

One Sheet Wonder Instructions

One Sheet Wonder (8 Cards & Bag Layer)

Cut on solid lines. Make cuts in order indicated by red arrows first.
This template is not to scale, use measurements to guide you.

A. Place the Whisper White cardstock in landscape position. Randomly stamp gift image on it with Bermuda Bay ink.

Create an "organized random" pattern by stamping in diagonal rows. Rotate the stamp slightly for variation. Stamp off the edge of the paper, too.

B. Stamp cupcake image over the full sheet with Strawberry Slush ink. You may find it helpful to place the images in relation to the gift images. For example cupcake images in the sample show are usually placed right and above the gift images.

Fill in some blank areas with the party hat image stamped with Crushed Curry ink and balloon image with Pumpkin Pie ink.

If there are areas that have a bit more open space than you want go back and fill in the spaces with any of the stamps that fit.

C. Cut the stamped cardstock following the One Sheet Wonder template.
