BIDDING STRATEGIES *and* AUCTION RULES

Auction Preview

• Before the live auction, tour the room and auction stage to get an up-close look at the excellent quality of the items displayed. Consult your auction catalog and note details such as restrictions, limitations and sizes at that time.

Live Auction Bidding

- To bid, raise your bid card high, number facing the auctioneer.
- A bid acknowledged by the auctioneer, assistant auctioneer, or volunteer bid spotter is a legal contract to purchase the item.
- The auctioneer and organization reserve the right to reject any bid which is a minimal fractional increase over the prior bid.
- “*Dream Value*” is the minimum we hope will be paid for the item. “*Fair Market Value*” is the estimated retail value (provided by the donor). Some items have a “*Reserve Price*” below which the item may not be sold.
- Some auction items may involve a payout to the item vendor. The School keeps any funds bid above the payout amount. Item descriptions usually note any payout amounts so you will know how much of the winning bid is retained by St. Michael School.
- Items may be added to, or withdrawn from, the auction by the auctioneer or organization without prior notice.

Combined (Group) Bids

Two or more people may make a group bid under these conditions:

IRS regulations stipulate that auction items be awarded to one purchaser only. Should two or more people wish to split the cost of an auction item, one bidder from the group must be designated as “purchaser” of the item.

The group “purchaser” must pay for the item in a single payment. The *Bank* cannot accept partial payments from group members.

The group “purchaser” can collect partial payment from others in the group and pay for the item in full at the *Bank*; OR pay for the item in full, then collect (partial) reimbursement from each member of the group. The group purchaser then gives each bidder a copy of the receipt.

Silent Auction Bidding

- Bid forms are displayed near each silent auction item. The form is a legal contract for the highest bidder to purchase the item.
- To bid on an item, write your bid number on the form opposite the amount you want to bid. Press hard (you are making 3 copies!)
- You may skip bid increments to a higher amount. The next bidder must bid at least one increment higher than yours to successfully outbid you.

• To ensure a win, write your bid number beside the “*Guaranteed Purchase*” price. Bidding on the item ends and you are the winning bid.

• The Silent Auction is divided into sections – each with its own closing time that will be posted and/or announced. You may bid on items until their section closes. Event staff will bring winning bidders a copy of their auction item’s bid sheet during the live auction.

Paying for Your Auction Items

- Auction purchases are final. No refunds/exchanges unless noted.
- Payment is due, in full, at the close of the auction.
- The *Bank* opens midway through the auction to accept payment from winning bidders. Multiple items may be purchased in a single transaction.
- Payment may be made by cash, check (payable to St. Michael School) or credit using your Visa or Mastercard.
- Bidders registered for ExpressPay™ do not need to pay for items at the *Bank*. Paid receipts (and any accompanying gift certificates) will be delivered to you during the course of the auction.

Claiming Your Auction Items

- Winning bidders are responsible for locating/removing their purchases from the premises. Claim any gift certificates not displayed at the *Bank*.
- Items left at the auction will be moved to the St. Michael School office and may be picked up on Monday of next week.

NEW! “Oversized Item” Delivery

- This year we are offering delivery of qualifying oversized items identified by the delivery tag hanging on the item. SMART volunteers will deliver oversized items from 1-4pm on Sunday, Oct. 21. Please arrange to have someone home to greet the truck and receive your special purchase.
- Non-deliverable items left behind will be taken to the School office and may be picked up, during school hours on Monday of next week.

Redeeming Gift Certificates

- Goods and services must be claimed and all certificates redeemed within one year of the auction date unless otherwise noted.
- Reservations for travel packages and vacation accommodations must be mutually arranged with the donor unless otherwise noted.
- Travel tickets are for coach class unless otherwise noted.
- No refunds on cancelled reservations for travel or accommodations.
- Travel pricing is subject to change, so donors agree to provide travel, as described, regardless of price increase/decrease. No refunds will be made for changes in value.
