- ✓ Driving
- ✓ GDPR & Cybersecurity
- ✓ Health & Safety
- ✓ Literacy
- ✓ Microsoft Office
- ✓ Psychometric Testing
- ✓ Numeracy
- ✓ Or build you own tests

Why use ISV.Online Skills Testing?

COST EFFECTIVE

With ISV.Online, you can send an unlimited number of assessments to each applicant for no additional cost.

You simply pay per person, not per test.

CUSTOMISABLE - OR CREATE YOUR OWN

Easily customise email templates to retain your brand awareness when sending assessments and results.

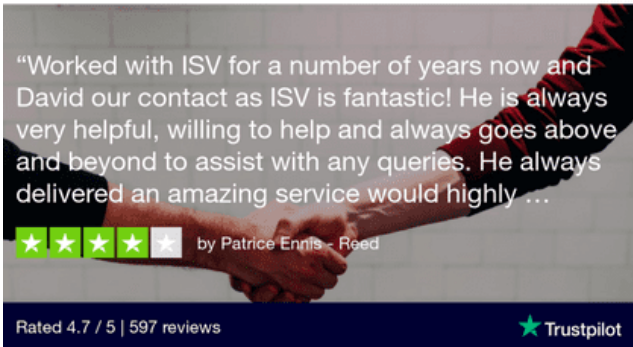

You can also create your own online assessments with our easy-to-use template builder tool – all at no additional cost.

CREDIBLE

We have been providing skills assessments for over 25 years to many of the UK's largest recruitment agencies, well known household brands and fundamental public services.

ISV.Online is used by 9 of the top 10 UK recruitment agencies (by number of offices) and 7 of the top 10 (by revenue), as well as many small and medium-sized recruitment agencies.

Client testimonials

“Our clients can be assured that the candidates we’re putting forward have been thoughtfully and rigorously pre-qualified so that they can have a more streamlined and focused interview process. Ultimately, this saves them time and money.”

- Local recruitment business
- REC and TEAM member
- Perm, temp & contract recruitment
- Used ISV.Online since 2018

[Rebecca Bannerman, Director, Amber Employment Services – Listen to the podcast](#)

- Established boutique firm
- APSCo member
- Perm, search & contingency recruitment
- Migrated from one of the best-known CRMs

“ISV.Online is a really effective tool which forms a valuable part of our assessment and selection process and allows us to provide clear and unbiased results to our clients and support & advice for candidate training.”

[Toni O’Flaherty, Director, Select.je – Read the case study](#)

In these testimonials, we asked two clients to describe in detail why they decided to add ISV.Online skills testing to their recruitment process, how it has benefited them, and how it fits with their recruitment software CRM.

WHAT WE DO

Voyager 

Easy-to-use, innovative, all-in-one recruitment software that streamlines recruitment processes and automates mundane admin tasks, making businesses more efficient, customer-centric and competitive.

 Talentis
.GLOBAL

Leading cloud executive search software. Fast, easy to use, and efficient, it offers a transformational approach to sourcing and recruiting candidates with built-in search across 250M+ public profiles and virtually no data entry.

isv.online

Market leader in online skills testing and training, working with consultancies and employers to help them secure and retain the best talent. ISV gets the recruitment process right by avoiding bad hires and improving onboarding.

 GATEDTALENT

The private network designed to allow senior executives from more than 100 countries to share their information, achievements and aspirations with recruiters, all while supporting GDPR compliance.

 FileFinder

Established executive search software used by thousands of executive search recruiters globally combining database, project management, web research and CRM tools designed specifically for executive search and headhunting.

Voyager Infinity is fully integrated with ISV.Online Skills Testing

FileFinder SaaS clients benefit from no-cost access to Talentis and senior-level candidates who are GatedTalent members
