Generation Leadership Program were sent out through Naviance on January 16th. Student interested in applying to this program will need to complete the online application, upload a resume and unofficial transcript, and have a teacher complete and email their recommendation form all by March 6th. This is a competitive program, not all students that apply will be chosen. This is a great program where rising seniors (you will participate in this your senior year) meet with other students from Montgomery County in sessions with leaders from across many aspects (medical, government, development, etc) of our county. Former students have made great contacts during this program and learned more about leadership through their participation. More information as well as the application can be obtained at: <https://www.efta-us.org/next-generation-leadership.html>

Next Generation Leadership

Education for Tomorrow Alliance is proud to partner with the Conroe/Lake Conroe Chamber of Commerce to offer the Next Generation Leadership program to 12th grade students in the Chamber service area. The program is intended to provide promising students with the opportunity to learn about leadership at work in Montgomery County and to cultivate individual leadership skills through interactions...www.efta-us.org

Leading in Everyday Actions

[Click here for video](#)

Cavalier Challenge: The fact is what we do matters and affects others. Our challenge is to redefine leadership by creating and celebrating lollipop moments. Take time this week to identify someone who has created a lollipop moment in your life. Say thank you to them. Then start improving each other's lives with simple acts of leadership make creating lollipop moments part of your everyday actions.

Tardy Policy

Students are expected to be in their assigned classrooms when the tardy bell rings. Each student is allowed six tardies per semester, and each of those six tardies is a warning. The purpose of the warnings is to help students deal with mishaps in the hall, bad weather, heavy traffic, etc. When a student exceeds six tardies, the student will begin receiving consequences from their Assistant Principal. Tardies will start over after each semester. Students seen intentionally being tardy may have all tardy privileges revoked and consequences elevated. Students who drive to school may have additional consequences including suspension of parking and/or loss of parking privileges.

LUNCH DROP-OFF POLICY:

Safety is the utmost importance for our students. For the safety of our students, all lunches brought in to school for your student will need to be signed in at the front office. Lunches will be taken to the AP office for the students to pick-up. There will be NO food deliveries accepted by any outside vendor. Our students know that the AP office is the location to pick up items. Thank you for your help and cooperation.

CP Student makes Rodeo Houston Auction! UPDATE

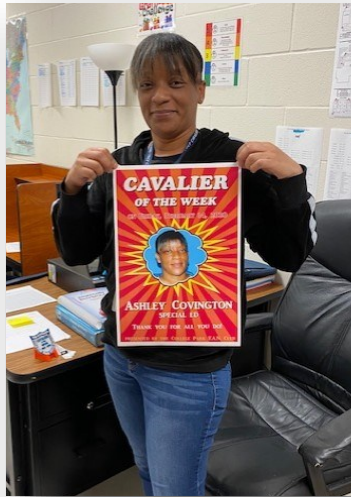

Update about Sierra (Cassie) Wilson and her 3D artwork that was selected for Houston Rodeo Art. On Sunday all of the award winners gathered downtown at NRG to find out who won along with placements. Cassie walked away with a 3D Premium Award. Her work will be cast in bronze and sold at auction on March 15. She has worked so hard to get to this point. Her sculpture is also the first 3D piece that CP has had that is going to auction. This is a major accomplishment for her, CP, the sculpture/art department, and CISD.
